The Collapse and Revival of New York City

MARTIN SHEFTER

Political Crisis Fiscal Crisis The Collapse And Revival Of New York City

Jonathan Kirshner

Political Crisis Fiscal Crisis The Collapse And Revival Of New York City:

Political Crisis/fiscal Crisis Martin Shefter,1992 *Politicl Crisis/fiscal Crisi* Martin Shefter,1985 Originally published in 1985 by Basic Books Shefter discusses the factors that caused New York City s 1975 financial crisis and demonstrates how these manifestations of newly evolved political alliances and systems continue to undermine the city s financial stability With a new preface by the author Annotation copyrighted by Book News Inc Portland OR **Ed Koch and the Rebuilding of New York City** Jonathan Soffer,2012-01-31 In 1978 Ed Koch assumed control of a city plagued by filth crime bankruptcy and racial tensions By the end of his mayoral run in 1989 and despite the Wall Street crash of 1987 his administration had begun rebuilding neighborhoods and infrastructure Unlike many American cities Koch s New York was growing not shrinking Gentrification brought new businesses to neglected corners and converted low end rental housing to coops and condos Nevertheless not all the changes were positive AIDS crime homelessness and violent racial conflict increased marking a time of great if somewhat uneven transition For better or worse Koch s efforts convinced many New Yorkers to embrace a new political order subsidizing business particularly finance insurance and real estate and privatizing public space Each phase of the city s recovery required a difficult choice between moneyed interests and social services forcing Koch to be both a moderate and a pragmatist as he tried to mitigate growing economic inequality Throughout Koch s rough rhetoric attacking his opponents as crazy wackos and radicals prompted charges of being racially divisive The first book to recast Koch s legacy through personal and mayoral papers authorized interviews and oral histories this volume plots a history of New York City through two rarely studied yet crucial decades the bankruptcy of the 1970s and the recovery and crash of the 1980s The Ungovernable City Vincent Cannato,2009-07-21 Vincent Cannato takes us back to the time when John Lindsay stunned New York with his liberal Republican agenda WASP sensibility and movie star good looks With peerless authority Cannato explores how Lindsay Liberalism failed to save New York and in the opinion of many left it worse off than it was in the mid 1960 s The Restless City Joanne Reitano,2010-07 The Restless City A Short History of New York from Colonial Times to the Present is a short lively history of the world s most exciting and diverse metropolis It shows how New York s perpetual struggles for power wealth and status exemplify the vigor creativity resilience and influence of the nation s premier urban center The updated second edition includes nineteen images and brings the story right up through the mayoral election of 2009 In these pages are the stories of a broad cross section of people and events that shaped the city including mayors and moguls women and workers and policemen and poets Joanne Reitano shows how New York has invigorated the American dream by confronting the fundamental economic political and social challenges that face every city Energized by change enriched by immigrants and enlivened by provocative leaders New York City s restlessness has always been its greatest asset

The Roots of Urban Renaissance Brian D. Goldstein,2023-03-14 An acclaimed history of Harlem s journey from urban crisis to urban renaissance With its gleaming shopping centers and refurbished row houses today s Harlem bears little

resemblance to the neighborhood of the midcentury urban crisis Brian Goldstein traces Harlem's Second Renaissance to a surprising source the radical social movements of the 1960s that resisted city officials and fought to give Harlemites control of their own destiny Young Harlem activists inspired by the civil rights movement envisioned a Harlem built by and for its low income predominantly African American population In the succeeding decades however the community based organizations they founded came to pursue a very different goal a neighborhood with national retailers and increasingly affluent residents The Roots of Urban Renaissance demonstrates that gentrification was not imposed on an unwitting community by unscrupulous developers or opportunistic outsiders Rather it grew from the neighborhood's grassroots producing a legacy that benefited some longtime residents and threatened others

The Politics of Public Pensions Carolyn

Abott, 2025-07-15 This book is a nuanced and comprehensive account of the intricate politics surrounding public sector pensions an issue that has become increasingly contentious in recent years Drawing from an array of case studies and theoretical perspectives it delves into how public sector pensions are negotiated structured and sustained revealing the consequences for governance labor relations and public policy Carolyn Abott examines the historical development of public sector pensions emphasizing the sociopolitical factors that have shaped their evolution and the ongoing debates about their sustainability She uncovers the political and economic considerations that influence pension policy highlighting the tensions among public employees governments and taxpayers Abott also addresses the broader implications for economic inequality and intergenerational equity offering a distinctive perspective on the intersection of public finance and political power The Politics of Public Pensions concludes with recommendations for reform that balance the needs of retirees with the fiscal realities faced by governments providing a roadmap for a sustainable and equitable future Combining qualitative and quantitative methods this rigorous book delivers essential insights for policy makers scholars and anyone interested in public finance

