Charles D. Brockett

Political Movements And Violence In Central America

Kevin E. Grisham

Political Movements And Violence In Central America:

Political Movements and Violence in Central America Charles D. Brockett, 2005-03-14 This book offers an indepth analysis of the confrontation between popular movements and repressive regimes in Central America for the three decades beginning in 1960 particularly in El Salvador and Guatemala It examines both urban and rural groups as well as both nonviolent social movements and revolutionary movements It studies the impact of state violence on contentious political movements as well as defends the political process model for studying such movements

Handbook of Social Movements across Latin America Paul Almeida, Allen Cordero Ulate, 2015-07-14 This handbook covers social movement activities in Latin American countries that have had profound consequences on the political culture of the region It examines the developments of the past twenty years such as a renewed upswing in popular mobilization the ending of violent conflicts and military governments new struggles and a relatively more democratic climate It shows that from southern Chiapas to Argentina social movements in the 1990s and especially in the 2000s have reached new heights of popular participation There is a lack of research on the politics of this region in the contemporary era of globalization this volume partially fills the void and offers a rich resource to students scholars and the general public in terms of understanding the politics of mass mobilization in the early twenty first century The contributors each address social movement activity in their own nation and together they present a multidisciplinary perspective on the topic Each chapter uses a case study design to bring out the most prominent attributes of the particular social struggle s for instance the main protagonists in the campaigns the grievances of the population and the outcomes of the struggles This Handbook is divided into seven substantive themes providing overall coherence to a broad range of social conflicts across countries issues and social groups These themes include 1 theory of Latin American social movements 2 neoliberalism 3 indigenous struggles 4 women s movements 5 movements and the State 6 environmental movements and 7 transnational mobilizations

A History of Political Murder in Latin America W. John Green, 2015-04-27 A sweeping study of political murder in Latin America This sweeping history depicts Latin America s pan regional culture of political murder Unlike typical studies of the region which often focus on the issues or trends of individual countries this work focuses thematically on the nature of political murder itself comparing and contrasting its uses and practices throughout the region W John Green examines the entire system of political murder the methods and justifications the perpetrators employ the victims and the consequences for Latin American societies Green demonstrates that elite and state actors have been responsible for most political murders assassinating the leaders of popular movements and other messengers of change Latin American elites have also often targeted the potential audience for these messages through the region s various dirty wars In spite of regional differences elites across the region have displayed considerable uniformity in justifying their use of murder imagining themselves in a class war with democratic forces While the United States has often been complicit in such violence Green notes that this has not been universally true

with US support waxing and waning A detailed appendix exploring political murder country by country provides an additional resource for readers

The Politics of Modern Central America Fabrice Edouard Lehoucq, 2012-08-27 This book analyzes the origins and consequences of civil war in Central America Fabrice Lehoucq argues that the inability of autocracies to reform themselves led to protest and rebellion throughout the twentieth century and that civil war triggered unexpected transitions to non military rule by the 1990s He explains how armed conflict led to economic stagnation and why weak states limit democratization outcomes that unaccountable party systems have done little to change This book also uses comparisons among Central American cases both between them and other parts of the developing world to shed light on core debates in comparative politics and comparative political economy This book suggests that the most progress has been made in understanding the persistence of inequality and the nature of political market failures while drawing lessons from the Central American cases to improve explanations of regime change and the outbreak of civil war

The Oxford Handbook of Latin American Social Movements Federico M. Rossi, 2023 Cover Page Half Title Series Page Title Page Copyright Dedication Contents About the Editor About the Contributors Introduction 1 Multiple Paradigms for Understanding a Mobilized Region Part I Theoretical Perspectives 2 Marxist Theories of Latin American Social Movements 3 Resource Mobilization and Political Process Theories in Latin America 4 New Social Movements in Latin America and the Changing Socio Political Matrix 5 Relational Approaches to Social Movements in and beyond Latin America 6 Network Approaches to Latin American Social Movements 7 Feminist and Queer Perspectives on Latin American Social Movements 8 Decolonizing Approaches to Latin American Social Movements Part II Main Processes and Dynamics 9 Protest Waves in Latin America Facilitating Conditions and Outcomes 10 Social Movements and Nationalism in Latin America 11 Social Movements and Revolutions in Latin America A Complex Relationship 12 Social Movements under Authoritarian Regimes in Latin America 13 Social Movements and Democratization Processes in Latin America 14 Social Movements and Capitalist Models of Development in Latin America 15 Social Movements and Globalization in Latin America 16 Movements and Territorial Conflicts in Latin America 17 Demobilization Processes in Latin America Part III Main Social Movements 18 Transformations of Workers Mobilization in Latin America 19 Peasant Movements in Recent Latin American History 20 Women s Movements in Latin America From Elite Organizing to Intersectional Mass Mobilization 21 Indigenous Movements in Latin America Characteristics and Contributions 22 Afro Social Movements and the Struggle for Racial Equality in Latin America

