Poliakoff Plays One:

Poliakoff Plays: 2 Stephen Poliakoff, 1994-08-30 The second volume of Poliakoff's plays in the Contemporary Dramatists series contains his film script *Century* together with *She's Been Away* filmed by Peter Hall with Peggy Ashcroft and the stage plays for the RSC *Breaking the Silence* and *Playing with Trains*

Poliakoff Plays: 1 Stephen Poliakoff, 1989 Stephen Poliakoff has been one of our sharpest and least predictable writers for the past twenty years *Daily Telegraph* *Clever Soldiers* is a thoughtful play about violence *Times* which attacks the mythology of Oxbridge against the background of war *Hitting Town* a powerful play about incest is a riveting piece of theatre a stupendous achievement *Sunday Telegraph* *City Sugar* A savage dissection of that pristine slagheap of *Our Times* mass culture *Time Out* *Shout Across the River* traces the progress of a passionate and extraordinary relationship between a young mother and her teenage daughter played against the background of a vast suburb of south London *Guardian* *American Days* Into the escapist limbo of a top record company executive's office tumble three teenagers spotted by an insecure talent scout and now given a hit or miss chance to impress Poliakoff has the dramatic ability to make you care very much a completely enjoyable play *Financial Times* *Strawberry Fields* is about three young members of the lost generation of the sixties Imaginative and controversial a sort of Pinteresque fantasy with thriller overtones *Plays and Players*

The Cambridge Companion to British Theatre since 1945 Jen Harvie, Dan Rebellato, 2024-03-21 The definitive guide to post war British theatre's huge variety and expansion exploring the diverse contexts that shaped it

State of play Robin Nelson, 2013-07-19 Robin Nelson's *State of play* updates and develops the arguments of his influential TV Drama *In Transition* 1997 It is equally distinctive in setting analysis of the aesthetics and compositional principles of texts within a broad conceptual framework technologies institutions economics cultural trends Tracing the great value shift from conduit to content *Todreas* 1999 Nelson is relatively optimistic about the future quality of TV Drama in a global market place But characteristically taking up questions of worth where others have avoided them Nelson recognizes that certain types of quality are privileged for viewers able to pay possibly at the expense of viewer preference worldwide for local resonances in television The mix of arts and cultural studies methodologies makes for an unusual and insightful approach

British Playwrights, 1956-1995 William W. Demastes, 1996-10-23 The year 1956 marked a point when British drama and theater fell into the hands of a group of young playwrights who revolutionized the stage During that time playwrights such as Samuel Beckett and Harold Pinter made the British theater as rich varied and vital as any national theater in history This reference chronicles the history of British theater from 1956 to 1995 by providing detailed information about the playwrights of that period Included are entries for some three dozen British playwrights active between 1956 and 1995 Entries are arranged alphabetically to facilitate use Each entry supplies biographical information the production history for particular plays a survey of the playwright's critical reception an assessment of the dramatist's work and primary and secondary bibliographies A selected general bibliography at the end of the volume directs the reader to

important sources of additional information about this period in theater history English Drama Since 1940 David Ian Rabey, 2014-10-13 English Drama Since 1940 considers the bids of successive post war dramatists to find language and images of remorseless disclosure appropriate to the public manifestation of sensed crisis and the interrogation of the ideal of renewal This book introduces the period and its discourse whilst redefining them to give proper consideration to developments of themes styles concerns and contexts from the 80s to the present The book offers succinct and analytical introductions to the work of 60 dramatists whilst arguing for re appraisal of many dates critical perspectives in order to stimulate further argument in the field Cynicism in British Post-War Culture K. Curran, 2014-11-24 This book is the first academic text to examine cynicism as a driving force in the context of post war British culture It maps a sensibility that transcends divisions between high and low culture and encompasses figures such as Philip Larkin John Lennon and Stephen Patrick Morrissey *The Oxford English Literary History: Volume 12: The Last of England?* Randall Stevenson, 2005-11-10 English Literature in the 1960s soon threw off its post war weariness and the tepid influences of the previous decade New voices new visions and new commitments profoundly reshaped writing during the 60s and throughout the rest of the century Drama thrived on its rapidly rebuilt foundations New freedoms of style and form revitalised fiction Poetry too gradually recovered the variety and inventiveness of earlier years As well as comprehensively charting these changes in the literary field Randall Stevenson persuasively pinpoints their origins in the historical social and intellectual pressures of the times Literary developments are revealingly related to the wider evolution and profound changes in English experience in the late twentieth century to shadows of war and loss of empire declining influences of class shifting relations between the genders emergent minority and counter cultures and the broadening democratization of contemporary life in general Analyses of the rise of literary theory of publishing and the book trade and of the pervasive influences of modernism and postmodernism contribute further to an impressively thorough insightful description of writing in the later twentieth century a literary period Stevenson shows to be far more imaginative and exciting than has yet been recognised Lucid accessible and engaging this volume of the Oxford English Literary History presents a unique illumination of its age one we have lived through but are only just beginning to understand The first full account of its period it will set the agenda for discussion of late twentieth century literature for many years to come **British Dramatists Since World War II: M-Z** Stanley Weintraub, 1982

