Political Economy Of Special Purpose Government:

The Political Economy of Special-Purpose Government Kathryn A. Foster,1997-03-01 In recent decades local governments across America have increasingly turned specialized functions over to autonomous agencies ranging in scope from subdivision sized water districts to multi state transit authorities This book is the first comprehensive examination of the causes and consequences of special purpose governments in more than 300 metropolitan areas in the United States It presents new evidence on the economic political and social implications of relying on these special districts while offering important findings about their use and significance

Political Economy of Public Education Finance Nandan K Jha,2020-06-22 Political Economy of Public Education Finance takes a unique approach in examining distribution of public education spending across urban school districts in the USA It provides a thorough and rigorous quantitative examination of the joint roles of school choice and political institutions in inequity in school district spending in the USA This book additionally provides conceptual and empirical treatment to a topic within the vast school choice scholarship that has been studied the least so far competition among school districts in the urban regional market The author further offers insight into the role of political institutions in ensuring equity in public school spending These institutions provide critical leadership in managing inter school district competition in the regional context Since equity in school finance is the outcome of interest in this book it includes necessary and sufficient attention to the topic too

Political Economy for Public Policy Ethan Bueno de Mesquita,2016-08-23 The ideal introductory textbook to the politics of the policymaking process This textbook uses modern political economy to introduce students of political science government economics and public policy to the politics of the policymaking process The book s distinct political economy approach has two virtues By developing general principles for thinking about policymaking it can be applied across a range of issue areas It also unifies the policy curriculum offering coherence to standard methods for teaching economics and statistics and drawing connections between fields The book begins by exploring the normative foundations of policymaking political theory social choice theory and the Paretian and utilitarian underpinnings of policy analysis It then introduces game theoretic models of social dilemmas externalities coordination problems and commitment problems that create opportunities for policy to improve social welfare Finally it shows how the political process creates technological and incentive constraints on government that shape policy outcomes Throughout concepts and models are illustrated and reinforced with discussions of empirical evidence and case studies This textbook is essential for all students of public policy and for anyone interested in the most current methods influencing policymaking today Comprehensive approach to politics and policy suitable for advanced undergraduates and graduate students Models unify policy curriculum through methodological coherence Exercises at the end of every chapter Self contained appendices cover necessary game theory Extensive discussion of cases and applications

The Oxford Handbook of State and Local Government Finance Robert D. Ebel,John E. Petersen,2012-03-21 This handbook evaluates

the persistent problems in the fiscal systems of state and local governments and what can be done to solve them Each chapter provides a description of the discipline area examines major developments in policy practices and research and opines on future prospects

Democracy at Risk Stephen Macedo, 2006-05-25 Voter turnout was unusually high in the 2004 U S presidential election At first glance that level of participation largely spurred by war in Iraq and a burgeoning culture war at home might look like vindication of democracy If the recent past is any indication however too many Americans will soon return to apathy and inactivity Clearly all is not well in our civic life Citizens are participating in public affairs too infrequently too unequally and in too few venues to develop and sustain a robust democracy This important new book explores the problem of America s decreasing involvement in its own affairs D emocracy at Risk reveals the dangers of civic disengagement for the future of representative democracy The authors all eminent scholars undertake three main tasks documenting recent trends in civic engagement exploring the influence that the design of political institutions and public policies have had on those trends and recommending steps that will increase the amount and quality of civic engagement in America The authors focus their attention on three key areas the electoral process including elections and the way people get involved the impact of location including demographic shifts and changing development patterns and the critical role of nonprofit organizations and voluntary associations including the philanthropy that help keep them going This important project initially sponsored by the American Political Science Association tests the proposition that social science has useful insights on the state of our democratic life Most importantly it charts a course for reinvigorating civic participation in the world s oldest democracy The authors Stephen Macedo Princeton University Yvette Alex Assensoh Indiana University Jeffrey M Berry Tufts Michael Brintnall American Political Science Association David E Campbell Notre Dame Luis Ricardo Fraga Stanford Archon Fung Harvard William

