Police Brutality An Anthology

Gerald D. Jaynes

Police Brutality An Anthology:

Police Brutality Jill Nelson, 2000 Contains twelve essays in which a variety of authors examine the issue of police brutality discussing its causes opposition movements and its reflection of racism in America The Cambridge Companion to Malcolm X Robert E. Terrill, 2010-05-10 Malcolm X is one of the most important figures in the twentieth century struggle for equality in America With the passing of time and changing attitudes to race and religion in American society the significance of a public figure like Malcolm X continues to evolve and to challenge This Companion presents new perspectives on Malcolm X s life and legacy in a series of specially commissioned essays by prominent scholars from a range of disciplines As a result this is an unusually rich analysis of this important African American leader orator and cultural icon Intended as a source of information on his life career and influence and as an innovative substantive scholarly contribution in its own right the book also includes an introduction a chronology of the life of Malcolm X and a select bibliography Critical Perspectives on Effective Policing and Police Brutality Cyndy Aleo, 2017-12-15 One of the most hotly debated subjects in current events is the use of force by police personnel In recent years protests have taken place over most of the United States after several high profile cases in which excessive force during arrests was claimed This volume examines opinions surrounding police action in the United States and abroad such as arguments in favor of or against controversial policies such as stop and frisk Through this wide spectrum of experiences students are encouraged to reach their own conclusions using the information they have read and synthesized **APB: Artists against Police Brutality** Bill Campbell, Jason Rodriguez, John Jennings, 2015-10-28 An incredibly unique comic book benefit project featuring comic shorts pin ups short essays and flash fiction the proceeds of which will be going to the Innocence Project We ve all seen the pictures a six year old Ruby Bridges being escorted by U S marshals on her first day at an all white New Orleans school in 1960 a police dog attacking a demonstrator in Birmingham fire hoses turned on protesters Martin Luther King Jr addressing a crowd on the National Mall These pictures were printed in papers flashed across television screens and helped to change the laws of this nation but not necessarily all of the attitudes Similarly we ve seen the pictures of Michael Brown lying face down in a pool of his own blood for hours protesters with their hands up facing down militarized policemen There are videos of Eric Garner choked to death John Crawford III shot down in Walmart for carrying a toy gun and 12 year old Tamir Rice gunned down in broad daylight for the same reason APB Artists Against Police Brutality is a benefit comic book anthology that focuses on hot button issues including police brutality the justice system and civil rights with one primary goal show pictures and tell stories that get people talking The proceeds will go to the Innocence Project an organization dedicated to exonerating wrongfully convicted people *Police Brutality* Louise I. Gerdes, 2004 People continue to express concern about police brutality Authors in this anthology examine the nature and scope of police brutality possible causes and potential reforms *Police Brutality* Steve Martinot, 2024-11-04 This book is about the culture of the US police and what it is that allows them to be as violent as they are It approaches the elements of

police culture by analyzing how they respond to incidents called by people who need help calls to 911 and that contain no danger and no urgency Such situations begin peacefully with no need for law enforcement Yet someone gets shot and injured or killed by the police What does that represent How does that happen To answer such questions a deep analysis of the mind of the police listing structures by which they think is necessary What assumptions must they make and how must they approach people How do they include impunity insularity contempt provocation militarism collective thought obeisance and racism in what they do These are not trained They are not part of a cop s job description Why do the police embrace them Each represents a different facet of social hegemony How is that continually reproduced And what is the police final program the political game for which they need these structures Criminology Explains Police Violence Philip Matthew

Stinson,2020-01-21 Criminology Explains Police Violence offers a concise and targeted overview of criminological theory applied to the phenomenon of police violence In this engaging and accessible book Philip M Stinson Sr highlights the similarities and differences among criminological theories and provides linkages across explanatory levels and across time and geography to explain police violence This book is appropriate as a resource in criminology policing and criminal justice special topic courses as well as a variety of violence and police courses such as policing policing administration police community relations police misconduct and violence in society Stinson uses examples from his own research to explore police violence acknowledging the difficulty in studying the topic because violence is often seen as a normal part of policing

