## **Political Empowerment Of Women The Netherlands And Other Countries:**

Political Empowerment of Women Monique Leijenaar, 2013-11-21 This book explains the high level of current concern for the under representation of women in politics *Women and Politics around the World* Joyce Gelb, Marian Lief Palley, 2009-03-30 A unique two volume examination of the progress women have made in achieving political equality *Women and Politics around the World* addresses both transnational and gender related issues as well as specific conditions in more than 20 countries *Women and Politics around the World A Comparative History and Survey* is an exploration of the role of women in political systems worldwide as well as an examination of how government actions in various countries have an impact on the lives of the female population *Women and Politics around the World* divides its coverage into two volumes The first looks at such crucial issues facing women today as health policy civil rights and education comparing conditions around the world The second volume profiles 22 different countries representing a broad range of governments economies and cultures Each profile looks at the history and current state of women's political and economic participation in a particular country and includes an in depth look at a representative policy The result is a resource unlike any other one that gives students researchers and other interested readers a fresh new way of investigating a truly global issue **The Oxford Handbook of Political Representation in Liberal Democracies** Robert Rohrschneider, Jacques Thomassen, 2020-07-28 The *Handbook of Political Representation in Liberal Democracies* offers a state of the art assessment of the functioning of political representation in liberal democracies In 34 chapters the world's leading scholars on the various aspects of political representation address eight broad themes The concept and theories of political representation its history and the main requisites for its development elite orientations and behavior descriptive representation party government and representation non electoral forms of political participation and how they relate to political representation the challenges to representative democracy originating from the growing importance of non majoritarian institutions and social media the rise of populism and its consequences for the functioning of representative democracy the challenge caused by economic and political globalization what does it mean for the functioning of political representation at the national level and is it possible to develop institutions of representative democracy at a level above the state that meet the normative criteria of representative democracy and are supported by the people The various chapters offer a comprehensive review of the literature on the various aspects of political representation The main organizing principle of the *Handbook* is the chain of political representation the chain connecting the interests and policy preferences of the people to public policy via political parties parliament and government Most of the chapters assessing the functioning of the chain of political representation and its various links are based on original comparative political research Comparative research on political representation and its various subfields has developed dramatically over the last decades so that even ten years ago a *Handbook* like this would have looked totally different **The Oxford Handbook of Gender and Politics** Georgina Waylen, Karen Celis, Johanna

Kantola, S. Laurel Weldon, 2013-03-11 As a field of scholarship gender and politics has exploded over the last fifty years and is now global institutionalized and ever expanding The Oxford Handbook of Gender and Politics brings to political science an accessible and comprehensive overview of the key contributions of gender scholars to the study of politics and shows how these contributions produce a richer understanding of politics and societies Like the field it represents the handbook has a broad understanding of what counts as political and is based on a notion of gender that highlights masculinities as well as femininities thereby moving feminist debates in politics beyond the focus on women It engages with some of the key aspects of political science as well as important themes in gender and feminist research such as sexuality and body politics thereby forging a dialogue between gender studies in politics and mainstream political science The handbook is organized in sections that look at sexuality and body politics political economy civil society participation representation and policymaking institutions states and governance as well as nation citizenship and identity The Oxford Handbook of Gender and Politics contains and reflects the best scholarship in its field

*The Oxford Handbook of Dutch Politics*, 2024-10-06 The Oxford Handbook of Dutch Politics provides a comprehensive longitudinal overview of the state of the art of academic research on the Dutch political system its origins and historical development its key institutions main fault lines pivotal processes and key public policy dynamics In each of the chapters researchers take stock of what if anything has changed over time how scholars have conceptualized and studied these dynamics and what key factors can account for the developmental patterns found to be at play Notwithstanding its considerable degree of constitutional and institutional stability Dutch politics has seen considerable step changes and occasional upheavals across the last half century Influenced by long term demographic socio economic and cultural shifts the old social cleavages have waned New social identities and dividing lines such as ethnicity education place and gender have influenced Dutch citizens political attitudes and behaviours including their voting patterns The media landscape and the information environment have been altered by new technologies that politicians and citizens alike have to navigate This has produced changes in such pivotal components as the party system coalition formation and management process and executive legislative relations and many others Moreover public policy paradigms and the political coalitions that sustained them have ascended and lost traction in most of the eleven policy domains discussed in the Handbook In all this volume provides unique and indispensable insights into stability and change in a political system that once gained notoriety as an archetype of a consensual or consociational democracy

