Polite Revolution Perfecting The National Dream

Joyce A. Cascio

Polite Revolution Perfecting The National Dream:

The Polite Revolution John Ibbitson, 2011-12-21 From one of this country's best and most controversial political writers a searing blueprint for the Next Canada Five years into the twenty first century Canada is viewed as one of the most desirable nations in the world in which to live Despite the worries of many Canadians our country's regional and linguistic divisions our frequent identity crises Canada it seems has a lot of good things going for it The federal election of 2004 however revealed new cracks in an already flawed political system John Ibbitson argues that we have entered a new political era that Canada has become a nation of solitudes the West the English Centre the French Centre the East each of which has its own cultural and economic concerns none of which are being sufficiently recognized by the major political parties If we cling stubbornly to old methods of governance he says we risk losing all that the Confederation has achieved in its first 138 years In this compelling and ultimately hopeful book John Ibbitson dismantles the old ways of thinking about Canada's immigration free trade social and defence policies His ideas for the future of this country are daring a devolution of power and dollars from the federal to the provincial level a revamping of medicare a refashioning of the electoral system They amount to no less than a revolutionary plan for the creation and defence of a new national dream **Quill & Quire**, 2006 Joyce in the Belly of the Big Truck; Workbook Joyce A. Cascio, 2005-05 **Dreamland** Roy Rempel, 2006-03-29 Roy Rempel argues that the past decade has been marked by an ideological and domestically driven foreign policy agenda that has lost sight of the national interest As a consequence Canada's policy options are narrowing national sovereignty is eroding and the country risks evolving into a protectorate of the United States Dreamland analyzes how Canada's foreign policy has subverted the myths that Canadians believe about themselves and their place in the world *The Media Gaze* Augie Fleras, 2011-09-15 While Canada is known for its official commitment to diversity a close look at our media reveals that though they frequently promote superficial representations of difference they actually play a pivotal role in producing and reproducing the values structures and priorities of a predominantly straight white male society The Media Gaze exposes how newscasters advertisers filmmakers and television programmers attempt to co-opt audiences into believing that media depictions entail neither prejudice nor perspective In truth the experiences of those who fall outside of the media's preferred populations are actively ignored or misrepresented In this timely audit of the Canadian mainstream media sociologist Augie Fleras draws on compelling case studies to explore the societal implications of the industry's hidden bias He also examines alternative forms of media and media literacy to present readers with tools to challenge the dominant agenda *Racisms in a Multicultural Canada* Augie Fleras, 2014-04-29 In acknowledging the possibility that as the world changes so too does racism this book argues that racism is not disappearing despite claims of living in a post racial and multicultural world To the contrary racisms persist by transforming into different forms whose intent or effects remain the same to deny and disallow as well as to exclude and exploit Racisms in a Multicultural Canada is organized around the assumption that race is not simply a set of

categories and that racism is not just a collection of individuals with bad attitudes Rather racism is as much a matter of interests as of attitudes of property as of prejudice of structural advantage as of personal failing of whiteness as of the other of discourse as of discrimination and of unequal power relations as of bigotry This multi dimensionality of racism complicates the challenge of formulating anti racism and anti colonialist strategies capable of addressing it Employing a critical framework that puts politics and power at the centre of analysis this book focuses on why racisms proliferate how they work in contemporary societies and how the way we think and talk about racism changes over time Specifically it examines the working of contemporary racisms in a multicultural Canada that claims to abide by principles of multiculturalism and a commitment to a post racial society

The Politics of Multiculturalism A. Fleras, 2015-10-14 This book develops an account of inclusive multicultural governance which is contrasted with assimilationist and separatist differentialist approaches to the political management of and accommodation of multicultural diversity in liberal democracies

Immigration Canada Augie Fleras, 2014-12-05 Beyond the romanticized image of newcomers arriving as a huddled mass at Halifax s Pier 21 understanding the reality and complexity of immigration today requires an expert guide In the hands of scholar Augie Fleras this intricate and ever changing subject gets the attention it deserves with analysis of all aspects including admission policies the refugee processing system the temporary foreign worker program and the emergence of transnational identities Given the unprecedented number of federal policy reforms of the past decade such a roadmap is essential Immigration Canada describes analyzes and reassesses immigration in a Canada that is rapidly changing increasingly diverse more uncertain and globally connected Drawing on the best Canadian and international scholarship Fleras investigates related topics such as integration identity and multiculturalism to consider immigration in a wider context By thoroughly capturing the politics patterns and paradoxes of contemporary migration this book rethinks the thorny issues and reframes the key debates

