Изменения в политических взглядах и поведении в России и пост-советских странах: специфические и общие европейские тренды в политических установках и поведении

Political Change In Post Soviet

Amanda E Wooden, Christoph H. Stefes

Political Change In Post Soviet:

The Post-Soviet States Graham Smith, 2024-11-01 The collapse of the Soviet Union has engendered one of the most momentous and critical regional transformations of our times through the formation and development of the post Soviet states This book explores the politics of post Soviet transition and the problems which will continue to face these states well into the twenty first century as they struggle towards democracy market reform ethnic co existence and integration into a new geopolitical post Cold War world order Richly illustrated with examples drawn from Russian and other post Soviet primary sources the author focuses on three broad themes of transition Firstly the progression from colonialism to post colonialism and the consequences of such changes on national identity and the redefinition of national homeland Secondly the movement away from totalitarian rule and the factors which both facilitate and challenge the prospects of a democratic future Thirdly the process of securing a successful place in the global capitalist economy

Ideas and International Political Change Jeffrey T. Checkel, 1997-01-01 The end of the Cold War dramatically and unexpectedly transformed international politics toward the end of the 20th century At the heart of this change was the struggle over new and old ideas

Institutions and Political Change in Russia N. Robinson, 2000-01-27 For a decade Russia has been building a new political order This collection of essays offers a progress report on this effort recording the projects for institutional reform their successes and their many failures Institutions covered include the presidency the State Duma regional government the judiciary the power ministries the foreign policy and economic policy making establishments Other chapters examine popular attitudes towards institutions and the crises of state society relations in Russia

Branding Democracy Gerald Sussman, 2010 Branding Democracy U S Regime Change in Post Soviet Eastern Europe is a study of the uses of systemic propaganda in U S foreign policy Moving beyond traditional understandings of propaganda Branding Democracy analyzes the expanding and ubiquitous uses of domestic public persuasion under a neoliberal regime and an informational mode of development and its migration to the arena of foreign policy A highly mobile and flexible corporate dominated new informational economy is the foundation of intensified Western marketing and promotional culture across spatial and temporal divides enabling transnational interests to integrate territories previously beyond their reach U S democracy promotion and interventions in the Eastern European color revolutions in the early twenty first century serve as studies of neoliberal state interests in action Branding Democracy will be of interest to students of U S and European politics political economy foreign policy political communication American studies and culture studies

Educational Reform in Post-Soviet Russia Ben Eklof, Larry E. Holmes, Vera Kaplan, 2004-08-02 This volume consists of a collection of essays devoted to study of the most recent educational reform in Russia In his first decree Boris Yeltsin proclaimed education a top priority of state policy Yet the economic decline which accompanied the collapse of the Soviet Union dealt a crippling blow to reformist aspirations and to the existing school system itself The public lost faith in school reform and by the mid 1990s a reaction had

set in Nevertheless large scale changes have been effected in finance structure governance and curricula At the same time there has been a renewed and widespread appreciation for the positive aspects of the Soviet legacy in schooling The essays presented here compare current educational reform to reforms of the past analyze it in a broader cultural political and social context and study the shifts that have occurred at the different levels of schooling from political decision making and changes in school administration to the rewriting textbooks and teachers everyday problems The authors are both Russian educators who have played a leading role in implementation of the reform and Western scholars who have been studying it from its very early stages Together they formulate an intricate but cohesive picture which is in keeping with the complex nature of the reform itself Contributors Kara Brown Indiana University Ben Eklof Indiana University Isak D Froumin World Bank Moscow Larry E Holmes University of South Alabama Igor Ionov Russian History Institute of the Russian Academy of Sciences Viacheslav Karpov Elena Lisovskaya Western Michigan University Vera Kaplan Tel Aviv University Stephen T Kerr University of Washington James Muckle University of Nottingham Nadya Peterson Hunter College Scott Seregny Indiana University Purdue University Indianapolis Alexander Shevyrev Moscow State University Janet G Vaillant Harvard University

