Political Economy And New Capitalism Essays In Honour Of Sam Aaronovitch:

Political Economy and the New Capitalism Jan Toporowski, 2000 **Political Economy and the New Capitalism** Jan Toporowski, 2002-01-31 Political Economy and the New Capitalism examines the relevance of Sam Aaronovitch's pioneering empirical studies of British capitalism in the light of modern developments. A wide range of problems are reviewed from industrial concentration today to the co-ordination of economic policies in Europe. Aaronovitch's work on the role of finance in the British economy is the subject of sustained reflection. Individual chapters examine orthodox and left-wing criticisms of finance, exchange rate instability and employment growth and regions in the context of the European Union. This work concludes with a bibliography of the published writings of Sam Aaronovitch and collects the reflections of some of the most distinguished thinkers in economics today including Meghnad Desai, G. C. Harcourt, Pat Devine, Egon Matzner, Malcolm Sawyer, Sir Alan Budd, Jan Toporowski, Philip Arestis, Eleni Paliginis, Victoria Chick and Ben Fine.

Transcending Transaction Alan Shipman, 2001-11-22 Transcending Transaction examines recent attempts to show how in theory and history market transaction can emerge from the unregulated interaction of competitive traders. Alan Shipman examines the legal, informational, organisational, social and financial foundations of market trade, focusing on the possible routes by which it could arise without the influence of pre-market social conventions or political structures.

The Value of Marx Alfredo Saad Filho, 2001-11-29 This book constitutes an overview of recent developments in political economy in general and Marxist value theory in particular. The implications of value theory for bank credit, inflation and deflation are fully explored.

The World of Consumption Ben Fine, 2016-10-14 Consumption has become one of the leading topics across the social sciences and vocational disciplines such as marketing and business studies. In this comprehensively updated and revised new edition, traditional approaches as well as the most recent literature are fully addressed and incorporated with wide reference to theoretical and empirical work. Fine's refreshing and authoritative text includes a critical examination of such themes as economics imperialism and globalization, the world of commodities, systems of provision and culture, the consumer society, public consumption. This book presents an updated analysis of the cluttered landscape of studies of

consumption that will make it required reading for students from a wide range of backgrounds including political economy history and social science courses generally Arguing about the World Mary Kaldor, Polly Vizard, 2011-12-06 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com The breadth of Meghnad Desai's research interests is awe inspiring Hence it is no surprise to see so many who are at the forefront of their respective areas represented in this volume a real treat Sunil Wadhvani CBE former member of the Monetary Policy Committee Bank of England Meghnad Desai's work in the social sciences and his contributions to broader political and intellectual life span more than half a century His multidisciplinary thinking and commitment to social justice and his efforts in both the academic and political spheres have inspired many and have highlighted the urgent need for global reforms This volume is a celebration of Lord Desai's life and legacy from scholars and thinkers who have shared Desai's interests and who are leading contributors in their fields The book does justice to the diversity and originality of Desai's thought engaging with the key themes of his life's work and pointing to their relevance in understanding and tackling the challenges of the future Marx's Revenge Meghnad Desai, 2020-05-05 In this provocative and enthusiastically revisionist book the distinguished economist Meghnad Desai argues that capitalism's recent efflorescence is something Karl Marx anticipated and indeed would in a certain sense have welcomed Capitalism as Marx understood it would only reach its limits when it was no longer capable of progress Desai argues that globalization in bringing the possibility of open competition on world markets to producers in the Third World has proved that capitalism is still capable of moving forwards Marx's Revenge opens with a consideration of the ideas of Adam Smith and Hegel It proceeds to look at the nuances in the work of Marx himself and concludes with a survey of more recent economists who studied capitalism and attempted to unravel its secrets including Joseph Schumpeter John Maynard Keynes and Friedrich Hayek **Collaborative Research in Economics** Michael Szenberg, Lall B. Ramrattan, 2017-03-27 This collection gathers some of the greatest minds in economics to discuss their experiences of collaborative research and publication Nobel Prize winners and other eminent scholars from a representative sample of economics major sub disciplines share how and why they came to work primarily in partnerships or on their own whether naturally or by necessity The contributions include discussions of personal experiences statistical analyses different levels of investment and how the digital age has changed researcher interactions As budget cuts and resource consolidation make working together vital in ever more fields of academia this book offers valuable advice to help young and seasoned scholars alike identify the right co author's **Exemplary Economists: Europe, Asia, and Australasia** Roger Backhouse, Roger Middleton, 2000-01-01 A selection of autobiographical essays by economists whose work is recognised in current economic thinking They are based upon introductions to the Edward Elgar series Economists of the Twentieth Century The volume focuses upon those who have experience in Europe Asia and Australasia *The Rise of Neoliberalism in Advanced Capitalist Economies* M. Howard, J.E. King, 2008-06-24 In this unique and dramatic account of the

