Political Leadership In Democratic Societies

Michael Foley

Political Leadership In Democratic Societies:

Political Leadership in Democratic Societies Anthony Mughan, Samuel C. Patterson, 1992 Democracies are traditionally ruled by the people but in fact the personalities of individual decision makers can have a profound influence on the course of history This volume explores the concept of political leadership in the Western democracies through the writings of eminent political scientists The book examines the concept of leadership as it applies to democracies then explores the role of individual personality the process by which people rise to positions of power and how they become part of the political elite The editors also focus attention on the ways in which individuals exercise power the effect of constituents and interest groups and the results of good and bad leadership Meritocratic Democracy Elena Ziliotti, 2024 Meritocratic Democracy examines the effectiveness of democracy as a decision making system the role of political leaders and political parties in real world democracies and shows that cross cultural dialogue is imperative to generate innovative solutions to pressing political issues and foster reciprocal corrections

Political Leadership Between Democracy and Authoritarianism Jerzy J. Wiatr, 2022-01-17 In diesem Buch wird die Theorie der politischen Führung die ein noch wenig erforschtes Feld der Politikwissenschaft ist beleuchtet Sie ist verwandt mit dem philosophischen Streit um Determinismus versus Aktivismus und hilft den Grundkonflikt des 21. Jahrhunderts zwischen liberaler Demokratie und neuem Autoritarismus zu verstehen Das Buch befasst sich mit Max Webers Typologie politischer Herrschaft und seinem Konzept der Verantwortungsethik welche der Schlüssel zur Theorie der Führung sind Der Autor zeigt auf dass der unvollendete Wettstreit zwischen Demokratie und neuem Autoritarismus im 21. Jahrhundert die Bedeutung von Führung in alten und neuen Demokratien sowie in den neoautoritären Regimen bestärkt und einen neuen Typus politischer Führungskraft fordert

Political Leadership in Liberal and Democratic Theory Joseph Femia, András Körösenyi, Gabriella Slomp, 2016-08-22 The working hypothesis of this book is that the issue of leadership is neglected by mainstream democratic and liberal theories This deficiency has especially become evident in the last three or four decades which have witnessed a revival of deontological liberalism and radical theories of participatory and deliberative democracy The contributors examine, discuss and evaluate descriptive, analytical and normative arguments regarding the role of leadership in liberal and democratic theory The volume seeks to provoke debate and to foster new research on the significance and function of leaders in liberal democracies The book as a whole and in its constitutive chapters works on two levels First it aims to expose the lack of systematic treatment of leadership in mainstream liberal and democratic theory Second it explores the reasons for this neglect Overall the book tries to convince the reader that liberal and democratic theories should revive the issue of leadership *Political Leadership* Matthew Laing, 2020-11-27 Drawing upon a diverse range of traditions and contexts this authoritative new textbook presents a systematic introduction to political leadership Making extensive use of examples of real leaders from a variety of cultural backgrounds the book links theoretical ideas and concepts to real world political

leadership and in doing so helps students to make sense of why different leaders lead as they do and why people choose to follow them This is ideal reading for students taking courses on political leadership and related topics

The Oxford Handbook of Political Leadership R. A. W. Rhodes, Paul 't Hart, 2014-05-29 Political leadership has made a comeback It was studied intensively not only by political scientists but also by political sociologists and psychologists Sovietologists political anthropologists and by scholars in comparative and development studies from the 1940s to the 1970s Thereafter the field lost its way with the rise of structuralism neo institutionalism and rational choice approaches to the study of politics government and governance Recently however students of politics have returned to studying the role of individual leaders and the exercise of leadership to explain political outcomes The list of topics is nigh endless elections conflict management public policy government popularity development governance networks and regional integration In the media age leaders are presented and stage managed spun DDLas the solution to almost every social problem Through the mass media and the Internet citizens and professional observers follow the rise impact and fall of senior political officeholders at closer quarters than ever before This Handbook encapsulates the resurgence by asking where are we today It orders the multidisciplinary field by identifying the distinct and distinctive contributions of the disciplines It meets the urgent need to take stock It brings together scholars from around the world encouraging a comparative perspective to provide a comprehensive coverage of all the major disciplines methods and regions It showcases both the normative and empirical traditions in political leadership studies and juxtaposes behavioural institutional and interpretive approaches It covers formal office based as well as informal emergent political leadership and in both democratic and undemocratic polities