The Politics of Transition in Central Asia and the Caucasus Amanda E Wooden, Christoph H. Stefes, 2009-06-08 Most books on the Caucasus and Central Asia are country by country studies This book on the other hand fills a gap in Central Eurasian studies as one of the few comparative case study books on Central Eurasia covering both the Caucasus and Central Asia it considers key themes right across the two regions highlighting both political change and continuity Comparative case study chapters written by regional experts from a variety of methodological backgrounds provide historical context and evaluate Soviet political legacies and emerging policy outcomes Key topics include the varied types and sources of authoritarianism political opposition and protest politics predetermined outcomes of post Soviet economic choices social and stability impacts of natural resource wealth variations in educational reform international norm influence on gender policy and the power of human rights activists Overall the book provides a thorough up to date overview of what is increasingly becoming a significant area of concern

Autocratic and Democratic External Influences in Post-Soviet Eurasia Anastassia Obydenkova, Alexander Libman, 2016-03-09 As the Ukrainian Crisis shows both political regimes and national borders in Eurasia are still in a state of flux Bringing together literatures on the external influences of democratization the post Soviet space and support for autocracy *Autocratic and Democratic External influences in Post Soviet Eurasia* provides a comprehensive overview of the interaction of domestic and international politics during times of regime transition Demonstrating the interplay of these forces the book explores the rich variation in motives and channels of autocratic and democratic influences International scholars consider two channels of external influence on regime transition the role of supranational organizations established by non democracies and the role of non governmental organizations and through a set of carefully chosen case studies offer a new theoretical discussion on the phenomenon of multi level regime transition

Nation-Building and Identity in the Post-Soviet Space Rico Isaacs, Abel Polese, 2016-04-14 Nation building as a process is never complete and issues related to identity nation state and regime building are recurrent in the post Soviet region This comparative inter disciplinary volume explores how nation building tools emerged and evolved over the last twenty years Featuring in depth case studies from countries throughout the post Soviet space it compares various aspects of nation building and identity formation projects Approaching the issue from a variety of disciplines and geographical areas contributors illustrate chapter by chapter how different state and non state actors utilise traditional instruments of nation construction in new ways while also developing non traditional tools and strategies to provide a contemporary account of how nation formation efforts evolve and diverge

Reexamining Economic and Political Reforms in Russia, 1985-2000 Vladimir Gel'man, Dmitry Travin, Otar Marganiya, 2014-06-25 Reexamining Economic and Political Reforms in Russia 1985 2000 Generations Ideas and Changes analyzes the impact of generational changes and ideational changes on major political and economic reforms conducted in Russia during the late twentieth century This book examines how the policy agenda was shaped by the ideas of the generations representatives for the sixties and seventies Representatives of the generation of sixties conducted reforms from 1985 to 1991 and invested major efforts in political liberalization but did not pay enough attention to economic reforms On the other hand the reformers from the generation of seventies who were in charge of policy making from 1991 to 1998 were genuinely oriented toward market building but rather insensitive to the democratization of the political regime This book explores how these differences in ideational agendas produced inconsistent and controversial outcomes from both stages of reforms

Values and Political Change in Postcommunist Europe W. Miller, S. White, P. Heywood, 1998-01-19 This is a book about political values socialist nationalist liberal and democratic values in five former communist countries Russia Ukraine Hungary Slovakia and the Czech Republic Based on eleven surveys involving extended interviews with 7350 members of the public and 504 Members of Parliament it provides an authoritative account of the extent to which politicians and the public in East Central Europe and the Former Soviet Union have rejected communist ideals and adopted nationalist and or liberal democratic values

The Legacy Structure of Russia's One Hundred Year Transformation David Foley, 2018-11-16 Research and analysis of the post Soviet Russian experience of political economic and social change have generally focused attention on the complications and influences of the Soviet legacy on the transition process with most early main stream studies emphasizing the difficulties of the adoption of the institutions of democracy and a free market economy to the centralized command and control legacy structures carried over from that adjacent system to the more recent analyses that have attempted to explain why the Putinist hybrid authoritarian democracy emerged to take control of the Russian state The complex nature of the Russian experience of political social and economic change had yet to be explained as a long term legacy analysis until now with the linkages presented in this study of the legacies and structures that have defied attempts at reform by the Bolsheviks the Soviets and the modern Republicans