Latinos in a Changing US Economy Rebecca Morales, Frank Bonilla, 1993-02-25 The contributors identify the increasing differences in income and social status between rich and poor Anglos and Latinos men and women immigrant and native born and suggest policy options that will reverse the growth of social inequality National data as well as a series of case studies from important Latino cities such as New York Los Angeles San Antonio Chicago and Miami are presented

Snowbelt Cities Richard M. Bernard, 1990 A major contribution to the literature on changing US regionalism the volume is handsomely produced and thoroughly documented Choice useful and well researched American Politics Review This is an excellent book for use in the course on comparative urban development It is a book that should be read by any urbanist who believes that a historical orientation is the best prelude for understanding the future of urban development into the 21st century Urban Studies Specialists in urban history and urban affairs join forces to compare the recent political histories of twelve major northeastern and midwestern cities These excellent essays delineate intricate patterns of political competition among leaders of competing groups who generally agree on a pro business pro growth agenda as in the Sunbelt The relative

power of nonbusiness groups however sets these northern cities apart from those of the Sunbelt and has formed the basis of the Snowbelt's postwar politics

The Handbook of International Migration Charles Hirschman, Philip Kasinitz, Josh Dewind, 1999-11-04 The historic rise in international migration over the past thirty years has brought a tide of new immigrants to the United States from Asia South America and other parts of the globe Their arrival has reverberated throughout American society prompting an outpouring of scholarship on the causes and consequences of the new migrations The Handbook of International Migration gathers the best of this scholarship in one volume to present a comprehensive overview of the state of immigration research in this country bringing coherence and fresh insight to this fast growing field The contributors to The Handbook of International Migration a virtual who's who of immigration scholars draw upon the best social science theory and demographic research to examine the effects and implications of immigration in the United States The dramatic shift in the national background of today's immigrants away from primarily European roots has led many researchers to rethink traditional theories of assimilation and has called into question the usefulness of making historical comparisons between today's immigrants and those of previous generations Part I of the Handbook examines current theories of international migration including the forces that motivate people to migrate often at great financial and personal cost Part II focuses on how immigrants are changed after their arrival addressing such issues as adaptation assimilation pluralism and socioeconomic mobility Finally Part III looks at the social economic and political effects of the surge of new immigrants on American society Here the Handbook explores how the complex politics of immigration have become intertwined with economic perceptions and realities racial and ethnic divisions and international relations A landmark compendium of richly nuanced investigations The Handbook of International Migration will be the major reference work on recent immigration to this country and will enhance the development of a truly interdisciplinary field of international migration studies

Hollywood's Last Golden Age Jonathan Kirshner, 2012-11-15 Between 1967 and 1976 a number of extraordinary factors converged to produce an uncommonly adventurous era in the history of American film The end of censorship the decline of the studio system economic changes in the industry and demographic shifts among audiences filmmakers and critics created an unprecedented opportunity for a new type of Hollywood movie one that Jonathan Kirshner identifies as the seventies film In Hollywood's Last Golden Age Kirshner shows the ways in which key films from this period including Chinatown Five Easy Pieces The Graduate and Nashville as well as underappreciated films such as The Friends of Eddie Coyle Kluge and Night Moves were important works of art in continuous dialogue with the political social personal and philosophical issues of their times These seventies films reflected the era's social and political upheavals the civil rights movement the domestic consequences of the Vietnam war the sexual revolution women's liberation the end of the long postwar economic boom the Shakespearean saga of the Nixon Administration and Watergate Hollywood films in this brief exceptional moment embraced a new aesthetic and a new approach to storytelling creating self consciously gritty character

driven explorations of moral and narrative ambiguity Although the rise of the blockbuster in the second half of the 1970s largely ended Hollywood's embrace of more challenging films Kirshner argues that seventies filmmakers showed that it was possible to combine commercial entertainment with serious explorations of politics society and characters interior lives

The Menace of Prosperity Daniel Wortel-London, 2025-09-24 Upends entrenched thinking about cities demonstrating how urban economies are defined or constrained by the fiscal imagination of policymakers activists and residents Many local policymakers make decisions based on a deep seated belief what's good for the rich is good for cities Convinced that local finances depend on attracting wealthy firms and residents municipal governments lavish public subsidies on their behalf Whatever form this strategy takes tax exempt apartments corporate incentives debt financed mega projects its rationale remains consistent and assumed to be true But this wasn't always the case Between the 1870s and the 1970s a wide range of activists citizens and intellectuals in New York City connected local fiscal crises to the greed and waste of the rich These figures saw other routes to development possibilities rooted in alternate ideas about what was fiscally viable In *The Menace of Prosperity* Daniel Wortel London argues that urban economics and politics are shaped by what he terms the fiscal imagination of policymakers activists advocates and other figures His survey of New York City during a period of explosive growth shows how residents went beyond the limits of redistributive liberalism to imagine how their communities could become economically viable without the largesse of the wealthy Their strategies which included cooperatives public housing land value taxation public utilities and more centered the needs and capabilities of ordinary residents as the basis for local economies that were both prosperous and just Overturning stale axioms about economic policy *The Menace of Prosperity* shows that not all growth is productive for cities Wortel London's ambitious history demonstrates the range of options we've abandoned and hints at the economic frameworks we could still realize and the more democratic cities that might result

