The Forgotten Appeasement of 1920 Andrzej Nowak, 2023-05-26 The Forgotten Appeasement of 1920 examines a turning point in East European history the summer of 1920 when Lenin s Soviet Russia decided to challenge the Versailles system and launch a military attack on the continent The outcome of this attack might have been the occupation of all of Poland and East Central Europe and a Red Army sweep further west This book probes the British Soviet negotiations and diplomatic operations behind the scenes Professor Nowak uses hitherto unexamined documents from Russian and British archives to show how and why top British politicians were ready to accept a new Russian imperial control over the whole of Eastern Europe Nowak unravels this previously untold story of that first and forgotten appeasement stopped only by the Polish military victory over the Red Army His excellent historical craftsmanship and new sources contribute to the book s quality

The work begins with an attempt to understand the philosophy of Nazism and its attendant anti-Semitism as a necessary prelude to the study of philo-Semitism which also displays a continuous tradition to the present day Most of the non-Jewish authors in Germany in the nineteenth century expressed both anti-Semitic and philo-Semitic views as did most of the German Jewish authors of that same time the following work deals with philo-Semitic texts by the non-Jewish authors of the period The writer who provides the largest body of relevant material is Leopold von Sacher-Masoch but works by Gutzkow Bettine von Arnim Annette von Droste-Hilshoff Hebbel Freytag Raabe Fontane Grillparzer Ebner Eschenbach Anzengruber and Ferdinand von Saar are also examined as are several tales by the Alsatian authors Erckmann and Chatrian There is a short chapter on women and philo-Semitism The conclusion draws attention to the feelings of guilt that are revealed in a number of the texts *Teaching and Studying the Holocaust* Samuel Totten, Stephen Feinberg, 2009-11-01 Originally Published in 2000 by Allyn Ida E King Distinguished Visitor Professor of Holocaust Studies Richard Stockton College and Former Director of Research at the United States Holocaust Memorial Museum There are many scholars who are wont to criticize the teaching of the Holocaust Many journalists critique what they regard as kitsch or trendiness All critics of contemporary Holocaust education would do well to read this book One cannot fail to be impressed by the quality of its learning and the seriousness of its purpose It is a wonderful place for teachers to turn as they contemplate teaching the Holocaust an open invitation to learn more and teach more effectively Barry van Driel Coordinator International Teacher Education Anne Frank House Amsterdam Teaching and Studying the Holocaust is an invaluable resource for any teacher wanting to address the complex and sometimes overwhelming history of the Holocaust in the classroom The book offers a multitude of sensitive and responsible ways of dealing with the issue of the Holocaust It succeeds in showing teachers very clearly how the study of the Holocaust is not just a topic for history teachers but for teachers across the curriculum Dr Nili Keren Kibbutzim College of Education Tel Aviv Israel Teaching about the Shoah is one of the most complicated tasks for educators Indeed teaching and studying this history raises unprecedented questions concerning modern civilization and presents teachers and students with tremendous challenges Samuel Totten and Stephen Feinberg have created a volume that provides educators with essential information and new insights regarding the teaching of this history and in doing so they assist educators to face the aforementioned challenges head on Teaching and Studying the Holocaust does not make the task easier but it does make it possible Samuel Totten is currently professor of Curriculum and Instruction at the University of Arkansas Fayetteville Prior to entering academia he was an English and social studies teacher in Australia Israel California and at the U S House of Representatives
