Political and Social Inquiry Dickinson McGaw, George Watson, 1976 Political and Social Inquiry Dickinson McGaw, 1986-01-01 *The Practical Import of Political Inquiry* Brian Caterino, 2016-06-19 This book examines a basic problem in critical approaches to political and social inquiry in what way is social inquiry animated by a practical intent This practical intent is not external to inquiry as an add on or a choice by the inquirer but is inherent to the process of inquiry The practical intent in inquiry derives from the connection between social inquiry and the participant s perspective The social inquirer in order to grasp the sense of those who are the subject of inquiry has to adopt the perspective of the participant in the social world Caterino opposes the view that research is an autonomous activity distinct from or superior to a participant s perspective He argues that since the inquirer is on the same level as the participant all inquiry should be considered mutual critique in which those who are addressed by inquiry have an equal right and an equal capacity to criticize addressors
