Poles Together Emergence And Development Of Political Parties In Postcommunist Poland

Aleks Szcerbiak,Paul Taggart

Poles Together Emergence And Development Of Political Parties In Postcommunist Poland:

Centre-Right Parties in Post-Communist East-Central Europe Seán Hanley,Aleks Szczerbiak,2020-09-10 This is the first book to cover the centre right in post communist Eastern Europe It makes an vital contribution to the broader research agenda on the Central and East European centre right by focusing on one specific question why strong and cohesive centre right formations have developed in some post communist states but not others It also delves into the attempts to develop centre right parties after 1989 in four nations the Czech Republic Hungary Poland and Slovakia The authors of these fresh case studies use a common analytical framework to analyse and provide fascinating insights into the varying levels of cohesion in centre right parties across the region This volume was previously published as a special issue of the Journal of Communist Studies and Transition Politics **Political Parties and the State in Post-Communist Europe** Petr Kopecky,2007-10-11 It is not possible to understand the nature and functioning of post communist political parties without understanding their relationship with the state On the one hand few parties in the region would be able to survive and perform without state resources as they lack strong roots within the wider society On the other hand the relatively weak st

Party Organization and Communication in Poland Michał Jacuński,Barbara Brodzińska-Mirowska,Anna Pacześniak,Maria Wincławska,2021-01-27 This book provides a new analytical perspective on the strategies membership and communication management of political parties in Poland The authors address why some political parties have managed to strengthen and survive while others have failed to do the same The research was carried out in the years 2016 2018 when Poland started to be seen more and more as a weakening democracy As an in depth empirically grounded single country study of party structure and communication the book gives an opportunity to draw broader conclusions about the process of party development in the Central and Eastern Europe region three decades since the beginning of democratic transition

Post-Communist Democracies and Party Organization Margit Tavits,2013-06-24 Scholars of post communist politics often argue that parties in new democracies lack strong organizations sizable membership local presence and professional management because they do not need them to win elections and they may hinder a party s flexibility and efficiency in office Post Communist Democracies and Party Organization explains why some political parties are better able than others to establish themselves in new democracies and why some excel at staying unified in parliament whereas others remain dominated by individuals Focusing on the democratic transitions in post communist Europe from 1990 to 2010 Margit Tavits demonstrates that the successful establishment of a political party in a new democracy crucially depends on the strength of its organization Yet not all parties invest in organization development This book uses data from ten post communist democracies including detailed analysis of parties in the Czech Republic Estonia Hungary and Poland *Party Politics in New Democracies* Paul D. Webb,Stephen White,2007-09-20 This book is the sequel to Political Parties in Advanced Industrial Democracies Oxford 2002 It offers a systematic and rigorous analysis of parties in some of the world s major new

democracies focusing on Latin America and postcommunist Eastern Europe   The Regulation of Post-Communist Party Politics Fernando Casal Bértoa,Ingrid van Biezen,2017-11-06 The question of how political parties are and ought to be regulated has assumed an increased importance in recent years both within the scholarly community and among policy makers and politicians as the state assumes an increasingly active role in the management of and control over their behaviour and organisation This book concentrates on the regulation of political parties in the EU post communist democracies and on Bulgaria Croatia the Czech Republic Estonia Hungary Latvia Lithuania Poland Slovakia Slovenia and Romania in particular In analysing the various dimensions of party regulation it builds on the main premises derived from the neo institutionalist literature in political science concerning the ways in which the formal and informal rules and procedures may influence constrain or determine the behaviour of political actors In doing so it provides a comprehensive overview of the regulation of Eastern European political parties provided by leading experts in the field and casts theoretical and empirical light on the manner in which the constitutional and legal regulation of party organizations and finances have had an impact or not on the consolidation of party politics in post communist Europe since 1989 This text will be of key interest to scholars and students of Political Parties and Behaviour East European and Post Communist Politics and Comparative Politics   Elections, Parties and Representation in Post-Communist Europe F. Millard,2016-01-08 Elections Parties and Representation in Post Communist Europe 1990 2002 stresses the ways in which the development of political parties affected the quality of democracy the nature of political representation and political accountability in the early stages of post communist politics It also analyzes the nature and consequences of the corpus of parliamentary candidates and deputies for the representation of social classes women and minorities In contrast with the wide social profile of communist parliaments politics largely became the playground of new highly educated male elites   Handbook of Party Politics Richard S Katz,William J Crotty,2006-01-26 The Handbook of Party Politics is the first book to comprehensively map the state of the art in contemporary party politics scholarship This major new work brings together the world s leading party theorists to provide an unrivalled resource on the role of parties in the pressing contemporary problems of institutional design and democratic governance today   **Poles Together?** Aleks Szczerbiak,2001 The book contains country reports from Bulgaria the Czech Republic Germany Hungary and Spain prepared on the basis of a questionnaire inquiring on the legal frameworks of rights and freedoms of information with special regard to personal and ethnic data Studies on Latvia and Romania cover some of these issues The road leading to an efficient legally and socially acceptable ethnic monitoring system is examined on the example of Britain The book presents the norms and practices connected to the collection of ethnic data and their relation to data protection concerns This volume is a strong and well founded statement about the compatibility of the collection of ethnic data for purposes of minority protection on the one hand and the principles of data protection and informational self determination on the other   *Party Organization and Electoral Volatility in Central and Eastern Europe* Sergiu

