Police In Contradiction The Evolution Of The Police Function In Society

George Thomas Kurian

Police In Contradiction The Evolution Of The Police Function In Society:

Police in Contradiction Cyril Robinson, Richard Scaglion, J M Olivero, 1994 This book formulates a theory of the origin and evolution of the police function using both historical and cross cultural analysis It explains the incremental changes in the police function associated with the transition from kinship based to class dominated societies and examines the implications of these changes for modern police community relations It suggests that the police institution has a double and contradictory function at the same time and in the same society it seeks to be the agent of the people it polices and of the dominant class The authors critique community policing and suggest how communities may be reconstituted in order to create a community police A comprehensive bibliography enhances this study for students teachers and professionals in the fields of criminal justice and sociology

The Politics of the Police Benjamin Bowling, Robert Reiner, James W. E. Sheptycki, 2019 The Politics of the Police offers a geographical and historical overview of the law and politics of the police This fifth edition covers a wider range of empirical and theoretical issues encompassing a transnational scope and reflecting the growing diversity of policing forms in today's globalized world

Policing: A Short History Philip Rawlings, 2012-12-06 Providing an overview of the history of policing in the UK the book investigates the changes in policing strategies over time and provides a historical foundation for contemporary debates It will be essential reading for anybody interested in the history of policing and in today's intense debates on what the police do

An Introduction to American Policing Dennis J. Stevens, 2017-05-08 An Introduction to American Policing Second Edition connects the US criminal justice system criminology and law enforcement knowledge to the progress of the police community It is the perfect resource for a Police Science course

The Politics of Community Policing Wilson Edward Reed, 2013-06-17 First published in 1999 As with the other volumes in this series readers will appreciate the clear and compelling way this case study is presented Reed critiques the way in which political and economic dynamics not only threaten but convolute the intended benefits of community policing Although you may not always agree with the author's interpretations he has given us a compelling look at the potential for corruption of model programs

Crime and the Justice System in America Gordon M. Armstrong, Frank Schmallegger, 1997-11-25 An interdisciplinary survey of crime and violence in America with historical perspective but primary entry emphasis focused on the 20th century Addressing specifically the period from 1960 to the present this reference also projects into the 21st century with contemporary terminology covering aspects of violent crime DNA evidence terrorism riots gangs guns and gun control AIDS drug and drug related crime and corporate and political crime A Bibliographic Essay Table of Cases and Index enrich this work designed for students scholars and professionals in criminal justice and related fields

The Social Science Encyclopedia Adam Kuper, 2003-12-16 The Social Science Encyclopedia first published in 1985 to acclaim from social scientists librarians and students was thoroughly revised in 1996 when reviewers began to describe it as a classic This third edition has been radically recast Over half the entries are new or have been entirely rewritten and most of

the balance have been substantially revised Written by an international team of contributors the Encyclopedia offers a global perspective on the key issues within the social sciences Some 500 entries cover a variety of enduring and newly vital areas of study and research methods Experts review theoretical debates from neo evolutionism and rational choice theory to poststructuralism and address the great questions that cut across the social sciences What is the influence of genes on behaviour What is the nature of consciousness and cognition What are the causes of poverty and wealth What are the roots of conflict wars revolutions and genocidal violence This authoritative reference work is aimed at anyone with a serious interest in contemporary academic thinking about the individual in society *Forces of Deviance* Victor E. Kappeler, Richard D. Sluder, Geoffrey P. Alpert, 1998-01-29 An informative look at a very difficult topic The discretion authority and power granted the police to accomplish their mission offer multiple opportunities for deviance This revised edition effectively organizes a large amount of material in order to provide students with a timely and comprehensive review of this disturbing dimension of police organizations The authors analysis of deviance as the product of the organization of the occupation the expectations of society and the perceptions and interpretations of the role of the police are compellingly presented A fascinating portrait of the social and organizational factors of the police working environment emerges providing students with a broad framework for assessing the police culture and the many forms of police deviance *Crime, The Mystery of the Common-Sense Concept* Robert Reiner, 2016-06-20 Crime is a source of endless fascination and fear Yet behind the apparent consensus that crime must be fought there is considerable conflict about what should or should not be treated as criminal and even the most shocking crimes can inspire divisive debate This concise book explores the seemingly simple common sense concept of crime revealing the huge complexities ambiguities and tensions that lie beneath it Criminal law is often at odds with different moral perspectives and the practices of different cultures The mass media distort the picture profoundly as do politicians in pursuit of law and order votes The criminal justice system tackles only a limited range of crimes almost entirely ones committed by the poor and relatively powerless while often neglecting the most dangerous and harmful activities of corporations and states from the carnage of unjust wars to the tragedies engendered by austerity It is only by examining the multiple and varied perspectives on crime that we can begin to understand and respond appropriately to this social phenomenon Written by a world leading criminologist this insightful book will be an invaluable and captivating introduction for students and interested readers of criminology law sociology and politics *Violence And Police Culture* Tony Coady, Steven James, 2013-05-24 Violence and policing are inevitably associated Criminals use violence not only against innocent members of the public but also against the police themselves For our own protection and theirs we have given police a licence to use force sometimes with lethal consequences But the exercise of this licence is fraught with risk to the community The disturbing record of police shootings in Victoria and irresponsible police violence elsewhere in recent years vividly illustrate this risk The public outcry against such events is understandable To find a solution we need to analyse the contexts and the cultural background of the

use of police violence and to think hard about its causes and proper limits In *Violence and Police Culture* eminent contributors offer valuable insights and experience to the growing debate While Australian in origin and emphasis the book addresses a public issue that resonates as far afield as London New York Tokyo and Belfast *Violence and Police Culture* argues that there are features of police culture which foster abuse of the right to use violence The book makes positive suggestions about institutional changes that might alleviate the problems bedevilling what the philosopher Thomas Hobbes called the right of the sword