The political geography of Russia represents a districting system that defines the people and places and represents an influential legacy structure that has had a long reach from the Russia of Imperialism to the Russia of Putinism and the twenty first century A clearer understanding of the influences the Imperial legacy brings to the Russian transformation enables the student of post Soviet Russian transition an opportunity to contextualize the strong linkages of historical governance structures with the one hundred years of Bolshevik and Soviet system capture and the struggles of transformation faced by the government and people of Russia today

Religion, Politics and Nation-Building in Post-Communist Countries

Greg Simons, David Westerlund, 2016-03-03 The increasing significance and visibility of relationships between religion and public arenas and institutions following the fall of communism in Europe provide the core focus of this fascinating book Leading international scholars consider the religious and political role of Christian Orthodoxy in the Russian Federation Romania Georgia and Ukraine alongside the revival of old indigenous religions often referred to as shamanistic and look at how despite Islam's long history and many adherents in the south Islamophobic attitudes have increasingly been added to traditional anti Semitic anti Western or anti liberal elements of Russian nationalism Contrasts between the church's position in the post communist nation building process of secular Estonia with its role in predominantly Catholic Poland are also explored Religion Politics and Nation Building in Post Communist Countries gives a broad overview of the political importance of religion in the Post Soviet space but its interest and relevance extends far beyond the geographical focus providing examples of the challenges in the spheres of public religious and social policy for all transitional countries

Identities and Politics During the Putin Presidency Philipp Casula, Jeronim Perovic, 2009-11-01 How could an undemocratic regime manage to stabilise Russia What is Putin's success formula What are the symbolic and discursive underpinnings of Russia's new stability Many outside observers of Russia regarded the authoritarian tendencies during the Putin presidency as a retreat from or even the end of democratization Rather than attempting to explain why Russia did not follow the trajectory of democratic transformation this book aims to attain an understanding of the stabilization process during Putin's tenure as president Proceeding from the assumption that the stability created under Putin is multi layered the authors attempt to uncover the underpinnings of the new equilibrium inquiring especially about the changes and fixations that occurred in the discourses on political and national identity In doing so the authors analyse the trajectories of the past years from the traditional perspective of transitology as well as through the lens of post structuralist discourse theory The two approaches are seen as complementary with the latter focusing less on the end point of transition than on the nature of the mechanisms that stabilize the current regime The book focuses on how nationalism became an increasingly important tool in political discourse and how it affected political identity Sovereign democracy is seen by many contributors as the most explicit manifestation of a newfound post Soviet identity drawing on nationalist ideas while simultaneously appeasing most sectors of the Russian political spectrum

Patterns In Post-soviet Leadership Timothy Colton, Robert C

Tucker,2019-06-04 This book summarizes leadership and general political developments in the Soviet Union since the onset of the reforms It explores new developments and old continuities in elite politics in the Russian Federation and other post Soviet states during the period of transition and consolidation *Russia and EU in the New World Disorder* Aziz

Elmuradov,2022-11-04 This book makes an original contribution to Russia EU literature by analyzing constructions and transformations of the Russian Self in relation to the European Other It provides an orientation towards understanding Russian foreign policy discourse under Putin and offers a thorough analysis of the actions of key policy actors to ground the Russian discourse ideationally historically psychologically and politico sociologically Providing a rich analysis of how Russian foreign policy toward the EU evolved from cooperation to competition and ultimately conflict the author argues that to understand these changes and continuities we must explore concepts of sovereignty and balance of power central to the drafting of Russian foreign policy Primarily situated in the fields of International Relations and Russian foreign policy this book will also be of interest to scholars in the fields of Foreign Policy Analysis Post Soviet Studies Eurasian Studies Historical International Relations Critical Security Studies Political Sociology and Political Psychology Authoritarian Backlash Thomas

