returns to the UK to hunt down the source of his humiliation Under the tanned and easygoing exterior Mathew's need for revenge festers like an unexploded grenade at thirty thousand feet over the French Alps on the night flight home a would be assassin pulls the pin

*A Dishonourable Profession* John Eidemak, 2016-08-06 2nd Edition Following a military career Alex Martell starts working for an auto tool company in London which has a production factory in Albania Alex becomes aware that this factory could possibly manufacture the machine gun which Alex has designed that is of course if the factory owners in Albania can be persuaded to take that moral step Meanwhile on the other side of London Gemma Lott is building up her computer game company with honest hard graft Following a family tragedy her sole focus is to give herself and her oldest friend the outrageous Karla a steady income Then by chance a simple act of fate crosses the paths of Gemma and Alex They fall deeply in love get married and create a happy family Alex keeps his real business a dark secret from Gemma He is unable to tell her that the tool company in London which he now owns is actually a front for selling machine guns to terrorist organizations Due to its expansion most activities having been moved abroad for security reasons Alex never feels secure but accepts it as part of his life Years pass before Gemma suddenly stumbles upon the truth about her husband's seriously questionable profession Their comfortable and seemingly happy life is within hours turned upside down Shocked and horrified she is confronted by a dilemma The world press are demanding answers which she can't give while she is considering their children and their previous happy life together Should she stand by her moral principles or should she stand by her man The depth of Alex's deceit not only puts Gemma and her family at risk but also her successful computer game company Karla persuades her to go to the police right away Alex immediately flees to a remote church in Jutland Denmark and then into hiding in an abbey in France Gemma meanwhile is left in London to face the consequences alone of Alex's dishonourable profession She finally ends up in prison herself having not been believed Gemma can neither forgive nor forget her husband and some years later she goes in search of Alex This exciting thriller by bestselling Scandinavian author John Eidemak tells the story of what in life can be most valuable

*Our Street* Jan Petersen, 2012-03-15 If ever a book had an unusual genesis It belongs to that hybrid category fiction but the choice wasn't a literary contrivance it was dictated by life threatening circumstances In the author's own words I know what will happen to me if I fall into the hands of the Nazis with these records I didn't write at all this week I came too close to burning everything The difficulties just seemed too great I have been trying to find another place to live where I can write but it would have to be with comrades and they are just as involved in underground work as I am There could be a sudden house search at their homes too The place where I keep the written page is not absolutely safe either But during this last week when I didn't write I couldn't find inner peace either I was weighed down by a spiritual urgency that has compelled me to go on writing now I must write all this down We must manage to get this manuscript abroad It must help to shake people's consciences awake *Our Street* is an account of left wing resistance to Nazism in the Charlottenburg district of Berlin between January 1933 and June 1934 in other words from

just before Hitler became Chancellor to the early days of Nazi government The street in question is Wallstrasse It suffered particular brutality in revenge for the killing of a Stormtrooper At the beginning of the book the names of eighteen victims are printed The Charlottenburg Death List These names are real but they don't tell the whole story As the translator Betty Rensen says in her foreword But many more murders and executions have taken place they could not all be recounted here because of the possible repercussions on relatives and friends The author had therefore to be content with the names in the death list These names are all well known in Berlin Charlottenburg and in some cases the families have emigrated beyond the reach of Nazi justice The story of how the manuscript was smuggled out of the country is almost one of tragic comedy The author dressed as if going for a skiing holiday The customs examination was thorough until that is it came to checking the rucksack It appeared to contain two enormous cakes Feigning embarrassment Jan Petersen explained Well you know what women are don't you I told my wife I was only going away for three days but she would go and bake me two whopping big cakes It'll take me a week to eat one Just look at the size of them The official was all smiling complaisance his wife being just the same he said Inside the cakes the manuscript had been baked The English translation of *Our Street* was published in 1938 in Gollancz's Left Book Club Victor Gollancz himself called it vivid and exciting It still is **SPY THRILLERS - Boxed**

## **Police Know Everything Introduction**

In today's digital age, the availability of Police Know Everything books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Police Know Everything books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Police Know Everything books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Police Know Everything versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Police Know Everything books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Police Know Everything books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Police Know Everything books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Police Know Everything books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