Research Handbook on City and Municipal Finance Craig L. Johnson, Tima M. Moldogaziev, Justin M. Ross, 2023-09-06 This timely Research Handbook explores the handling of city and municipal finances in the 21st century It examines the impact of the Great Recession and COVID 19 pandemic on cities and municipalities highlighting strengths weaknesses and avenues for future progress in city and municipal financial management

The Politics of Bureaucracy B. Guy Peters, 2014-05-30 This exploration of the political and policy making roles of public bureaucracies offers comparative analysis of the effects of politics on bureaucracy including international case studies on North America Western and Eastern European and Asian countries discussion of how governments have been developing strategies to enhance co ordination and coherence across their programmes analysis of the use of performance management in public administration and revision and updating to take into account new literature that has emerged in recent years including a discussion of E Governance and analysis of new public management

The Political Economy of China's Great Transformation Xingyuan Feng, Christer Ljungwall, Sujian Guo, 2016-07-15 The Political Economy of China s Great Transformation consists of three parts first covering the current political transformation providing a general political

background for the socio economic fiscal and urban and rural transformation The book analyses the economic transformation and addresses the shortcomings of existing interpretations of the Chinese Miracle and develops a new multi dimensional framework In addition it shows how the private sector has been developing and what a major role it is playing in pushing forward the overall economic development The book also focuses on the analysis of China s fiscal transformation With the set of refined principles of fiscal federalism that the author has developed it examines the problems of Chinese fiscal federalism in contrast to them It further elaborates on topics such as the local government debt and explains why further reforms are necessary making this book a very comprehensive read to understand China s progress **The Wiley-Blackwell**

Encyclopedia of Urban and Regional Studies Anthony M. Orum, 2019-04-15 Provides comprehensive coverage of major topics in urban and regional studies Under the guidance of Editor in Chief Anthony Orum this definitive reference work covers central and emergent topics in the field through an examination of urban and regional conditions and variation across the world It also provides authoritative entries on the main conceptual tools used by anthropologists sociologists geographers and political scientists in the study of cities and regions Among such concepts are those of place and space geographical regions the nature of power and politics in cities urban culture and many others The Wiley Blackwell Encyclopedia of Urban and Regional Studies captures the character of complex urban and regional dynamics across the globe including timely entries on Latin America Africa India and China At the same time it contains illuminating entries on some of the current concepts that seek to grasp the essence of the global world today such as those of Friedmann and Sassen on global cities It also includes discussions of recent economic writings on cities and regions such as those of Richard Florida Comprised of over 450 entries on the most important topics and from a range of theoretical perspectives Features authoritative entries on topics ranging from gender and the city to biographical profiles of figures like Frank Lloyd Wright Takes a global perspective with entries providing coverage of Latin America and Africa India and China and the US and Europe Includes biographies of central figures in urban and regional studies such as Doreen Massey Peter Hall Neil Smith and Henri Lefebvre The Wiley Blackwell Encyclopedia of Urban and Regional Studies is an indispensable reference for students and researchers in urban and regional studies urban sociology urban geography and urban anthropology The Crisis and Renewal of U.S. Capitalism

Laurence Cossu-Beaumont, Jacques-Henri Coste, Jean-Baptiste Velut, 2015-12-22 Despite the reversal of America s fortune from the triumphalism of the Roaring Nineties to the gloom of the lost decade and the Great Depression theoretical conceptions of US capitalism have remained surprisingly unchanged In fact if the crisis questioned the sustainability of the US capitalist paradigm it did not fundamentally challenge academic theorization of American political economy This book departs from the American political economy literature to identify three common myths that have shaped our conceptualization of US capitalism its reduction to a state market dyad dis embedded from societal factors the illusion of a weak state and the synchronic conception of the US variety of capitalism To remedy these pitfalls the authors propose a