Encyclopedia of African American Society Gerald D. Jaynes,2005-02-01 Do your students or patrons ever ask you about African Americans in sports How about African American Academy Award winners Or perhaps you re asked about more complex social issues regarding the unemployment rate among African Americans or the number of African American men on death row If these questions sound familiar the Encyclopedia of African American Society is a must have for your library This two volume reference seeks to capture the ways in which the tenets and foundations of African American culture have given rise to today s society Approaching the field from a street level perspective these two volumes cover topics of universal interest in America rap music sports television cinema racism religion literature and much more The Encyclopedia of African American Society is also the first comprehensive yet accessible reference set in this field to give voice to the turbulent historical trends slavery segregation separate but equal that are often ignored in favor of mere facts This is a definitive reliable and accessible entry point to learning the basics about African American society The encyclopedia is anchored by alphabetically arranged essays on such topics as abolitionism affirmative action and the civil rights movement More than just a who s who these volumes emphasize social issues and events those filled with significance and consequence through history Civil Rights economic growth law and justice and politics with all of their numerous subcategories receive substantial coverage The encyclopedia naturally contains hundreds of articles on notable African Americans Martin Luther King Jr Jackie Robinson Miles Davis groundbreaking events Emancipation Proclamation Los Angeles Riots sports and culture Rap Music

Jazz and significant heritage sites Apollo Theater This much needed two volume encyclopedia should become a staple in collections at school public and academic libraries Readers of all ages backgrounds and ethnic or racial groups will find fascinating material on every page Key Features Nearly 700 signed articles Almost 50 photographs Complete list of African Americans in sports Halls of Fame Cross referenced for easy links from one topic to another Reader s guide facilitates easy browsing for relevant articles Clear accessible writing style appropriate for high school and college students and interested lay readers Comprehensive index and bibliography Topics Covered Concepts and Theories Fine Arts Theater and Entertainment Health and Education History and Heritage Literature Media Movements and Events Music and Dance Organizations and Institutions Places Politics and Policy Popular Culture Religion and Beliefs The Road to Freedom Science Technology and Business Social Issues Special Populations Sports Advisory Board Sherri L Barnes Davidson Library University of California Santa Barbara W Maurice Shipley Ph D Ohio State University William H Wiggins Jr Ph D Indiana University *The Executed God* Mark Lewis Taylor,2015-11-01 The new edition of Mark Lewis Taylor s award winning *The Executed God* is both a searing indictment of the structures of Lockdown America and a visionary statement of hope It is also a call for action to Jesus followers to resist US imperial projects and power Outlining a theatrics of state terror Taylor identifies and analyzes its instruments mass incarceration militarized police tactics surveillance torture immigrant repression and capital punishment through which a racist and corporatized Lockdown America enforces in the US a global neoliberal economic and political imperialism Against this *The Executed God* proposes a counter theatrics to state terror a declamation of the way of the cross for Jesus followers that unmask the powers of US state domination and enacts an adversarial politics of resistance artful dramatic actions and the building of peoples movements These are all intrinsic to a Christian politics of remembrance of the Jesus executed by empire Heralded in its first edition this new edition is thoroughly revised updated and expanded offering a demanding rethinking and recreating of what being a Christian is and of how Christianity should dream hope mobilize and act to bring about what Taylor terms a liberating material spirituality to unseat the state that kills

Africana Cultures and Policy Studies Z. Williams,2009-06-08 This book introduces Africana Cultures and Policy Studies as an interdisciplinary field of study rooted in the historical experience of people of African descent and focusing on policy development analysis and practical application **Documenting American Violence** Christopher Waldrep,Michael Bellesiles,2006-01-12 Violence forms a constant backdrop to American history from the revolutionary overthrow of British rule to the struggle for civil rights to the present day debates over the death penalty It has served to challenge authority defend privilege advance causes and throttle hopes In the first anthology of its kind to appear in over thirty years *Documenting American Violence* brings together excerpts from a wide range of sources about incidents of violence in the United States Each document is set into context allowing readers to see the event through the viewpoint of contemporary participants and witnesses and to understand how these deeds have been excused condemned or vilified by society

