## **Political Constructions Defoe Richardson And Sterne In Relation To Hobbes Hume And Burke:**

Political Constructions Carol Kay, 2019-05-15 Focussing on three major eighteenth century English novelists Carol Kay explores the connections between institutional politics political philosophy and fiction Drawing from Hobbes s Leviathan a political problematic a complex of interconnected topics Kay offers an alternative to current critical theories that overlook the importance of political institutions in literary analysis She considers Hobbes s though a key to what has been called the growth of political stability in England during this period a consolidation of national authority which was brutal in some respects and a matter of intense controversy Political Constructions shows how the fictional creations of Defoe Richardson and Sterne challenge but ultimately support Hobbes s diagnosis of a fundamental human ignorance and competition which require the political solution of consent to authority Although they testified to the potential for social conflict Kay concludes the works of novelists and philosophers helped make England the prototype of the settled state the country that did not have a modern revolution

**Defoe's Footprints** Robert M. Maniquis, Carl Fisher, 2009-01-01 In Defoe s Footprints essays by prominent scholars of eighteenth century literature salute Maximillian E Novak s influence upon the study of Daniel Defoe Best known today as the author of Robinson Crusoe Defoe was a prolific writer in the late seventeenth and early eighteenth centuries who wrote novels essays pamphlets and poems Widely extending Novak s perspectives this volume explores Defoe s place in the English novel and in literary developments of mimesis realism and popular mythology The contributors locate Defoe in new ways within the complex symbolism and discourse of a turbulent world of burgeoning capitalism Protestantism imperialism and economic speculation With attention to Defoe s neglected writings as well as to his important works this volume uncovers his distance from and influence on modern literature paying tribute to Maximillian E Novak by presenting new ideas about and new readings of Daniel Defoe

**Isolated Cases** Nancy Yousef, 2004 The literature of the romantic period has consistently been seen as the source of modern concepts of the individual Nancy Yousef maintains however that the dominant account of the self in romanticism is in need of profound revision While individuals presented in central texts of the period are indeed often alone or separated from others Yousef regards this isolation as a problem the texts attempt to illuminate rather than a condition they construct as normative or desirable As her argument moves from the eighteenth to the nineteenth century through both philosophical and literary writing her book offers a new account of autonomy and of the complex romantic inheritance of enlightenment preoccupations with the origins of human association and the course of human development In her richly interdisciplinary book Nancy Yousef addresses the emergence of autonomy demonstrating that the ideal was beset from its beginnings by profound concerns over the possibilities and grounds of human relations and interdependence Isolated Cases draws attention to the strain of intersubjective anxieties and longings hidden within representations of the individual as self sufficient and self defining Among the writers and thinkers Yousef treats at length are John Locke John Stuart Mill Jean Jacques Rousseau Mary Shelley and William Wordsworth