civilizational approach to American political economy at the crossroads between cultural studies history sociology and political science Drawing together contributions from a rich variety of fields from geography to cultural studies political science and sociology this work sheds a new light on America s cultural political economy combining theoretical reflection with empirical data and offering innovative perspectives on the crisis and renewal of American capitalism *Elinor Ostrom and the Bloomington School of Political Economy* Daniel H. Cole, Michael D. McGinnis, 2015-09-04 In addition to winning the 2009 Nobel Prize in Economic Sciences for her path breaking research on economic governance especially the commons Elinor Lin Ostrom also made important contributions to other fields of political economy and public policy This four volume compendium of papers written by Lin often with coauthors most notably her husband Vincent along with papers by others expanding on her work brings together the strands of her entire empirical analytical theoretical and methodological research program Together with Vincent s important theoretical contributions they defined a distinctive Bloomington School of political economic thought Volume 2 examines Lin s work on the commons in which she demonstrated that in many cases local resource users can solve collective action problems through common property management regimes It comprises papers including some that are not well known related to and building on the findings of *Governing the Commons* 1990 Part I focuses on key attributes of biophysical resources and the institutions human communities have designed to govern them Part II shows how in various social and ecological circumstances different sets of institutions facilitate or impede the long run sustainability of resources Part III highlights Ostrom s first major research project on water resources in Southern California It was a topic she and her students returned to with the specific intention of gathering data more than 50 years worth for longitudinal analyses of combined institutional and ecological change In sum this volume contextualizes what is at present thought to be Lin s greatest legacy to social science the conditions under which resources can be sustainably managed over very long periods of time by the collective action of ordinary people beyond markets and states *Imperfect Union* Christopher R. Berry, 2009-09-14 Special purpose jurisdictions such as school districts water districts and transit authorities constitute the most common form of local government in the United States today This book offers the first political theory of special purpose jurisdictions and provides extensive empirical analyses of the politics and finances of these often overlooked but increasingly influential governments **When Corporations Leave Town** Joseph Persky, Wim Wiewel, 2000 *When Corporations Leave Town* presents new and challenging arguments and solutions surrounding the current political debates about deconcentration **Local Government and Metropolitan Regions in Federal Countries** John Kincaid, Nico Steytler, 2009-07-01 While local government is found in all federal countries its place and role in the governance of these countries varies considerably In some countries local government is considered an essential part of the federal nature of the state and recognized in the constitution as such whereas in others it is simply a creature of the subnational states provinces When referring to local government it is more correct to refer to local governments plural as these institutions come in all

shapes and sizes performing widely divergent functions They range from metropolitan municipalities of mega cities to counties small town councils and villages Their focus is either multi purpose in the case of municipalities or single purpose in the case of special districts and school districts What unites these institutions of state is that there is no level of government below them That is also their strength and the source of their democratic claim they are the government closest to the people Political science experts from across the globe examine local governments by drawing on case studies of Australia Austria Brazil Canada Germany India Mexico Nigeria Switzerland Spain South Africa and United States Contributors include Martin Burgi Ruhr University Bochum Luis Cesar de Queiroz Ribeiro Federal University of Rio de Janeiro Jaap de Visser University of Western Cape Habu Galadima University of Jos Sol Garson Federal University of Rio de Janeiro Boris Graizbord National College of Mexico Rakesh Hooja HCM Rajasthan State Institute of Public Administration India Andreas Kiefer European Affairs Office of the Land Salzburg Andreas Ladner Swiss Graduate School of Public Administration George Mathew Institute of Social Sciences India Mike Pagano University of Illinois at Chicago Graham Sansom University of Technology Sydney Franz Schausberger Salzburg University Nico Steytler University of Western Cape Francisco Velasco Caballero Universidad Autonoma de Madrid and Robert Young University of Western Ontario

The Political Economy of Non-Territorial Exit Trent J. MacDonald, 2019 Territorial political organisation forms the backbone of western liberal democracies However political economists are increasingly aware of how this form of government neglects the preferences of citizens resulting in dramatic conflicts The Political Economy of Non Territorial Exit explores the theoretical possibility of unbundling government functions and decentralising territorial governance