Ambrosio,2016-04-08 Authoritarian Russia has adopted five strategies to preserve the Kremlin s political power insulate bolster subvert redefine and coordinate Thomas Ambrosio examines each of these in turn all of which seek to counter or undermine regional democratic trends both at home and throughout the former Soviet Union Policies such as these are of great concern to the growing literature on how autocratic regimes are becoming more active in their resistance to democracy Through detailed case studies of each strategy this book makes significant contributions to our understandings of Russian domestic and foreign policies democratization theory and the policy challenges associated with democracy promotion **The Psychology of Politicians** Ashley Weinberg,2011-12-15 The Psychology of Politicians explores a topic

which fuels public and media debate yet is under researched and has potentially far reaching consequences for the success of our political systems Focusing on research with democratically elected representatives from the UK Poland and Italy and on the political behaviour of a former US President and voters perceptions in the emerging democracy of Ukraine this book is packed with psychological insights Using quantitative and qualitative methodologies the contributors chart the progress of the individual politician from selection as a candidate to becoming established in Parliament examining their qualities as communicators thinkers and leaders The impact of work and non work pressures on their mental well being and capacity to handle a crisis are probed and the roles of personality traits in politicians values and in public perceptions of our elected representatives are highlighted Ibss: Political Science: 1988 British Library of Political and Economic Science,1992 This bibliography lists the most important works in political science published in 1988

The Post-Soviet Russian Orthodox Church Katja Richters,2012-08-21 In recent years the Russian Orthodox Church has become a more prominent part of post Soviet Russia A number of assumptions exist regarding the Church s relationship with the Russian state that the Church has

always been dominated by Russia's secular elites that the clerics have not sufficiently fought this domination and occasionally failed to act in the Church's best interest and that the Church was turned into a Soviet institution during the twentieth century. This book challenges these assumptions. It demonstrates that church-state relations in post-communist Russia can be seen in a much more differentiated way and that the church is not subservient very much, having its own agenda. Yet at the same time it is sharing the state's and Russian society's nationalist vision. The book analyses the Russian Orthodox Church's political culture focusing on the Putin and Medvedev eras from 2000. It examines the upper echelons of the Moscow Patriarchate in relation to the governing elite and to Russian public opinion, explores the role of the church in the formation of state religious policy and the church's role within the Russian military. It discusses how the Moscow Patriarchate is asserting itself in former Soviet republics outside Russia, especially in Estonia, Ukraine and Belarus. It concludes by re-emphasising that although the church often mirrors the Kremlin's political preferences, it most definitely acts independently.

Ethnicity, Nationalism and Conflict in the South Caucasus Ohannes Geukjian, 2016-05-13. This book examines the underlying factors of the Nagorno Karabakh conflict in the South Caucasus from 1905 to 1994 and explores the ways in which issues of ethnicity and nationalism contributed to that conflict. The author examines the historiography and politics of the conflict and the historical territorial and ethnic dimensions which contributed to the dynamics of the war. The impact of Soviet policies and structures are also included, pinpointing how they contributed to the development of nationalism and the maintenance of national identities. The book firstly explores the historical development of the Armenian and Azerbaijani national identities and the overlapping claims to the territory of Nagorno Karabakh. The author goes on to assess the historical link between ethnicity and territorial location as sources of ethnic identification and conflict. He examines how identity differences shaped the relations between Armenians and Azerbaijanis during the different phases of conflict and presents a detailed historical account of Soviet nationalities policy and ethno-territorial federalism, the basis of which ethnic relations were conducted between governing and minority nations in the South Caucasus. This invaluable book offers students and scholars of post-Soviet politics and society a unique insight into the causes and consequences of this long-standing conflict.

Eventually, you will unquestionably discover a extra experience and expertise by spending more cash. yet when? get you agree to that you require to get those every needs when having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will lead you to understand even more approaching the globe, experience, some places, once history, amusement, and a lot more?

Political Change In Post Soviet Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Political Change In Post Soviet PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and

empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Political Change In Post Soviet PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Political Change In Post Soviet free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Political Change In Post Soviet Books

What is a Political Change In Post Soviet PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Political Change In Post Soviet PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Political Change In Post Soviet PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Political Change In Post Soviet PDF to another file format?**

There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Political Change In Post Soviet PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic

PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
