**Herbert David Croly**

## **Poland Vol 32 In World Biographical Series:**

**Current Geographical Publications** University of Wisconsin--Milwaukee. Library,1985 Current Geographical Publications CGP is a non profit service to the scholarly community initiated in 1938 by the American Geographical Society of New York Beginning in 2006 the format changed to include the tables of contents of current geographical journals The journal titles listed link to web pages or PDF scans of the current issue s contents *Canadian Slavonic Papers* ,1985

**The Cambridge History of Communism: Volume 3, Endgames? Late Communism in Global Perspective, 1968 to the Present** Juliane Fürst,Silvio Pons,Mark Selden,2017-09-21 The third volume of The Cambridge History of Communism spans the period from the 1960s to the present documenting the last two decades of the global Cold War and the collapse of Soviet socialism An international team of scholars analyze the rise of China as a global power continuing to proclaim its Maoist allegiance and the transformation of the geopolitics and political economy of Cold War conflict in an era of increasing economic interpenetration Beneath the surface profound political social economic and cultural changes were occurring in the socialist and former socialist countries resulting in the collapse and transformations of the existing socialist order and the changing parameters of world Marxism This volume draws on innovative research to bring together history from above and below including social cultural gender and transnational history to transcend the old separation between Communist studies and the broader field of contemporary history *National Union Catalog* ,1981 *Encyclopedia of Television* Horace Newcomb,2014-02-03 The Encyclopedia of Television second edition is the first major reference work to provide description history analysis and information on more than 1100 subjects related to television in its international context For a full list of entries contributors and more visit the Encyclo pedia of Television 2nd edition website [CURRENT NOTES: A SERIES OF ARTICLES ON ANTIQUITIES, BIOGRAPHY, HERALRY, HISTORY, LANGUAGES, LITERATURE, NATURAL HISTORY, CURIOUS CUSTOMS, ETC.](#) G. WILLIS,1854 *History as Performance* Dietlind Hüchtker,2020-09-06 This study analyzes history as performance as the interaction of actors plays stages and enactments By this it examines women s politics in Habsburg Galicia around 1900 a Polish woman active in the peasant movement a Ukrainian feminist and a Jewish Zionist It shows how the movements constructed essentialistically regarded collectives experience as a medially comprehensible form of credibility and a historically based inevitability of change and legitimized participation and intervention through social policy and educational practices Traits shared by the movements included the claim to interpretive sovereignty the ritualization of participation and the establishment of truths about past and future **The Publisher** ,1910 [Political Corruption and Political Geography](#) Peter J. Perry,2018-12-20 First published 1997 this volume examines the way in which political corruption remains neglected as a matter of scholarly enquiry and research There is still a powerful and traditional taboo which is quite out of the step with the topic s real world significance and the increasing attention it receives from serious sections of the media The book aims by systematic exposition and case study to break down that taboo and to

demonstrate the topic's importance within a framework provided by the discipline of geography. The novelty of the book is then that it considers a formerly unconsidered factor, corruption, as part of the world's geography, as both part of the geographical context in which human activity takes place and as a spatially variable condition explicable at least in part in terms of other geographies. The conclusion is that much geographical scholarship ignores this factor at the risk of its credibility.

*The Publishers' Trade List Annual*, 1875

**Dictionary of German Biography (DGB). Volume 8, Plett-Schmidseder** Walther Killy, Rudolf Vierhaus, 2011-11-30. No detailed description available for Plett-Schmidseder.

**A History of Russia Volume 1** Walter G. Moss, 2003-07-01. This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US, Canada, and around the world. Moss's accessible history includes full treatment of everyday life, the role of women, rural life, law, religion, literature, and art. In addition, it provides many other features that have proven successful, including a well-organized and clearly written text, references to varying historical perspectives, numerous illustrations, and maps. Fully updated bibliographies accompany each chapter, as well as a general bibliography, a glossary, and chronological and genealogical lists.

**S. Rajaratnam, The Authorised Biography, Volume Two: The Lion's Roar** Irene Ng, 2024-07-03. S. Rajaratnam, one of Singapore's core founding fathers and its first Foreign Minister, was a man of ideas, ideals, and action. In engaging prose, Irene Ng, bestselling author of the first volume of Rajaratnam's biography, *The Singapore Lion*, reveals as never before how Rajaratnam changed the course of his country's history, often by the sheer force of his ideas and will. The second volume, *The Lion's Roar*, begins with his struggles during Singapore's traumatic years in Malaysia from 1963 to 1965. Informed by decades of research, numerous interviews, and access to Mr. Rajaratnam's private and government papers, the book gives new insight into his personality and priorities as he was confronted with Singapore's sudden independence, which left the island exposed to all the calamities of a vulnerable state. The book relates, in fine narrative and analytical detail, the evolution of Singapore's foundational ideals and values, as well as its foreign policy principles and strategies. Through its pages, we follow him as he transformed Singapore's relations with its neighbours, co-founded ASEAN, and rallied the regional grouping to oppose the Vietnamese invasion of Cambodia. We look over his shoulder as he drafted what would become Singapore's National Pledge. We witness his political skills as labour minister as he steered through the most far-reaching labour reform in the nation's history and laid the foundation for Singapore's unique cooperative model of tripartism. And we experience Rajaratnam's final years when he faced the end of his life with the same courage that he brought to every battle he ever fought. More than merely the definitive biography of Rajaratnam, the book is also a story about the human condition, about what individuals given genius, courage, and willpower can achieve beyond what most thought is possible, and what people and nations will endure if they have inspirational and moral leadership.
