Pendergast! Lawrence H. Larsen, Nancy J. Hulston, 2013-07-05 More than a half century after the death of Kansas City's notorious political boss Thomas J. Pendergast the Pendergast name still evokes great interest and even controversy. Now in this first full scale biography of Pendergast Lawrence H. Larsen and Nancy J. Hulston have successfully provided through extensive research including use of recently released prison records and previously unavailable family records a clear look at the life of Thomas J. Pendergast. Born in St. Joseph, Missouri in 1872, Tom Pendergast moved to Kansas City around 1890 to work for his brother James, founder of the Pendergast "Goat" faction in Kansas City Democratic politics. In 1911 Pendergast became head of the Goats and over the next fifteen years he created a powerful political machine that used illegal voting and criminal enforcers to gain power. Following a change in the city charter in 1925 Pendergast took control of Kansas City and ran it as his own personal business. In the 1930s he received over 30 million annually from gambling, prostitution and narcotics, putting him in the big leagues of American civic corruption. He also wielded great power in the National Democratic Party and started Harry S. Truman on the road to the presidency. In this well balanced biography the authors examine Pendergast's rise to power, his successes as a political leader, his compassion for the destitute and his reputation for keeping his word. They also examine Pendergast's character development and how his methods became more and more ruthless. Pendergast had no use for ideology; in his invisible government only votes counted. In 1937 and 1938 the federal government broke the back of Pendergast's machine, convicting 259 of his campaign aides for vote fraud. In 1939 Pendergast, who was believed to be the largest bettor on horse racing in the United States, was jailed for income tax evasion and he died in disgrace in 1945. An insightful and comprehensive biography, *Pendergast* will surely serve for years to come as the most thorough investigation of the life and infamous career of Tom Pendergast.

Corruption and Reform Edward L. Glaeser, Claudia Goldin, 2007-11-01 Despite recent corporate scandals the United States is among the world's least corrupt nations. But in the nineteenth century the degree of fraud and corruption in America approached that of today's most corrupt developing nations as municipal governments and robber barons alike found new ways to steal from taxpayers and swindle investors. In *Corruption and Reform* contributors explore this shadowy period of United States history in search of better methods to fight corruption worldwide today. Contributors to this volume address the measurement and consequences of fraud and corruption and the forces that ultimately led to their decline within the United States. They show that various approaches to reducing corruption have met with success such as deregulation, particularly free banking in the 1830s. In the 1930s corruption was kept in check when new federal bureaucracies replaced local administrations in doling out relief. Another deterrent to corruption was the independent press which kept a watchful eye over government and business. These and other facets of American history analyzed in this volume make it indispensable as background for anyone

interested in corruption today Organized Crime in the United States, 1865-1941 Kristofer Allfeldt, 2018-02-06 Why do Americans alternately celebrate and condemn gangsters outlaws and corrupt politicians Why do they immortalize Al Capone while forgetting his more successful contemporaries George Remus or Roy Olmstead Why are some public figures repudiated for their connections to the mob while others gain celebrity status Drawing on historical accounts the author analyzes the public's understanding of organized crime and questions some of our most deeply held assumptions about crime and its role in society **Race Riots & Resistance** Jan Voogd, 2008 Race Riots and Resistance uncovers a long hidden tragic chapter of American history Focusing on the Red Summer of 1919 in which black communities were targeted by white mobs the book examines the contexts out of which white racial violence arose It shows how the riots transcended any particularity of cause and in doing so calls into question many longstanding beliefs about racial violence The book goes on to portray the riots as a phenomenon documenting the number of incidents describing the events in detail and analyzing the patterns that emerge from looking at the riots collectively Finally and significantly Race Riots and Resistance argues that the response to the riots marked an early stage of what came to be known as the Civil Rights Movement **Nebraska : an Illustrated History** Frederick C. Luebke, 2005-01-01 A unique history of Nebraska is presented in these pages drawing on fifty eight short topical chapters and a rich gallery of illustrations Professor Frederick C Luebke's lifelong commitment to the study of his state informs the book in every detail as does his concern for clear and readable narrative The treasure trove of images many never published before cast new light on many aspects of Nebraska's history These include the culture of the state's Native peoples and their lives today the building of the transcontinental railroad the hardship endured by European immigrants and the contributions of women African Americans Hispanic Americans and Asian Americans to the state This is a book that every Nebraskan will want to own read and enjoy This second edition includes updated chapters on the current social economic and political climate of Nebraska and some new illustrations **Men of No Reputation** Kimberly Harper, 2024-02-05 Men of No Reputation is the first account to explore the life of Robert Boatright one of America's most gifted but forgotten confidence men Boatright's story provides a rare window into the secret world of Missouri's criminal past which influenced the methods of confidence men across the country Boatright took the preexisting big store confidence scheme and perfected it With the assistance of a talented coterie of confederates known as the Buckfoot Gang this dean of modern confidence men fleeced the gentry of the Midwest on fixed athletic contests in the turn of the century Ozarks Working in concert with a local bank and an influential Democratic boss Boatright seemed untouchable A series of missteps however led to a string of court cases across the country that brought his criminal enterprise to an end And yet the con continued Boatright's successor John C Mabray and his cronies many of whom had been in the Buckfoot Gang preyed upon victims across North America in one of the largest Midwestern criminal syndicates in history before they were brought to heel Like the works of Sinclair Lewis Boatright's story exposes a rift in the wholesome Midwestern stereotype and furthers our understanding of nineteenth and