Organized topically this volume looks at such diverse topics as famous crimes vigilantism industrial violence domestic abuse and state sanctioned violence Among the events these primary sources describe are Benjamin Franklin's account of the Conestoga massacre when an entire village of American Indians was killed by the Paxton Boys a group of frontier settlers militant abolitionist John Brown's attack on Harper's Ferry Ida B Wells' condemnation of lynchings in the South the massacre of General Custer's 7th Cavalry at Little Bighorn as witnessed by Cheyenne war chief Two Moon Nat Turner's confession about the slave revolt he led in Southampton County Virginia Oliver Wendell Holmes diaries and letters as a young infantry officer in the Civil War a police officer's account of the Haymarket Trials Harry Thaw's murder of the Gilded Age's most prominent architect Stanford White through his own published version of the events the post trial public confessions of Ray Bryant and J W Milam for the murder of Emmett Till the Los Angeles Police Department's investigation into the causes of the 1992 riot Taken as a whole this anthology opens a new window on American history revealing how violence has shaped America's past in every era

Police and Law Enforcement William J. Chambliss, 2011-05-03 From its beginnings in England as a constabulary intended only to keep the peace rather than to make arrests policing has had a tumultuous controversial history The police represent an essential law enforcement entity to some while others see police officers as often corrupt prone to unfair racial profiling and quick to use unnecessary force *Police and Law Enforcement* examines many aspects of policing in society including their common duties legal regulations on those duties problematic policing practices and alternatives to traditional policing Topics in this volume include such hotly debated topics as accountability arrest practices bounty hunters entrapment Miranda warnings police privatization profiling vigilantes and zero tolerance policing The 20 chapters present the most hotly contested debates and offer solutions to potential and perceived problems The Series The five brief issues based books in SAGE Reference's Key Issues in Crime Punishment Series offer examinations of controversial programs practices problems or issues from varied perspectives Volumes correspond to the five central subfields in the Criminal Justice curriculum Crime Criminal Behavior Policing The Courts Corrections and Juvenile Justice Each volume consists of approximately 20 chapters offering succinct pro con examinations and Recommended Readings conclude each chapter highlighting different approaches to or perspectives on the issue at hand As a set these volumes provide perfect reference support for students writing position papers in undergraduate courses spanning the Criminal Justice curriculum Each title is approximately 350 pages in length

The Complexities of Police Corruption Marilyn Corsianos, 2012-08-31 The *Complexities of Police Corruption* provides a comprehensive examination of the role of gender as it relates to police corruption crime control and policing as an institution Author Marilyn Corsianos examines different forms of corruption including some behaviors that are generally not recognized as corruption by police departments such as selective law enforcement racial profiling gender bias and other discriminatory police practices against marginalized populations The book also explores the role of police culture in preserving and defending misconduct and digs into the thorny question of why

