Political Abolitionism In Wisconsin 1840 1861

John Van Houten Dippel

Political Abolitionism In Wisconsin 1840 1861:

Political Abolitionism in Wisconsin, 1840-1861 Michael J. McManus, 1998 This study of political abolitionism in Wisconsin between 1840 and 1861 demonstrates the importance of slavery related issues in bringing on the political crises of the 1850s and the American Civil War It shows Wisconsin as having been comparatively radical on slavery and race related issues *Political Abolitionism in Wisconsin, 1840-1861* Michael Mcmanus (J.), 2003 **"A Redeeming Spirit is Busily Engaged"** Michael J. McManus, 1991 *The Liberty Party, 1840-1848* Reinhard O. Johnson, 2009-06-15 In early 1840 abolitionists founded the Liberty Party as a political outlet for their antislavery beliefs A mere eight years later bolstered by the increasing slavery debate and growing sectional conflict the party had grown to challenge the two mainstream political factions in many areas In *The Liberty Party 1840 1848* Reinhard O Johnson provides the first comprehensive history of this short lived but important third party detailing how it helped to bring the antislavery movement to the forefront of American politics and became the central institutional vehicle in the fight against slavery As the major instrument of antislavery sentiment the Liberty organization was more than a political party and included not only eligible voters but also disfranchised African Americans and women Most party members held evangelical beliefs and as Johnson relates an intense religiosity permeated most of the group s activities He discusses the party s founding and its national growth through the presidential election of 1844 its struggles to define itself amid serious internal disagreements over philosophy strategy and tactics in the ensuing years and the reasons behind its decline and merger into the Free Soil coalition in 1848 Informative appendices include statewide results for all presidential and gubernatorial elections between 1840 and 1848 the Liberty Party s 1844 platform and short biographies of every Liberty member mentioned in the main text Epic in scope and encyclopedic in detail *The Liberty Party 1840 1848* is an invaluable reference for anyone interested in nineteenth century American politics

The Rescue of Joshua Glover H. Robert Baker, 2006-12-31 On March 11 1854 the people of Wisconsin prevented agents of the federal government from carrying away the fugitive slave Joshua Glover Assembling in mass outside the Milwaukee courthouse they demanded that the federal officers respect his civil liberties as they would those of any other citizen of the state When the officers refused the crowd took matters into its own hands and rescued Joshua Glover The federal government brought his rescuers to trial but the Wisconsin Supreme Court intervened and took the bold step of ruling the Fugitive Slave Act unconstitutional *The Rescue of Joshua Glover* delves into the courtroom trials political battles and cultural equivocation precipitated by Joshua Glover s brief but enormously important appearance in Wisconsin on the eve of the Civil War H Robert Baker articulates the many ways in which this case evoked powerful emotions in antebellum America just as the stage adaptation of *Uncle Tom s Cabin* was touring the country and stirring antislavery sentiments Terribly conflicted about race Americans struggled mightily with a revolutionary heritage that sanctified liberty but also brooked compromise with slavery Nevertheless as *The Rescue of Joshua Glover* demonstrates they maintained the principle

that the people themselves were the last defenders of constitutional liberty even as Glover's rescue raised troubling questions about citizenship and the place of free blacks in America

Jacksonian Antislavery and the Politics of Free Soil, 1824-1854 Jonathan H. Earle, 2005-10-12 Taking our understanding of political antislavery into largely unexplored terrain Jonathan H. Earle counters conventional wisdom and standard historical interpretations that view the ascendance of free soil ideas within the antislavery movement as an explicit retreat from the goals of emancipation or even as an essentially proslavery ideology. These claims, he notes, fail to explain free soil's real contributions to the antislavery cause: its incorporation of Jacksonian ideas about property and political equality and its transformation of a struggling crusade into a mass political movement. Democratic free soilers' views on race occupied a wide spectrum, but they were able to fashion new and vital arguments against slavery and its expansion based on the party's long-standing commitment to egalitarianism and hostility to centralized power. Linking their antislavery stance to a land reform agenda that pressed for free land for poor settlers in addition to land free of slavery, Free Soil Democrats forced major political realignments in New York, New Hampshire, Massachusetts, and Ohio. Democratic politicians such as David Wilmot, Marcus Morton, John Parker Hale, and even former president Martin Van Buren were transformed into antislavery leaders. As Earle shows, these political changes at the local, state, and national levels greatly intensified the looming sectional crisis and paved the way for the Civil War.