Political Leadership Michael Foley, 2013-11-14 Despite its recognized significance in social life leadership is a notoriously elusive subject that generates a host of different points of explanatory focus This is particularly so in the field of political leadership which has been afflicted by an enduring split between the biographical idiosyncrasies of individual leaders and the specialist contributions from an array of social science disciplines This new study is designed to establish an improved balance between this often myopic and confusing bifurcation of approaches It engages with an expansive range of empirical theoretical and interpretive research into the issue of leadership but does so in a way that ensures that the political character of the subject is kept securely in the foreground The project is therefore designed to maintain a clear emphasis upon leaders embedded in their political contexts and viscerally connected to high level issues of political location and status political power and legitimacy and political functions and contingencies The book has a cumulative design that moves from an in depth analysis of the basic components of political leadership to an examination of a series of key dimensions relating to leadership activity and development namely the themes of representation communication marketing business practice and the issue of women leaders It goes on to survey the developmental properties of the international sphere before concluding with a substantive review of the changing landscapes of contemporary leadership activity and the different ways that we come to terms with the theme of political

leadership in an increasingly complex world *Political and Civic Leadership* Richard A. Couto, 2010-09-14 This work within The SAGE Reference Series on Leadership provides undergraduate students with an authoritative reference resource on political and civic leadership This 2 volume set focuses on the 100 most important topics issues question and debates specific to politics and civic society Entries provide students with more detailed information and depth of discussion than typically found in an encyclopedia entry while avoiding much of the jargon detail and density one might find in a journal article or a research handbook chapter Key Features Includes entries written by a global panel of renowned experts Offers broad coverage of important of the moment topics related to political and civic leadership including explorations of the personalities and environments of political leaders leadership roles in governance and allegiance citizen activists and civic engagement political campaigning urban politics and leadership public management ethics in politics policy development and implementation executive management of public opinion political speechmaking and the bully pulpit congressional leadership crisis management and more Considers the history of political and civic leadership with examples from the lives of pivotal figures as well as the institutional settings and processes that lead to both opportunities and constraints unique to the political realm Provides students with more depth than usual encyclopedic entries while avoiding the jargon detail and density of more advanced works Features an approachable and clear writing style with appeal to undergraduate researchers and offers a list of further readings after each entry as well as a detailed index and an online version of the work to maximize accessibility for today s students Politics, International Relations and Diplomacy on the Korean Peninsula Sojin

Lim, 2023-07-21 This edited volume explores the past present and future of the Korean Peninsula with special focus on South Korea by connecting developments in politics with those in international relations and diplomacy The book focuses on how South Korea s politics and international relations have evolved since the founding of the First Republic in 1948 with particular attention to the period surrounding the 2022 presidential election The authors provide new insights into Korean politics including South Korean electoral reform and relations with China and Japan North Korea s nuclear capacity and North South diplomacy Beginning with a commentary by Colin Crooks Britain s current Ambassador to South Korea and former Ambassador to North Korea on recent British foreign policy changes and UK Korea relations this book will appeal to scholars and students of politics international relations diplomacy and Korean Studies **Handbook of International and**

Cross-Cultural Leadership Research Processes Yulia Tolstikov-Mast, Franziska Bieri, Jennie L. Walker, 2021-11-29 An invaluable contribution to the area of leadership studies the Handbook of International and Cross Cultural Leadership Research Processes Perspectives Practice Instruction brings together renowned authors with diverse cultural academic and practitioner backgrounds to provide a comprehensive overview and analysis of all stages of the research process The handbook centers around authors international research reflections and experiences with chapters that reflect and analyze various research experiences in order to help readers learn about the integrity of each stage of the international leadership

research process with examples and discussions Part I introduces philosophical traditions of the leadership field and discusses how established leadership and followership theories and approaches sometimes fail to capture leadership realities of different cultures and societies Part II focuses on methodological challenges and opportunities Scholars share insights on their research practices in different stages of international and cross cultural studies Part III is forward looking in preparing readers to respond to complex realities of the leadership field teaching learning publishing and applying international and cross cultural leadership research standards with integrity The unifying thread amongst all the chapters is a shared intent to build knowledge of diverse and evolving leadership practices and phenomena across cultures and societies The handbook is an excellent resource for a broad audience including scholars across disciplines and fields such as psychology management history cognitive science economics anthropology sociology and medicine as well as educators consultants and graduate and doctoral students who are interested in understanding authentic leadership practices outside of the traditional Western paradigm