The Oxford Handbook of Social Movements Donatella della Porta, Mario Diani, 2015-10-29 The Oxford Handbook of Social Movements is an innovative volume that presents a comprehensive exploration of social movement studies mapping the field and expanding it to examine the recent developments in cognate areas of studies within and beyond sociology and political science This volume brings together the most distinguished social and political scientists working in this field each writing thought provoking essays in their area of expertise and facilitates conversations between classic social movement agenda and lines of research The

Oxford Handbook of Social Movements discusses core theoretical perspectives recent contributions from the field and how patterns of macro social change may affect social movements as well as suggesting what contributions social movement studies can give to other research areas in various disciplines

Advances in the Visual Analysis of Social Movements

Nicole Doerr,Alice Mattoni,Simon Teune,2013-03-14 This special issue is a key text in the current study of social movements It introduces new analytical concepts for understanding visuals in social movements and examines case studies from across the globe such as analysis of the symbols used in the Egyptian uprising and contested images from anti surveillance protests in Europe

The Rise, Fall, and Influence of the Tea Party Insurgency Patrick Rafail,John D. McCarthy,2023-12-21 Uses extensive evidence to examine the Tea Party and its impacts from its infancy through to its decline

The U.S. Women's

Jury Movements and Strategic Adaptation Holly J. McCammon,2012-04-30 This book explores efforts by women to gain the right to sit on juries in the United States After they won the vote many organized women in the early twentieth century launched a new campaign to further expand their citizenship rights The work here tells the story of how women in fifteen states pressured lawmakers to change the law so that women could take a place in the jury box The history shows that the jury movements that tailored their tactics to the specific demands of the political and cultural context succeeded more rapidly in winning a change in jury law

Putting Social Movements in Their Place Doug McAdam,Hilary

Boudet,2012-05-07 This book reports the results of a comparative study of twenty communities earmarked for environmentally risky energy projects

Latin American Guerrilla Movements Dirk Kruijt,Eduardo Rey Tristán,Alberto Martín Álvarez,2019-12-06 Organized around single country studies embedded in key historical moments this book introduces students to the shifting and varied guerrilla history of Latin America from the late 1950s to the present It brings together academics and those directly involved in aspects of the guerrilla movement to understand each country s experience with guerrilla warfare and revolutionary activism The book is divided in four thematic parts after two opening chapters that analyze the tradition of military involvement in Latin American politics and the parallel tradition of insurgency and coup effort against dictatorship The first two parts examine active guerrilla movements in the 1960s and 1970s with case studies including Bolivia Nicaragua Peru Argentina Chile and Uruguay Part 3 is dedicated to the Central American Civil Wars of the 1980s and 1990s in Nicaragua El Salvador and Guatemala Part 4 examines specific guerrilla movements which require special attention Chapters include Colombia s complicated guerrilla scenery the rivalling Shining Path and Tupac Amaru guerrillas in Peru small guerrilla movements in Mexico which were never completely documented and transnational guerrilla operations in the Southern Cone The concluding chapter presents a balance of the entire Latin American guerrilla at present Superbly accessible while retaining the complexity of Latin American politics Latin American Guerrilla Movements represents the best historical account of revolutionary movements in the region which students will find of great use owing to its coverage and insights

The Hong Kong Protests and Political Theology Kwok Pui-lan,Francis Ching-Wah

Yip,2021-02-08 The Hong Kong protests that began in the second half of 2019 captured the world's attention as demonstrations against an extradition bill grew into a larger civil liberties movement While protests began as peaceful demonstrations the disproportionate police force with which the government responded escalated the situation to an international crisis Kwok Pui lan and Francis Ching wah Yip bring together an international cohort to discuss the relation between Christianity and Communism and the neoliberal economy as well as civil disobedience religion and social movements and the roles of the churches in social conflict This interdisciplinary volume showcases theological reflections by many scholars and activists in Hong Kong *The Poor's Struggle for Political Incorporation* Federico M. Rossi,2017-09 A study of the poor's movements in response to the ever widening gap between the poor and the state in Latin American politics *Latinos in the American Political System* Jessica L. Lavariega Monforti,2019-03-14 This encyclopedia provides a comprehensive overview of the evolution of Hispanic Americans engaged in U S politics from increased visibility as governors and other lawmakers at the local state and federal levels to their growing importance as a voting constituency This encyclopedia comprehensively surveys the evolution of Latino engagement in US politics as voters candidates lawmakers and public officials It is an authoritative resource for public library patrons high school students and undergraduates in a variety of curricular studies including political science civics American history and Latino studies The set's A Z entries were carefully selected and crafted to ensure thorough coverage of all of the individuals organizations cultural forces political issues and legal decisions that have combined to elevate the role of Latinos at the polls on the campaign trail in Washington and in mayors offices city councils school boards and statehouses all across the country In depth essays on the rising prominence of Latino Americans as voters candidates public officials lawmakers and opinion leaders will provide further context for understanding their impact on modern U S political processes and institutions from the perspective of liberals and conservatives alike [Social Movements in Latin America](#) J. Petras,2011-01-31 The authors trace out the development of capitalism and U S imperialism in Latin America in the latest phase of this development from the installation of the new world order of neoliberal globalization in the early 1980s to the present when U S imperialism is held at bay neoliberalism is in decline and capitalism is in crisis *Transforming Violent Political Movements* Kevin E. Grisham,2014-03-21 This book explores the factors that influence violent rebellious political organisations to transform into other entities such as political parties criminal organisations and terrorist organisations From the end of the Second World War until 1990 many events in the world centred on the bipolar struggle between the United States and the USSR Although there were numerous civil wars occurring during the Cold War era many of these conflicts went virtually unnoticed unless they were linked to the Cold War struggle for ideological dominance In the aftermath of the fall of the Soviet Union the number of intra state conflicts was prevalent around the globe Along with the occurrence of civil wars a variety of violent political movements also developed Examining cases from Latin America Africa Europe and Asia this book addresses how violent political movements transform

