Politics Of Language In The Ex Soviet Muslim States

Harold Schiffman

Politics Of Language In The Ex Soviet Muslim States:

Politics of Language in the Ex-Soviet Muslim States Jacob M. Landau, Barbara Kellner-Heinkele, 2001 A unique analysis of language policies in the central Asian states of the former Soviet Union **Multilingualism in Post-Soviet Countries**

Aneta Pavlenko, 2008 In the past two decades post Soviet countries have emerged as a contested linguistic space where disagreements over language and education policies have led to demonstrations military conflicts and even secession This collection offers an up to date comparative analysis of language and education policies and practices in post Soviet countries

Language Policy and Language Conflict in Afghanistan and Its Neighbors Harold Schiffman, 2011-12-09 The book was co edited by Brian Spooner Professor of Anthropology at the University of Pennsylvania Language policy in Central Asia Afghanistan and the immediately surrounding neighboring countries has a long and varied history The Iranian revolution of 1978 the collapse of the Soviet Union in 1991 and the ongoing conflict in Afghanistan since 2001 have left the area in a state of flux This volume gives a better picture about what is official and explicit what is not official but implicit or general practice and what the likely future developments might be It is very clear that multilingualism whether it involves Persian Russian or English in addition to other languages not only has long been a part of the scene but will probably continue to be so

Russian Language Outside the Nation Lara Ryazanova-Clarke, 2014-03-17 This book explores a comprehensive set of tensions which emerged from the dislocated and deterritorialised position of Russian in the contemporary world from a sociolinguistic perspective **The Routledge International Handbook of Language Education Policy in Asia** Andy Kirkpatrick, Anthony J. Liddicoat, 2019-04-17 This must have handbook offers a comprehensive survey of the field It reviews the language education policies of Asia encompassing 30 countries sub divided by regions namely East Southeast South and Central Asia and considers the extent to which these are being implemented and with what effect The most recent iteration of language education policies of each of the countries is described and the impact and potential consequence of any change is critically considered Each country chapter provides a historical overview of the languages in use and language education policies examines the ideologies underpinning the language choices and includes an account of the debates and controversies surrounding language and language education policies before concluding with some predictions for the future **Soviet**

and Post-Soviet Identities Mark Bassin, Catriona Kelly, 2012-04-26 Since the Soviet Union collapsed in 1991 questions of identity have dominated the culture not only of Russia but of all the countries of the former Soviet bloc This timely collection examines the ways in which cultural activities such as fiction TV cinema architecture and exhibitions have addressed these questions and also describes other cultural flashpoints from attitudes to language to the use of passports It discusses definitions of political and cultural nationalism as well as the myths institutions and practices that moulded and expressed national identity From post Soviet recollections of food shortages to the attempts by officials to control popular religion it analyses a variety of unexpected and compelling topics to offer fresh insights about this key area of world culture Illustrated

with numerous photographs it presents the results of recent research in an accessible and lively way **The Handbook of Bilingual and Multilingual Education** Wayne E. Wright, Sovicheth Boun, Ofelia García, 2017-09-25 The Handbook of Bilingual and Multilingual Education presents the first comprehensive international reference work of the latest policies practices and theories related to the dynamic interdisciplinary field of bilingual and multilingual education Represents the first comprehensive reference work that covers bilingual multilingual and multicultural educational policies and practices around the world Features contributions from 78 established and emerging international scholars Offers extensive coverage in sixteen chapters of language and education issues in specific and diverse regional geographic contexts including South Africa Mexico Latvia Cambodia Japan and Texas Covers pedagogical issues such as language assessment as well as offering evolving perspectives on the needs of specific learner populations such as ELLs learners with language impairments and bilingual education outside of the classroom **Kazakhstan - Ethnicity, Language and Power** Bhavna Dave, 2007-09-13 Kazakhstan is emerging as the most dynamic economic and political actor in Central Asia It is the second largest country of the former Soviet Union after the Russian Federation and has rich natural resources particularly oil which is being exploited through massive US investment Kazakhstan has an impressive record of economic growth under the leadership of President Nursultan Nazarbaev and has ambitions to project itself as a modern wealthy civic state with a developed market economy At the same time Kazakhstan is one of the most ethnically diverse countries in the region with very substantial non Kazakh and non Muslim minorities Its political regime has used elements of political clientelism and neo traditional practices to bolster its rule Drawing from extensive ethnographic research interviews and archival materials this book traces the development of national identity and statehood in Kazakhstan focusing in particular on the attempts to build a national state It argues that Russification and Sovietization were not simply top down processes that they provide considerable scope for local initiatives and that Soviet ethnically based affirmative action policies have had a lasting impact on ethnic lite formation and the rise of a distinct brand of national consciousness The Handbook of Bilingualism and Multilingualism Tej K. Bhatia, William C. Ritchie, 2014-09-15 Honored as a 2013 Choice Outstanding Academic Title Comprising state of the art research this substantially expanded and revised Handbook discusses the latest global and interdisciplinary issues across bilingualism and multilingualism Includes the addition of ten new authors to the contributor team and coverage of seven new topics ranging from global media to heritage language learning Provides extensively revised coverage of bilingual and multilingual communities polyglot aphasia creolization indigenization linguistic ecology and endangered languages multilingualism and forensic linguistics Brings together a global team of internationally renowned researchers from different disciplines Covers a wide variety of topics ranging from neuro and psycho linguistic research to studies of media and psychological counseling Assesses the latest issues in worldwide linguistics including the phenomena and the conceptualization of hyperglobalization and emphasizes geographical centers of global conflict and commerce **Language Attitudes Towards Kyrgyz and**

