Political Economy Of Demographic Change:

The Political Economy of Global Population Change, 1950-2050 Paul George Demeny, Geoffrey McNicoll, 2006 **Family, Political Economy, and Demographic Change** David I. Kertzer, Dennis P. Hogan, 1989 Family Political Economy and Demographic Change represents an unprecedented interdisciplinary effort to discover how changes in family life and demographic behavior actually occurred in this crucial period and how people's lives were affected. The book takes issue with a number of the most influential demographic and sociological theories dealing with the evolution of the Western family and the factors responsible for fertility decline. As in so many other parts of Europe, the northern Italian community of Casalecchio experienced massive social and economic changes in the nineteenth and early twentieth centuries. Characterized by sharecropping agriculture and large complex family households, the community faced the effects of industrialization, urbanization, and dramatic political change. Making use of unusually rich archival sources to reconstruct the lives of 19,000 people who lived in Casalecchio during this period, Kertzer and Hogan challenge many current generalizations regarding the emergence of modern European society. **The Political Economy of Population Aging** Kimiko Terai, Amihai Glazer, Naomi Miyazato, 2021-09-21 This book integrates the economics of aging and insight based on political economy and explores generational conflict in the context of governmental spending. This problem is general as the Covid-19 pandemic has highlighted lockdowns protect the elderly but hurt the young. Policies to address global warming impose taxes on the elderly but would bring benefits largely in the future. This book addresses intergenerational problems by placing its focus on budget allocation, taxation, and regulation. By using Japanese and US data, the authors conduct statistical analysis of whether regions with aging populations may adopt policies that generate benefits during a short period of time instead of policies that could benefit current young generations for an extended period of time. If the policy preferences of voters depend on their age and if policy adoption by a government reflects public opinion, the change in demographic composition in a region may affect governmental policies. In an aged society, the elderly are pivotal voters. Budgets may be reallocated from policies favored by younger generations such as education to policies the elderly prefer such as welfare programs. This generates an intergenerational externality problem: voters with short life expectancy do not take into consideration long-term benefits. Moreover, the current tax bases may be replaced by other tax bases that do not harm the elderly. The results reported in the book largely support these hypotheses. Evidence also shows that the gender and racial composition and institutional factors, including the extent of fiscal decentralization, are important in anticipating effects of population aging in other countries.

The Economic Consequences of Demographic Change in East Asia Takatoshi Ito, Andrew K. Rose, 2010-10-15 Recent studies show that almost all industrial countries have experienced dramatic decreases in both fertility and mortality rates. This situation has led to aging societies with economies that suffer from both a decline in the working population and a rise in fiscal deficits linked to increased government spending. East Asia exemplifies these trends, and this volume offers an in-

depth look at how long term demographic transitions have taken shape there and how they have affected the economy in the region The Economic Consequences of Demographic Change in East Asia assembles a group of experts to explore such topics as comparative demographic change population aging the rising cost of health care and specific policy concerns in individual countries The volume provides an overview of economic growth in East Asia as well as more specific studies on Japan Korea China and Hong Kong Offering important insights into the causes and consequences of this transition this book will benefit students researchers and policy makers focused on East Asia as well as anyone concerned with similar trends elsewhere in the world

Political Economy of Social Change and Development in Nepal Jeevan R. Sharma, 2021-09-30 Political Economy of Social Change and Development in Nepal is an accessible contemporary political economic analysis of social change in Nepal It considers whether and how Nepal's political economy might have been transformed since the 1950s while situating these changes in Nepal's modern history and its location in the global economic system It assembles and builds on the scholarship on Nepal from a multidisciplinary and synoptic perspective Focusing on local discourses experiences and expectations of transformations it draws our attention to how powerful historical processes are experienced and negotiated in Nepal and assess how these may at the same time produce ideas of equality human rights and citizenship while also generating new forms of precarity

The Political Economy of the Middle East, 1973-78 United States. Congress. Joint Economic Committee, 1980

A Political Economy of the Middle East Melani Cammett, 2018-03-22 A Political Economy of the Middle East is the most comprehensive analysis of developments in the political economy of the region over the past several decades examining the interaction of economic development processes state systems and policies and social actors in the Middle East The fourth edition with new authors Melani Cammett and Ishac Diwan has been thoroughly revised with two new introductory chapters that provide an updated framework with which to understand and study the many changes in demography education labor markets urbanization water and agriculture and international labor migration in the recent years The new edition also includes a new chapter that charts the political economy of the Gulf states and in particular the phenomenal growth of oil economies a new chapter on the rise of crony capitalism and increased coverage of the changes in civil society and social movements in the region including an exploration of the causes dynamics consequences and aftermath of the Arab uprisings

