

POLITICAL COMMUNICATIONS

THE GENERAL ELECTION

CAMPAIGN OF 2001

EDITED BY

**JOHN BARTLE, ROGER MORTIMORE
SIMON ATKINSON**

Political Communications The General Election Of 2001

Damian Tambini

Political Communications The General Election Of 2001:

Modern Political Communications James Stanyer, 2007-09-04 The author provides an accessible and comprehensive account of the fast paced transformation of political communication systems of the United States and the United Kingdom and the consequences of this for democratic practice Political Communication in Britain Roger Mortimore, Simon Atkinson, 2011-04-13 The 2010 General Election represented a pathbreaking contest in Political Communication The TV debates changed forever the feel of the campaign This book brings together key commentators analysts and polling experts to present readers with a unique and valuable insight into the development of political communication in British Politics

Political Communications Simon Atkinson, John Bartle, Roger Mortimore, 2013-10-23 This work examines political communications in British general elections Like its predecessors it has a dual purpose first to make available the reflections of those who participated in it and second to provide analysis of the media the parties and public opinion polls in the campaign Political Communication Steven Foster, 2010-03-17 This introduction to the study of political communication covers the following subjects The history of the media in the UK and the USA including the concentration of ownership and the emergence of new media technologies The relationship between the media and political parties especially the effect the media has had on the policies and internal power structures of parties and other organisations such as pressure groups Media influence on the electorate and the conduct of democratic politics The constitutional significance of the politics of the media The first part of the book focuses on the social context and includes detailed analysis of the processes of political communication today as well as the impact of these on parties pressure groups and government Developments in the US are considered alongside those in the UK The second part places media politics in their constitutional context covering issues such as open government and freedom of expression freedom of information privacy and human rights Attempts by the governments of the UK and the US to manipulate and control the media are also explored **British General Elections**

Since 1964 David Denver, Mark Garnett, 2014-02 The first book to look at a succession of British general elections in significant detail By starting the survey in 1964 rather than the traditional date of 1945 it can also focus more rigorously on the changes which began in the 1960s and still affect general elections today **Elections in Britain** D. Leonard, R. Mortimore, 2015-12-11 How do British elections work What about local elections and by elections How are candidates chosen What has been the impact of changes introduced by the present government How can an ordinary voter play his or her part And why do so few people vote these days Dick Leonard a political journalist and former MP and Roger Mortimore an opinion pollster cover all aspects of British elections in this updated edition of the standard work including comprehensive tables of statistics and results Media and the Restyling of Politics John Corner, Dick Pels, 2003-08-18 Bringing together the work of leading academics in media and cultural studies this book questions the ways in which emerging forms of political style relate not only to new conventions of celebrity and publicity but to ideas about representation citizenship and the democratic

process **British Elections & Parties Review** Colin Rallings,Roger Scully,Jonathan Tonge,Paul Webb,2004-08-02
Containing contributions from leading names in British politics this review continues to publish front rank research on parties elections and voting behaviour in Britain **Handbook of Political Communication Research** Lynda Lee Kaid,2004-07-19 The Handbook of Political Communication Research is a benchmark volume defining the most important and significant thrusts of contemporary research and theory in political communication Editor Lynda Lee Kaid brings together exemplary scholars to explore the current state of political communication research in each of its various facets Reflecting the interdisciplinary nature of political communication scholarship contributions represent research coming from communication political science journalism and marketing disciplines among others The Handbook demonstrates the broad scope of the political communication discipline and emphasizes theoretical overviews and research synthesis with each chapter providing discussion of the major lines of research theory and findings for the area of concern Chapters are organized into sections covering The theoretical background history structure and diversity of political communication Messages predominant in the study of political communication ranging from classical rhetorical modes to political advertising and debates News media coverage of politics political issues and political institutions Public opinion and the audiences of political communication European and Asian perspectives on political communication and Trends in political communication study including the Internet and its role in changing the face of political communication As a comprehensive and thorough examination of the political communication discipline the first in over two decades this Handbook is a must have resource for scholars and researchers in political communication mass communication and political science It will also serve readers in public opinion political psychology and related areas **The Routledge Handbook of Elections, Voting Behavior and Public Opinion** Justin Fisher,Edward Fieldhouse,Mark N. Franklin,Rachel Gibson,Marta Cantijoch,Christopher Wlezien,2017-09-22 The study of elections voting behavior and public opinion are arguably among the most prominent and intensively researched sub fields within Political Science It is an evolving sub field both in terms of theoretical focus and in particular technical developments and has made a considerable impact on popular understanding of the core components of liberal democracies in terms of electoral systems and outcomes changes in public opinion and the aggregation of interests This handbook details the key developments and state of the art research across elections voting behavior and the public opinion by providing both an advanced overview of each core area and engaging in debate about the relative merits of differing approaches in a comprehensive and accessible way Bringing geographical scope and depth with comparative chapters that draw on material from across the globe it will be a key reference point both for advanced level students and researchers developing knowledge and producing new material in these sub fields and beyond The Routledge Handbook of Elections Voting Behavior and Public Opinion is an authoritative and key reference text for students academics and researchers engaged in the study of electoral research public opinion and voting behavior *News, Public Relations*

