A decorative graphic element consisting of a red circle with a white center, partially obscured by a white horizontal bar that extends from the left edge of the slide.

Poopoo Make Prant Glow:

Poopoo Make Prant Glow Harvey E. Ward,1975 **Gleanings in Buddha Field** Lafcadio Hearn,2012-07-17 This classic text about Buddhism in Japan by Lafcadio Hearn one of the first Westerners to write about Japan will be of great interests to scholars and Japanophiles alike Lafcadio Hearn's books continue to charm and captivate readers as the exotic subjects about which he wrote charmed and captivated him *Gleanings In Buddha Fields* presents more Hearn magic as he enters into the spirit of Buddhism as though he were born into it Hearn says that if he were a god dwelling in some old Izumo shrine on the summit of a hill then as air to the bird as water to the fish so would all substance be permeable to the essence of me I should pass at will into the walls of my dwelling to swim in the long gold bath of a sunbeam to thrill in the heart of a flower to ride on the neck of a dragonfly He writes of a trip to Kyoto telling of hazy autumn rice fields with dragonflies darting over the drooping grain maples crimsoning above a tremendous gorge ranges of peaks steeped in morning mist and a peasant's cottage perched on the verge of some dizzy mountain road Foreigners in Mikadoland Harold S. Williams,2011-12-20 This is an account of life in the foreign communities and former Foreign Settlements or Concessions in Japan that flourished after Japan was opened to foreign trade in 1859 It tells of the imposters the eccentrics and the scandals no less than the achievements of the scholars the merchants and the diplomats who contributed so much to the development of modern Japan Here you will meet Townsend Harris the first U S Consul General to Japan the Grand Duke Alexander and many other less well known but just as interesting figures such as the energetic Rev Bailey the remarkable Mr McLeod and the Misses Butterfly and Chrysanthemum All these events are portrayed in a series of chapters arranged as nearly as possible in chronological order each woven around some of the happenings of those times Carefully researched all of these events are historically accurate in every detail and are written in Mr Williams highly enjoyable style *Japanese Things* Basil Hall Chamberlain,2012-11-13 Armchair travelers beware *Japanese Things* will lure you out of your cozy comfy home and chair to an unusual country with bewitching manners and customs and once you have succumbed to its spell you will never be the same Here in one neat package you will meet the flavor charm and piquancy of old Japan a revised reprint of one of the indispensable books on Japan by the late Prof Basil Hall Chamberlain eminent British scholar who in the latter part of the 19th century taught Japanese and Japan to the Japanese Many books in one this monumental compilation contains such diversified subjects as Art and Abacus Botany and Buddhism Charms and Cherry Blossoms Daimyos and Divination Fairy Tales and Flowers Gardens and Government History and Hara kiri Law and Language Marriage and Music Poetry and Pottery Shinto and Singing Girls Geisha Tea and Theater and Writing and Wood Engraving In this long awaited reprint in which the title has been changed from *Things Japanese* the reader will encounter exquisite objects of daily Japanese life the gardens and cultures of the fields the harmony and balance in the fundamentals of day by day existence **Tales of Foreign Settlements in Japan** Harold S. Williams,2012-07-09 Here are twenty five tales about the Foreign Settlements or

Concessions in Japan following the opening of the country to foreign trade in 1859 and an additional ten strange stories that revolve around those times. The tales are historically accurate, sociologically significant and most important of all eminently readable. These Tales of Foreign Settlements in Japan are the product of years of painstaking and scholarly research by a writer who is a business man and a recognized authority on the history of the Foreign Concessions in Japan, a man who has resided here for over thirty five years. Red Book of Animal Stories Andrew Lang, 2012-08-28. This collection of children's animal stories is a classic of juvenile literature and still delights children today just as in the past. Not only do we find fiery dragons here but dangerous dogs and demons, bears, bats, boars and baboons, greyhounds and griffins, cows and crocodiles, hyenas and hippopotamuses, snakes, saints and sheep, monkeys, mermaids and mammoths, lions and llamas and dozens of others from the wide and wonderful animal world. What a menagerie to excite the senses and lure the adventurous. The Author, Lang, a noted historian, was also an incurable romantic, hence his great success in writing children's books. These stories first published in 1899 were selected and edited by Lang. The ones about Tom the Bear are from the French work on natural history by Alexander Dumas. Most of the tales in the chapter Thieving Dogs and Horses were published by Sir Walter Scott. Sixty-eight excellent and evocative illustrations enhance the stories and the reader's enjoyment of them. **Curious Punishments** Earle, 2012-09-11. In Curious Punishments of Bygone Days, the punishment did not always fit the crime as this fine old illustrated history of wrath and righteousness shows. One of the earliest institutions in every New England community was a pair of stocks. The first public building was a meeting house but often before any house of God was built, the devil got his restraining engine. And who were the heinous criminals that the righteous put in the stocks? The punishment generally in England and America both was for petty thieves, unruly servants, Sabbath breakers, revilers, gamblers, drunkards, ballad singers, fortunetellers, traveling musicians and a variety of other offenders. History of Japanese Literature William George Aston, 2012-09-11. Professor Aston's A History of Japanese Literature has a permanent place on the bookshelves of all lovers of Japan. William George Aston, who pioneered in the translation of Japanese literature into English, made many original contributions to Japanese studies. His writing is fresh and informative. The periods reviewed range from the ancient days when Japan's history was just dawning to the Meiji Restoration of 1868 when all aspects of Japanese life were being transformed. No aspect of Japanese culture escaped modification or change after Meiji, but Aston is mainly concerned with the profound literary heritage of Japan before Westernization. A long time resident of Japan who was intimately acquainted with Japanese books and scholars, he used the unique opportunities of his life to make available to English Readers the new world of Japanese literature. His scholarship is vast yet he never loses the human touch and he is always easy to read. Shades of the Past Harold S. Williams, 2012-02-14. Prowling among these stories about Japan, one finds ruffians and gentlemen, pirates and warriors, saints and sinners, smugglers and legitimate businessmen. All those in fact who made up the foreign communities of Japan in the early days. Harold S. Williams tells about them with the same inimitable humor, irony, drama and

whimsy that made his earlier *Tales of the Foreign Settlements* such a popular success With due regard for historical accuracy he recreates those fantastic days and the furor and fun with which they were filled Here you can enjoy the privileged social status of belonging to the Victorian Volunteer Steam Fire Engine Company of Yokohama you can join those Japanese pirates who were the first to meet Englishmen arbitrate Japan's first labor dispute involving foreigners of course witness the massacre of forty thousand Japanese Christians revel in Nagasaki when it was the Paris of the Far East travel over the Tokaido when it was the most picturesque and colorful of the world's highways watch at close range each gruesome detail of an act of harakiri dive for sunken treasures watch the world's largest wooden vessel burn to the water line marvel at one of the greatest advertising feats of all time **Focus on Asian Studies** ,1969 *Tales from the Japanese Storytellers* Post Wheeler,1976 **The Kabuki Handbook** Aubrey S. Halford,Giovanna M. Halford,1956 *The Book Buyer's Guide* ,1969
Tourist & the Real Japan Boye Lafayette De Mente,1989-12-15 □□□□□□□□□□□□□□□□ Scott K. Ling,1975 **The Publishers Weekly** ,1971 **The National union catalog, 1968-1972** ,1973 *The Publishers' Trade List Annual* ,1975
Books in Print Supplement ,1973 **The Cumulative Book Index** ,1969 A world list of books in the English language
