

Political Issues In Ireland Today

Neil Collins, Terry Cradden

Political Issues In Ireland Today:

Political Issues in Ireland Today Neil Collins, Terry Cradden, 2004-11-27 The third edition of Political Issues in Ireland Today addresses the most important current topics in Irish politics. It fills a major gap in the academic literature on Irish politics providing students with a comprehensive introduction to the issues dominating debates in both parts of Ireland. The recent emergence of emigration, environmental risk and technological changes to the political agenda is examined along with Ireland's economic performance, the peace process and the policy areas of health, housing and industrial relations. Readers will find this book a valuable resource for keeping up to date with the important policy debates in Ireland and for evaluating the impact of major social changes.

Irish Politics Today Neil Collins, Terry Cradden, 2001 This new edition has been revised and updated to include coverage of the 1997 general election, the creation of a new coalition of Fianna Fail and the Progressive Democrats under Bertie Ahern. Reflecting on current developments in Irish politics, the authors also examine other crucial issues such as the implications of a written constitution, changes in the party system, the power of major special interest groups, the role of the civil service, the position of the media and membership in the European Union.

Political Issues in Ireland Today Neil Collins, 1999 Complements Collins and Cradden's 1997 *Irish Politics Today* with a dozen essays for college students of Irish politics or general readers. Scholars in a number of disciplines from both jurisdictions examine such topics as local and regional reforms, recent cases of corruption, The European Union, health policy, the growth performance of Northern Ireland and the Republic of Ireland from 1960 to 1995, women's issues and the Good Friday Agreement. No date is mentioned for the first edition.

Global Crises and the Challenges of the 21st Century Thomas Reifer, 2015-10-23 Despite prognostications of the end of history, the 21st century has posed new challenges and a host of global crises. This book takes up the current global economic crisis in relation to new and changing dynamics of territory, authority and rights in today's global system. The authors explore long simmering conflicts in comparative perspective, including settler colonialism in South Africa, Northern Ireland and Israel/Palestine. They discuss indigenous struggles against environmental land grabs and related destruction of indigenous lands by the US nuclear weapons complex. The book uniquely considers the sacred in the context of the global system, including struggles of Latino farm workers in the US for social justice and for change in the Catholic Church. Other chapters examine questions of civilizations and identity in the contemporary global system as well as the role of world regions.

Politics in the Republic of Ireland John Coakley, Michael Gallagher, 2012-12-12 *Politics in the Republic of Ireland* is now available in a fully revised fourth edition. Building on the success of the previous three editions, this text continues to provide an authoritative introduction to all aspects of politics in the Republic of Ireland. Written by some of the foremost experts on Irish politics, it explains, analyzes and interprets the background to Irish government and contemporary political processes. Crucially, it brings the student up to date with the very latest developments. New patterns of government formation, challenges to the established political parties

ever deepening if sometimes ambivalent involvement in the process of European integration a growing role in the politics of Northern Ireland and sustained discussion of gender issues are among these developments along with evidence revealed by several tribunals of enquiry that Irish politics is not as free of corruption as many had assumed

Politics in Ireland

Maura Adshead, Jonathan Tonge, 2009-04-21 Politics in Ireland is the first major text to provide an accessible and systematic analysis of the politics of Ireland North as well as South With the development of a new Northern Irish political system and increasing links across the island the authors argue that the time is ripe to study together the two polities which share so much of a common history but which have had very different evolutions through the 20th century Drawing upon an exceptionally wide range of sources and their own original research the authors deploy a thematic approach to the study of political institutions political behaviour and public policy in both the Republic and Northern Ireland in order to produce a detailed but highly readable assessment of governance and politics in both political systems This approach enables them both to outline the differences and similarities between the polities and to explain how they relate to the wider world in particular to the UK and to Europe

Public Administration and Public Policy in Ireland Maura Adshead, Michelle Millar, 2003 A comprehensive introduction to public policy and administration in Ireland It covers all the main theories and methods associated with public administration and public policy and illustrates these with a wide variety of case studies

Politics in a Changing Ireland 1960-2007

Tom O'Connor, Anthony O'Halloran, 2008 This book will not chronologically describe the life and times of Seamus Pattison That is not to say that it is devoid of a biographical orientation On the contrary key parts of Seamus's lengthy career and that of his late father James P Pattison are narrated and illuminated The questions therefore arise as to what role Seamus Pattison plays in the book The authors see him primarily as a lens through which to observe and analyse aspects of Irish politics over a period of some fifty years The book is thematic in its approach Themes such as constituency work the office of the Ceann Comhairle and the role of Parliament are discussed Drawing on over forty interviews with Seamus academic literature and popular sources the book adopts an analytical approach Crucially the authors see Seamus Pattison as a most useful scholarly resource He helps us to understand better how Irish politics works In his forty five years as a member of Dail Eireann Seamus Pattison has witnessed significant changes in Irish political life

BOOK JACKET

Ireland

Richard B Finnegan, 2018-02-20 This book examines a number of different interpretations and explanations in the context of historical change as the Irish grappled with the questions of political independence economic autonomy the decline of provincialism the rise of pluralism and the unsolved conundrum of Irish nationhood