**The Conversational**

**Circle** Betty Schellenberg, 2021-10-21 The Conversational Circle offers a model for exploring a range of novels that experiment with narrative patterns. It makes a compelling case that teleological approaches to novel history that privilege the conflict between the individual and society are quite simply ahistorical. Twentieth century historians of the early novel most prominently Ian Watt, Mikhail Bakhtin and Terry Castle have canonized fictions that portray the individual in sustained tension with the social environment. Such fictions privilege a strongly linear structure. Recent reexaminations of the canon however have revealed a number of early novels that do not fit this mold. Betty Schellenberg identifies another kind of plot, one that focuses on the social group, the conversational circle, as a model that can affirm traditional values but just as often promotes an alternative sense of community. Schellenberg selects a group of mid-eighteenth century novels that experiment with this alternative plot structure embodied by the social circle. Both satirical and sentimental, canonical and non-canonical, these novels demonstrate a concern that individualistic desire threatened to destabilize society. Writing that reflects a circular structure emphasizes conversation and consensus over individualism and conquest. As a discourse that highlights negotiation and harmony, conversation privileges the social group over the individual. These fictions of the conversational circle include lesser-known works by canonical authors: Henry Fielding's *Amelia* and Richard's *Sir Charles Grandison* as well as his sequel to *Pamela*, long-neglected novels by women: Sarah Fielding's *David Simple* and its sequel *Volume the Last* and Sarah Scott's *Millenium Hall* and Tobias Smollet's last novel *Humphrey Clinker*. Because they do not fit the linear model, such works have long been dismissed as ideologically flawed and irrelevant. *The Feminization Debate in Eighteenth-Century England* E. Clery, 2004-08-20 In the eighteenth century, critics of capitalism denounced the growth of luxury and effeminacy; supporters applauded the increase of refinement and the improved status of women. This pioneering study explores the way the association of commerce and femininity permeated cultural production. It looks at the first use of a female author as an icon of modernity in the *Athenian Mercury* and reappraises works by Elizabeth Singer Rowe, Mandeville, Defoe, Pope and Elizabeth Carter. Samuel Richardson's novels represent the culmination of the English debate while contemporary essays by David Hume move towards a fully fledged enlightenment theory of feminization. **The Cambridge History of Literary Criticism: Volume 4, The Eighteenth Century** George Alexander Kennedy, 1989 This comprehensive 1997 account of eighteenth-century literary criticism is now available in paperback. *The Cambridge History of Literary Criticism: Volume 4, The Eighteenth Century* H. B. Nisbet, Claude Rawson, 2005-12-08 This is a comprehensive 1997 account of the history of literary criticism in Britain and Europe between 1660 and 1800. Unlike previous histories, it is not just a chronological survey of critical writing but a multidisciplinary investigation of how the understanding of literature and its various genres was transformed at the start of the modern era by developments in philosophy, psychology, the natural sciences, linguistics and other disciplines as well as in society at large. In the process, modern literary theory at first often implicit in literary texts themselves emancipated itself from classical poetics and rhetoric, and literary criticism emerged as a full-time professional

activity catering for an expanding literate public The volume is international both in coverage and in authorship Extensive bibliographies provide guidance for further specialised study Cultural Readings of Restoration and Eighteenth-Century English Theater Deborah Payne Fisk, J. Douglas Canfield, 2010-12-01 Ranging in approach from feminist to historicist the eleven essays in this collection share the culturalist premise that the drama of late Stuart and early Georgian England helped to constitute the dominant ideology of the period The contributors varied approaches allow for the reconsideration of libertinism the politics of sexual desire and other classic issues as well as such newer concerns as the social construction of the first English actresses empiricism as an emergent epistemological discourse cultural anxiety about novelty and repetition and shifting tropes of inherent worth By reading well known works in unexpected ways and focusing on less frequently studied dramatists from Sedley Motteux Pix and Behn to Manley Trotter and Shadwell the contributors also test the limits of the canon In addition they suggest that earlier critical perceptions perhaps even more than the innate worth of the plays determined the shape of the canon These essays present a different image of Restoration and eighteenth century theater one that reveals how the drama was a site as important for the negotiation of cultural meaning as were novels and verse satires

*The Fate of Eloquence in the Age of Hume* Adam Potkay, 2018-09-05 This engaging and insightful book explores the fate of eloquence in a period during which it both denoted a living oratorical art and served as a major factor in political thought Seeing Hume's philosophy as a key to the literature of the mid eighteenth century Adam Potkay compares the status of eloquence in Hume's *Essays* and *Natural History of Religion* to its status in novels by Sterne poems by Pope and Gray and Macpherson's *Poems of Ossian* Potkay explains the sense of urgency that the concept of eloquence evoked among eighteenth century British readers for whom it recalled Demosthenes exhorting Athenian citizens to oppose tyranny Revived by Hume and many other writers the concept of eloquence resonated deeply for an audience who perceived its own political community as being in danger of disintegration Potkay also shows how beginning in the realm of literature the fashion of polite style began to eclipse that of political eloquence An ethos suitable both to the family circle and to a public sphere that included women politeness entailed a sublimation of passions a feminine modesty as opposed to masculine display and a style that sought rather to placate or stabilize than to influence the course of events For Potkay the tension between the ideals of ancient eloquence and of modern politeness defined literary and political discourses alike between 1726 and 1770 although politeness eventually gained ascendancy eloquence was never silenced Imagining World Order Chenxi Tang, 2018-12-15

