Realist Criminology Crime Control And Policing In The 1990s:

Realist Criminology John Lowman, Brian MacLean, 1992-01-01 In the 1980s in Britain a new school of critical criminology arose to challenge the political and philosophical idealism that characterized its critical predecessors and to offer an alternative to the crime control policies of the New Right Arguing that by overemphasizing the crimes of the powerful much of critical criminology had virtually ignored the impact of street crime on its victims a left realism emerged to reassert the centrality of the victim in the development of a progressive criminology Critical realism recognizes the seriousness of street crime for those people victimized by it particularly women acknowledges that a consensus as to the desirability of a core group of laws does exist and advocates various kinds of criminal justice reform and crime prevention strategies In this respect there are important parallels with debates in feminism concerning the role of the state in the problem of violence against women One of the most important contributions critical realism has made to criminological research is the development of local crime surveys which attempt to measure patterns of victimization and policing and how these are perceived by the general public Such research remains largely undeveloped in North America and it is the purpose of this book to begin to take stock of these developments and examine their relevance for North America This is the first text to include a critical examination of left realism examine its relationship to feminism and comment on its relevance outside Britain

Routledge Handbook of Critical Criminology Walter S. DeKeseredy, Molly Dragiewicz, 2018-04-09 The main objective of the second edition of the Routledge Handbook of Critical Criminology is twofold 1 to provide original chapters that cover contemporary critical criminological theoretical offerings generated over the past five years and 2 to provide chapters on important new substantive topics that are currently being studied and theorized by progressive criminologists Special attention is devoted to new theoretical directions in the field such as southern criminology queer criminology and green criminology The diverse chapters cover not only cutting edge theories but also the variety of research methods used by leading scholars in the field and the rich data generated by their rigorous empirical work In addition some of the chapters suggest innovative and realistic short and long term policy proposals that are typically ignored by mainstream criminology These progressive strategies address some of the most pressing social problems facing contemporary society today which generate much pain and suffering for socially and economically disenfranchised people The new edition of the Handbook is a major work in redefining areas within the context of international multidisciplinary critical research and in highlighting emerging areas such as human trafficking Internet pornography and image based sexual abuse It is specifically designed to be a comprehensive resource for undergraduate and postgraduate students researchers and policymakers

The Politics of Crime Control Professor Kevin Martin Stenson, David Cowell, 1991-10-23 What is meant by crime crime prevention and crime control Who defines the acts which are deemed as criminal Who devises the sanctions and who acts as agents of social control This timely and challenging book brings together a group of leading international criminologists from all sides of the

political spectrum They first examine the formation and implementation of official crime prevention and control policies In the second part they look at a range of critical perspectives which explore the definition of crime and discuss proposals for its prevention and control

Race, Gender, and Class in Criminology Martin D. Schwartz, Dragan Milovanovic, 2019-07-18 First published in 2000 This series is dedicated to creative scholarly work in criminal justice and criminology Moreover we ask the authors to emphasize readability In this anthology Martin Schwartz and Dragan Milovanovic have managed to produce a work that is a combination of both They also did this in the face of difficulties presented by a variety of theoretical perspectives and methodologies The subject matter of this anthology race gender and class is a critical one for criminology

Still Dying for a Living Steven Bittle, 2012-10-16 In 1992 a preventable explosion at the Westray Mine in Plymouth Nova Scotia killed twenty six miners More than a decade later the government introduced revisions to the Criminal Code of Canada aimed at strengthening corporate criminal liability Bill C 45 dubbed the Westray bill requires employers to ensure a safe workplace and attributes criminal liability to organizations for seriously injuring or killing workers and or the public In Still Dying for a Living Steven Bittle turns a critical eye on Canada s corporate criminal liability law Interweaving Foucauldian and neo Marxist literatures with in depth interviews and parliamentary transcripts Bittle reveals how various legal economic and cultural discourses surrounding the Westray bill downplayed the seriousness of workplace injury and death effectively characterizing these crimes as regrettable but largely unavoidable accidents As long as the primary causes of workplace injury and death are not properly scrutinized Bittle argues workers will continue to die in the pursuit of earning a living

Deviance and Crime Walter DeKeseredy, Desmond Ellis, Shahid Alvi, 2014-09-19 This book sensitizes the reader to the fact that there is substantial disagreement within the academic community and among policymakers and the general public over what behaviors conditions e g physical attributes and people should be designated as deviant or criminal Normative conceptions the societal reaction labeling approach and the critical approach are offered as frameworks within which to study these definitions A comprehensive explanation of theory and social policy on deviance is constructed

Crime, Risk, and Insecurity Tim Hope, Richard Sparks, 2000 Just what is the fear of crime and how does it impact upon the lives of the citizens of late modern societies This book presents work on the questions of fear anxiety risk and trust both as problems of everyday living and as key themes in the culture and politics of western societies

Advancing Critical Criminology Walter S. DeKeseredy, Barbara Perry, 2006-06-29 Advancing Critical Criminology constitutes a timely addition to the growing body of knowledge on critical criminology scholarship DeKeseredy and Perry have assembled a volume that provides scholars with an in depth review of the extant literature on several major branches of criminology as well as examples of how critical criminologists apply their theoretical perspectives to substantive topics such as drugs interpersonal violence and rural crime Accordingly this work is divided into two main sections overviews of theories and applications Each chapter provides a summary of work in a specific area along with suggestions for moving the field forward This reader is

unique in its choice of topics which have often been overlooked in the past An expert collection of international scholars Advancing Critical Criminology is certain to stimulate lively debates and generate further critical social scientific work in this field

Encyclopedia of Criminology J. Mitchell Miller, Richard A. Wright, 2013-12-17 This three volume work offers a comprehensive review of the pivotal concepts measures theories and practices that comprise criminology and criminal justice No longer just a subtopic of sociology criminology has become an independent academic field of study that incorporates scholarship from numerous disciplines including psychology political science behavioral science law economics public health family studies social work and many others The three volume Encyclopedia of Criminology presents the latest research as well as the traditional topics which reflect the field s multidisciplinary nature in a single authoritative reference work More than 525 alphabetically arranged entries by the leading authorities in the discipline comprise this definitive international resource The pivotal concepts measures theories and practices of the field are addressed with an emphasis on comparative criminology and criminal justice While the primary focus of the work is on American criminology and contemporary criminal justice in the United States extensive global coverage of other nations justice systems is included and the increasing international nature of crime is explored thoroughly Providing the most up to date scholarship in addition to the traditional theories on criminology the Encyclopedia of Criminology is the essential one stop reference for students and scholars alike to explore the broad expanse of this multidisciplinary field

Riding to the Rescue Steve Hewitt, 2006-01-01 The Mountie may be one of Canada s best known national symbols yet much of the post nineteenth century history of the Royal Canadian Mounted Police remains unexamined particularly the period between 1914 and 1939 when the RCMP underwent enormous transformation The nature of this transformation as it took place in Alberta and Saskatchewan where the Mounties have traditionally dominated policing is the focus of Steve Hewitt s Riding to the Rescue During the 1914 to 1939 period the nineteenth century model of the RCMP was evolving into a twentieth century version and the institution that emerged responded to a nation that was being transformed as well Forces such as industrialization mass immigration urbanization and political radicalism compelled the Mounties to look away from the frontier and toward a new era Incorporating previously classified material which explores the RCMP both in the context of its ordinary policing role and in its work as Canada s domestic spy agency Hewitt demonstrates how much of the impetus behind the RCMP s transformation was ensuring its own survival and continued relevance Riding to the Rescue is a provocative and incisive look behind one of Canada s most enduring icons at the cusp of the modern era
