Political Change In California Critical Elections And Social Movements 1890 1966 Contributions In American History:

Political Change in California Michael Paul Rogin, John L. Shover, 1970 **Political Change in California** Michael Paul Rogin, John L. Shover, 1970 *Farm Workers and the Churches* Alan J. Watt, 2010-02-23 In the mid 1960s the charismatic Cesar Chavez led members of California's La Causa movement in boycotting the grape harvest and melon pickers in South Texas called a strike against growers contesting unfair labor and wage practices in both states In *Farm Workers and the Churches* Alan J Watt shows how the religious and social contexts of the farm workers their leaders and the larger society helped or hindered these two pivotal actions Watt explores the ways in which liberal expressions of Northern Protestantism transplanted to California and combined with the pro labor wing of the Catholic Church and the heritage of Mexican popular piety provided a fertile field for the growth of broad support for Chavez and his organizing efforts Eventually La Causa was able to achieve collective bargaining victories including a historic labor contract between California agribusiness and farm workers The movement did not fare as well in Texas where the combination of a locally weak union leadership a more conservative Southern Protestant ethos and the strikebreaking measures of the Texas Rangers all boded ill However a general Chicano movement ultimately took permanent root in the state because of the workers struggle Watt offers a careful examination of the complex interactions among religious traditions social heritage and ethnicity as these factors affected the course and outcomes of these two pioneering campaigns undertaken by La Causa **Writings on American History, 1962-73**, 1985 This book provides a comprehensive listing of the book length works published from 1962 to 1973 that are relevant to the study of American history and is organized into a subject classification system This bibliography gives access to over 50 000 works on the history the geography and the political social and economic aspects of the United States its people its government and its institutions The entries cover the entire area now within the United States or under its jurisdiction ranging from prehistoric times to 1973 Introd **An Oklahoma I Had Never Seen Before** Davis D. Joyce, 1998-01-01 Davis D Joyce presents fourteen essays that interpret Oklahoma's unique populist past and address current political and social issues ranging from gender race and religion to popular music the energy industry and economics

Program of the Annual Meeting - American Historical Association American Historical Association, 1966 Some programs include also the programs of societies meeting concurrently with the association *Law Books, 1876-1981* R.R. Bowker Company, 1981 Program of the ... Annual Meeting of the American Historical Association American Historical Association. Meeting, 1970 *The Publishers' Trade List Annual*, 1986 **Critical Studies in Antebellum Sectionalism** Robert Russel, 1972-03-20 Collection of essays examining some of the crucial sectional issues between the North and South in the pre Civil War era as well as exploring the economic history of that period **Regionalism, Politics and the Environment** Sarah S.
