## **Political Economics Of Social Control:**

*The Political Economy of Social Control in Singapore* C. Tremewan, 2016-07-27 The thesis presented here will not only change the way in which we understand contemporary Singaporean society and the relationship between the state and its citizens but will also provoke a debate about the social costs of economic development in other parts of the world and the future security of the island republic increasingly a Chinese enclave in a Malay sea in the twenty first century Peter Carey Trinity College Oxford This study examines the development of Singapore's complex system of social regulation in relation to the phases of its economic strategy and political transition It focuses on the way social control works through public housing and welfare education parliamentary politics and the law It draws out the implications of such comprehensive control for political conflict Popular explanations for Singapore's success and its status as a model for other developing countries are brought into question

**The Political Economy of Social Control in Singapore** Chris Tremewan, 1994 Singapore's rapid economic growth has attracted much admiration But can this success be sufficiently explained by canny exploitation of a niche in the global free market This book shows that there is a complex relationship between economic strategy social control and political conflict in Singapore It does this by looking at the regulatory functions of major state institutions Public housing increases state control and forces people into wage labour even while supplying a high standard of accommodation Singaporeans are sorted stratified and fragmented by the education system Racism and patriarchal relations seen in language population planning and eugenics policies are integral to education Elections and parliament in Singapore are mechanisms for forcing submission converting submission into consent and confining politics to parliamentary politics The legal system functions to criminalise politics and politicise crime The findings of all the chapters are drawn together to show how the system of social control has developed in phases in response to the changing nature of political resistance BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

*Political and Social Control in China* Ben Hillman, Chien-wen Kou, 2024-03-26 During the past decade Xi Jinping has reasserted the Chinese Communist Party's dominance of state and society tightening political and social controls to consolidate the Party's monopoly on political power in China This volume brings leading China experts together to examine the changing mechanics of authoritarian rule in China and the Party's systematic efforts to neutralise potential threats The book examines critical but little understood changes to the architecture of state which enables more effective top down rule and the efficient operation of an increasingly professional bureaucracy It also explores the policies and mechanisms the Party has used to squash dissent and prevent criticisms This volume will be of interest to anyone who wants to understand how the CCP has consolidated its rule at home and how it relates to the Party's global ambitions for China's great national rejuvenation

**The Journal of Political Economy**, 1922 Deals with research and scholarship in economic theory Presents analytical interpretive and empirical studies in the areas of monetary theory fiscal policy labor economics planning and development micro and macroeconomic

theory international trade and finance and industrial organization Also covers interdisciplinary fields such as history of economic thought and social economics

Social Democratic Criminology Robert Reiner, 2020-11-02 This book argues that social democratic criminology is an important critical perspective which is essential for the analysis of crime and criminal justice and crucial for humane and effective policy The end of World War II resulted in 30 years of strategies to create a more peaceful international order In domestic policy all Western countries followed agendas informed by a social democratic sensibility Social Democratic Criminology argues that the social democratic consensus has been pulled apart since the late 1960s by the hegemony of neoliberalism a resuscitation of nineteenth century free market economics There is now a gathering storm of apocalyptic dangers from climate change pandemics antibiotic resistance and other existential threats This book shows that the neoliberal revolution of the rich pushed aside social democratic values and policies regarding crime and security and replaced them with tougher law and order approaches The initial consequence was a tsunami of crime in all senses Smarter security techniques did succeed in abating this for a while but the decade of austerity in the wake of the 2008 financial crisis has seen growing violent and serious crime Social Democratic Criminology charts the history of social democracy discusses the variety of conflicting ways in which it has been interpreted and identifies its core uniting concepts and influence on criminology in the twentieth century It analyses the decline of social democratic criminology and the sustained intellectual and political attacks it has endured The concluding chapter looks at the prospects for reviving social democratic criminology itself dependent on the prospects for a rebirth of the broader social democratic movement Written in a clear and direct style this book will appeal to students and scholars of criminology sociology cultural studies politics history social policy and all those interested in social democracy and its importance for society