The Continuum Companion to Twentieth Century Theatre Colin Chambers, 2006-05-14 International in scope this book is designed to be the pre eminent reference work on the English speaking theatre in the twentieth century Arranged alphabetically it consists of some 2500 entries written by 280 contributors from 20 countries which include not only top level experts but uniquely leading professionals from the world of theatre A fascinating resource for anyone interested in theatre it includes Overviews of major concepts topics and issues Surveys of theatre institutions countries and genres Biographical entries on key performers playwrights directors designers choreographers and composers Articles by leading professionals

on crafts skills and disciplines including acting design directing lighting sound and voice **Maggie Smith** Michael Coveney, 2015-12-29 Steeped in theater history this biography seamlessly melds Smith's personal and professional lives into an engrossing narrative Kirkus Reviews No one does glamour severity girlish charm or tight lipped witticism better than Dame Maggie Smith Michael Coveney's biography shines a light on the life and career of a truly remarkable performer one whose stage and screen career spans six decades From her days as a West End star of comedy and revue Dame Maggie's path would cross with those of the greatest actors playwrights and directors of the era Whether stealing scenes from Richard Burton answering back to Laurence Olivier or playing opposite Judi Dench in *Breath of Life* her career can be seen as a Who's Who of British theatre Her film and television career has been just as starry From the title character in *The Prime of Miss Jean Brodie* and the meddling chaperone in *A Room With a View* to the Harry Potter films in which she played Minerva McGonagall as she put it Miss Jean Brodie in a wizard's hat and the Best Exotic Marigold Hotel films in which she played the wise Muriel Donnelly Smith has thrilled engaged and made audiences laugh As Violet Crawley the formidable Dowager Countess of Downton Abbey she conquered millions more Paradoxically she remains an enigmatic figure rarely appearing in public Michael Coveney's absorbing biography written with the actress's blessing and drawing on personal archives as well as interviews with immediate family and close friends is a portrait of one of the greatest actors of our time

Land/scape/theater Elinor Fuchs, Una Chaudhuri, 2002 Essays by leading theater scholars and theorists exploring the turn to landscape in modern and contemporary theater *Nuclear Fictions* Michael Gardiner, 2024-11-30 In this book Michael Gardiner suggests that the conception of the war ending weapon was tied up with a longer commitment to unified space and singular progress The mission for total weapons can be seen rising with the highly technical defensive war of the later nineteenth century and passing through twentieth century atomic research then the targeting of the outsides of commercial empire and the post war consensus with deterrence as its foundation The end of the Cold War brought an opportunity to fully naturalise deterrence but also brought a tacit acceptance of nuclear violence while forms of violence against the individual were rigorously sought out If the world unifying role of deterrence has always been undermined by the rise of rival empires it has also been questioned by critical communities including the consensus sceptics of the 1950s 60s 1980s 90s Nuclear Criticism and readers of nuclearism millennial campaigns for Scottish independence and twenty first century descriptions of nuclear colonialism Recently it has become more obvious that an Anglosphere concept of worldly deterrence was bound to a singular and ultimately nihilistic idea of progress bio Michael Gardiner is Professor in the Department of English and Comparative Literature at the University of Warwick Rise of the English Actress Sandra Richards, 1993-06-18 An account of the English actress's view of her own rise up to social and professional prominence from 1600 to the present Examining the actress's experience as distinct from the actor's this book charts her influence on each age's views of women's nature and their role in society *New York Herald Tribune Books*, 1929 **Spatial Literary**

Studies Robert T. Tally Jr., 2020-10-20 Following the spatial turn in the humanities and social sciences *Spatial Literary Studies Interdisciplinary Approaches to Space Geography and the Imagination* offers a wide range of essays that reframe or transform contemporary criticism by focusing attention in various ways on the dynamic relations among space place and literature These essays reflect upon the representation of space and place whether in the real world in imaginary universes or in those hybrid zones where fiction meets reality Working within or alongside related approaches such as geocriticism literary geography and the spatial humanities these essays examine the relationship between literary spatiality and different genres or media such as film or television The contributors to *Spatial Literary Studies* draw upon diverse critical and theoretical traditions in disclosing analyzing and exploring the significance of space place and mapping in literature and in the world thus making new textual geographies and literary cartographies possible *New York Magazine* ,1979-12-31 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Cracking Morse Code Adrian Page, 2000 Examining television drama from a semiotic viewpoint *Cracking Morse Code* explains the need to develop semiotic theory further in order to acknowledge all the sign systems that practitioners have exploited in successful television drama *Plays* ,1984 *New York Magazine* ,1980-01-14 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
