Real Questions About God Real Questions:

Answering the Toughest Questions About God and the Bible Bruce Bickel, Stan Jantz, 2016-10-18 Bestselling Authors Tackle Difficult Issues for Believers and Doubters When it comes to the big questions about God Is he real Why are Christians so unlike Jesus Does he really care about me Bruce Bickel and Stan Jantz don't pretend to have all the answers But they do know how to wrestle with doubt They welcome questions and in these pages they ask some of the most important ones you have about God and the Bible With candor insight and a disarming touch of humor they provide some answers to these critical questions yet they leave enough space and grace for you to keep wrestling asking and seeking Truth There is no shame in asking after all even some of the greatest men and women in the Bible had doubts Don't let your questions go unanswered What you find might just change your life [Aquinas: Summa Theologiae, Questions on God](#) Saint Thomas (Aquinas), 2006-02-16 Thomas Aquinas 1224-1274 was one of the greatest of the medieval philosophers His Summa Theologiae is his most important contribution to Christian theology and one of the main sources for his philosophy This volume offers most of the Summa's first 26 questions including all of those on the existence and nature of God Based on the 1960 Blackfriars translation this version has been extensively revised by Brian Davies and also includes an introduction by Brian Leftow which places the questions in their philosophical and historical context The result is an accessible and up to date edition of Aquinas' thoughts on the nature and existence of God both of which have continuing relevance for the philosophy of religion and Christian theology **Questions about God** S. Michael Houdmann, General Editor, 2014 God welcomes questions The Bible is full of inquisitive characters with good questions From Abraham's inquiry Will not the Judge of all the earth do right to Mary's wide-eyed How will this be God patiently answers the questions of sincere searching hearts Questions are part of the learning process and a repeated Old Testament command is to seek the Lord Those who inquire of Him are invariably rewarded with His wisdom Jesus' gracious promise says Ask and it will be given to you Matthew 7:7 As we open the Bible we begin a quest to know the God who has revealed Himself in its pages What is God like Does God love me Why does He allow bad things to happen The answers to these and many other questions are there in the Bible waiting for us to find them Got Questions Ministries has fielded many questions about God since 2002 One hundred of those questions are compiled in this book along with biblical answers All of these real life questions come from people who want to know the truth about God His nature and His work in the world We hope you will use this volume as an aid to knowing God a little better and loving Him more [Questions God Asks Us](#) Trevor Hudson, 2020-03-01 Transformation comes from questions not answers We often look to the Bible as the book of answers How often though do we consider the challenging questions God asks Hudson notes that Jesus was asked 183 questions in the Gospels but directly only answered three The Creator is teaching us as we teach children when they struggle with schoolwork You learn more by doing than being fed an absolute answer In Questions God Asks Us we're encouraged to focus on the quest rather than a resolution Such an approach leads to

deeper dialogue and intimacy with the divine This is a critical turning point in our journey with God as it was for the author I thought the Bible existed to give me solutions to my everyday concerns and dilemmas writes Hudson Then I realized I might be approaching God and the Bible from the wrong direction It was as if God said to me Trevor rather than you always asking questions of me start listening to the questions I have for you Each of 10 questions Hudson excerpts from the Old and New Testaments serves as a starting point for genuine conversation with the Creator He assures We re not starting the conversation with God from scratch God has already begun it We just need to plug into the conversation that is already going on Questions God Asks Us offers a fresh approach for personal devotions and a unique discussion tool for small group Bible studies It s sure to bless anyone longing for a meaningful growing relationship with God **Great Questions God Asks** Kathy Call,2017-11-30 The Bible is full of questions asked by God of his people Each of these questions challenge us to struggle with some nagging issue or problem inside us that simply refuses to go away God s great questions probe the deepest issues of our lives questions of identity of adequacy of balance of assurance of mercy of renewal of perspective of ultimate hope of perception As the characters in the Bible of whom these questions were first asked wrestle with their answers we as readers of this book find ourselves wrestling with the same questions in our lives bringing us face to face with ourselves and with God himself **100 Questions Kids Ask with answers from God's Word** Freeman-Smith,2013-01-01 Key questions every kid asks or as a parent questions you hope they ll ask These questions and answers will give parents the tools to understand their children and equip them to answer important queries from their young ones The book will help to lessen the feeling of frustration or fear that they won t know what to say at the right time It will also be a great read together devotional for families Questions and Answers on Conversations with God Neale Walsch,2025-09-12 Millions of readers have come to value the Conversations with God series by Neale Donald Walsch which has now been translated into twenty six languages Many thousands of those readers have had questions for him questions about religion good and evil physical and mental health death prophecy the nature of God and the universe prayer angels and devils spiritual paths relationships and much more In Questions and Answers on Conversations with God Neale with characteristic wit and wisdom responds to the most compelling and provocative of these letters and the result is a book that is profoundly enlightening and inspiring By relating the messages in the dialogues of CWG to the personal issues and everyday experience of individuals Neale s answers illustrate the direct link between spiritual and physical reality clearly demonstrating how what we do and who we are in our lives is a result of how we think and what we believe This book gives us all the opportunity to look at ourselves to change ourselves and thus perhaps to change the world Asking God Some Tough Questions E. Graham,2015-11-20 I was taken into the Spirit for three days Thats when God revealed to me that I was to write this book and interview Him He said to me This book is one of My many tools that I will use in these last days to bring many out of bondage and bring healing to the nations of the world This is not a new revelation as God said He is the same yesterday today and forever This book just deals