No detailed description available for Imagining World Order **Disaffected Parties** John Owen Havard, 2019-02-14 *Disaffected Parties* reveals how alienation from politics effected crucial changes to the shape and status of literary form Recovering the earliest expressions of grumbling irritability and cynicism towards politics this study asks how unsettled partisan legacies converged with more recent discontents to forge a seminal period in the making of English literature and thereby poses wide ranging questions about the lines between politics and aesthetics Reading works including Laurence

Sterne's *Tristram Shandy* James Boswell's *Life of Johnson* the novels of Maria Edgeworth and Jane Austen and the satirical poetry of Lord Byron in tandem with print culture and partisan activity this book shows how these writings remained animated by disaffected impulses and recalcitrant energies at odds with available party positions and emerging governmental norms even as they sought to imagine perspectives that looked beyond the divided political world altogether No one can be more sick of or indifferent to politics than I am Lord Byron wrote in 1820 Between the later eighteenth century and the Romantic age disaffected political attitudes acquired increasingly familiar shapes Yet this was also a period of ferment in which unrest associated with the global age of revolutions including a dynamic transatlantic opposition movement collided with often inchoate assemblages of parties and constituencies As writers adopted increasingly emphatic removes from the political arena and cultivated familiar stances of cynicism detachment and retreat their estrangement also promised to loop back into political engagement and to make their works parties all their own

*Making Gender, Culture, and the Self in the Fiction of Samuel Richardson* Bonnie Latimer, 2016-05-13 Proposing that Samuel Richardson's novels were crucial for the construction of female individuality in the mid eighteenth century Bonnie Latimer shows that Richardson's heroines are uniquely conceived as individuals who embody the agency and self determination implied by that term In addition to placing Richardson within the context of his own culture recouping for contemporary readers the influence of Grandison on later writers including Maria Edgeworth Sarah Scott and Mary Wollstonecraft is central to her study Latimer argues that Grandison has been unfairly marginalised in favor of *Clarissa* and *Pamela* and suggests that a rigorous rereading of the novel not only provides a basis for reassessing significant aspects of Richardson's fictional oeuvre but also has implications for fresh thinking about the eighteenth century novel Latimer's study is not a specialist study of Grandison but rather a reconsideration of Richardson's novelistic canon that places Grandison at its centre as Richardson's final word on his reenvisioning of the gendered self

*Laurence Sterne's Tristram Shandy* Thomas Keymer, 2006-04-13 Thomas Keymer's introduction to this casebook examines the historical context and controversial reception of *Tristram Shandy* and connects the essays selected for inclusion to the diverse traditions of Sterne Criticism

*Reading London* Erik Bond, 2007 While seventeenth century London may immediately evoke images of Shakespeare and thatched roof tops and nineteenth century London may call forth images of Dickens and cobblestones a popular conception of eighteenth century London has been more difficult to imagine In fact the immense variety of textual traditions metaphors classical allusions and contemporary contexts that eighteenth century writers use to illustrate eighteenth century London may make eighteenth century London seem more strange and foreign to twenty first century readers than any of its other historical incarnations Indeed imagining a familiar unified London was precisely the task that occupied so many writers in London after the 1666 Fire decimated the City and the 1688 Glorious Revolution destabilized the English monarchy's absolute power In the authoritative void created by these two events writers in London faced not only the problem of how to guide readers' imaginations to a unified conception of

London but also the problem of how to govern readers whom they would never meet Erik Bond argues that Restoration London's rapidly changing administrative geography as well as mid eighteenth century London's proliferation of print helped writers generate several strategies to imagine that they could control not only other Londoners but also their interior selves As a result Reading London encourages readers to respect the historical alterity or otherness of eighteenth century literature while recognizing that these historical alternatives prove that our present problems with urban societies do not have to be this way In fact the chapters illustrate how eighteenth century writers gesture towards solutions to problems that urban citizens now face in terms of urban terror crime policing and communal conduct Revising Women Paula R.