Gherghina,2014-10-17 Political parties in post communist countries have very high levels of electoral volatility In these environments political factions fail to establish long term connections with the electorate and thus regularly rise and fall from the political arena This book provides an organizational explanation for the variations in party level electoral volatility It looks comparatively at 29 political parties in six Central and Eastern European democracies between 1990 and 2008 to examine how political parties can influence their electoral environment Using empirical evidence Gherghina tests the effect of candidate selection procedures membership organizations and re nomination of incumbent MPs on voters loyalty and in doing so demonstrates how party organization greatly affects electoral stability Including case studies from Bulgaria Czech Republic Hungary Poland Romania and Slovakia this book will be of interest to students and scholars of comparative politics party politics democratization elections and Central and Eastern European politics   EU Enlargement and Referendums Aleks Szcerbiak,Paul Taggart,2013-09-13 A series of EU accession referendums were held in nine candidate countries eight post communist states and Malta between March and September 2003 These referendums provide us with an excellent comparative opportunity to deepen our understanding of the European integration issue and how it interacts with domestic politics and of the dynamics of referendums in general and referendums on the European issue in particular This book therefore provides a set of focused comparisons between these different cases Each of the individual chapters provides an authoritative analysis of the referendum campaign and outcome in each of the countries concerned by a leading specialist on the politics of that country This book was previously published as a special issue of the journal West European Politics   **The New Party Challenge** Timothy Haughton,Kevin Deegan-Krause,2020 This book provides the first systematic book length study of political parties across Central Europe since 1989 and provides new tools and conceptual frameworks that can be used to explain party politics in other regions across the globe   **Clientelism and Democratic Representation in Comparative Perspective** Saskia Ruth-Lovell,Maria Spirova,2019-10-15 Since the Third Wave of democratization research on clientelism has experienced a revival The puzzling persistence of clientelism in new and old democracies inspired researchers to investigate the micro foundations and causes of this phenomenon Though the decline of clientelistic practices such as vote buying and patronage in democratic contexts has often been predicted they have proven to be highly adaptive strategies of electoral mobilization and party building This volume seeks to contribute to this new line of research and develops a theoretical framework to study the consequences of clientelism for democratic governance Under governance we understand all processes of governing whether undertaken by a government market or network whether over a family tribe formal or informal organization or territory and whether through laws norms power or language   *The European Parliament Election of 2019 in East-Central Europe* Vít Hloušek,Petr Kaniok,2020-06-03 This book provides an analysis of the European Parliament elections 2019 with a focus on East Central European countries The authors offer conceptual insights into Euroscepticism and discuss traditionally familiar concepts in a new light pairing East Central European Euroscepticism

with visions of illiberal democracy on the one hand and showing the increasing Europeanisation of Eurosceptic parties in the region on the other The book combines a fresh and innovative conceptual treatment with rich and accurate empirical evidence in order to highlight the dynamics of Euroscepticism in new EU member states Students and experts interested in EU politics within academia and beyond will find this volume particularly informative **Informal Relations from Democratic Representation to Corruption** Zdenka,2014-04-15 Informal relations have been one of the major research topics of the social sciences since the 1990s In order to allow for meaningful comparisons between different combinations of the positive and negative effects of informal relations on democratic representation this book focuses on post socialist Central and Eastern Europe as a particular region where formal democratic rules have been established but competing informal rules are still strong A broad spectrum of related analytical concepts is discussed from different perspectives and from different academic disciplines then empirical cases of the relationship between informal relations and democratic representation are analyzed The contributions span the whole continuum as we perceive it from civil society networks seen as supporting democratic representation to the perversion of democratic representation through political corruption The final part of the book takes a closer look at corruption through four case studies from Russia *Democratic Elections in Poland, 1991-2007* Frances Millard,2009-10-16 This book is a political history of democratic elections in Poland from the first fully competitive parliamentary elections in 1991 to the unexpected most recent election in 2007 Until now there has been no equivalent study covering similar developments in this or any other post communist country this book fills the gap and provides a detailed electoral perspective on the trajectory of political development in the context of post authoritarian change It also provides an invaluable account of the evolution of electoral processes and institution building in the context of democratic regime development The major themes of the book centre on the complex problematic development of Poland s political parties and the parties failure to gain public support and win the confidence of the electorate Frances Millard examines the failure of Polish elites the lack of a stable party system and how elections have had a destabilizing effect and she argues that the interaction of leadership volatility party volatility and electoral volatility have created uncertainty and undermined political parties as effective vehicles of representation Poland is a large and important country worthy of study in its own right but equally many of the problems experienced are not unique to Poland so this book also constitutes a comparative benchmark for analysis of democratic developments elsewhere eBook: Representative Government in Modern Europe, 5e GALLAGHER,2021-04-09 eBook Representative Government in Modern Europe 5e **Pan-European Perspectives on Party Politics** Paul Lewis,Paul Webb,2021-10-01 In this book an international team of specialists reflects more than a dozen years after the fall of the Berlin Wall on the implications of that momentous conjuncture for the study of party politics in Europe In particular the authors and editors seek to address two inter connected questions To what extent is there evidence of convergence in patterns of party politics across Eastern and Western Europe And how far has the theory of