The Political Economy of Iran Under the Qajars Hooshang Amirahmadi, 2012-06-28 The political economy of Iran underwent the fundamental transition from feudalism to modernity from the early 19th to the 20th century a period which was a vital watershed in Iran's historical development This book provides a critical analysis of Iran's economic social and political development and shows how the path to modernity far from smooth was hindered by both internal and international factors These included a powerful monarchy with little interest in administrative and economic reform a large aristocracy frequently holding vital provincial governorships and frustrating effective central government and a failure to create a modern civil service military banking finance or communications the essential infrastructure for

economic development Reformers were marginalised and business suffered And the all powerful ulema were a further brake on modernisation On the international front the rivalry of Britain and Russia compounded the problems both acting to control Iran and to further their own interests Hooshang Amirahmadi explores the roots of present day challenges to modernisation and progress and using a wealth of primary sources and original research has produced a work which is invaluable for students of modern Iranian history politics and Iran s political economy Political Demography Jack A. Goldstone, Eric P. Kaufmann, Monica Duffy Toft, 2012-08-16 The field of political demography the politics of population change is dramatically underrepresented in political science At a time when demographic changes aging in the rich world youth bulges in the developing world ethnic and religious shifts migration and urbanization are waxing as never before this neglect is especially glaring and starkly contrasts with the enormous interest coming from policymakers and the media Ten years ago demography was hardly on the radar screen remarks Richard Jackson and Neil Howe of the Center for Strategic and International Studies two contributors to this volume Today they continue it dominates almost any discussion of America s long term fiscal economic or foreign policy direction Demography is the most predictable of the social sciences children born in the last five years will be the new workers voters soldiers and potential insurgents of 2025 and the political elites of the 2050s Whether in the West or the developing world political scientists urgently need to understand the tectonics of demography in order to grasp the full context of today s political developments This book begins to fill the gap from a global and historical perspective and with the hope that scholars and policymakers will take its insights on board to develop enlightened policies for our collective future **The Political Economy of Post-Soviet Russia** V. Tikhomirov, 2000-05-15 This book deals with general political and economic developments that took place in Russia since the collapse of the Soviet Union The major aim of the book is to analyse successes and failures of Russian reform attempts as well as their effect on the development of Russian regions particularly from the point of view of interrelation between socio economic tendencies and political developments Analysis concentrates on both national dynamics and dynamics of development in three main groups of regions mining agricultural and manufacturing *The Political Economy of Merchant Empires* James D. Tracy, 1997-09-13 This book focuses on why Europe became the dominant economic force in global trade between 1450 and 1750

Handbook on the Political Economy of Social Policy Bent Greve, Amílcar Moreira, Minna van Gerven, 2024-05-02 Research in social policy has been greatly influenced by the emergence of modern political economy in the late 1970s The Handbook on the Political Economy of Social Policy offers a systematic yet comprehensive framework for understanding how concepts theoretical standpoints and methodological approaches stemming from political economy have been applied to the study of social policies and models of welfare provision The authors also signpost current developments and discuss their likely impact on future research *Demographic Change in Germany* Ingrid Hamm, Helmut Seitz, Martin Werding, 2007-09-27 This book provides an up to date summary of the consequences of demographic aging for labor markets

financial markets economic growth social security schemes and public finances in Germany essentially reflecting the present state of knowledge in any of these areas All contributions are written by leading experts in their fields and are based on results that emerge at the forefront of current research *Numbers in India's Periphery: Political Economy of Government Statistics* Ankush Agrawal,Vikas Kumar,2020-10-29 An exciting account of how government statistics in developing countries are social artefacts dynamically shaped by political and economic contexts **Recent Controversies in Political Economy** Russell Lewis,2025-06-30 First published in 1992 Recent Controversies in Political Economy presents a collection of articles on political economy and economic policy taken from Economic Affairs the Institute's magazine Put together they constitute a sustained commentary on what is widely known as the Thatcher era For more than a decade successive Conservative governments introduced reforms which have been widely held to be a revolution in economic policy Generally these have tended to give a greater role to markets The Institute of Economic Affairs takes markets as its central concern where they work where they fail and how they are impeded It thus has a unique interest in this policy revolution In areas as diverse as taxation education housing and the environment the volume offers a series of challenging alternatives In some cases ideas proposed have subsequently been taken up but there are other examples where the proposals run contrary to those of any of the major parties or read as an implicit criticism of policies which were actually adopted This book is an important historical reference work for students and scholars of political economy economic policy and economics in general **Public Opinion and the Political Economy of Education Policy around the World** Martin R. West,Ludger Woessmann,2021-04-27 Comparative analyses of the influence of public opinion on education policy in developed countries Although research has suggested a variety of changes to education policy that have the potential to improve educational outcomes politicians are often reluctant to implement such evidence based reforms Public opinion and pressure by interest groups would seem to have a greater role in shaping education policy than insights drawn from empirical data The construction of a comparative political economy of education that seeks to explain policy differences among nations is long overdue This book offers the first comparative inventory and analysis of public opinion and education in developed countries drawing on data primarily from Europe and the United States **The Oxford Handbook of International Political Economy** ,2025-01-17 The field of International Political Economy IPE has rapidly developed into a central pillar in the study of International Relations and its interdisciplinary roots make it a rich and productive area of scholarly interest This Oxford Handbook analyses and evaluates the state of the art in IPE research Bringing together leading experts from a wide geographical and theoretical spectrum the Handbook provides accessible and comprehensive surveys on topics central to the study of International Political Economy As IPE scholarship evolves to explore global events such as financial crises and trade wars examining how politics is both a cause and a consequence of economics it highlights the practical and problem driven nature of the field The Handbook considers the purported European North American divide and the impact of the surrounding debate on the

