Parliament. House of Commons, 1867 *Gift and Duty* Paul H. De Neui, 2017-12-21 Is the Christian concept of grace anathema to the social structure of merit making found in Buddhist karmic communities Are all Buddhist forms of merit making purely for religious purposes to assuage cosmic consequences or are there other reasons Are there not Christian churches who operate under a legalistic view of God s divine wrath and are in essence living as karmic communities of the Christian type The result of discussions about these and other questions is the volume you now hold in your hand SEANET proudly presents what is