We Are the Revolutionists Mischa Honeck, 2011-03-15 A Choice Magazine Outstanding Academic Title Widely remembered as a time of heated debate over the westward expansion of slavery, the 1850s in the United States was also a period of mass immigration. As the sectional conflict escalated, discontented Europeans came in record numbers, further dividing the young republic over issues of race, nationality, and citizenship. The arrival of German-speaking Forty Eighters, refugees of the failed European revolutions of 1848-49, fueled apprehensions about the nation's future. Reaching America did not end the foreign revolutionaries' pursuit of freedom; it merely transplanted it. In *We Are the Revolutionists*, Mischa Honeck offers a fresh appraisal of these exiled democrats by probing their relationship to another group of beleaguered agitators: America's abolitionists. Honeck details how individuals from both camps joined forces in the long, dangerous battle to overthrow slavery. In Texas and in cities like Milwaukee, Cincinnati, and Boston, this cooperation helped them find new sources of belonging in an Atlantic world unsettled by massive migration and revolutionary unrest. Employing previously untapped sources to write the experience of radical German migrants into the abolitionist struggle, Honeck elucidates how these interethnic encounters affected conversations over slavery and emancipation in the United States and abroad. Forty Eighters and abolitionists, Honeck argues, made creative use not only of their partnerships but also of their disagreements to redefine notions of freedom, equality, and humanity in a transatlantic age of racial construction and nation making.

Organizing Freedom Jennifer R. Harbour, 2020-04-27 *Organizing Freedom* is a riveting and significant social history of black emancipation activism in Indiana and Illinois during the Civil War era. By enlarging the definition of emancipation to include black activism, author

Jennifer R Harbour details the aggressive tenacious defiance through which Midwestern African Americans particularly black women made freedom tangible for themselves Despite banning slavery Illinois and Indiana share an antebellum history of severely restricting rights for free black people while protecting the rights of slaveholders Nevertheless as Harbour shows black Americans settled there and in a liminal space between legal slavery and true freedom they focused on their main goals creating institutions like churches schools and police watches establishing citizenship rights arguing against oppressive laws in public and in print and later supporting their communities throughout the Civil War Harbour s sophisticated gendered analysis features black women as being central to the seeking of emancipated freedom Her distinct focus on what military service meant for the families of black Civil War soldiers elucidates how black women navigated life at home without a male breadwinner at the same time they began a new public practice of emancipation activism During the tumult of war Midwestern black women negotiated relationships with local state and federal entities through the practices of philanthropy mutual aid religiosity and refugee and soldier relief This story of free black people shows how the ideal of equality often competed against reality in an imperfect nation As they worked through the sluggish incremental process to achieve abolition and emancipation Midwestern black activists created a unique regional identity

"The Disenthralled Hosts of Freedom" David Grant,2021-05-15 Walt Whitman wrote three distinct editions of Leaves of Grass before the Civil War During those years he was passionately committed to party anti slavery and his unpublished tract The Eighteenth Presidency shows that he was fully attuned to the kind of rhetoric coming out of the new Republican party This study explores how the prophecies of the pre war Leaves of Grass relate to the prophecy of this new party It seeks not only to ground Whitman s work in this context but also to bring out features of party discourse that make it relevant to literary and cultural studies Anti slavery party discourse set itself the task of curing an ailing people who had grown compliant inert and numb it fashioned a complete fictional world where the people could be reactivated into assuming their true role in the republic Both as a cause and a result of this rejuvenation they would come into their own and spread their energies over the land and over the body politic thereby rescuing their country at the last minute from what would otherwise be the permanent dominion of slavery Party discourse had long hinged its success on such magical transformations of the people individually and collectively and Whitman s celebrations of his nation s potential need to be seen in this context like his party Whitman calls on the people to reject their own subordination and take command of the future and redeem themselves as they also redeem the nation

What This Cruel War Was Over Chandra Manning,2008-03-11 Using letters diaries and regimental newspapers to take us inside the minds of Civil War soldiers black and white Northern and Southern as they fought and marched across a divided country this unprecedented account is an essential contribution to our understanding of slavery and the Civil War The Philadelphia Inquirer In this unprecedented account Chandra Manning With stunning poise and narrative verve Manning explores how the Union and Confederate soldiers came to identify slavery as the central issue of the war and what that meant