significantly fewer women are involved in police corruption Throughout the book excerpts from interviews with 32 former police officers illustrate the complex ways that gender construction is connected to police corruption and shows how policing as an institution creates corruption risks The Complexities of Police Corruption is a challenging and insightful book about the intersections between gender and corruption *Rehumanize* Aimee Murphy,2022-07-22 Who deserves human rights The answer to this question is the crux of all moral and political action in society and defines our character as individuals and as nations Aimee Murphy seeks to answer this vital question in this accessible and succinct handbook on the Consistent Life Ethic a moral philosophy whose central principle is that each and every human being has inherent dignity from conception to natural death and therefore deserves to live free from violence *Rehumanize A Vision to Secure Human Rights for All* includes a digestible yet systematic analysis of the history ethics and public policy surrounding modern issues of dehumanization and casts a rehumanizing vision of a world beyond violence Beyond the confines of political parties or religious exclusion the founder of Rehumanize International communicates an aspiration to an inclusive ideal of a consistent movement of every human standing for every human Activists scholars and leaders young and old will find this resource an indispensable cornerstone for their outreach and advocacy for decades to come **Violence and Visibility in Modern History** J. Martschukat,2013-12-18 Despite the claims of Steven Pinker and others violence has remained a historical constant since the Enlightenment even though its forms and visibility have been radically transformed Accordingly the studies gathered here recast debate over violence in modern societies by undermining teleological and reassuring narratives of progress **Social Issues in America** James Ciment,2015-03-04 Truly comprehensive in scope and arranged in A Z format for quick access this eight volume set is a one source reference for anyone researching the historical and contemporary details of more than 170 major issues confronting American society Entries cover the full range of hotly contested social issues including economic scientific environmental criminal legal security health and media topics Each entry discusses the historical origins of the problem or debate past means used to deal with the issue the current controversy surrounding the issue from all perspectives and the near term and future implications for society In addition each entry includes a chronology a bibliography and a directory of Internet resources for further research as well as primary documents and statistical tables highlighting the debates **Encyclopedia of Contemporary American Social Issues** Michael Shally-Jensen,2010-12-22 This single source reference will help students and general readers alike understand the most critical issues facing American society today Featuring the work of almost 200 expert contributors the Encyclopedia of Contemporary American Social Issues comprises four volumes each devoted to a particular subject area Volume one covers business and the economy volume two criminal justice volume three family and society and volume four the environment science and technology Coverage within these volumes ranges from biotechnology to identity theft from racial profiling to corporate governance from school choice to food safety The work brings into focus a broad array of key issues confronting American society today

Approximately 225 in depth entries lay out the controversies debated in the media on campuses in government in boardrooms and in homes and neighborhoods across the United States Critical issues in criminology medicine religion commerce education the environment media family life and science are all carefully described and examined in a scholarly yet accessible way Sidebars photos charts and graphs throughout augment the entries making them even more compelling and informative

Excessive Use of Force Loretta P. Prater, 2018-03-15 The vast majority of the law enforcement officers in this country perform their very difficult jobs with respect for their communities and in compliance with the law Even so there have been incidents in which this was not the case Police brutality and misconduct has been under the microscope for the last several years and Loretta Prater brings these issues to light through research reports and numerous examples of cases including the personal case of her son On January 2 2004 Leslie Vaughn Prater Loretta Prater s unarmed son was a homicide victim in Chattanooga Tennessee His death resulted from an altercation with four police officers Excessive Use of Force One Mother s Struggle Against Police Brutality and Misconduct is the account of an African American family s personal experience with police brutality and misconduct the behind the scene dynamics as well as the personal emotional trauma experienced by victims families While written from the perspective of a mother Prater brings a good balance of personal and outside information She allows the reader to see inside her story but successfully includes secondary analysis of research and related stories of others who have experienced similar situations resulting from police officer misconduct Excessive Use of Force engages the reader in this serious and important topic of police brutality and misconduct

Black Outlaws Carlyle Van Thompson, 2010 In this provocative and original exploration of Black males and the legal establishment Carlyle Van Thompson illuminates the critical issues defining Black male subjectivity Since the days of Black people s enslavement and the days of Jim Crow segregation Black males have been at odds with the legal and extra legal restrictions that would maintain white supremacy and white male privilege Grounded in the voices of Frederick Douglass and David Walker who challenged hegemonic systems designed to socio economically disenfranchise Black people Black Outlaws examines legal aspects with regard to Black males during the period of segregation By critically looking at Richard Wright s *The Outsider* Chester Bomar Himes *The Third Generation* Walter Mosley s *Devil in a Blue Dress* and Ernest J Gaines *A Lesson Before Dying* all of which examine Black males during the Jim Crow period Thompson investigates the challenges that Black males confront and surmount in their journeys to establish their individual and collective agency Black Outlaws helps decipher critical legal and racial issues in the works of four of the most important Black male writers and is suitable for readers in literary studies cultural studies and history

Encyclopedia of Black Comics Sheena Howard, Christopher Priest, 2017-09-15 The Encyclopedia of Black Comics focuses on people of African descent who have published significant works in the United States or have worked across various aspects of the comics industry The book focuses on creators in the field of comics inkers illustrators artists writers editors Black comic historians Black comic convention creators website creators archivists

and academics as well as individuals who may not fit into any category but have made notable achievements within and or across Black comic culture
