Ice Walker James Raffan,2020-10-13 From bestselling author James Raffan comes an enlightening and original story about a polar bear s precarious existence in the changing Arctic reminiscent of John Vaillant s The Golden Spruce Nanurjuk the bear spirited one is hunting for seals on Hudson Bay where ice never lasts more than one season For her and her young everything is in flux From the top of the world Hudson Bay looks like an enormous paw print on the torso of the continent and through a vast network of lakes and rivers this bay connects to oceans across the globe Here at the heart of everything walks Nanurjuk or Nanu one polar bear among the six thousand that traverse the 1 23 million square kilometers of ice and snow covering the bay For millennia Nanu s ancestors have roamed this great expanse living evolving and surviving alongside human beings in one of the most challenging and unforgiving habitats on earth But that world is changing In the Arctic s lands and waters oil has been extracted and spilled As global temperatures have risen the sea ice that Nanu and her young need to hunt seal and fish has melted forcing them to wait on land where the delicate balance between them and their two legged neighbors has now shifted This is the icescape that author and geographer James Raffan invites us to inhabit in Ice Walker In precise and provocative prose he brings readers inside Nanu s world as she treks uncertainly around the heart of Hudson Bay searching for nourishment for the children that grow inside her She stops at nothing to protect her cubs from the dangers she can see other bears wolves whales human beings and those she cannot By focusing his lens on this bear family Raffan closes the gap between humans and bears showing us how like the water of the Hudson Bay our existence and our future is tied to Nanu s He asks us to consider what might be done about this fragile world before it is gone for good Masterful vivid and haunting Ice Walker is an utterly unique piece of creative nonfiction and a deeply affecting call to action