The Comparative Turn in Canadian Political Science Linda White, Richard Simeon, Robert Vipond, Jennifer Wallner, 2009-01-01 Over the past decade the study of Canadian politics has changed profoundly The introspective insular and largely atheoretical style that informed Canadian political science for most of the postwar period has given way to a deeper engagement with and integration into the global field of comparative politics This volume is the first sustained attempt to describe analyze and assess the comparative turn in Canadian political science Canada s engagement with comparative politics is examined with a focus on three central questions In what ways and how successfully have Canadian scholars contributed to the study of comparative politics How does study of the Canadian case advance the comparative discipline Finally can Canadian practice and policy be reproduced in other countries

Digital Mosaic David Taras, 2015-01-26 Digital Media has transformed the way Canadians socialize and interact conduct business experience culture fight political battles and acquire knowledge Traditional media including newspapers and conventional TV networks remain the primary link to Canada s political sphere but are under concerted attack YouTube blogs online

broadcasting Facebook and Twitter have opened new and exciting avenues of expression but offer little of the same nation building glue as traditional media Consequently Canada is experiencing a number of overlapping crises simultaneously a crisis in news and journalism threatens to the survival of the media system as a whole and a decline in citizen engagement In Digital Mosaic David Taras both embraces and challenges new media by arguing that these coinciding crises bring exciting opportunities as well as considerable dangers to democratic life and citizen engagement in Canada **Canadians** Roy MacGregor,2008-05-06 Who are we In Canadians one of Canada s most intelligent and beloved writers maps our national psyche in a wonderful and ambitious work Canadians is an entertaining portrait of this country and its people through its history popular culture literature sport landscape and weather In his pursuit of the Canadian national identity MacGregor has travelled far and wide taking our pulse telling our stories A sparkling blend of historical anecdotal and reflective writing converges in a narrative that is extraordinarily learned in its perceptions and light in its delivery all trademarks of this remarkable writer s work *Reconquering Canada* Andre,2012-03-23 Fourteen Quebec federalists dare to re imagine the province and its defining role within a stronger Canada Quebecers have been debating their future relative to Canada since before Confederation though the discussions have been most heated during the past four decades In this time the debate has gone around in circles Now instead of presenting the often repeated theme of Quebecois as constantly victimized by Canada 14 Quebec personalities come together to propose a new vision which affirms Quebec s autonomy and includes it in building a strong federal Canada Eschewing traditional arguments which they claim prevent modern Quebec from advancing lead to sterile debates allow Quebecers to shirk responsibility and feed their victim complex the contributors to this volume draw on their varied professional backgrounds as politicians militants intellectuals to invite Quebecers and other Canadians to rediscover the extraordinary potential of a well crafted and properly realized federalism Among the arguments former provincial justice minister Martin Cauchon analyzes the evolution of the Constitution discusses how Quebecois have used it as a tool to feed political debate and makes the argument that Quebec should acknowledge that the document reflects diversity and sign it the sooner the better Law professor Jean Leclair refutes the claim that nationality is exclusive urging Quebecois to consider themselves both Quebecois and Canadian UNESCO ambassador Marie Bernard Meunier critiques the existing Canadian federal structure which she claims denies the provinces an institutionalized role at that level and suggests that an elected Senate and a commitment to unity might solve the problem Although it was largely ignored by the French Canadian media when it was first published in French in 2007 The Reconquest of Canada is a breath of fresh air in the ongoing debate regarding Quebec s position relative to Canada In this important book the authors deliver a strong message that federalism provides Quebecers with the opportunity not only to find autonomy but to participate in the building of a united Canada It is a clear conciliatory treatise that paves the way for fresh voices and constructive discussion about the future of Canadian politics The Unfinished Canadian Andrew Cohen,2008-11-19 The award winning bestselling author of

While Canada Slept gives his view of a country wasted on Canadians What is national character What makes the Americans the British the French the Russians and the Chinese who they are In this homogenized world where globalization is a byword for a deadening sameness why do peoples who live in the same region use the same money read the same books and watch the same movies remain different from one another As much as Canada may be seen as a copy clone or colony of America we are unquestionably distinctive It is a result of our geography history and politics It comes from our demography and prosperity Most of all it comes from our character In *The Unfinished Canadian* Andrew Cohen delves into our past and present in search of our defining national characteristics He questions hoary shibboleths soothing mythologies and old saws with irreverence humour and flintiness unencumbered by our proverbial politeness itself a great misperception and our suffocating political correctness We are so much in so many shades and it s time we took an honest look at ourselves In this provocative passionate and elegant book Cohen argues that our mythology our jealousy our complacency our apathy our amnesia and our moderation are all part of the unbearable lightness of being Canadian

