Hard Questions for Democracy Raj Chari, 2019-07-09 The recent financial and economic crisis has forced governments and people from around the globe to ask some hard questions about how democracy has evolved Some of these are old

questions others are new Is democracy really the most desirable form of government How democratic is policy making during the financial and economic crisis Why do vote seeking parties in modern democracies actually make voters miserable Can women s under representation in politics be explained because of voter bias Why are some citizens still excluded from voting in their country And can terrorist organizations that promote violence one day really become democratic the next This represents the first book of its kind to ask and answer a broad range of hard questions that need to be addressed in times of both flux and calls for democratic change throughout the world It does so by bringing together leading social scientists and rising stars from around the globe Interdisciplinary in its analysis it is essential reading for students of comparative and international politics political philosophy gender studies and economics The book s website can be found at www.democracyquestions.com and it was originally published as a special issue of Irish Political Studies

The Media, Political Participation and Empowerment Richard Scullion,Roman Gerodimos,Daniel Jackson,Darren Lilleker,2013-07-18

Technological cultural and economic forces are transforming political communication posing challenges and opportunities for politicians and media organisations while at the same time many governments and civil society express concerns about the extent and nature of political empowerment and civic engagement This book offers an international perspective on current thinking and practice about civic and audience empowerment focusing on the ways and means through which media can empower or dis empower citizens as audiences It features theoretical and empirical chapters that draw specific attention to a reappraisal of the theories methods and issues that inform our understanding of citizens and audiences in contemporary politics The authors address the following questions How much and what sorts of civic and audience empowerment are most desirable and how does this differ cross nationally How do citizens relate to private and public spaces How do citizens function in online networked liminal and alternative spaces How do audiences of non political media spaces relate their experiences to politics How are political parties and movements utilising audiences as co creators of political communication and what are the consequences for democracy With examples from the UK USA Holland France Germany The Middle East South Africa and Mexico this innovative volume will be of interest to students and scholars of political science marketing journalism cultural studies public relations media and international relations

Political Communication in Canada Alex Marland,Thierry Giasson,Tamara A. Small,2014-09-21 Changes in technology and media consumption are transforming the way people communicate about politics Are they also changing the way politicians communicate to the public Political Communication in Canada examines the way political parties politicians interest groups the media and citizens are using new tactics tools and channels to disseminate information and also investigates the implications of these changes Drawing on recent examples contributors review such things as the branding of the New Democratic Party how Stephen Harper s image is managed and politicians use of Twitter They also discuss the evolving role of political journalism including media coverage of politics and how Canadians use the Internet for political discussions In an era when political communication from political

marketing to citizen journalism is of vital importance to the workings of government this timely volume provides insight into the future of Canadian democracy The SAGE Handbook of Political Sociology, 2v William Outhwaite, Stephen Turner, 2017-10-30 The SAGE Handbook of Political Sociology offers a comprehensive and contemporary look at this evolving field of study The focus is on political life itself and the chapters written by a highly respected and international team of authors cover the core themes which need to be understood in order to study political life from a sociological perspective or simply to understand the political world The two volumes are structured around five key areas PART 1 TRADITIONS AND PERSPECTIVES PART 2 CORE CONCEPTS PART 03 POLITICAL IDEOLOGIES AND MOVEMENTS PART 04 TOPICS PART 05 WORLD REGIONS This future oriented and cross disciplinary handbook is a landmark text for students and scholars interested in the social investigation of politics Political Campaigning, Elections and the Internet Darren Lilleker, Nigel Jackson, 2013-03 This book offers an in depth comparative analysis of how interactive Web 2 0 online tools including weblogs social networking sites and file sharing sites are utilised by candidates and parties during three recent election campaigns in France Belgium the US and the UK **Making a Difference** Diana Owen, Richard Davis, David Taras, Stephen Ward, 2008-03-13 This book is a cross national analysis of the role of the internet in national electoral campaigns It covers an array of electoral and party systems throughout the globe from parliamentary to presidential party based to candidate oriented multi party to two party and stable party system to dynamic party system It takes a look at three groups of nations with varying levels of Internet access those where internet usage is common across demographic groups those where usage has reached significant levels but not widespread penetration and those where internet access is still limited to a small elite Each chapter is a study of a particular nation focusing on its electoral and party systems the accessibility of the Internet to the population the nature of candidate party usage and the effects of the internet on the conduct of campaigns By reviewing the findings from these studies Making a Difference draws conclusions about exactly how the internet influences electoral politics **Making a Difference** Stephen Ward, 2008-01-01 This book is a cross national analysis of the role of the Internet in elections It examines the role of context in shaping candidate and party usage of the Internet in democratic electoral systems **Cameron's Conservatives and the Internet** A. Ridge-Newman, 2015-12-05 The internet is changing the way we interact and communicate But how is it impacting on more historically traditional institutions like the British Conservative Party This book examines the role of specific internet technologies like ConservativeHome Facebook Twitter and WebCameron in the organizational culture of the Tory Party 2005 14 **Digital Parties** Oscar Barberà, Giulia Sandri, Patricia Correa, Juan Rodríguez-Teruel, 2021-10-12 This book analyzes how mainstream and new parties are building their digital platforms and transitioning from traditional offline organizations into the digital world The authors present an innovative empirical exploration of the democratic consequences and technical challenges of the digitalization of party organizations from a comparative perspective They provide an original account of how party digital platforms are regulated

and used and a crucial discussion of the main technological and democratic issues that political parties face in their digital transition Further the authors assess the consequences of these digitalization processes for political participation and party membership as well as the impact on party organizational models and electoral campaign potential The book looks into one of the less studied aspects of digital democracy also presenting empirical evidence and case studies It presents different parties and their adoption of digital participation platforms from the Pirate Parties in Northern Europe to Podemos in Spain La France Insoumise in France the Five Stars Movement in Italy or the German Greens Therefore the book is a must read for scholars of political science policy makers and practitioners interested in a better understanding of the transition of political parties into the digital world

Digital Politics in Canada Tamara A. Small, Harold J. Jansen, 2020-10-21 The increased use of digital politics by citizens groups and governments over the last 25 years carried the promise of transforming the way politics and government was practiced This book looks at Canadian political practice and the reality of the political process against those early promises