for a tumultuous nation This is a brilliant and eye opening debut and an invaluable addition to our understanding of the Civil War as it has never been rendered before **Apostles of Equality** D. Laurence Rogers,2011-10-31 The first biographical account of the life of James Gillespie Birney in more than fifty years this fabulously insightful history illuminates and elevates an all but forgotten figure whose political career contributed mightily to the American political fabric Birney was a southern born politician at the heart of the antislavery movement with two southern born sons who were major generals involved in key Union Army activities including the leadership of the black troops The interaction of the Birneys with historical figures Abraham Lincoln Harriet Beecher Stowe and Henry Clay highlights the significance of the family s activities in politics and war D Laurence Rogers offers a unique historiography of the abolition movement the Civil War and Reconstruction through the experiences of one family navigating momentous developments from the founding of the Republic until the late 19th century *Race to the Frontier* John Van Houten Dippel,2005 Table of contents available via the World Wide Web

Washington during Civil War and Reconstruction Robert Harrison,2011-08-15 In this provocative study Robert Harrison provides new insight into grassroots reconstruction after the Civil War and into the lives of those most deeply affected the newly emancipated African Americans Harrison argues that the District of Columbia far from being marginal to the Reconstruction story was central to Republican efforts to reshape civil and political relations with the capital a testing ground for Congressional policy makers The study describes the ways in which federal agencies such as the Army and the Freedmen s Bureau attempted to assist Washington s freed population and shows how officials struggled to address the social problems resulting from large scale African American migration It also sheds new light on the political processes that led to the abandonment of Reconstruction and the onset of black disfranchisement [A Fire Bell in the Past](#) Jeffrey L. Pasley,John Craig Hammond,2021-12-31 Many new states entered the United States around 200 years ago but only Missouri almost killed the nation it was trying to join When the House of Representatives passed the Tallmadge Amendment banning slavery from the prospective new state in February 1819 it set off a two year political crisis in which growing northern antislavery sentiment confronted the aggressive westward expansion of the peculiar institution by southerners The Missouri Crisis divided the U S into slave and free states for the first time and crystallized many of the arguments and conflicts that would later be settled violently during the Civil War The episode was as Thomas Jefferson put it a fire bell in the night that terrified him as the possible knell of the Union Drawn from the of participants in two landmark conferences held at the University of Missouri and the City University of New York those who contributed original essays to this second of two volumes a group that includes young scholars and foremost authorities in the field answer the Missouri Question in bold fashion challenging assumptions both old and new in the long historiography by approaching the event on its own terms rather than as the inevitable sequel of the flawed founding of the republic or a prequel to its near destruction This second volume of *A Fire Bell in the Past* features a foreword by Daive Dunkley Contributors include Dianne Mutti Burke Christopher

Childers Edward P Green Zachary Dowdle David J Gary Peter Kastor Miriam Liebman Matthew Mason Kate Masur Mike McManus Richard Newman and Nicholas Wood *A Companion to James Madison and James Monroe* Stuart Leibiger,2012-07-31 A Companion to James Madison and James Monroe features essays from leading academics that consider various aspects of the lives and legacies of our fourth and fifth presidents Provides historians and students of history with a wealth of new insights into the lives and achievements of two of America s most accomplished statesmen James Madison and James Monroe Features 32 state of the field historiographic essays from leading academics that consider various aspects of the lives and legacies of our fourth and fifth presidents Synthesizes the latest findings and offers new insights based on original research into primary sources Addresses topics that readers often want to learn more about such as Madison and slavery

The Wild Woman of Cincinnati Michael D. Pierson,2023-04-05 Popular entertainment in antebellum Cincinnati ran the gamut from high culture to shows barely above the level of the tawdry Among the options for those seeking entertainment in the summer of 1856 was the display of a Wild Woman purportedly a young woman captured while living a feral life beyond the frontier The popular exhibit which featured a silent underdressed woman chained to a bed was almost assuredly a hoax Local activist women however used their influence to prompt a judge to investigate the display The court employed eleven doctors who forcibly subdued and examined the woman before advising that she be admitted to an insane asylum In his riveting analysis of this remarkable episode in antebellum American history Michael D Pierson describes how people in different political parties and sections of the country reacted to the exhibit Specifically he uses the lens of the Wild Woman display to explore the growing cultural divisions between the North and the South in 1856 especially the differing gender ideologies of the northern Republican Party and the more southern focused Democrats In addition Pierson shows how the treatment of the Wild Woman of Cincinnati prompted an increasing demand for women s political and social empowerment at a time when the country allowed for the display of a captive female without evidence that she had granted consent

The Harvard Guide to African-American History Evelyn Brooks Higginbotham,2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America

