United Methodists Today ,1975 Essays On Magical Idealism Julius Evola,2025-05-07 First published in 1925 Saggi sull idealismo magico Essays on Magical Idealism marks one of Julius Evola s most original and audacious philosophical works Drawing upon German idealism especially Fichte and Novalis as well as Western esotericism and Hermetic traditions Evola develops a vision of subjectivity not merely as a passive contemplator of reality but as an active transmutative force Central to the work is the idea that true knowledge and spiritual transformation emerge through an inner magical act that unites thought and being The book rejects both materialist realism and abstract metaphysics in favour of a doctrine in which the Self through conscious discipline asserts its sovereignty over experience and becomes the axis of a new metaphysical order More than a theoretical treatise Essays on Magical Idealism proposes a path of inner realisation a spiritual alchemy aimed at the transfiguration of man The Disciple ,1975 Science, Religion and Reality Joseph Needham,1925 The Publishers Weekly ,1974 My Religion: Reel Or Real? Benjamin A. Vima,2013-09 As the cradle religion I belong to has been at every age probing into her managing and conserving of the Mysterious Treasures entrusted to her with the enlightenment offered by Vatican Council II I too longed to scrutinize my own handling of Catholic Christian Faith I wanted to examine whether the religion I practice personally was real or reel tTrue or false gGenuine or false aAuthentic or artificial hHeartfelt or routine fFruitful or poisonous oOriginal or counterfeit sSingle hearted or double hearted Certainly as a priest I had lot of occasions like recollections and retreats regularly to regularly assess the genuineness of my religious holdings and practices Though I began 10ten years back gathering all my scribbles and journals of evaluation about my personal religion I started putting them seriously into a book form only after Pope Benedict XVI announced year 2012 as the Year of Faith I considered it a call from God who wanted to befriend me more intensely and to promote to my friends this habit of assessing one s own faith This is how this book was conceived and shaped This book can be considered as a self imposed act of examining my conscience about the identity nature and application and practice of religion in my life I hope and pray this effort of mine will surely assist my readers do the same not only during this Year of Faith as it would be ended 24 November 24 2013 but also later on in life when tumult of waves and trials is daunting against our faith and religion