rise of neoliberalism Howard and King consider the major features of historical materialism the factors which resulted in 19th and 20th century thinkers incorrectly predicting the long term decline of the market and the prospects for a reversal of neoliberalism in the 21st century Critical Perspectives on Agrarian Transition B. B. Mohanty,2016-01-29 This book evaluates the relevance of classical debates on agrarian transition and extends the horizon of contemporary debates in the Indian context linking national trends with regional experiences It identifies new dynamics in agrarian political economy and presents a comprehensive account of diverse aspects of capitalist transition both at theoretical and empirical levels The essays discuss several neglected domains in agricultural economics such as discursive dimensions of agrarian relations and limitations of stereotypical binaries between capital and non capital rural and urban sectors agriculture and industry and accumulation and subsistence With contributions from major scholars in the field this volume will be useful to scholars and researchers of agriculture economics political economy sociology rural development and development studies **Public Sector Activity in Capital Accumulation and Synthesis of Capital Fractions** Kargi, Bilal,2024-08-06 The role of public sector activity in capital accumulation and fraction synthesis assists with economic development public policy and sustainable growth By strategically investing in areas like infrastructure education healthcare and public transit governments aim to facilitate human capital and increase business profits As more governments and companies aim for improved economic activity improved research is required to explore the pivotal role of cohesive frameworks for capital accumulation while understanding the various fractions of capital Public Sector Activity in Capital Accumulation and Synthesis of Capital Fractions explores the complexities surrounding privatization offering a critical and historically informed perspective that challenges the limited view presented by mainstream economics This book covers topics such as accumulation theories capitalism and public property and is a useful resource for economists academicians researchers scientists business owners and historians Financial Competition, Risk and Accountability S. Frowen,F. McHugh,2016-04-30 Recent decades have seen a sharp increase in financial competition intensified by globalisation Excessive risk taking leading to inevitable business failures at times reached worrying proportions A contributing factor arose from the complexities of the derivative and other new markets This volume attempts to analyse and explain financial market developments at the turn of the millennium with the emphasis on the need for greater responsibility and a more ethical approach to financial decision making Essays in Honour of Victoria Chick: Methodology, microeconomics, and Keynes Victoria Chick,2002 This volume a companion to Money Macroeconomics and Keynes represents both consolidation and the breaking of new ground in Keynesian methodology and microeconomics by leading figures in these fields *Politics and Social Theory* Will Leggett,2017-09-16 Under present social conditions neither social theorists nor political scientists can afford to ignore one another This book is a clear structured account of the relationship between politics and social theory examining both the political content of social theory and how social theory has illuminated our understanding of politics

Incentivising Employees Ingrid Landau, Ann O'Connell, Ian Ramsay, 2013-02-01 Employee share ownership has the potential to generate a culture of enterprise and innovation and build national wealth and savings This book is the culmination of a multi year research project funded by the Australian Research Council and represents the first detailed discussion of the theory policy and practice of employee share ownership plans ESOPs in Australia The topics examined in the book are key legal and policy issues relevant to ESOPs the current incidence and forms of ESOPs in Australia the corporate law and taxation law frameworks why employers implement ESOPs and why employees participate in them international comparisons and recommendations for reform *Money, Macroeconomics and Keynes* Philip Arestis, Meghnad Desai, Sheila Dow, 2013-06-17 This volume along with its companion volume *Methodology Microeconomics and Keynes* is published in honour of Victoria Chick inspired by her own contributions to knowledge in all of these areas and their interconnections It represents both consolidation and the breaking of new ground in Keynesian monetary theory and macroeconomics by leading figures in these fields **Methodology, Microeconomics and Keynes** Philip Arestis, Meghnad Desai, Sheila C.