Black Rights in the Reconstruction Era Vanessa Holloway,2018-06-20 Most observers and historians rarely acknowledge the history of civil rights predating the twentieth century The book Black Rights in the Reconstruction Era pays significant scholarly attention to the intellectual ferment legal and political of the nineteenth century by tracing the history of black Americans civil rights to the postbellum era By revisiting its faulty foundational history this book lends itself to show that after emancipation national and local struggles for racial equality had led to the encoding of racism in the political order in the American South and the proliferation of racism as an American institution Vanessa Holloway draws upon a host of historical legal and philosophical studies as well as legislative histories to construct a coherent theory of the law s relevance

to the era questioning how the nexus of race and politics should be interpreted during Reconstruction Anchored in the Reconstruction Amendments Supreme Court decisions and landmark statutes of the 1860s and 1870s the Black Codes the Freedmen s Bureau the Civil Rights Act of 1866 the Reconstruction Acts the Enforcement Acts and the Civil Rights Act of 1875 Black Rights in the Reconstruction Era offers a new perspective on the political history of law between the years 1865 and 1877 It is predominant in the ongoing debates on social justice and racial inequality **Against Wind and Tide**

Ousmane K Power-Greene,2014-09-05 How and why free blacks resisted relocation to Liberia A fine contribution to the story of African colonization movements in early American history The Journal of American History Against Wind and Tide tells the story of African Americans battle against the American Colonization Society ACS founded in 1816 with the intention to return free blacks to its colony Liberia Although ACS members considered free black colonization in Africa a benevolent enterprise most black leaders rejected the ACS fearing that the organization sought forced removal As Ousmane K Power Greene s story shows these African American anticolonizationists did not believe Liberia would ever be a true black American homeland In this study of anticolonization agitation Power Greene draws on newspapers meeting minutes and letters to explore the concerted effort on the part of nineteenth century black activists community leaders and spokespersons to challenge the American Colonization Society s attempt to make colonization of free blacks federal policy The ACS insisted the plan embodied empowerment The United States they argued would never accept free blacks as citizens and the only solution to the status of free blacks was to create an autonomous nation that would fundamentally reject racism at its core But the activists and reformers on the opposite side believed that the colonization movement was itself deeply racist and in fact one of the greatest obstacles for African Americans to gain citizenship in the United States Power Greene synthesizes debates about colonization and emigration situating this complex and enduring issue into an ever broader conversation about nation building and identity formation in the Atlantic world The Lost President Ruth Dunley,2019-03

Though few people have heard of A D Smith 1811 65 this nineteenth century knight errant left his mark on some of the key events of his times in several states personifying the nineteenth century impulse to move across the American landscape Smith s Quixotic trail began in upstate New York wound westward to the Ohio and Wisconsin frontier southward to the federally occupied Sea Islands of South Carolina and finally ended aboard a northbound steamer In Ohio Smith became involved with a paramilitary group the Hunters Lodge which elected him the President of the Republic of Canada In Wisconsin he achieved notoriety as the judge who dared to declare the Fugitive Slave Act of 1850 unconstitutional lighting one of many fuses that sparked the Civil War In South Carolina he fought passionately for the property rights of freedmen Smith believed in civic movements based on Jeffersonian democracy and republican ideals Civic participation he believed was a fundamental part of being a good American This civic impulse resulted in his enthusiastic embrace of the reform movements of the day and his absolute dedication to radicalism A detective story set against the backdrop of the volatile antebellum era this gripping biography lays

bare in funny accessible prose just what it is that historians really do all day and how obsessive they can be assembling a jigsaw puzzle of secret documents probate records court testimony speeches correspondence newspaper coverage and genealogical research to tell the story of a man like Smith of his vision for the United States and more generally of the value of remembering secondary historical characters

Political Abolitionism In Wisconsin 1840 1861 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to

historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Political Abolitionism In Wisconsin 1840 1861 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Political Abolitionism In Wisconsin 1840 1861 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Political Abolitionism In Wisconsin 1840 1861 free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Political Abolitionism In Wisconsin 1840 1861. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Political Abolitionism In Wisconsin 1840 1861 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Political Abolitionism In Wisconsin 1840 1861 Books

What is a Political Abolitionism In Wisconsin 1840 1861 PDF? A PDF (Portable Document Format) is a file format

developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Political Abolitionism In Wisconsin 1840 1861 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Political Abolitionism In Wisconsin 1840 1861 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Political Abolitionism In Wisconsin 1840 1861 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Political Abolitionism In Wisconsin 1840 1861 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