Uneasy Partners Janice Stein,David Robertson Cameron,John Ibbitson,Will Kymlicka,John Meisel,Haroon Siddiqui,Michael Valpy,2009-10-22 After decades of extraordinary successes as a multicultural society new debates are bubbling to the surface in Canada The contributors to this volume examine the conflict between equality rights as embedded in the Charter and multiculturalism as policy and practice and ask which charter value should trump which and under what circumstances The opening essay deliberately sharpens the conflict among religion culture and equality rights and proposes to shift some of the existing boundaries Other contributors disagree strongly arguing that this position might seek to limit freedoms in the name of justice that the problem is badly framed or that silence is a virtue in rebalancing norms The contributors not only debate the analytic arguments but infuse their discussion with their personal experiences which have shaped their perspectives on multiculturalism in Canada This volume is a highly personal as well as strongly analytic discussion of multiculturalism in Canada today

Immigration, Racial and Ethnic Studies in 150 Years of Canada ,2019-01-21 Canada s history since its birth as a nation one hundred and fifty years ago is one of immigration nation building and contested racial and ethnic relations In *Immigration Racial and Ethnic Studies in 150 Years of Canada Retrospects and Prospects* scholars provide a wide ranging overview of this history with a core theme being one of enduring racial and ethnic conflict and inequality The volume is organized around four themes where in each theme selected racial and ethnic issues are examined critically Part 1 focuses on the history of Canadian immigration and nation building while Part 2 looks at situating contemporary Canada in terms of the debates in the literature on ethnicity and race Part 3 revisits specific racial and ethnic studies in Canada and finally in Part 4 a state of the art is provided on immigration and racial and ethnic studies while providing prospects for the future Contributors are Victor Armony David Este Augie Fleras Peter R Grant Shibao Guo Abdolmohammad Kazemipur Anne Marie Livingstone Adina Madularea Ayesha Mian Akram Nilum Panesar Yolande Pottie Sherman Paul Pritchard Howard Ramos

Daniel W Robertson Vic Satzewich Morton Weinfeld Rima Wilkes Lori Wilkinson Elke Winter Nelson Wiseman Lloyd Wong and Henry Yu *Against Reform* John Pepall, 2010-10-16 In *Against Reform* John Pepall offers a stringent critique of proposed reforms to Canada's political institutions Examining electoral reform an elected or provincially appointed Senate and reduced terms for Senators fixed election dates recall initiative and parliamentary reform including free votes and parliamentary confirmation of appointments Pepall contends that these reforms are ill conceived and would be harmful At the root of Pepall's critique is an argument that in Canada today too many voters are quick to blame institutions rather than their own conflicting interests and understandings when they do not receive what they want out of government While considering influential factors such as academic and media bias political fashion and the American example Pepall's unique and highly readable assessment takes aim at the practical and theoretical understandings of reform across party lines Empty Planet Darrell Bricker, John Ibbitson, 2019-02-05 From the authors of the bestselling *The Big Shift* a provocative argument that the global population will soon begin to decline dramatically reshaping the social political and economic landscape For half a century statisticians pundits and politicians have warned that a burgeoning planetary population will soon overwhelm the earth's resources But a growing number of experts are sounding a different kind of alarm Rather than growing exponentially they argue the global population is headed for a steep decline Throughout history depopulation was the product of catastrophe ice ages plagues the collapse of civilizations This time however we're thinning ourselves deliberately by choosing to have fewer babies than we need to replace ourselves In much of the developed and developing world that decline is already underway as urbanization women's empowerment and waning religiosity lead to smaller and smaller families In *Empty Planet* Ibbitson and Bricker travel from South Florida to Sao Paulo Seoul to Nairobi Brussels to Delhi to Beijing drawing on a wealth of research and firsthand reporting to illustrate the dramatic consequences of this population decline and to show us why the rest of the developing world will soon join in They find that a smaller global population will bring with it a number of benefits fewer workers will command higher wages good jobs will prompt innovation the environment will improve the risk of famine will wane and falling birthrates in the developing world will bring greater affluence and autonomy for women But enormous disruption lies ahead too We can already see the effects in Europe and parts of Asia as aging populations and worker shortages weaken the economy and impose crippling demands on healthcare and social security The United States is well positioned to successfully navigate these coming demographic shifts that is unless growing isolationism and anti immigrant backlash lead us to close ourselves off just as openness becomes more critical to our survival than ever before Rigorously researched and deeply compelling *Empty Planet* offers a vision of a future that we can no longer prevent but one that we can shape if we choose Holy Nations and Global Identities , 2009-09-28 Along with the processes of globalisation and the end of the cold war we have seen an upsurge in religious nationalism and an increasing focus on the role of religion as a legitimising force in democratic secular states *Holy Nations Global Identities* draws on the combined