with serious questions of everyday life and the answers from God Himself God said this does not replace or override His written Word in the Holy Scriptures but is another aide for everyday living All the questions and answers were under the inspiration of God **Questions God Asks** Israel Wayne,2014-02-01 UNDERSTANDING THE OMNIPOTENT GOD WHO ASKS QUESTIONS OF US Why would God ask anyone a question We ask questions when we don t understand Yet the Creator of the universe who spoke all that we see into being asks questions Unimaginable power and wisdom are already His As strange as it may seem to us the Bible is filled with questions God asks He is not the one who needs answers these questions help us to understand both God and ourselves Delve into the answers found by Job Adam Cain Moses Joshua Elijah and others Examine our fundamental assumptions about God human nature relationships origins and purpose Learn about godly character and God s transforming message Find a powerful supplement for family worship Bible study and personal devotions in the Questions God Asks Stop demanding answers from God and begin answering the questions He asks of us

complete chapters and subsections are translated not to mention shorter passages that help put the longer discussions in context There are detailed indices of sources Koranic verses and hadiths The book s index of technical terminology will be an indispensable reference for all those wishing to delve more deeply into the use of language in Islamic thought in general and Sufism in particular

Karl Barth's Critically Realistic Dialectical Theology Bruce L. McCormack,1997 McCormack is master of this voluminous material He is scrupulously at home in the intricate dramatic background of Swiss socialist politics The result is a masterly study often as compelling as its theme George Steiner Times Literary Supplement This meticulous and definitive study supersedes most previous interpretations Colin Gunton Theological Book Review it should quickly attain classic status It is an exceptionally fine and erudite piece of work The results of this painstaking attention to detail are truly ground breaking This is a major intellectual achievement an interpretative act of great courage and Barth studies will never look the same Graham Ward Expository Times This book is a new major intellectual biography of perhaps the most influential theologian of the twentieth century Karl Barth It offers the first full scale revision of the well known theologian Hans Urs Balthasar s seminal interpretation of Barth which was first published in 1951 Drawing on a wealth of material much of it unpublished during Barth s lifetime as well as a thorough acquaintance with the best of recent German scholarship Professor McCormack demonstrates that the fundamental decision which would control the whole of Barth s development the turn to a new critically realistic form of theological objectivism was already made during the years in which Barth was at work on his first commentary on Romans Professor McCormack further argues that the most significant subsequent decisions both material and methodological were made in Barth s Gottingen Dogmatics of 1924 5 and not later in the 1931 book on Anselm as has often been alleged Finally he seeks to show that von Balthasar s description of a turn from dialectic to analogy which provided the foundation for the neo orthodox reading of Barth in the English speaking world fails to take seriously enough the extent to which dialectic remained a constitutive feature of Barth s outlook in the Church Dogmatics This unique and important work provides not simply a fresh interpretation of Barth s development but also a new paradigm for understanding the whole of Barth s theology