parties and party systems coped with the emergence of democratic politics in Eastern Europe In a wideranging and stimulating set of essays these issues are confronted in respect of themes such as the impact of institutional contexts like electoral systems and presidentialism the evolving nature of cleavage structures party organizational developments and intra party factionalism This book will make a significant addition to any course reading list on comparative and party politics

The Handbook of Political Change in Eastern Europe Sten Berglund,2013-04-01 Lots has changed in Eastern Europe in the past quarter century and the new edition of this major study of the region sets out these changes in directions for the better and for the worse Richard Rose University of Strathclyde UK This Handbook offers a historically informed systematic account of the political development in Central and Eastern Europe Two chapters lay out a framework for comparison 26 specialists provide analyses for 19 countries In an appendix each of these country chapters documents election results government composition the electoral system and the constitutional framework The concluding chapter synthesizes the major results The Handbook is the most comprehensive source for an up to date analysis of all Central and Eastern European countries within the sphere of influence of the European Union It is a must have for students and scholars interested in how to evaluate the state of democracy in this region of the globe Hans Dieter Klingemann New York University Abu Dhabi UAE and Social Science Research Center Berlin Germany This third edition of The Handbook of Political Change in Eastern Europe provides an authoritative and thorough analysis of the political changes which have occurred in Central and Eastern Europe since the demise of communism It offers an historical comparative perspective of the region and focuses on the social consequences of the democratisation process The country specific chapters are written by scholars with well documented area expertise on their respective cases Estonia Latvia Lithuania Poland The Czech Republic Slovakia Hungary Slovenia Romania Bulgaria Croatia Bosnia Serbia Montenegro Macedonia Albania Ukraine Moldova and Georgia Each chapter includes detailed examinations of elections the formation of governments electoral systems and constitutional arrangements These in depth and up to date analyses are supplemented by conclusions on the party systems and emerging political structures in the region as a whole as well as the consolidation of democracy in a post communist setting The revised and expanded version of The Handbook of Political Change in Eastern Europe provides a state of the art companion which will be indispensable for students and scholars in the social sciences including political science comparative politics European studies and political history as well as for policy makers and practitioners **Comparative Politics and Government of the Baltic States** D. Auers,2015-03-17 This book traces the development of the political institutions electoral systems parties civil society economic and social policies and foreign affairs of the three Baltic states of Estonia Latvia and Lithuania over the last quarter century

Poles Together Emergence And Development Of Political Parties In Postcommunist Poland Introduction

In todays digital age, the availability of Poles Together Emergence And Development Of Political Parties In Postcommunist Poland books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Poles Together Emergence And Development Of Political Parties In Postcommunist Poland books and manuals for download, along with

some popular platforms that offer these resources. One of the significant advantages of Poles Together Emergence And Development Of Political Parties In Postcommunist Poland books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Poles Together Emergence And Development Of Political Parties In Postcommunist Poland versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Poles Together Emergence And Development Of Political Parties In Postcommunist Poland books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Poles Together Emergence And Development Of Political Parties In Postcommunist Poland books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Poles Together Emergence And Development Of Political Parties In Postcommunist Poland books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Poles Together Emergence And Development Of Political Parties In Postcommunist Poland books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg,

Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Poles Together Emergence And Development Of Political Parties In Postcommunist Poland books and manuals for download and embark on your journey of knowledge?

FAQs About Poles Together Emergence And Development Of Political Parties In Postcommunist Poland Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Poles Together Emergence And Development Of Political Parties In Postcommunist Poland is one of the best book in our library for free trial. We provide copy of Poles Together Emergence And Development Of Political Parties In Postcommunist Poland in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Poles Together Emergence And Development Of Political Parties In Postcommunist Poland. Where to download Poles Together Emergence And Development Of Political Parties In Postcommunist Poland online for free? Are you looking for Poles Together Emergence And Development Of Political Parties In Postcommunist Poland PDF? This is definitely going to save you time and cash in something you should think about.