twentieth century American society The Women Who Built Omaha Eileen Wirth,2022-05 Eileen Wirth explores the important contributions of women to Omaha s history from the work of local women in numerous fields from the 1850s to the modern women s movement in the 1970s bringing to life many who have been overlooked **A Dirty, Wicked Town** David L. Bristow,2000-04 Distributed by the University of Nebraska Press for Caxton Press It requires but little if any stretch of the imagination to regard Omaha as a cesspool of iniquity for it is given up to lawlessness and is overrun with a horde of fugitives from justice and dangerous men of all kinds who carry things with a high hand and a loose rein If you want to find a rogue s rookery go to Omaha A Kansas City newspaper **CBS's Don Hollenbeck** Loren Ghiglione,2011 Loren Ghiglione recounts the fascinating life and tragic suicide of Don Hollenbeck the controversial newscaster who became a primary target of McCarthyism s smear tactics Drawing on unsealed FBI records private family correspondence and interviews with Walter Cronkite Mike Wallace Charles Collingwood Douglas Edwards and more than one hundred other journalists Ghiglione writes a balanced biography that cuts close to the bone of this complicated newsman and chronicles the stark consequences of the anti Communist frenzy that seized America in the late 1940s and 1950s Hollenbeck began his career at the Lincoln Nebraska Journal marrying the boss s daughter before becoming an editor at William Randolph Hearst s rip roaring Omaha Bee News He participated in the emerging field of photojournalism at the Associated Press assisted in creating the innovative ad free PM newspaper in New York City reported from the European theater for NBC radio during World War II and anchored television newscasts at CBS during the era of Edward R Murrow Hollenbeck s pioneering prize winning radio program CBS Views the Press 1947 1950 was a declaration of independence from a print medium that had dominated American newsmaking for close to 250 years The program candidly criticized the prestigious New York Times the Daily News then the paper with the largest circulation in America and Hearst s flagship Journal American and popular morning tabloid Daily Mirror For this honest work Hollenbeck was attacked by conservative anti Communists especially Hearst columnist Jack O Brian and in 1954 plagued by depression alcoholism three failed marriages and two network firings and worried about a third Hollenbeck took his own life In his investigation of this amazing American character Ghiglione reveals the workings of an industry that continues to fall victim to censorship and political manipulation Separating myth from fact CBS s Don Hollenbeck is the definitive portrait of a polarizing figure who became a symbol of America s tortured conscience **St. James Encyclopedia of Popular Culture** Tom Pendergast,Sara Pendergast,2000 Contains essays that provide information on various elements of popular culture in the United States during the twentieth century covering the major areas of film music print culture social life sports television and radio and art and performance Arranged alphabetically from A to D The Gate City Lawrence Harold Larsen,1997-01-01 Lawrence Larsen and his wife Barbara Cottrell have written a marvelous urban biography They have done what other historians often fail to do relate local happenings to the larger regional and national picture And Larsen and Cottrell have skillfully used sophisticated historical works and concepts

incorporating them in an understandable fashion Throughout this book the authors write in a delightful manner they make you want to visit Omaha North Dakota History The authors organize their splendid urban biography around a limited number of events of national magnitude The husband wife team take as their story s major units the building of the transcontinental railroad the penetration of the Great Plains by homesteaders the establishment of the meat packing industry and the creation of an elaborate national defense system They fill in their story with intriguing descriptions of the push and pull factors that brought diverse ethnic groups to Omaha in the years since 1854 the years when town promoters first settled at the Missouri River ferry landing in the newly established Nebraska territory Because their narrative is so well organized their treatment of political social and cultural affairs is clear and cohesive while their discussion of urban unrest vice and crime remains tightly linked to the general outlines of their lively portrait of Omaha s history Business History Review Lawrence H Larsen is a professor of history at the University of Missouri Kansas City He is the author of The Urban South A History 1990 Federal Justice in Western Missouri The Judges the Cases the Times 1994 and other books Barbara J Cottrell is a historian with the National Archives Central Plains Region Harl A Dalstrom is a professor of history at the University of Nebraska at Omaha