Backscheider,2002-10-21 A collection of essays from feminist critics each of which explores the history of the English novel literature's place in cultural debate and women's studies They begin with the fictions of the late 17th century and end with Maria Edgeworth and Jane Austen Hypocrisy and the Politics of Politeness Jenny Davidson,2004-05-06 In Hypocrisy and the Politics of Politeness Jenny Davidson considers the arguments that define hypocrisy as a moral and political virtue in its own right She shows that these were arguments that thrived in the medium of eighteenth century Britain's culture of politeness In the debate about the balance between truthfulness and politeness Davidson argues that eighteenth century writers from Locke to Austen come down firmly on the side of politeness This is the case even when it is associated with dissimulation or hypocrisy These writers argue that the open profession of vice is far more dangerous for society than even the most glaring discrepancies between what people say in public and what they do in private This book explores what happens when controversial arguments in favour of hypocrisy enter the mainstream making it increasingly hard to tell the difference between hypocrisy and more obviously attractive qualities like modesty self control and tact **Laurence**

**Sterne's A Sentimental Journey** W. B. Gerard,M-C. Newbould,Melvyn New,2021-03-12 Introduction A sentimental journey's critical legacies W B Gerard and M C Newbould Men women and other animals Refining masculinity in Yorick's Journey courtesy chivalry gallantry Shaun Regan Yorick's war patriot politics military men and willing women in A sentimental journey Julia Banister Sterne's Journey into animal affect Glynis Ridley Words structures things Spatial digression and the borders of knowledge in A sentimental journey Chris Ewers O economy and order Laurence Sterne's chaptering Alexander Hardie Forsyth Yorick's speech the limits of elocution in A sentimental journey Fraser Easton Things of the spirit vibrant matter in A sentimental journey Jennifer Preston Wilson Historical contexts rewritten texts Boswell and Sterne in 1768 Melvyn New The shadow of Eliza Sterne's underplot in A sentimental journey Peter Budrin Debt death and literary inheritance the ends of Sterne and A sentimental journey Paul Goring Afterword Pat Rogers **Clarissa, or the History of A Young Lady** Samuel Richardson,2004-02-05 Pressured by her unscrupulous family to marry a wealthy man she detests the young Clarissa Harlowe is tricked into fleeing with the witty and debonair Robert Lovelace and places herself under his protection Lovelace however proves himself to be an untrustworthy rake whose vague promises of marriage are accompanied

by unwelcome and increasingly brutal sexual advances And yet Clarissa finds his charm alluring her scrupulous sense of virtue tinged with unconfessed desire Told through a complex series of interweaving letters Clarissa is a richly ambiguous study of a fatally attracted couple and a work of astonishing power and immediacy A huge success when it first appeared in 1747 and translated into French and German it remains one of the greatest of all European novels Lothario's Corpse Daniel Gustafson,2020-06-12 Introduction The long running Restoration Corpsing Lothario Debating Dorimant Stuarts without end Libertines and liberalism *The Cure of the Passions and the Origins of the English Novel* Geoffrey Sill,2006-11-02 This new study examines the role of the passions in the rise of the English novel Geoffrey Sill examines medical religious and literary efforts to anatomize the passions paying particular attention to the works of Dr Alexander Monro of Edinburgh Reverend John Lewis of Margate and Daniel Defoe novelist and natural historian of the passions He shows that the figure of the physician of the mind figures prominently not only in Defoe s novels but also in those of Fielding Richardson Smollett Burney and Edgeworth

### **Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke Introduction**

Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to

copyright issues, its a popular resource for finding various publications. Internet Archive for Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke Offers a diverse range of free eBooks across various genres. Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke, especially related to Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke books or magazines might include. Look for these in online stores or libraries. Remember that while Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke eBooks, including some popular titles.

### **FAQs About Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before

making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke is one of the best book in our library for free trial. We provide copy of Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke. Where to download Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke online for free? Are you looking for Political Constructions Dofoe Richardson And Sterne In Relation To Hobbes Hume And Burke PDF? This is definitely going to save you time and cash in something you should think about.
