Polar Structures In The Of Qohelet:

The Vitality of Enjoyment in Qohelet's Theological Rhetoric Eunhy P. Lee, 2012-02-14 This study explores the interplay between the commendation of enjoyment and the injunction to fear God in Ecclesiastes Previous studies have tended to examine these seemingly antithetical themes in isolation from one another Seeing enjoyment and fear to be positively correlated however enables a fresh articulation of the book's theology Enjoyment of life lies at the heart of Qohelet's vision of piety which may be characterized as faithful realism calling for an authentic engagement with both the tragic and joyous dimensions of human existence Winner of the 2007 John Templeton Award for Theological Promise **Reanimating**

Qohelet's Contradictory Voices Jinyung Kim, 2018-09-11 Ecclesiastes also known as Qohelet is a fascinating text filled with intriguing contradictions such as wisdom's beneficial consequences God's justice and wisdom's superiority over pleasure Under the paradigm of modernism the contradictions in the book have been regarded as problems to be harmonized or explained away In *Reanimating Qohelet's Contradictory Voices* Jinyung Kim drawing on Mikhail Bakhtin's insights offers an alternative reading that embraces the contradictions as they stand For Kim Qohelet's or the protagonist's contradictory consciousness is dialogically constructed by his contact with a complex web of discourses Instead of harmonizing them or explaining them away Kim identifies various dialogic voices available to Qohelet and demonstrates how those voices constitute Qohelet's contradictory utterances and construct his unfinalizable identity

Vain Rhetoric Gary D. Salyer, 2001-06-01 The Book of Ecclesiastes like many ancient and modern first person discourses generates ambivalent responses in its readers The book's rhetorical strategy produces both acceptance of and suspicion towards the major positions argued by the author Vain rhetoric aptly describes the persuasive and dissuasive properties of the narrator's peculiar characterization It also describes how the Book of Ecclesiastes with its abundant use of rhetorical questions constant gapping techniques and other strategies from the arsenal of ambiguity is a stunning testimony to the power of the various strategies of indirection to communicate to the reader something of his or her own rhetorical liabilities and limitations as well as those of the religious community in general *At Home in Many Worlds* Raoul David

Findeisen, 2009 This volume is dedicated to one of the founding figures of Israeli Chinese studies Professor Irene Eber of The

Hebrew University of Jerusalem It assembles more than two dozen essays by colleagues from all over the world that reflect not only the wide range of her scholarly interests but above all the fields of research which would not have been established without her and where her contributions will remain Accordingly the section Philosophy in China and Intellectual History discusses the thorny and complex process of organizing the heritage from the earliest constructed traditions in Han times around the beginning of our era up to the debates on modernization in present day China After an excursion in Chinese Literature much space is devoted to Translating the Bible in China a topic on which her numerous studies have proved seminal and that deals with Chinese perceptions As its complement perceptions of China in systematic and historical perspective are at the core of the section devoted to Jewish Life and Letters in the World The contributions share their approach of paying particular attention to the translation processes strictly speaking and to the hermeneutical process of understanding across time and space more generally A comprehensive list of publications by Irene Eber concludes the volume

A Classified Bibliography on Ecclesiastes David J. H. Beldman, Russell L. Meek, 2019-08-22 This volume is a comprehensive listing of bibliographical references to writings on the book of Ecclesiastes beginning from 1900 Rather than being presented in alphabetical order these references are classified according to genre chapter subject and theme among the myriad of classifications are biblical theology commentaries death and the afterlife God the divine joy language sexuality structure and wisdom These classifications have been selected by specialists of Ecclesiastes in order to guide scholars and researchers through the wealth of secondary material available and to prompt further research on the text Through its collation of the incredible amount of bibliographical data on the book of Ecclesiastes this collection will prove a vital resource for those working on Ecclesiastes for years to come