Russian Britta Korth, 2005 Language contact between Russian and Kyrgyz speakers in the Kyrgyz Soviet Socialist Republic and in present day Kyrgyzstan has historically been a source of conflict With independence the young state began its search for a new identity in which language played a crucial role Communicative and symbolic necessities therefore had to be considered in the formulation of an adequate language policy This book describes the sociolinguistic processes in independent Kyrgyzstan from an ethno linguistic perspective and gives an overview of language policy in both the Soviet Union and independent Kyrgyzstan Drawing on 25 in depth interviews and observations conducted during two years of fieldwork in Kyrgyzstan the author explains why in contrast to the status of titular languages in other former Soviet republics the Kyrgyz language in Kyrgyzstan is still dominated by Russian after more than a decade of independence *The Soft Power of the Russian Language* Arto Mustajoki, Ekaterina Protassova, Maria Yelenevskaya, 2019-06-12 Exploring Russian as a pluricentric language this book provides a panoramic view of its use within and outside the nation and discusses the connections between language politics ideologies and cultural contacts Russian is widely used across the former Soviet republics and in the diaspora but speakers outside Russia deviate from the metropolis in their use of the language and their attitudes towards it Using country case studies from across the former Soviet Union and beyond the contributors analyze the unifying role of the Russian language for developing transnational connections and show its value in the knowledge economy They demonstrate that centrifugal developments of Russian and its pluricentricity are grounded in the language and education policies of their host countries as well as the goals and functions of cultural institutions such as schools media travel agencies and others created by migrants for their co ethnics This book also reveals the tensions between Russia's attempts to homogenize the Russian world and the divergence of regional versions of Russian reflecting cultural hybridity of the diaspora Interdisciplinary in its approach this book will prove useful to researchers of Russian and post Soviet politics Russian studies Russian language and culture linguistics and immigration studies Those studying multilingualism and heritage language teaching may also find it interesting Language Planning in the Post-Communist Era Ernest Andrews, 2018-02-01 This volume provides an in depth analysis of the attempts of language experts and governments to control language use and development in Eastern Europe Eurasia and China through planned activities generally known as language planning or language policy The ten case studies presented here examine language planning in China Russia Tatarstan Central Asia Ukraine Lithuania Latvia Poland Slovakia and the Czech Republic and focus in particular on developments and disputes that have occurred since the fall of communism and the emergence of a new order in the late 1980s Its authors highlight the dominant issues with which language planning is invariably intertwined These include power politics tensions between official language and minority languages and the effects of a country's particular political social cultural and psychological environment Offering a detailed account of the socio political and ideological developments that underlie language planning in these regions this book will provide a valuable resource for students and scholars of linguistics

cultural studies political science sociology and history **Arabic in the Fray** Yasir Suleiman, 2013-07-22 The pre modern period saw a background of inter ethnic strife among Arabs and non Arabs mainly Persians Starting from the symbolic and cognitive roles of language Yasir Suleiman shows how discussions about the inimitability and untranslatability of the Qur'an in this period were at some deep level concerned with issues of ethnic election In this respect theology and ethnicity emerge as partners in theorising language Staying within the symbolic role of language Suleiman goes on to investigate the role of paratexts and literary production in disseminating language ideologies and in cultural contestation He shows how language symbolism is relevant to ideological debates about hybrid and cross national literary production in the Arab milieu In fact language ideology appears to be everywhere and a whole chapter is devoted to discussions of the cognitive role of language in linking thought to reality

Intermarriage and the Friendship of Peoples Adrienne Edgar, 2022-05-15 Co winner of the Central Eurasian Studies Society's prize for best book in History and the Humanities in 2022 and 2023 and winner of the The Joseph Rothschild Prize in Nationalism and Ethnic Studies of the Association for the Study of Nationalities Intermarriage and the Friendship of Peoples examines the racialization of identities and its impact on mixed couples and families in Soviet Central Asia In marked contrast to its Cold War rivals the Soviet Union celebrated mixed marriages among its diverse ethnic groups as a sign of the unbreakable friendship of peoples and the imminent emergence of a single Soviet people Yet the official Soviet view of ethnic nationality became increasingly primordial and even racialized in the USSR's final decades In this context Adrienne Edgar argues mixed families and individuals found it impossible to transcend ethnicity fully embrace their complex identities and become simply Soviet Looking back on their lives in the Soviet Union ethnically mixed people often reported that the official nationality in their identity documents did not match their subjective feelings of identity that they were unable to speak their own native language and that their ambiguous physical appearance prevented them from claiming the nationality with which they most identified In all these ways mixed couples and families were acutely and painfully affected by the growth of ethnic primordialism and by the tensions between the national and supranational projects in the Soviet Union Intermarriage and the Friendship of Peoples is based on more than eighty in depth oral history interviews with members of mixed families in Kazakhstan and Tajikistan along with published and unpublished Soviet documents scholarly and popular articles from the Soviet press memoirs and films and interviews with Soviet era sociologists and ethnographers