Contemporary Women's Movements in Hungary Katalin Fábián, 2009-10-14 As the first and only book in any language on contemporary women's movements in Hungary this groundbreaking study focuses on the role of women's activism in a society where women are not yet adequately represented by established parties and political institutions Drawing on eyewitness accounts of meetings and protests as well as first person interviews with leading female activists Katalin Fábián examines the interactions between women's groups in Hungary and studies the unique brand of democracy they have forged in postcommunist Eastern Europe Through her

analysis she demonstrates how democratization and globalization with their attendant range of challenges and opportunities have led women to redefine public private divides

**eBook: Representative Government in Modern Europe, 5e**  
 GALLAGHER,2021-04-09 eBook Representative Government in Modern Europe 5e *Women and Legislative Representation* M. Tremblay,2016-04-30 This book seeks to identify the factors that influence the percentage of female parliamentarians paying particular attention to the electoral system The author seeks to understand the third wave of democratization of political systems through the particular perspective of female representation in parliaments

**Breaking Male Dominance in Old Democracies** Drude Dahlerup, Monique Leyenaar,2013-06-20 This book provides a broad ranging critique of the continued dominance of men in the political process Gender, Conservatism and Political Representation Karen Celis, Sarah Childs,2024-08-22 Can Conservatives represent women Descriptively of course they do Conservative parties and organisations are increasingly feminised conservative women sit in many of the world's parliaments a few women have led conservative parties and there are and have been Conservative Prime Ministers But whether these women actually stand for women act for women and re gender representation is likely to invite greater contestation Contributors to this edited collection address head on the puzzle of conservative women who engage in gendered political representation but do so within a conservative setting Individual chapters examine women's participation as conservative movement and party members supporters candidates leaders legislators and ministers in countries ranging from Europe the US Argentina Australia New Zealand Japan Turkey and Morocco Assessment is made of the nature of their representational contribution and the relationship they have with conservative women's views in society

**Gender and Politics** Jane H. Bayes,2012-07-10 This timely collection offers a fresh look on the impact of gender perspectives in the discipline of political science at the beginning of the 21st century Jane Bayes combats the Eurocentric focus that has characterised both fields and suggests viable alternatives for the future of the disciplines

**Gender and Activism** Mieke Aerts,2015 This Yearbook attends to various ways in which women were active and organized themselves in order to question sex and gender related issues in the political arena Covering a diverse range of cultures and political situations the Yearbook discusses how women protested against perceived religious suppression actively participated in local democratic political institutions whilst not really changing gender roles or discussed experienced discrepancies between socialism and feminism How do women find their ways in democratic systems of governance What do these systems offer them in terms of emancipation and involvement in political decision making affecting their lives

**The Impact of Legislatures** Philip Norton,2020-09-10 The Impact of Legislatures brings together key articles and path breaking scholarship published in The Journal of Legislative Studies during its first 25 years of publication enabling the reader to make sense of the impact of legislatures in the modern world Encompassing theory comparative analysis and country based empirical studies the volume examines the impact of legislatures as the key representative institutions of nations addressing their relationships both to government and to the

people Legislatures are ubiquitous They provide legitimacy to measures of public policy and to government As such they are key to how a nation is governed But they do much more than confer legitimacy They are generally multi functional and functionally adaptable bodies and are an essential link between citizen and government However scholarship on them has not been extensive and has often been descriptive and country specific limiting the capacity to make sense of them as a particular species of institution The chapters in this volume reflect scholarship that helps the reader appreciate the significance of the place and consequences of legislatures examining not only the relationship between the legislature and the executive but also the oft neglected relationship between legislatures and the people Reflecting the growing body of research in the field of legislative studies carried by The Journal of Legislative Studies since its inception in 1995 The Impact of Legislatures is essential reading for anyone wishing to understand the impact of legislatures in the world today