International Bibliography of Sociology 1995 ,1996 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences

Effective Policing? S. Kirby,2013-09-20 This book provides a unique insight into the way policing is performed By embracing both organizational management issues as well as operational police business such as crime reduction and detection firearms disorder organised crime and terrorism it provides a comprehensive overview of contemporary police theory and practice

Shakespeare's Criminals Victoria M. Time,1999-11-30 By exploring Shakespeare s use of law and justice themes in the context of historical and contemporary criminological thinking this book challenges criminologists to expand their spheres of inquiry to avenues that have yet to be explored or integrated into the discipline Crime writers including William Shakespeare were some of the earliest investigators of the criminal mind However since the formalization of criminology as a discipline citations from literary works have often been omitted despite their interdisciplinary nature Taking various Shakespearean plays and characters as case studies this book opens novel theoretical avenues for conceptualizing crime and justice issues What types of crimes did Shakespeare s characters commit What were the motivations put forth for these crimes What type of social control did Shakespeare advocate By utilizing a content analysis procedure the author confirms that many of the crimes that plague society today were also prevalent in Shakespeare s time She gleans twelve criminological theories as motivations for character deviance Character analysis also provides valuable insight into Shakespeare s notions of formal and informal social control

Internal Security Management in Nigeria Oshita O. Oshita,Ikenna Mike Alumona,Freedom Chukwudi Onuoha,2019-07-23 This book explores the disturbing dimensions of the problem of insecurity in Nigeria such as herdsmen violence the Boko Haram insurgency cybercrime militancy in the Niger Delta communal conflict and violence as well as police corruption It offers a comprehensive discussion of the theoretical foundations of internal security the threats to internal security the role of formal and informal agencies in internal security management and the challenges of internal security management

American Journal of Criminal Law ,1994 Tradition of the Law and Law of the Tradition Xin Ren,1997-03-25 Traditionally social theorists in the West have structured models of state social control according to the tenet that socialization is accomplished by means of external controls on behavior undesirable actions are punished and desirable actions result either in material reward or a simple respite from the oppressive attentions of an authoritarian state In this

volume the author presents the tradition of law in China as an exception to the Western model of social control The Confucian bureaucracy that has long structured Chinese social life melded almost seamlessly with the Maoist revolutionary agenda to produce a culture in which collectivism and an internalized adherence to social law are in some respects congenital features of Chinese social consciousness Through her investigation of the Maoist concept of revolutionary justice and the tradition of conformist acculturation in China the author constructs a fascinating counterpoint to traditional Western arguments about social control

Crime and Social Control in a Changing China Jianhong Liu, Lening Zhang, Steven F. Messner, 2001-08-30 This important edited collection of articles by both Chinese and American scholars attempts to promote a more accurate and in depth understanding of crime and social control in China as it undergoes significant cultural economic and social change The editors contend that as the economic system has been transformed many other social institutions in China have also experienced unprecedented changes including legal institutions and other organizations responsible for social control The essays focus on crime in China and summarize the major structural changes in Chinese society and their effects on crime and justice over the last ten to fifteen years offer an overview of Chinese perspectives on crime examine socio economic changes and their impact on social control and discuss changes in adults and children s courts and the new changes in Chinese policing in Chinese society Organized into four parts this work addresses the nature extent and special features of crime and delinquency in China under conditions of social change It also investigates the question of the social correlation of changing patterns of crime The impact of social transition on the changes in the grassroots level of social control is also discussed Chinese law and criminal justice with particular focus on the courts police and crime prevention are mentioned as well This unique collection of essays is a timely and significant contribution to the fields of comparative criminology social control Chinese studies and legal studies

World Encyclopedia of Police Forces and Correctional Systems George Thomas Kurian, 2006 This fully updated version of the original 1989 edition of the World Encyclopedia of Police Forces and Correctional Systems describes the national law enforcement and correctional systems of more than 195 countries across the globe

Empires of Mud Antonio Giustozzi, 2009 Empires of Mud analyses the dynamics of warlordism in Afghanistan It analyses aspects of the Afghan environment that might have been conducive to the fragmentation of central authority and the emergence of warlords and then accounts for the emergence of warlordism in the 1980s

Academic Politics and the History of Criminal Justice Education Frank Morn, 1995-03-21 The rise of academic criminal justice programs from their beginnings at the University of California in the 1930s through the split into academic and vocational models during the later decades are described in this work Academic politics and politicians are emphasized The academic infighting in developing programs and input from various other disciplines to the field are described The work is addressed to professors of criminal justice criminology sociology political science and education