The Routledge Handbook of the Political Economy of Science David Tyfield, Rebecca Lave, Samuel Randalls, Charles Thorpe, 2017-04-28 The political economy of research and innovation R I is one of the central issues of the early twenty first century Science and innovation are increasingly tasked with driving and reshaping a troubled global economy while also tackling multiple overlapping global challenges such as climate change or food security global pandemics or energy security But responding to these demands is made more complicated because R I themselves are changing Today new global patterns of R I are transforming the very structures institutions and processes of science and innovation and with it their claims about desirable futures Our understanding of R I needs to change accordingly Responding to this new urgency and uncertainty this handbook presents a pioneering selection of the growing body of literature that has emerged in recent years at the intersection of science and technology studies and political economy The central task for this research has been to expose important but consequential misconceptions about the political economy of R I and to build more insightful approaches This volume therefore explores the complex interrelations between R I both in general and in specific fields and political economies across a number of key dimensions from health to environment and universities to the military The Routledge Handbook of the Political Economy of

Science offers a unique collection of texts across a range of issues in this burgeoning and important field from a global selection of top scholars The handbook is essential reading for students interested in the political economy of science technology and innovation It also presents succinct and insightful summaries of the state of the art for more advanced scholars

*The Political Economy of Social Credit and Guild Socialism* Brian Burkitt, Frances Hutchinson, 2006-04-14 This work approaches the phenomenon of guild socialism from a new perspective focusing on the Douglas Social Credit movement It explores the key ideas gives an overview of the main theories and traces their subsequent history Thoroughly researched it provides original material relevant to the field of political economy This early approach to non equilibrium economics reveals the extent of the incompatibility between capitalist growth economics and social and environmental sustainability

**The Political Economy of Social Inequalities** Vincente Navarro, 2020-11-25 In the last two decades of the 20th century we witnessed a dramatic growth in social inequalities within and among countries This has had a most negative impact on the health and quality of life of large sectors of the populations in the developed and underdeveloped world This volume analyzes the reasons for this increase in inequalities and its consequences for the well being of populations Scholars from a variety of disciplines and countries analyze the different dimensions of this topic

Political Economy and Colonial Ireland Thomas Boylan, Tadhg Foley, 2005-08-08 I believe that next to good Religious education a sound knowledge of Political Economy would tend as much to tranquilize this country if not more than any other branch of knowledge that can be taught in schools Cork Schools Inspector 1853 In a nineteenth century Ireland that was divided socially economically politically and denominationally consensus was sought in the new discipline of political economy which claimed to be scientifically impartial and to transcend all divisions The authors explore the ideological mission of political economy and the reasons for the failure of that mission in the wake of the crisis induced by the great famine of 1846 47

**The Political Economy of Health** Lesley Doyal, Imogen Pennell, 1979 a Should be of interest to everyone working for a just and caring health system anywhere a Barbara Ehrenreich

Political Economy, Diversity and Pragmatism Patsy Healey, 2017-03-02 Planning Theory has a history of common debates about ideas and practices and is rooted in a critical concern for the improvement of human and environmental well being particularly as pursued through interventions which seek to shape environmental conditions and place qualities The second volume in this series covers in detail critical political economy the turn to diversity and critical pragmatism It provides an authoritative collection in an accessible form of the most important and influential articles and papers along with a detailed introduction by the editors It offers a unique reference resource for planning scholars upper level undergraduate and post graduate students

**The Political Economy of Democratic Transitions** Stephan Haggard, Robert R. Kaufman, 1995 Since the 1970s there has been a widespread movement from authoritarian to democratic rule among developing countries often occurring against a backdrop of severe economic crises and the adoption of market oriented reforms This book analyzes this relationship addressing a variety of questions

