Kassow, 2018-08-01 In 1940 the historian Emanuel Ringelblum established a clandestine organization code named Oyneg Shabes in Nazi occupied Warsaw to study and document all facets of Jewish life in wartime Poland and to compile an archive that would preserve this history for posterity As the Final Solution unfolded although decimated by murders and deportations the group persevered in its work until the spring of 1943 Of its more than 60 members only three survived Ringelblum and his family perished in March 1944 But before he died he managed to hide thousands of documents in milk cans and tin boxes Searchers found two of these buried caches in 1946 and 1950 Who Will Write Our History tells the gripping story of Ringelblum and his determination to use historical scholarship and the collection of documents to resist Nazi oppression **Studies in Contemporary Jewry: X: Reshaping the Past** Jonathan Frankel, 1995-03-30 This brilliant collection of essays examines the dialogue between Jewish history and historiography in terms of changing national and popular myths folk memory and historical consciousness of Jews in modern times From essays dealing with the origins of Jewish historiography in the nineteenth century to its contemporary perspectives and methodologies this book provides a great overview and varied insights into the field *Creativity and Conflict. Rosman over the course of a distinguished career have all been updated and enhanced with new detail and nuanced arguments taking account not only of new archival material and research but also of the ongoing evolution of the author's own knowledge and perspectives. Some appear here in English for the first time. The volume's structure highlights key topics for understanding the Polish Jewish past: relations between Jews and other Poles; Jewish communal life; Polish Jewish women and hasidism. One section analyses how this past has been presented in both scholarly and popular modes. The essays are crafted to place them in dialogue with each other. Analytical introductions weigh their significance in the light of modern and postmodern Jewish and Polish historiography. An extensive general introduction sets the context of the history portrayed here while a thoughtful conclusion elucidates the larger motifs that emerge. *Conscious History* Natalia Aleksion, 2021-07-08

Thoroughly researched, this study highlights the historical scholarship that is one of the lasting legacies of interwar Polish Jewry and analyses its political and social context. As Jewish citizens struggled to assert their place in a newly independent Poland, a dedicated group of Jewish scholars fascinated by history devoted themselves to creating a sense of Polish Jewish belonging while also fighting for their rights as an ethnic minority. The political climate made it hard for these men and women to pursue an academic career; instead, they had to continue their efforts to create and disseminate Polish Jewish history by teaching outside the university and publishing in scholarly and popular journals. By introducing the Jewish public to a pantheon of historical heroes to celebrate and anniversaries to commemorate, they sought to forge a community aware of its past, its cultural heritage, and its achievements, though no less important were their efforts to counter the increased hostility towards Jews in the public discourse of the day. In highlighting the role of public intellectuals and the social role of scholars and historical scholarship, this study adds a new dimension to the understanding of the Polish Jewish world in the interwar period. *The Cambridge Guide to Jewish History, Religion, and Culture* Judith R. Baskin, Kenneth Seeskin, 2010-07-12

This book provides a comprehensive and accessible overview of the Jewish experience from its ancient origins to its impact on contemporary popular culture.
