

America will never be  
destroyed from the  
outside. If we falter and  
lose our freedoms, it will  
be because we  
destroyed it ourselves.

**Sources of Political Science** Stephen W. Green,Douglas J. Ernest,2005-07-15 A thoroughly revised and updated new edition of the world s leading comprehensive bibliography of American and international politics The eagerly anticipated new edition of the widely acclaimed Information Sources of Political Science is the most comprehensive English language political bibliography available offering the surest way for students and researchers to get straight to the information they need Like no other volume it provides a fully rounded view of the field both in the United States and internationally including relevant works in history economics sociology and education Its 2 500 entries cover a wide variety of source types indexing and abstracting services major bibliographical tools encyclopedias dictionaries handbooks directories statistical compilations and more In addition this edition is the first to feature substantial coverage of electronic resources both databases and Internet sites Each source receives its own annotation with entries grouped in categories to bring together like works for easy comparison This work is a cornerstone reference for academic and public libraries *Brief Tests of Collection Strength*

Howard D. White,1995-09-26 For purposes of accreditation resource sharing and institutional mission librarians need to assess the strengths of their collections in particular subject areas This book describes and illustrates a brief test for determining a library s collection strength Though such tests are most often employed in academic libraries the methodology outlined by the author should be useful to all types of libraries in assessing the strength of their holdings In a time of increasing material and limited resources libraries need to be particularly judicious in deciding which works to acquire Oftentimes a library seeks to develop strong holdings in one or more subject areas Such an approach is especially useful for libraries that share their resources with other institutions To plan their acquisitions carefully and to be of greatest use to other consortia members a library needs to gauge the strength of its holdings accurately This volume describes and illustrates a relatively brief test to assign libraries a score for existing collection strength in a subject area Drawing upon expert human judgment and holdings data available from OCLC the test can assist librarians in setting and verifying collection levels on the RLG or WLN Conspectus scales Collection strength is often verified in a labor intensive fashion The brief test presented by the author is an economical alternative to the more typical labor intensive approach to collection analysis Political Quotations Daniel B. Baker,1990 Add depth or drama to your school papers news articles or political

speeches with a few well chosen words from Aristotle Mikhail Gorbachev Martin Luther King Mao Zedong Gloria Steinem and more than 4 000 other famous politicians and world leaders The political statements range in subject from bureaucracy and liberalism to revolution and taxation arranged by date under each subject heading to let you see the development of thinking over the centuries **American Lobbyists Directory** Robert Wilson,1989-09-01 *American Reference Books Annual* Bohdan S.