**The Ancient Andean States**

Henry Tantaleán,2020-10-13 The Ancient Andean States combines modern social theory recent archaeological literature and the experience of the author to examine politics and power in the great Andean pre Hispanic societies The ancient Andean states were the great shapers of Peruvian prehistory Social complexity architectural monumentality and specialized economic production among others were features of these sophisticated societies known by professionals and travelers from around the world How and when these states emerged and succeeded is still debated By examining Andean pre Hispanic societies such as Caral Sech n Chav n Moche Wari Chim and Inca this book delves into their political and economic structures as well as explores their ideological worldviews It reveals how these societies were organized and how different social groups interacted in the states Archaeologists and anthropologists interested in Peruvian archaeology and the political and social structures of ancient societies will find this book to be a valuable addition to their shelves *Companion to the Political Economy of Rent Seeking* R. D. Congleton,A. L. Hillman,2015-02-27 The quest for benefit from existing wealth or by seeking privileged benefit through influence over policy is known as rent seeking Much rent seeking activity involves government and political decisions and is therefore in the domain of political econo Radical Political Economy: A Concise Introduction Charles A. Barone,2015-03-26 This straightforward introduction to radical political economy strikes a balance between breadth and depth and was written for the beginning student and others interested in a relatively short text on radical economics Political Economy of Adult Learning Systems Richard Desjardins,2017-01-12 Based on comparative adult education statistics offered by the Organisation for Economic Co operation and Development OECD Survey of Adult Skills PIAAC and country case studies this book analyses the policies and structures that foster adult learning It examines a variety of forms of adult learning ranging from initial forms of post compulsory education such as upper secondary tracks and tertiary education to firm training compensatory adult education and learning for civic and leisure oriented purposes Throughout the book adult learning systems are directly linked to a variety of structural and public policy frameworks using a comparative welfare state approach Themes such as pathways to learning and transition systems participation patterns in higher education and participation patterns in other organized forms of adult learning are covered The countries discussed are the UK the USA Korea Denmark Finland Norway Germany and the Netherlands Situated at the intersection between scholarship and policy and using a mixed methods approach this title contributes fundamental insights into the further study of policies and structures related to alternative post compulsory learning pathways New Thinking in Austrian Political Economy Christopher J. Coyne,Virgil Henry Storr,2015-08-04 Volume 19 includes research by scholars working within Austrian political economy The contributors shed incisive light on a range of topics in Austrian economics including the role of culture in post disaster recovery class structure decentralized political orders drones institutional change macroeconomics and superstition and norms *New International Yearbook ,1918* *Political Economy of Labor Repression in the United States* Andrew Kolin,2016-11-16 This book presents a detailed explanation of the essential elements that characterize capital

labor relations and the resulting social conflict that leads to repression of labor. It links repression to the class struggle between capital and labor. The starting point involves an historical approach used to explore labor repression after the American Revolution. What follows is an examination of the role of government along with the growth of American capitalism to analyze capital labor conflict. Subsequent chapters trace US history during the 19th century to discuss the question of the role assumed by the inclusion/exclusion of capital and labor in political/economic structures which in turn lead to repression. Wholesale exclusion of labor from a fundamental role in framing policy in these institutions was crucial in understanding the unfolding of labor repression. Repression emerges amid a social struggle to acquire and maintain control over policy making bodies which pits the few against the many. In response, labor attempts to push back against institutional exclusion in part by the formation of labor unions. Capital reacts to such actions using repression to prevent labor from having a greater role in social institutions. For instance, this is played out inside the workplace as capital and labor engage in a political struggle over the function of the workplace. Given capital's monopoly of ownership, capital employs various means to repress labor at work, including the introduction of technology, mass firings, crushing strikes, and the use of force to break up unions. The role of the state is not to be overlooked in its support of elite control over production as well as aiding through legal means the growth of a capitalist economy in opposition to labor's conception of greater economic democracy. This book explains how and why labor continues to confront repression in the 20th and 21st centuries.

## Political Economics Of Social Control Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Political Economics Of Social Control free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Political Economics Of Social Control free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Political Economics Of Social Control free PDF files is

convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Political Economics Of Social Control. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Political Economics Of Social Control any PDF files. With these platforms, the world of PDF downloads is just a click away.
