

Polish Society

**Dorota Szaban, Inetta Nowosad, Piotr
Pochyły**

Polish Society:

Polish Society Under German Occupation Jan T. Gross, 2019-01-29 By combining historical and political analysis with a sophisticated sociological approach Jane Gross offers a new interpretation of the German occupation of Poland during World War II Based on his hypothesis that a society cannot be destroyed by coercion short of the physical annihilation of its members his work has a twofold aim to examine the model of German occupation in theory and in practice and to identify the patterns of collective behavior that emerged among the Polish people in response to the social control exercised over them The author argues that when an occupier provides no institutions through which a local population can at least minimally satisfy its social needs the subjugated populace builds substituted institutions on the remnants of previous forms of its collective life These substitutes constitute the society's self defense to which the occupier must in some way adjust if its goals of manipulation and exploitation are to be achieved Professor Gross points out numerous ways in which the Poles under the General Government circumvented the goals and authority of the German occupiers Most significant was the emergence of the Polish underground which took on the leadership social welfare political and financial functions of an independent state This phenomenon he concludes shows that resistance should not be conceived merely as a military movement but rather as a complex social phenomenon Jan Tomasz Gross is Assistant Professor of Sociology at Yale University Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Directory of Polish Officials*, 1967 **Old and New Cleavages in Polish Society** Guérot, Ulrike, Hunklinger, Michael, 2019-03-20 What is happening in Poland Where is Poland heading Is Polish society as divided as it is often perceived How did we get there What do anti pluralist tendencies and a gender backlash mean for the everyday life in Poland What are possible ways to cope with this And what are the consequences for Europe This anthology is the result of a conference which took place in Vienna in April 2018 and offers some insight into debates taking place in and around Poland today The contributions are very different in expression and stand for themselves In this respect the book offers impressions but no solutions It offers suggestions to reflect on Poland in a new or different way which help to understand Poland and the complex social and political processes that are currently underway *Directory of Polish Officials* United States. Department of State. Division of Biographic Information, 1960 **Worcester County's Polish Community** Barbara Proko, Janice Baniukiewicz Stickles, 2007 Polish settlement in Worcester County had humble beginnings a small group of German Poles in the 1870s Over the next decades thousands of Russian and Austrian Poles fleeing economic and political hardship pinned their hopes for a better life on jobs in the burgeoning industries of central Massachusetts

Practicing their religion in their native tongue was vital to these devout Catholics New England's first Polish parish was founded in Webster with others following in Worcester Gardner West Warren Clinton Southbridge and Dudley Polish clubs served as central gathering places in Gilbertville Uxbridge and South Grafton Worcester County's Polish Americans share an intricate web of relationships family religious business social cultural educational political and athletic that celebrates their heritage and sustains them today as one of the region's largest ethnic groups

The Polish Community of Salem Felicia L. Wilczenski, Emily A. Murphy, 2012 Refugees from Poland first came to Salem in the 1880s when the former maritime port became a leading industrial center These immigrants often arrived with little more than the clothes on their backs and worked some of the most dangerous factory jobs However despite limited knowledge of the English language and American customs they persevered to improve their lives and the lives of their children The Polish Community of Salem chronicles the social economic and cultural transitions that took place as Polish immigrants started life anew in Salem created a vibrant community gained US citizenship and assimilated into American society

Sport and Polish Society in the Communist Era Marta Kurkowska-Budzan, Marcin Stasiak, 2023-12-21 Using the history of sport in the small towns and local communities of Poland this book shines new light on the everyday reality of life under a communist regime in Eastern Europe in the 20th century This book shows how socio cultural history history from below that draws on rich sources including oral testimony personal archives and literary and visual material can provide the missing piece in our understanding of a significant time and place in the contemporary history of Europe Focusing on the period between 1945 and 1989 this book shows how sport was an important element of state politics and propaganda but looks closely at the local level at the spaces and material culture of sport to reveal the extent to which sport had penetrated the daily culture of rural and small town life in Poland The stories of football players local clubs small sports arenas and cyclists who crossed geographical and culture boundaries all add new depth to the history of contemporary Poland and by examining the history of local sport organisations this book also reveals important differences between official state ideology the provincial party apparatus and the lives of ordinary people This is fascinating reading for anybody with an interest in the history of sport socio cultural history European history the history of the 20th century or historical methods

