Prescription For Long Life

Jonny Bowden, Jeannette Bessinger

Prescription For Long Life:

Prescription for Life Richard MD Furman, FACS, 2014-09-30 During his more than thirty years as a vascular surgeon Richard Furman literally held clogged arteries and diseased hearts in his hands and wondered why the person lying on the table hadn't been more careful Heart disease is the number one killer of men and women in America and in most cases it is completely preventable So why are we slowly destroying our bodies and killing ourselves And what can we do to turn it around The good news is simple sustainable lifestyle changes can mean the difference between health and infirmity between life and death Putting his three decades of experience and education to work Dr Furman gives readers the strategies they need to live not just longer but younger This essential resource to health helps readers achieve and maintain their ideal weight reduce their risk for life threatening diseases make exercise a natural part of their lives learn what foods to eat and what foods to avoid It even shows how following the plan can not only eliminate heart disease but also keep people safe from various cancers dementia diabetes stroke erectile dysfunction and other age and obesity related problems Dr Furman wants readers to realize that poor health during one's golden years is not inevitable It can and should be avoided at all cost And with his expert advice readers can live long healthy vibrant lives enjoying time with friends and family instead of wasting it in doctors offices and hospitals

Living the Good Long Life Martha Stewart, 2013 There's never been a greater need for accurate engaging inspirational information on how to live a healthy graceful life after 40 Drawing on Martha's very public experience caring for her own mother and her own personal success in maintaining a vigorous vital and rich life she's 70 *Living the Good Long Life* is the definitive handbook on staying well physically and mentally into and beyond middle age With recipes for the kind of nourishment you need into your fourth decade and beyond the 10 Golden Rules for Aging Well exercises home solutions advice on preventing and managing chronic illnesses and stress and information on assessing the needs of elders in your life this is both a practical and upbeat guide for living your best life

The Longevity Revolution Robert N. Butler, 2009-09-08 Pulitzer prize winning author Dr Robert Butler coined the term ageism and made Alzheimer's a familiar word Now he brings his formidable knowledge and experience in aging issues to a recent and unprecedented achievement the extension of human life expectancy by thirty years As Butler shows our society had not yet adapted to this change The U S has not made a research investment in aging Only eleven medical schools out of 145 have geriatrics departments compared to England where geriatrics is the number two specialty We have not solidified private pension plans or strengthened Social Security to ensure that people do not outlive their resources In this urgent and ultimately optimistic book Dr Butler shows why and how we must re-examine our personal and societal approach to aging right now so that the boomers and the generations that follow may have a financially secure vigorous and healthy final chapter life