Dharma in Political Leadership: Insights from the Bhagavad Gita Arindam Bhattacharya, 2024-04-01 Dharma in Political Leadership Insights from the Bhagavad Gita offers a profound exploration into the application of ancient wisdom to modern governance Authored by Arindam Bhattacharya this e book delves into the timeless teachings of the Bhagavad Gita and their relevance in shaping ethical leadership practices in today's political landscape Through a comprehensive analysis Bhattacharya uncovers the intricate interplay between dharma or righteous duty and effective leadership drawing upon the rich tapestry of Hindu philosophy to illuminate key principles and strategies for aspiring leaders Grounded in the teachings of the Bhagavad Gita this e book provides valuable insights and practical guidance for leaders seeking to navigate complex ethical dilemmas foster inclusive governance and promote the greater welfare of society Whether you're a seasoned politician a budding leader or an avid student of philosophy Dharma in Political Leadership offers a thought provoking exploration into the transformative power of ethical leadership informed by timeless wisdom

Local Elites In Western Democracies Samuel J. Eldersveld, 2019-03-07 Much insightful scholarship has been devoted to the elaboration of the nature and functions of elites in modern societies The theories and paradigms which have emerged have evoked both strong support as well as considerable criticism Testing this conception of the role of elites is a primary goal of the analysis presented here We investigate in great detail in these three democratic systems the level of elites concern for their problems their sense of responsibility and power to act their relations with community groups and the public and their values And throughout the analysis we keep in mind the question of effective action This study both builds on and diverges from the early comparative research on local elites

The Presidentialization of Political Parties Gianluca Passarelli, 2015-08-18 This book explains why the level of party presidentialization varies from one country to another It considers the effects of constitutional structures as well as the party's original features and argues that the degree of party presidentialization varies as a function of the party's genetics

Partisanship and Political Liberalism in Diverse Societies Matteo Bonotti, 2017 This book examines the role of

political parties in liberal democracies and their function within the context of one of the most influential contemporary political theories John Rawls s political liberalism **The Art of Political Leadership** Fred I. Greenstein,2006 Fred Greenstein has been a paragon of scholarship and practical advice in his many years of work on the presidency Here some of the leading scholars of the presidency and leadership studies come together to pay tribute to Greenstein and his work Original essays reflect the broad sweep of Greenstein s scholarship from the systematic study of personality and politics to the analysis of chief executives from Woodrow Wilson on The essayists pay special attention to the political styles advisory systems and decision making processes of presidents from the 1920s to today In his studies of the American presidency Greenstein pioneered the use of archival documents to test hypotheses and illuminate issues that bear on the performance of the modern executive office The distinguished list of contributors to this volume include John Burke Robert A Dahl Alexander and Juliette George Betty Glad Alonzo Hamby Erwin Hargrove John Kessel Anthony King Kenneth Kitts J Donald Moon and Fred Greenstein s first and last graduate students at Princeton Larry Berman and Meena Bose Greenstein himself generously writes a new essay on Plumbing the Presidential Psyche adding to his substantial contributions to political psychology

The Future of Political Leadership in the Digital Age Agnieszka Kasińska-Metryka,Tomasz Gajewski,2020-12-31 This book comprehensively describes the impact of modern technologies on political leadership by providing a new paradigm of the phenomenon of neo leadership that is political leadership oriented on creating both the image and political influence on the Internet It examines its functioning in the new media environment and identifies the most important transforming trends taking into account their impact on political and social relations in an era of dynamic technological development Systematically exploring various dimensions of leadership it presents new notions relevant in a networked world where leaders are created and conduct themselves against the backdrop of a technological revolution including the development of AI automation algorithms and ultrafast networks all of which strengthen or disrupt their impact and create a new set of virtual authorities exerting an increasing impact on society ethical considerations and political life and requiring new methods for study This book will be of key interest to scholars students and practitioners of leadership and elite studies media and communication studies political marketing political science international relations public policy and sociology