Bloomsbury World Englishes Volume 2: Ideologies Rani Rubdy, Ruanni Tupas, Mario Saraceni, 2021-05-20 Bloomsbury World Englishes offers a comprehensive and rigorous description of the facts implications and contentious issues regarding the forms and functions of English in the world International experts cover a diverse range of varieties and topics offering a more accurate understanding of English across the globe and the various social contexts in which it plays a significant role With volumes dedicated to research paradigms language ideologies and pedagogies the collection pushes the boundaries of the field to go beyond traditional descriptive paradigms and contribute to moving

research agendas forward Volume 2 Ideologies explores the politics and economics of English and the impact of language on local societies and cultures In doing so chapters discuss how English is often entangled in societal issues such as inequality de colonization racism oppression and liberation **Eastern Europe, Russia and Central Asia 2003** ,2000 The Politics of Language and Nationalism in Modern Central Europe T. Kamusella,2008-12-16 This work focuses on the ideological intertwining between Czech Magyar Polish and Slovak and the corresponding nationalisms steeped in these languages The analysis is set against the earlier political and ideological history of these languages and the panorama of the emergence and political uses of other languages of the region *Revivals, Nationalism, and Linguistic Discrimination* Kara Fleming,Umberto Ansaldo,2019-12-06 Is linguistic revival beneficiary to the plight of newly emerging peripheral or even threatened cultures Or is it a smokescreen that hides the vestiges of ethnocentric ideologies which ultimately create a hegemonic relationship This book takes a critical look at revival exercises of special historical and geopolitical significance and argues that a critical and cautious approach to revival movements is necessary The cases of Sinhala Kazakh Mongolian Catalan and even Hong Kong Cantonese show that it is not through linguistic revival but rather through political representation and economic development that the peoples in question achieve competitiveness and equality amongst their neighbors On the other hand linguistic revival in these and other contexts can and has been used to support nationalist or ethnocentric agendas to the detriment of other groups recreating the same dynamics that generated the argument for revival in the first place This book argues that respect for linguistic and other diversity multilingualism and multiculturalism is not compatible with linguistic revival that mirrors nation building and essentializing identity construction **The Oxford Handbook of Sociolinguistics** Robert Bayley,Richard Cameron,Ceil Lucas,2015 This major new survey of sociolinguistics identifies gaps in our existing knowledge base and provides directions for future research Encyclopedia of Language and Linguistics ,2005-11-24 The first edition of ELL 1993 Ron Asher Editor was hailed as the field s standard reference work for a generation Now the all new second edition matches ELL s comprehensiveness and high quality expanded for a new generation while being the first encyclopedia to really exploit the multimedia potential of linguistics The most authoritative up to date comprehensive and international reference source in its field An entirely new work with new editors new authors new topics and newly commissioned articles with a handful of classic articles The first Encyclopedia to exploit the multimedia potential of linguistics through the online edition Ground breaking and International in scope and approach Alphabetically arranged with extensive cross referencing Available in print and online priced separately The online version will include updates as subjects develop ELL2 includes c 7 500 000 words c 11 000 pages c 3 000 articles c 1 500 figures 130 halftones and 150 colour Supplementary audio video and text files online c 3 500 glossary definitions c 39 000 references Extensive list of commonly used abbreviations List of languages of the world including information on no of speakers language family etc Approximately 700 biographical entries now includes contemporary linguists 200 language maps in print and online Also

available online via ScienceDirect featuring extensive browsing searching and internal cross referencing between articles in the work plus dynamic linking to journal articles and abstract databases making navigation flexible and easy For more information pricing options and availability visit www.info.sciencedirect.com The first Encyclopedia to exploit the multimedia potential of linguistics Ground breaking in scope wider than any predecessor An invaluable resource for researchers academics students and professionals in the fields of linguistics anthropology education psychology language acquisition language pathology cognitive science sociology the law the media medicine computer science The most authoritative up to date comprehensive and international reference source in its field

Politics Of Language In The Ex Soviet Muslim States Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Politics Of Language In The Ex Soviet Muslim States PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Politics Of Language In The Ex Soviet Muslim States PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms

offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Politics Of Language In The Ex Soviet Muslim States free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