**Remaking Citizenship in Multicultural Europe** B. Halsaa,S. Roseneil,Sevil Sümer,2012-08-21 This book offers a ground breaking analysis of how women s movements have been remaking citizenship in multicultural Europe Presenting the findings of a large scale multi disciplinary cross national feminist research project FEMCIT it develops an expanded multi dimensional understanding of citizenship as practice and experience *Gender and Identity around the World* Chuck Stewart,2020-11-09 This book provides an indispensable resource for high school and college students interested in the history and current status of gender identity formation and maintenance and how it impacts LGBTQ rights throughout the world Gender and Identity around the World explores a variety of gender and LGBTQ experiences and issues in countries from all the world s regions Guided by more than 50 recognized academic experts readers will examine how gender and LGBTQ identities are developed fought for perceived and policed in countries as diverse as France Brazil Russia Jordan Iraq and China Each chapter opens with a general introduction to a country or group of countries and flows into a discussion of gender and identity in terms of culture education family life health and wellness law work and activism in that region of the world A section on contemporary issues specific to the country or group of countries follows this discussion *Female Youth in Contemporary Egypt* Dina Hosni,2022-07-26 Based on interview material observations and content analysis this book captures the everyday life structures of a cohort of Muslim ex Islamist female youth in Egypt who have joined or established new networks that share the common interest of doing good to the society based on their religious worldviews representing a broader societal movement Female Youth in Contemporary Egypt posits that despite the fact that the 2011 Egyptian uprisings did not necessarily materialize with the political effects anticipated by some of its activists it seems to have led to the formation of a new generation of active youth with a distinct worldview Four broad and intertwined theoretical considerations have been taken into account First the book delineates the emergence and continuous development of post and sometimes non bourgeois public spheres in Arabo Islamic contexts and conceptualizes multiple publics of overlapping Islamic structures rather than one Islamic public Second it offers an empirical as well as a conceptual understanding of the

positioning of religion as public private Third it presents a critique of Islamist thought conducive to the rise of post Islamism and fourth it offers a critique of feminist thought to throw light on novel forms of Muslim women s discourses and activism in line with post Islamist worldviews This book will be of interest to scholars in Middle Eastern Studies women s studies and political studies

*Towards a Social Investment Welfare State?* Nathalie Morel, Bruno Palier, Joakim Palme, 2012 This book maps out the contours of the European social investment strategy both at the ideational level and in terms of the policies implemented throughout Europe It will appeal to both social policy scholars and policy experts

### **Changing State**

**Feminism** J. Outshoorn, J. Kantola, 2007-10-11 Most Western democracies established women s policy agencies to improve the status of women by the 1990s One of the book s key questions is how have women s policy agencies been able to develop maintain or enhance their roles in the transformed political context and how have women s movements adapted to change in twelve states

*Women and Politics around the World [2 volumes]* Joyce Gelb, Marian Lief Palley, 2009-03-30 A unique two volume examination of the progress women have made in achieving political equality *Women and Politics around the World* addresses both transnational and gender related issues as well as specific conditions in more than 20 different countries Women have made significant progress toward equal political representation in the United States and around the world but true equality may be a long way away Though women represent more than half of the world s population they account for only 15 percent of its elected officials and their particular concerns often go unaddressed in the political sphere *Women and Politics around the World A Comparative History and Survey* is an exploration of the role of women in political systems worldwide as well as an examination of how government actions in various countries impact the lives of the female population *Women and Politics around the World* divides its coverage into two volumes The first looks at such crucial issues facing women today as health policy civil rights and education comparing conditions around the world The second volume profiles 22 different countries representing a broad range of governments economies and cultures Each profile looks at the history and current state of women s political and economic participation in a particular country and includes an in depth look at a representative policy The result is a resource unlike any other one that gives students researchers and other interested readers a fresh new way of investigating a truly global issue This title features topical essays on a broad range of gender related policy issues written by international scholars focused explorations of women s political and economic progress in more than 20 individual countries more than 70 photographs of both elected officials and women from all walks of life in countries around the world more than 50 tables and charts presenting relevant data and approximately 20 sidebars

*Transforming Gender Citizenship* Éléonore Lépinard, Ruth Rubio-Marín, 2018-07-19 Gender quotas are a controversial policy measure However over the past twenty years they have been widely adopted around the world and especially in Europe They are now used in politics corporate boards state and local public administration and even in civil society organizations This book explores this unprecedented phenomenon providing a unique comparative perspective on gender

quotas adoption across thirteen European countries It also studies resistance to gender quotas by political parties and supreme courts Providing up to date comprehensive data on gender quotas regulations Transforming Gender Citizenship proposes a typology of countries from those which have embraced gender quotas as a new way to promote gender equality in all spheres of social life to those who have consistently refused gender quotas as a tool for gender equality Reflecting on divergences and commonalities across Europe the authors analyze how gender quotas may transform dominant conception of citizenship and gender equality