Business Improvement Districts Goktug Morcol, Lorlene Hoyt, Jack W. Meek, Ulf Zimmermann, 2017-09-29 Initiated and governed by property or business owners under the authorization of state and local governments business improvement districts BIDs have received a very mixed reception To some they are innovative examples of self governance and public private partnerships to others they are yet another example of the movement toward the privatization of what should be inherent government responsibilities Among the first books to present a collection of scholarly work on the subject Business Improvement Districts Research Theories and Controversies brings together renowned leaders in the field to compile the highest quality theoretical legal and empirical studies into one comprehensive volume Investigating fundamental concerns at the core of the debate as well as potential solutions this groundbreaking resource Tackles the need for improved problem solving and efficiency in service delivery Examines new and innovative policy tools for both the public and private sectors Evaluates whether BIDs do ignore the needs and voices of residential property owners Discusses the challenge created by social segregation in cities Addresses lack of accountability by BIDs to the public and elected representatives From different perspectives leading practitioners and academics analyze the pros and cons of BIDs both in the United States and around the world They look at their impact on urban planning and retail revitalization consider their legal implications and explore ways to measure BID performance Filled with case studies

of urban centers including San Diego Atlanta New York Toronto and Capetown and state models such as New Jersey and Pennsylvania this examination bring together essential information for researchers as well as those leaders and policy makers looking to adopt a BID model or improve one already in place *Fiscal Health for Local Governments* Beth Walter Honadle,Beverly Cigler,James M. Costa,2003-12-18 *Fiscal Health for Local Governments* offers a how to approach to identifying and solving financial problems Its principal selling point lies in its assumptions instead of using the vocabulary and research agendas of economist finance scholars and political scientists it will appeal to readers who lack sophisticated knowledge in these areas and nevertheless need practical advice The book stems from the Fiscal Health Education Program an applied economics program at the University of Minnesota It uses three measures of fiscal health financial condition trend analysis and financial trend monitoring system as the basis for advocating particular fiscal strategies The book examines the tools that can be used to assess the condition of a local government s fiscal health and some of the policy causes or remedies for certain situations as well as some of the strategies governments can pursue to maintain and improve health It will serve as a primer for readers interested in understanding financial processes and alternatives and as a practical guide for those who need access to fiscal measurement tools How to approach will appeal to readers who lack sophisticated knowledge Contains discussion questions and anonymous case studies of actual cities and municipalities Presents practical methods for identifying and solving common fiscal problems *Global Governance* Lisa Martin,2017-03-02 As economic social and environmental connections among states have grown stronger and denser in the last decades new levels and types of governance have emerged The process of globalization while not entirely new has created new challenges for policymakers attempting to reap its benefits and manage its effects This volume pulls together work on global governance that examines these challenges and looks at the patterns of governance that emerge The work is organized into six sections The first introduces concepts crucial to the analysis of global governance including representation efficiency and hierarchy The next two sections turn to specific patterns of governance in two realms security and economic affairs respectively The fourth section examines legal dimensions of governance The fifth section concentrates on the impact of global governance on domestic politics while the sixth looks at how concepts of norms and legitimacy structure our understanding of governance Overall this collection reveals a rich scholarly understanding of globalization governance and institutions that builds on deep theoretical roots while shedding light on major policy issues **Handbook on Regional Economic Resilience** Gillian Bristow,Adrian Healy,2020-02-28 This Handbook provides a collection of high quality contributions on the state of the art in current debates around the concept of regional economic resilience It provides critical contributions from leading authors in the field and captures both key theoretical debates around the meaning of resilience its conceptual framing and utility as well as empirical interrogation of its key determinants in different international contexts *Governing Metropolitan Regions in the 21st Century* Donald Phares,2015-01-28 While government provides the structure of public leadership governance is the

art of public leadership This timely book examines current trends in metropolitan governance issues It analyzes specific cases from thirteen major metropolitan regions in the United States Canada and Mexico all woven together by an overall framework established in the first three chapters The distinguished contributors address such governance issues as city county consolidation local federal coordination annexation and special districting and private contracting with special attention to lessons learned from both successes and failures As urban governance innovations have clearly outpaced urban government structures in recent years the topics covered here are especially relevant

FAQs About Political Economy Of Special Purpose Government Books

What is a Political Economy Of Special Purpose Government PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Political Economy Of Special Purpose Government PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Political Economy Of Special Purpose Government PDF?**

Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Political Economy Of Special Purpose Government PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Political Economy Of Special Purpose Government PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