Political Leadership, Nations and Charisma Vivian Ibrahim,Margit Wunsch,2012-03-29 This ground breaking and innovative book examines the influence of charisma on power authority and nationalism The authors both apply and challenge Max Weber s concept of charisma and integrate it into a broader discussion of other theoretical models Using an interdisciplinary approach leading international scholars draw on a diverse range of cases to analyse charisma in benign and malignant leaderships as well as the relationship between the cult of the leader the adulation of the masses and the extension of individual authority beyond sheer power They discuss idiosyncratic authority and oratory and they address how political social and regional variations help explain concepts and policies which helped forge and reformulate nations national

identities and movements The chapters on particular charismatic leaders cover Abraham Lincoln Kemal Atatürk Adolf Hitler Benito Mussolini Gamal Nasser Jigme Singye Wangchuk and Nelson Mandela Political Leadership Nations and Charisma will appeal to readers who are interested in history sociology political communication and nationalism studies

Handbook of Political Leadership Billie Bender, 2019-08-09 Leadership is an increasingly relevant area of research especially for social scientists Leadership in rural areas of developing societies has acquired more importance in the era of globalization Political leadership is a concept central to understanding political processes and outcomes yet its definition is elusive Many disciplines have contributed to the study of leadership including political theory history psychology and management studies Political leadership has made a comeback It was studied intensively not only by political scientists but also by political sociologists and psychologists Sovietologists political anthropologists and by scholars in comparative and development studies from the 1940s to the 1970s Thereafter the field lost its way with the rise of structuralism neo institutionalism and rational choice approaches to the study of politics government and governance Understanding and measuring political leadership is a complex business Though we all have ideals of what makes a good leader they are often complex contradictory and more than a little partisan The world is full of aspiring political leaders but sadly very few live up to the leadership ideals In fact many political leaders seem to severely lack some of the most important leadership qualities such as integrity and accountability It is no coincidence that for many people the word politician has such negative connotations However history and present day shows us that there are still a few who come close to the leadership ideals and who are good examples of an effective political leader In this book quality of leadership which played a dynamic role in the political has been analysed

Reinterpreting the Political Lenore Langsdorf, Stephen H. Watson, Karen A. Smith, 1998-07-10 The task of reinterpretation arises from recognition within continental philosophy of a certain abandonment of political philosophy for historicism or a scientific search for laws Contemporary debate over the death of the possibility of the subject now focuses on the links among knowledge virtue and power As a result the ancient problem of the institution of the form of the political becomes linked with struggles intrinsic to the task of representation and recognition The problem now becomes one of understanding the meaning of judgment autonomy and consensus in the midst of the fragmentation of the hierarchies that structure the political and have structured the thinking from Plato to Hegel that we identify as metaphysical Such fragmentation doubtless is the ancient inheritance of democracy but now without the metaphysical assurance of a transcendental authority whether resident in nature community or the monarch as embodiment of the sacred Perhaps it is in Foucault's work more than anywhere else that the investigation of the complicated modern interface between truth and power and institution and liberation occurs In reinterpreting the political recognition of ideological forces in the legacy of modernity in its theoretical and institutional forms cannot be escaped particularly in recognizing the underdetermined character of the subject matter This collection represents rich examples of such reinterpretations It begins with rereading

the classical figures in continental thought and then takes up current topics in the legacy of political theory The final section provides analyses and evaluations of Foucault's work Icons of Democracy Bruce Miroff, 2000 In a blend of history biography political science and political theory he offers examples of the finest democratic leadership as well as cautionary tales of prominent leaders whose styles were essentially aristocratic BOOK JACKET

As recognized, adventure as capably as experience very nearly lesson, amusement, as well as covenant can be gotten by just checking out a book **Political Leadership In Democratic Societies** furthermore it is not directly done, you could assume even more roughly this life, more or less the world.

Political Leadership In Democratic Societies Introduction

In today's digital age, the availability of Political Leadership In Democratic Societies books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Political Leadership In Democratic Societies books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Political Leadership In Democratic Societies books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Political Leadership In Democratic Societies versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Political Leadership In Democratic Societies books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Political Leadership In Democratic Societies books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Political Leadership In Democratic Societies books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow

digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Political Leadership In Democratic Societies books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Political Leadership In Democratic Societies books and manuals for download and embark on your journey of knowledge?

FAQs About Political Leadership In Democratic Societies Books

What is a Political Leadership In Democratic Societies PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Political Leadership In Democratic Societies PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Political Leadership In Democratic Societies PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Political Leadership In Democratic Societies PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Political Leadership In Democratic Societies PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for

working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