theoretical and historical insight of historians political scientists and social scientists on the question of nationalism and globalisation with the methodological knowledge of religion presented by sociologists of religion The book brings genuine theoretical explorations and original case studies on civil religion nationalism and globalization It also provides an introduction to the research history of the fields and aims to develop and elaborate on the theories and methodology of the investigated subjects

The Polite Revolution John Ibbitson, 2006-10-17 From one of this country's best and most controversial political writers a searing blueprint for the Next Canada Five years into the twenty first century Canada is viewed as one of the most desirable nations in the world in which to live Despite the worries of many Canadians our country's regional and linguistic divisions our frequent identity crises Canada it seems has a lot of good things going for it The federal election of 2004 however revealed new cracks in an already flawed political system John Ibbitson argues that we have entered a new political era that Canada has become a nation of solitudes the West the English Centre the French Centre the East each of which has its own cultural and economic concerns none of which are being sufficiently recognized by the major political parties If we cling stubbornly to old methods of governance he says we risk losing all that the Confederation has achieved in its first 138 years In this compelling and ultimately hopeful book John Ibbitson dismantles the old ways of thinking about Canada's immigration free trade social and defence policies His ideas for the future of this country are daring a devolution of power and dollars from the federal to the provincial level a revamping of medicare a refashioning of the electoral system They amount to no less than a revolutionary plan for the creation and defence of a new national dream

Le multiculturalisme comme religion politique Mathieu Bock-Côté, 2016-06-17 Le multiculturalisme serait l'alpha et l'oméga de la démocratie le seul visage possible de la modernité Mais comment en sommes nous arrivés là Comment des intellectuels ont imposé à la France et aux nations occidentales la notion d'identités particulières et comment lui ont-ils retiré celle d'identité commune Qu'est-ce qui se cache derrière le culte de la diversité Pour Mathieu Bock-Côté mai 1968 marque le début d'une révolution inventée par une gauche métamorphosée Constatant l'effondrement du marxisme elle a inventé l'galitarisme identitaire Critique de l'Occident d'invention des traditions invention de l'antiracisme telles ont été les tapes d'un redoutable projet la confiscation de la démocratie par une minorité S'inspirant des œuvres des plus grands penseurs de la modernité de Tocqueville Muray en passant par Marcel Gauchet Raymond Aron ou encore Jean Pierre Le Goff revenant sur cinquante ans de vie intellectuelle de la faillite du communisme la création de la contre culture en passant par l'avènement du droit de l'homme et de l'écologie antidiscriminatoire Mathieu Bock-Côté propose le décryptage lucide et sévère d'un autoritarisme qui ne dit pas son nom

This Enthralling Realm of Kindle Books: A Comprehensive Guide Revealing the Advantages of E-book Books: A Realm of Convenience and Versatility Kindle books, with their inherent mobility and simplicity of access, have freed readers from the constraints of hardcopy books. Done are the days of lugging bulky novels or carefully searching for particular titles in bookstores. E-book devices, stylish and lightweight, effortlessly store an extensive library of books, allowing readers to immerse in their preferred reads whenever, everywhere. Whether traveling on a bustling train, lounging on a sunny beach, or simply cozying up in bed, E-book books provide an unparalleled level of convenience. A Reading World Unfolded: Exploring the Wide Array of Kindle Polite Revolution Perfecting The National Dream Polite Revolution Perfecting The National Dream The E-book Shop, a virtual treasure trove of bookish gems, boasts an wide collection of books spanning varied genres, catering to every readers preference and choice. From gripping fiction and thought-provoking non-fiction to classic classics and contemporary bestsellers, the E-book Store offers an exceptional abundance of titles to explore. Whether looking for escape through engrossing tales of fantasy and exploration, delving into the depths of past narratives, or broadening ones knowledge with insightful works of science and philosophical, the E-book Store provides a gateway to a bookish world brimming with endless possibilities.
