

The background of the book cover is a sepia-toned illustration of a 19th-century industrial landscape. In the foreground, a large, dark statue of a man, likely Max Weber, stands on the right, holding an open book. Behind him, a dense cluster of industrial buildings with numerous chimneys is visible, with smoke rising from the chimneys. In the lower-left foreground, there is a small, simple house with a chimney, and a group of people are gathered outside it. The overall scene depicts the transition from traditional life to modern industrial society.

Política Y Sociología En Max Weber:

La Teoría Sociológica de Max Weber, **Política y sociología en Max Weber** Anthony Giddens, 2002 Si en El político y el científico CS 3403 es el propio Max Weber quien se alía a las contradictorias y dialécticas relaciones que se establecen entre la actividad del hombre público y la labor del investigador el objetivo de Anthony Giddens en la presente obra se despliega en una doble dirección mostrar las influencias de las opiniones y compromisos políticos del gran pensador alemán sobre la estructura y contenido de su obra y analizar el grado en que su valoración de las situaciones concretas estuvo condicionada por su metodología científica Este libro muestra no sólo las circunstancias que ayudan a explicar la génesis y despliegue de un importante cuerpo teórico centrado en torno a los orígenes del capitalismo el proceso de racionalización de la vida social y el irresistible ascenso de la burocracia sino también la validez científica de los elementos que lo integran
