Marcus,2015-03-23 Break into the power circle and build relationships that advance careers The Politics of Promotion offers women the tools and guidance they need to successfully navigate the realities of their organization emphasizing the need to understand office politics to get the promotions and recognition they deserve Written by Bonnie Marcus a professional coach who focuses on helping women advance their careers this book demonstrates the impact of relationships and sponsorship on career trajectory Readers will learn why excellence and achievement aren t propulsion enough to get ahead and how networking with power and intention can make all the difference in perception reputation and promotion Far beyond the typical advice of be assertive and embrace ambition this book provides a unique and proven method for becoming a bigger player in the workplace and avoiding unexpected trip ups that can add years to the climb or end it for good Many women

focus on performance thinking that good work garners promotion Too often they re left outside of the circles of power and influence where decisions are made that affect their careers The Politics of Promotion provides a framework for breaking into that circle and taking control of one s own career path specifically showing how to Navigate office politics successfully Build and nurture key relationships Get comfortable with self promotion Avoid potentially disastrous blindsides Women who want to advance cannot afford to view politics as dirty It s the reality of the workplace one that differs between organizations and fluctuates over time Although being savvy about office politics is important for both genders unconscious bias and stereotypes create special challenges for women Learning to navigate these complex rules and customs is the key to professional recognition for women fostering relationships that reach far beyond the next evaluation Women looking to get ahead will find that the insights in The Politics of Promotion can help smooth the way The Unwritten Rules of Women's Leadership Helen Appleby,2020 I was told that girls can do anything that boys can do but it helps to know the unwritten rules The Unwritten Rules of Women s Leadership will give you the self awareness confidence and tools to lead yourself your teams and your organisation effectively It distils what women need to know to succeed in business but aren t taught at work

The Influence Effect Kathryn Heath,Jill Flynn,Mary Davis Holt,Diana Faison,2017-11-06 Women hold over half of all professional jobs today yet they represent just four percent of CEOs in the S P 500 Even worse that percentage has barely budged in a decade That s where The Influence Effect comes in Based on recent research by the authors of the New York Times bestseller Break Your Own Rules this book begins with the premise that when it comes to political savvy what works for men at work won t work for women Packed with the authors coaching insights and their Big Five strategies designed specifically for female executives this book guides women to break past political barriers and get right to what they really want influence Authors Kathryn Heath Jill Flynn Mary Davis Holt and Diana Faison make success far less complex helping women overcome entrenched resistance to their ideas create their own access points to power and attract followers in a way that works for them They present tools such as Influence Loops to organically increase influence Personal Scaffolding to grow a groundswell of support and Scenario Thinking a savvy twist on strategic planning These and other smart strategies finally allow women to succeed on their own terms Illustrated with dozens of engaging real stories culled from the authors many years of coaching experience The Influence Effect moves women past the politics problem and offers a new path to power Actually it s more than a path it s a runway it frees women to take off in their careers on their own terms The Influence Effect will work for women not because gender barriers will no longer exist but because they will no longer hold women back **Developing Political Savvy** William Gentry,Jean Brittain Leslie,2012-04-04 There are many things that politics is not Politics is not good or bad it s neutral and natural Politics is not a zero sum game politically savvy individuals can use their influence in an effective authentic manner so that all parties involved get something positive out of the experience Politics is not about being false instead political savvy is about using your skills behaviors and qualities to be