during and after conflict into new types of organisations using the collective political violence transformative CPVT model The study uses a combination of pre existing literature from the fields of sociology and political science archival research and interviews with movement members former and active conducted by the author In studying the Provisional IRA and Sinn F in the Spear of the Nation MK and the African National Congress ANC the Abu Sayyaf Group and the Revolutionary Armed Forces of Colombia FARC EP Transforming Violent Political Movements paints a picture of organisations that have to respond to their environments to survive This book will be of much interest to students of political violence terrorism war and conflict studies security studies and IR

Democratization Jean Grugel,Matthew Louis Bishop,2013-12-04 The second edition of this popular and authoritative text provides a truly global assessment of democratization in theory and practice in the contemporary world It has been systematically revised and updated throughout to cover recent developments from the impact of 9 11 and EU enlargement to the war in Iraq

The Right against Rights in Latin America Leigh A. Payne,Julia Zulver,Simón Escoffier,2023-03-02 The book examines a new wave of anti rights movements in Latin America devoted to blocking rolling back and reversing the rights of historically excluded groups

Contemporary Indigenous Movements in Latin America Erick D. Langer,2003-03-01 The efforts of Indians in Latin America have gained momentum and garnered increasing attention in the last decade as they claim rights to their land and demand full participation in the political process This issue is of rising importance as ecological concerns and autochtonous movements gain a foothold in Latin America transforming the political landscape into one in which multiethnic democracies hold sway In some cases these movements have led to violent outbursts that severely affected some nations such as the 1992 and 1994 Indian uprisings in Ecuador In most cases however grassroots efforts have realized success without bloodshed An Aymara Indian head of an indigenous rights political party became Vice President of Bolivia Brazilian lands are being set aside for indigenous groups not as traditional reservations where the government attempts to civilize the hunters and gatherers but where the government serves only to keep loggers gold miners and other interlopers out of tribal lands Contemporary Indigenous Movements in Latin America is a collection of essays compiled by Professor Erick D Langer that brings together for the first time contributions on indigenous movements throughout Latin America from all regions Focusing on the 1990s Professor Langer illustrates the range and increasing significance of the Indian movements in Latin America The volume addresses the ways in which Indians have confronted the political social and economic problems they face today and shows the diversity of the movements both in lowlands and in highlands tribal peoples and peasants The book presents an analytical overview of these movements as well as a vision of how and why they have become so important in the late twentieth century Contemporary Indigenous Movements in Latin America is important for those interested in Latin American studies including Latin American civilization Latin American anthropology contemporary issues in Latin America and ethnic studies

Political Struggle in Latin America Craig L. Arceneaux,2022-09-23 This book discusses in an accessible way how emerging globalizing processes

are setting the stage for new forms of social and political struggle in Latin America with increased involvement of multilateral and foreign actors and impacts of global political populism and populist social media. These are opening up new strategies and opportunities for activists and offer new arenas of contestation for international organizations. The book analyzes the struggles of select marginalized groups specifically the urban poor indigenous groups women s and LGBTQ groups and the vulnerable middle classes. Each case is examined in the context of a distinct struggle for citizenship identity inclusion and or the rule of law. The study offers a broad historical analysis of the region through the context of these struggles. It tackles some of the most pressing issues surrounding the current politics of Latin America including identity politics cultural appropriation social mobilization and protest neoliberal reform reproductive rights and sexual autonomy corruption the influence of religion and patriarchy crime and social justice inequality and poverty the informal economy and urban exclusion. In doing so it details not only how these are not new struggles but also how they have evolved over time. In the contemporary period the book explores how the actors as well as character of their struggle are changing through a globalized interchange of ideas and processes. The book covers a wide geographical area in Latin America with a particular focus on countries with Spanish or Portuguese colonial backgrounds and is for researchers students and laypersons interested in new globalizing forces affecting Latin American society and polity.

Political Movements And Violence In Central America Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Political Movements And Violence In Central America PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Political Movements And Violence In Central America PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms

offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Political Movements And Violence In Central America free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