American Urban Politics in a Global Age Paul Kantor, Dennis R. Judd, 2015-10-05 Bringing together a selection of readings that represent some of the most important trends and topics in urban scholarship today *American Urban Politics* provides historical context and contemporary commentaries on the economy politics culture and identity of American cities This seventh edition examines the ability of highly autonomous local governments to grapple with the serious challenges of recent years challenges such as the stresses of the lingering economic crisis and a series of recent natural disasters Features Each chapter is introduced by an editor's essay that places the readings into context and highlights their central ideas and findings Division into three historical periods emphasizes both the changes and continuities in American urban politics over time The reader is the perfect complement for Judd Swannstrom's *City Politics The Political Economy of Urban America* 7 e also available in a new edition ISBN 0 205 03246 X *The Power of the Mayor* Chris McNickle, 2017-07-28 Chris McNickle argues that New York City Mayor David Dinkins failed to wield the power of the mayor with the skill required to run the city His Tammany clubhouse heritage and liberal political philosophy made him the wrong man for the time His deliberate style

of decision making left the government he led lacking in direction His courtly demeanor and formal personal style alienated him from the people he served while the multi racial coalition he forged as New York s first African American mayor weakened over time Dinkins did have a number of successes He balanced four budgets and avoided a fiscal takeover by the unelected New York State Financial Control Board Major crime dropped 14 percent and murders fell by more than 12 percent Dinkins helped initiate important structural changes to the ungovernable school system he inherited His administration reconfigured health care for the poor and improved access to medical treatment for impoverished New Yorkers McNickle argues that David Dinkins has received less credit than he is due for his successes because they were overshadowed by his failure to fulfill his promise to guide the city to racial harmony This stimulating review of a transitional period in New York City s history offers perspective on what it takes to lead and govern

Building Gotham Keith D. Revell, 2003 These issues of city building and institutional change involved more than the familiar push and pull of interest groups or battles between bosses reformers immigrants and natives Revell explores the ways in which technical values a distinctive civic culture of expertise helped to reshape ideas of community generate new centers of public authority and change the physical landscape of New York City Jacket

Cities, Politics, and Policy John P. Pelissero, 2002-10-01 Just because Milwaukee isn t Manhattan doesn t mean that those urban centers face completely unique challenges Through effective comparative analysis of key issues in urban studies how city managers share power with mayors how spending policies affect economic development and how school politics impact education policy students can clearly see how scholars discern patterns and formulate conclusions to offer theoretical and practical insights from which all cities can benefit Pelissero brings together an impressive team of contributors to explore variation among cities through case studies and cross sectional analyses Each author synthesizes the field s seminal literature while explaining how urban leaders and their constituents grapple with everything from city council politics to conflict and cooperation among minority groups Authors identify both key trends and gaps in the scholarship and help set the research agenda for the years to come Lively case material will hook your students while the accessible presentation of empirical evidence make this reader the comprehensive and sophisticated text you demand

Regime Politics Clarence Nathan Stone, 1989 From the end of Georgia s white primary in 1946 to the present Atlanta has been a community of growing black electoral strength and stable white economic power Yet the ballot box and investment money never became opposing weapons in a battle for domination Instead Atlanta experienced the emergence and evolution of a biracial coalition Although beset by changing conditions and significant cost pressures this coalition has remained intact At critical junctures forces of cooperation overcame antagonisms of race and ideology While retaining a critical distance from rational choice theory author Clarence Stone finds the problem of collective action to be centrally important The urban condition in America is one of weak and diffuse authority and this situation favors any group that can act cohesively and control a substantial body of resources Those endowed with a capacity to promote

cooperation can attract allies and overcome oppositional forces On the negative side of the political ledger Atlanta's style of civic cooperation is achieved at a cost Despite an ambitious program of physical redevelopment the city is second only to Newark New Jersey in the poverty rate Social problems conflict of interest issues and inattention to the production potential of a large lower class bespeak a regime unable to address a wide range of human needs No simple matter of elite domination it is a matter of governing arrangements built out of selective incentives and inside deal making such arrangements can serve only limited purposes The capacity of urban regimes to bring about elaborate forms of physical redevelopment should not blind us to their incapacity to address deeply rooted social problems Stone takes the historical approach seriously The flow of events enables us to see how some groups deploy their resource advantages to fashion governing arrangements to their liking But no one enjoys a completely free hand some arrangements are more workable than others Stone's theory minded analysis of key events enables us to ask why and what else might be done Regime Politics offers readers a political history of postwar Atlanta and an elegant innovative and incisive conceptual framework destined to influence the way urban politics is studied