Radical Thought In Central America Sheldon B Liss,2019-07-11 Central American pensadores have interpreted the theories of Marx and other scholars of revolution in diverse ways In this book Sheldon Liss examines the political theory and ideology of some of Central America s most important radical thinkers including non Marxists and demonstrates how they have challenged the tenets of imperialism and capitalism Chapters on individual Central American countries begin with brief historical introductions that emphasize the rise of radical activities and organizations Individual essays based on published writings interviews and scholarly analyses of their works then establish each writer s personal ideology social and political goals and theories of society state and institutions of power Liss also examines their relationship to social and political movements and contributions to the national intellectual life of the past and present In addition Liss discusses the writers understanding of the role of the United States in the Americas and beliefs about national struggles for independence By focusing on political and social theory and on intellectual history this book also provides the background critical for understanding recent developments and changes in Central America **Upstream Metropolis** Lawrence Harold

Larsen,2007-01-01 Being a man like being a woman is something you have to learn Aaron Raz Link remarks Few would know this better than the coauthor of What Becomes You who began life as a girl named Sarah and twenty nine years later began life anew as a gay man **Legacy of Devotion** Fr. Clifford Stevens,2019-09-28 An insightful inspirational and enlightening

portrait of Father Edward J Flanagan the man who founded Boys Town and let a cultural revolution that forever changed the way children were viewed valued and cared for in society *Encyclopedia of the Great Plains* David J. Wishart,2004-01-01 Wishart and the staff of the Center for Great Plains Studies have compiled a wide ranging pun intended encyclopedia of this important region Their objective was to give definition to a region that has traditionally been poorly defined and they have

The Underworld Sewer Josie Washburn,1997-01-01 For 20 years Josie Washburn lived and worked in houses of prostitution In THE UNDERWORLD SEWER originally published in 1909 Washburn minces no words in exposing the conditions that perpetuate prostitution With this knowing social history and commentary on human nature Josie Washburn gives voice to the victims mainly the women who sold their bodies

Double Paradox Andrew H. Wedeman,2012-03-15 According to conventional wisdom rising corruption reduces economic growth And yet between 1978 and 2010 even as officials were looting state coffers extorting bribes raking in kickbacks and scraping off rents at unprecedented rates the Chinese economy grew at an average annual rate of 9 percent In Double Paradox Andrew Wedeman seeks to explain why the Chinese economy performed so well despite widespread corruption at almost kleptocratic levels Wedeman finds that the Chinese economy was able to survive predatory corruption because corruption did not explode until after economic reforms had unleashed dynamic growth To a considerable extent corruption was also a by product of the transfer of undervalued assets from the state to the emerging private and corporate sectors and a scramble to capture the windfall profits created by their transfer Perhaps most critically an anti corruption campaign however flawed has proved sufficient to prevent corruption from spiraling out of control Drawing on more than three decades of data from China as well as examples of the interplay between corruption and growth in South Korea Taiwan Equatorial Guinea and other nations in Africa and the Caribbean Wedeman cautions that rapid growth requires not only ongoing and improved anticorruption efforts but also consolidated and strengthened property rights

Honduras James A. Morris,2019-03-01 Since the retirement of longtime dictator Tiburcio Caras Andino 1932 1949 the search for institutional stability in Honduras has led to both democratically elected governments and the imposed discipline of military rule Social and economic change has contributed to the growth of middle class urban groups strongly organized labor unions and a vigorous peasant movement The Honduran armed forces established in modern form only after World War II filled the vacuum of political power that developed as the Liberal and National political parties failed to address the problems created by change and national development but the authoritarianism of military rule has been countered by historical patterns of caudillo politics Despite the revolutionary turmoil that surrounds the country Hondurans have successfully conducted national elections and installed a freely elected civilian government after more than ten years of military rule It is within this mix of traditional and praetorian governing modes that Hondurans have fashioned a style of politics conducive to compromise which accounts for the country's relative tranquillity today In this first comprehensive study of contemporary Honduras its land people economy and politics to be published in English Dr Morris also outlines the historical context that has shaped the society of this now geopolitically important nation and conditioned its political dynamics over the past three decades His analysis illuminates the characteristics that distinguish Honduras from its Central American neighbors and that may dictate a unique course for its political evolution

Political Bossism In Mid America Introduction

Political Bossism In Mid America Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Political Bossism In Mid America Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Political Bossism In Mid America : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Political Bossism In Mid America : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Political Bossism In Mid America Offers a diverse range of free eBooks across various genres. Political Bossism In Mid America Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Political Bossism In Mid America Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Political Bossism In Mid America, especially related to Political Bossism In Mid America, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Political Bossism In Mid America, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Political Bossism In Mid America books or magazines might include. Look for these in online stores or libraries. Remember that while Political Bossism In Mid America, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Political Bossism In Mid America eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Political Bossism In Mid America full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Political Bossism In Mid America eBooks, including some popular titles.

FAQs About Political Bossism In Mid America Books

What is a Political Bossism In Mid America PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Political Bossism In Mid America PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Political Bossism In Mid America PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Political Bossism In Mid America PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Political Bossism In Mid America PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