Directory of Officials of the Polish People's Republic, 1983

The Polish Community of Chicopee Stephen R. Jendrysik, 2005-11-02 The first group of Polish immigrants to come to Chicopee arrived in 1880 These Poles filled many of the manufacturing jobs in the city's two large textile mills In less than 30 years from their arrival this aggressive self-assured group boasted more Polish-owned businesses than any other community in New England The Polish Community of Chicopee chronicles an immigrant population that was fiercely dedicated to the ideals of free enterprise and democratic pluralism

Saint Joseph Hall (the Polish Club) Marie L. Carden, 1998

Designing and Implementing Public Policy of Contemporary Polish Society Dorota Szaban, Inetta Nowosad, Piotr Pochyły, 2021-11-15 The process of creating and implementing sectoral policy has been described from two perspectives On

the one hand the attention of the contributors focuses mainly on the social actors of these policy individuals and institutions on whose activity the process of implementing specific policy provisions depends On the other hand the complexity of sectoral policy forces the need to refer to many areas of social life around which specific solutions are created The effectiveness of public policy including sectoral policy also requires indicating the context related to the socio political conditions in Poland To understand why different public policies emerge in different regions it is important to understand the details that shape them In this volume it is crucial to indicate the determinants of the process of creating and implementing policy relating to selected aspects of socio economic life de facto sectoral policy in Polish society

The Polish Armies: A Comprehensive Guide Pasquale De Marco, 2025-07-24 The Polish Armies A Comprehensive Guide is the definitive guide to the history organization and equipment of the Polish military This comprehensive volume covers every aspect of the Polish military from its origins in the Middle Ages to its role in modern NATO operations The Polish Armies is essential reading for anyone interested in Polish history military history or international relations This book is packed with fascinating facts and insights making it a valuable resource for students researchers and general readers alike Inside The Polish Armies A Comprehensive Guide you will find A detailed history of the Polish military from its origins in the Middle Ages to its role in modern NATO operations An in depth look at the organization and structure of the Polish military A comprehensive guide to the weapons and equipment used by the Polish military An analysis of the Polish military s role in Polish history and international relations A look at the future of the Polish military The Polish Armies A Comprehensive Guide is the most authoritative and up to date guide to the Polish military available This book is a must have for anyone interested in Polish history military history or international relations About the Author Pasquale De Marco is a leading expert on the Polish military He has written extensively on the subject and his work has been published in a variety of academic journals and books Pasquale De Marco is a frequent commentator on Polish military affairs and his insights are sought by policymakers and journalists around the world If you like this book write a review

The Polish Solidarity Movement Arista M. Cirtautas, 2002-09-11 This book provides a groundbreaking analysis of democratization in Poland by placing Solidarity in the context of the major democratic upheavals of modernity the French and American Revolutions This study undertakes the first full historical comparison of the Polish movement with the ideals and institutions of democracy achieved in the last three centuries

Biographic Directory: Directory of Polish Officials, Personnel in the Political Parties, Government, and Mass Organizations of the Polish People's Republic United States. Department of State, 1960 *The Polish American Encyclopedia* James S. Pula, 2010-12-22 At least nine million Americans trace their roots to Poland and Polish Americans have contributed greatly to American history and society During the largest period of immigration to the United States between 1870 and 1920 more Poles came to the United States than any other national group except Italians Additional large scale Polish migration occurred in the wake of World War II and during the period of Solidarity s rise to prominence

This encyclopedia features three types of entries thematic essays topical entries and biographical profiles The essays synthesize existing work to provide interpretations of and insight into important aspects of the Polish American experience The topical entries discuss in detail specific places events or organizations such as the Polish National Alliance Polish American Saturday Schools and the Latimer Massacre among others The biographical entries identify Polish Americans who have made significant contributions at the regional or national level either to the history and culture of the United States or to the development of American Polonia Foreign Social Science Bibliographies United States.