The Neoliberal City Jason Hackworth, 2007 Drawing from geography urban studies and political science The Neoliberal City is a good introduction to many debates in those disciplines and to some important arguments about the neoliberal city Jason Hackworth's discussion of liberalism and neoliberalism is particularly valuable for its clarity and because it provides a punchy and well argued account of the intellectual development of neoliberalism By focusing on the roles of bond rating agencies real estate agents developers and public housing authorities Jason Hackworth successfully reveals the internal processes of neoliberalism in action

BOOK JACKET

Women in Politics in the American City Mirya Holman, 2015 How do female municipal leaders influence policymaking in American cities Can gender determine who gets a say in local politics or what programs cities fund These are some of the questions raised and answered in Mirya Holman's provocative *Women in Politics in the American City* This book provides the first comprehensive evaluation of the influence of gender on the behavior of mayors and city council members in the United States Holman considers the effects of gender in local urban politics and analyzes how a leader's gender does and does not influence policy preferences processes behavior and outcomes Holman effectively uses original survey data to evaluate policy attitudes combined with observations of city council meetings and interviews with leaders and community members In doing so she demonstrates the importance of considering the gender of leaders in local office *Women in Politics in the American City* emphasizes that the involvement of women in local politics does matter and that it has significant consequences for urban policy as well as state and local democracy

Follow the Money Lynne A. Weikart, 2009-03-26 The critical influence of bankers and credit agencies on the mayors of the Big Apple comes to light in this fascinating study Lynne A Weikart reveals how financial elites in New York City have exploited recurring fiscal crises and sharply curtailed the range of choices open to mayors in setting priorities and implementing fiscal policy Despite the appearance of objectivity and neutrality bankers and bond rating agencies capitalize

on crises to expand their influence and force the city to drastically reduce its spending and payroll significantly degrading the quality of city services In the face of enormous pressure to defer programs and compromise promises to constituents however committed mayors from Fiorello LaGuardia to Michael Bloomberg have still managed to overcome obstacles and achieve progressive goals

Delve into the emotional tapestry woven by in **Political Crisis Fiscal Crisis The Collapse And Revival Of New York City** . This ebook, available for download in a PDF format (*), is more than just words on a page; it is a journey of connection and profound emotion. Immerse yourself in narratives that tug at your heartstrings. Download now to experience the pulse of each page and let your emotions run wild.

Political Crisis Fiscal Crisis The Collapse And Revival Of New York City Introduction

Political Crisis Fiscal Crisis The Collapse And Revival Of New York City Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Political Crisis Fiscal Crisis The Collapse And Revival Of New York City Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Political Crisis Fiscal Crisis The Collapse And Revival Of New York City : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Political Crisis Fiscal Crisis The Collapse And Revival Of New York City : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Political Crisis Fiscal Crisis The Collapse And Revival Of New York City Offers a diverse range of free eBooks across various genres. Political Crisis Fiscal Crisis The Collapse And Revival Of New York City Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Political Crisis Fiscal Crisis The Collapse And Revival Of New York City Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Political Crisis Fiscal Crisis The Collapse And Revival Of New York City, especially related to Political Crisis Fiscal Crisis The Collapse And Revival Of New York City, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Political Crisis Fiscal Crisis The Collapse And Revival Of New York City, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Political Crisis Fiscal Crisis The Collapse And Revival Of New York City books or magazines might include. Look for these in online stores or libraries. Remember that while Political Crisis Fiscal Crisis The Collapse And Revival Of New York City, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Political Crisis Fiscal Crisis The Collapse And Revival Of New York City eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Political Crisis Fiscal Crisis The Collapse And Revival Of New York City full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based

access to a wide range of Political Crisis Fiscal Crisis The Collapse And Revival Of New York City eBooks, including some popular titles.

FAQs About Political Crisis Fiscal Crisis The Collapse And Revival Of New York City Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Crisis Fiscal Crisis The Collapse And Revival Of New York City is one of the best book in our library for free trial. We provide copy of Political Crisis Fiscal Crisis The Collapse And Revival Of New York City in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Crisis Fiscal Crisis The Collapse And Revival Of New York City. Where to download Political Crisis Fiscal Crisis The Collapse And Revival Of New York City online for free? Are you looking for Political Crisis Fiscal Crisis The Collapse And Revival Of New York City PDF? This is definitely going to save you time and cash in something you should think about.