approach taken to the field The chapters review the scholarly literature outline future research opportunities and consider the ways in which world events have contributed to new research in the field The Handbook covers both the theoretical and methodological foundations of the field as well as substantive topics within it including regulation foreign aid migration NGOs capital political military relations and many others The Oxford Handbooks of International Relations is a twelve volume set of reference books offering authoritative and innovative engagements with the principal sub fields of International Relations The series as a whole is under the General Editorship of Christian Reus Smit of the University of Melbourne and Duncan Snidal of the University of Oxford with each volume edited by specialists in the field The series both surveys the broad terrain of International Relations scholarship and reshapes it pushing each sub field in challenging new directions Following the example of Reus Smit and Snidal s original Oxford Handbook of International Relations each volume is organized around a strong central thematic by scholars drawn from different perspectives reading its sub field in an entirely new way and pushing scholarship in challenging new directions

Political Economy of New Pragmatism Grzegorz W. Kolodko, 2022-09-17 This book provides answers to fundamental questions of sustainable development and international cooperation in light of irreversible globalization Based on comprehensive research and a wealth of experience from his own political activities the author offers an insightful analysis of the globalized economy and its political cultural and ecological context Presenting an objective assessment the author diagnoses the state of affairs and formulates recipes to overcome present day challenges such as income inequalities climate change demographic imbalance and the new Cold War which overlap with the black trinity populism nationalism and authoritarianism Grzegorz Kolodko is one of the most acute observers of the international economy based on long experience both as a practitioner and as an academic His writings are always an important starting point for debate and discussion about the political economy of globalization Francis Fukuyama Stanford University author of The End of History Grzegorz Kolodko unites deep policy experience a vast breadth of observation and a solid grip on real world economics in his case for a new pragmatism For all involved in the causes of peace justice shared prosperity and public purpose he is a leader and an ally James K Galbraith The University of Texas at Austin Dr Kolodko delivers comprehensive and inspiring economic analysis drawing on his rich historical political leadership His probing and insightful assessment of globalization in today s and tomorrow s world is a must read Rev Jesse L Jackson President of Rainbow Coalition and International Civil Rights Activist

The Political Economy of the Welfare State Thomas Wilson, Dorothy J. Wilson, 2021-11-21 In the early 1980s the welfare state for too long regarded as a notable contribution to the establishment of a humane social order had over the previous decade come under increasing attack Some of its critics especially in the UK and the USA maintained that it had failed to deal satisfactorily with the problem of poverty Others held that it was over elaborate created a psychology of dependence and imposed costs that needed to be reduced as part of a policy of general economic recovery In a number of countries cuts had already been imposed or were now contemplated In

this situation it was crucially important to direct attention once more to the basic objectives of the various welfare services from a systematic and comparative standpoint Originally published in 1982 the authors of this book one an economist and the other a specialist in social administration subjected these aims to rigorous analysis and discuss the underlying issues of social philosophy They then attempt to assess the various methods adopted for their attainment in Britain and comment on those adopted in the USA and in some continental European countries Although the authors reject the more extreme assertion that the welfare state has been a failure they point to the need to relate some of the policies followed more clearly to the basic objectives A number of proposals for reform are put forward which would imply some change of emphasis and should permit a simplification of existing over complex arrangements *Comparative Development Studies* Masudul Alam

Choudhury,1993-06-18 A study of ethico economic theorizing on socio economic development this book examines critically the views currently held by theoreticians comprehensive concept of the world view in development theory then reconsiders various global issues both in theoretical and applied perspectives

Political Economy Of Demographic Change Introduction

Political Economy Of Demographic Change Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Political Economy Of Demographic Change Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Political Economy Of Demographic Change : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Political Economy Of Demographic Change : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Political Economy Of Demographic Change Offers a diverse range of free eBooks across various genres. Political Economy Of Demographic Change Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Political Economy Of Demographic Change Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Political Economy Of Demographic Change, especially related to Political Economy Of Demographic Change, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Political Economy Of Demographic Change, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Political Economy Of Demographic Change books or magazines might include. Look for these in online stores or libraries. Remember that while Political Economy Of Demographic Change, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Political Economy Of Demographic Change eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Political Economy Of Demographic Change full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Political Economy Of Demographic Change eBooks, including some popular titles.

FAQs About Political Economy Of Demographic Change Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Economy Of Demographic Change is one of the best book in our library for free trial. We provide copy of Political Economy Of Demographic Change in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Economy Of Demographic Change. Where to download Political Economy Of Demographic Change online for free? Are you looking for Political Economy Of Demographic Change PDF? This is definitely going to save you time and cash in something you should think about.