Comparative Public Administration J.A. Chandler, 2002-09-11 This accessible introduction to the system of public administration uses a clear country by country analysis and includes new public management approaches Including often neglected areas such as the European Union Japan Britain France Germany The Republic of Ireland Italy Sweden and the United States this student friendly volume is a highly valuable resource for students of Politics and Administration at all

levels **In Pursuit of Sustainable Development** Susan Baker, Katarina Eckerberg, 2008-04-23 Explores the promotion of sustainable development as an organizing principle for the emergence of new forms of governance practices in European Union member states and Norway **Sport, Policy and Politics** Barrie Houlihan, 2002-02-07 Sport Policy and Politics is a genuinely comparative analysis of sport policy making in five countries Australia Canada Ireland the United Kingdom and North America Some of the issues raised in this book include the process of sport policy making the administrative framework for sport the responsibilities of central or federal governments state governments and local authorities the division of responsibility between different levels of government how policy making has addressed the topical problems of drug abuse in athletes and the provision of sport and physical education in schools Showcasing Globalisation? Nicola Jo-Anne Smith, 2005 This book examines in depth what is perhaps the test case for globalization the Irish Republic Not only is Ireland hailed as the most globalized economy in the world but its transformation into the Celtic Tiger in the 1990s is seen to demonstrate how nations can flourish in the new global economy By implication if other countries are to emulate Ireland's success they too must submit to the exogenous forces of globalization **Cultural Politics and Irish Education Since the 1950s** Denis O'Sullivan, 2005 **Ireland and the European Union** Brigid Laffan, Jane O'Mahony, 2008-10-06 Recent times have witnessed a dramatic turn around in Ireland's fortunes From being a poor and peripheral state it has emerged as a prosperous dynamic and self assured player among the nations of Europe For many the Irish experience provides a model of the potential rewards of European integration But just how far are changes in Irish society the result of EU membership What difference has the EU made to Ireland and for that matter Ireland to the EU This major new study of Irish European relations provides a rich account of Ireland's membership of the EU and the impact of the EU on the institutions policy and economy of Ireland It will be read with benefit by all who want to further understand what Europe means for Ireland and those wanting to learn from Ireland's experience in a comparative context **Northern Ireland** Jonathan Tonge, 2013-12-02 Essential text for a 1 term semester undergraduate course on Northern Ireland usually a 2nd year option Combines coverage of the historical context of the situation in Northern Ireland with a thorough examination of the contemporary political situation and the peace process The book explores the issues behind the longevity of the conflict and provides a detailed analysis of the attempts to create a lasting peace in Northern Ireland **Modernising Irish Government** Neil Collins, Terry Cradden, 2024-08-19 Modernising Irish Government presents the major historical turning points in the development of Irish public services with a particular focus on the civil service covering the mid nineteenth century reforms the foundations of the State and the Lemass Whittaker economic initiative It introduces the Strategic Management Initiative its origins and its impact discussed in terms of efficiency responsibility and democracy Authors Neil Collins Terry Cradden and Patrick Butler examine the current key issues within the Civil Service including the contentious issue of decentralisation Providing reviews of the institutional framework for regulating monopolies in such sectors as telecommunications aviation

and retail competition they present a critique of the new kinds of relationships between government and the people by reviewing Social Partnership the Citizen Charters of government departments and other similar instruments This textbook at once examines the scale scope and structure of the delivery of services to the public and their relationship to the civil service government departments commercial semi state companies and other public bodies while identifying a number of significant failures in service delivery in detail and offering an analysis for their reasons

An Economic History of Ireland Since Independence Andy Bielenberg, Raymond Ryan, 2013 This book traces the evolution of the Irish economy since independence looking at how the state sought to shape regulate and deregulate economic activity to deal with the challenges posed by the wider international environment

"Foundations of an Ever Closer Union" Mark Callanan, 2007 Marking the fiftieth anniversary of the Treaty of Rome this publication examines some of the key developments in European integration from an Irish perspective The book explores different aspects of Ireland's relationship with the process of European integration including Ireland's relationship with the six founding members before it joined in 1973 and how European developments formed the backdrop to domestic debates over changing Irish economic policy in the 1950s and 1960s The increasing importance of the European Union in different policy areas is also analysed as is the impact the Union has had on the work of ministers and the Oireachtas and how EU business is managed within government departments The publication also reflects on the different amendments to the Treaty of Rome and how Ireland has contributed to the negotiation of new treaties since the 1980s With contributions from both practitioners and academics the book offers a diverse range of perspectives on how European developments have impacted on Ireland as well as reflections on what Ireland has brought to the European integration project In these different ways the authors offer interesting new insights into Ireland's involvement in the integration process and illustrate how Ireland's position within the European Union has matured and entered a new phase of development

BOOK JACKET *The Revelation of Ireland* Diarmaid Ferriter, 2024-09-05 THE NUMBER 1 IRISH TIMES BESTSELLER SHORTLISTED FOR THE IRISH BOOK AWARDS HISTORY BOOK OF THE YEAR 2024 An Irish Times Book of the Year 2024 Ireland is a strikingly different country now to the one it was in the mid 1990s Dramatic economic social and cultural changes including the Celtic Tiger boom and increasingly secular debate about abortion the status of women and same sex marriage underlined the scale of the transformation The new diversity of the population and literary and musical prowess also revealed a country experiencing rapid alteration The road to peace that saw an end to war in Northern Ireland and culminated in the first visit to southern Ireland of a reigning British monarch in 100 years illuminated the new Anglo Irish dynamic Explosive revelations about deep betrayals from the past destroyed the credibility of the traditionally powerful Catholic Church And in the wake of the 2008 financial crash Ireland rebounded and rebuilt to great success but remained plagued by health and housing failures Economic recovery the end of civil war politics ever closer European involvement and Anglo Irish highs were followed by Brexit lows and increasing talk of Irish unity There is much to open people's eyes in this

riveting account of contemporary Ireland As the Republic enters its second century of independence and the North continues to grapple with the legacy of the Troubles Diarmaid Ferriter makes historical sense of post 1990s Ireland and what lies in the darkest corners of its archives