and Power Simon Cottle,2003-04-10 Introducing theoretical ideas and the latest empirical findings in this fast developing field of media communication scholarship and study *News Public Relations and Power* has contributions from leading international researchers who address issues such as the rapid growth of public relations and its impact on news production state information management strategies in times of internal political dissent political parties and mediated spin conducted at national and local levels the historically changing nature of war journalism and tabloid television and forms of cultural representation The book begins with Simon Cottle s introduction which sets out the key ideas and approaches in the field

The Millennium Election Lynda Lee Kaid,2003 The Millennium Election highlights some of the most important campaign communication from the 2000 elections looking at candidates political messages the media s campaign coverage the impact of the Internet and the political socialization of young voters The authors show that we still have much to learn about traditional candidate voter interactions as well as new forms of political communication and these forms must work together to engage a new generation of voters Visit our website for sample chapters [Twenty-First Century Populism](#) D. Albertazzi,D. McDonnell,2007-12-14 *Twenty First Century Populism* analyses the phenomenon of sustained populist growth in Western Europe by looking at the conditions facilitating populism in specific national contexts and then examining populist fortunes in those countries The chapters are written by country experts and political scientists from across the continent

The Political Communication Reader Ralph Negrine,James Stanyer,2023-04-28 The Political Communication Reader gathers together key writings in a unique one volume resource The selected texts are grouped into thematic sections each introduced by the editors covering such areas as the exercise of power media and democracy the media and elections media effects political participation and the media the personalization of politics new technologies and the reshaping of political communication Available as a companion Reader to Brian McNair s *Introduction to Political Communication* textbook students will find The Political Communication Reader a valuable resource in this popular subject area *Political Communication and Democracy* G. Rawnsley,2005-11-01 *Political Communication and Democracy* provides a wide ranging and inclusive study of political communications that uses current political events and debates to illustrate its arguments Looking beyond the narrow view that political communication concerns only the media and spin doctors Gary Rawnsley examines the subject in its myriad forms political parties and pressure groups as a way by which people join together referendums public opinion and how communications contribute to the process of democratization around the world **The Handbook of Election News Coverage Around the World** Jesper Strömbäck,Lynda Lee Kaid,2009-09-10 The Handbook of Election Coverage Around the World focuses on the news coverage of national elections in democracies around the globe It brings together and compares election news coverage within a single framework offering a systematic consideration of various factors Considering the prominence and power of the press in the election process this volume will offer unique breadth in its global consideration of the topic The volume will appeal to scholars in political communication political science

mass media and society and others studying elections and media coverage around the world **Elections and Voters in Britain** David Denver, Christopher Carman, Robert Johns, 2017-07-04 How do voters in Britain decide which party to vote for in elections Why do smaller parties get more support than they used to How do the mass media influence political opinions The authors examine these and other questions in the third edition of this popular text They trace the evolution of the British electorate over the post war period and focus in particular on recent elections from Labour's victories in the 2000s through to the hung parliament of 2010 As well as examining and explaining theories of party choice including the view that voters' evaluations of government performance and party leaders are now the key determinants of election outcomes the authors also devote separate chapters to turnout trends and patterns electoral systems and the geography of party support Campaigning opinion polls and the mass media are also considered Fully revised the text incorporates the latest research on elections and voting behaviour and includes analysis of recent trends and developments including how new media are affecting election campaigning **Central Debates in British Politics** John Benyon, David Denver, Justin Fisher, 2014-09-25 Central Debates in British Politics focuses on British politics in a changing social economic and institutional context The book explores issues and debates using a variety of approaches and techniques It is written and edited by a team of leading experts who analyse key issues in a highly structured and thematic manner *Ruled by Recluses?* Damian Tambini, 2002
