KANT'S PHILOSOPHY ON FREEDOM

Reality And Freedom Reflections On Kants Moral Philosophy

Emre Kazim

Reality And Freedom Reflections On Kants Moral Philosophy:

Reality and Freedom Muus Gerrit Jan Beets,1988 **Kant on Conscience** Emre Kazim,2017-01-23 In Kant on Conscience Emre Kazim offers the first systematic treatment of Kant's theory of conscience Contrary to the scholarly consensus Kazim argues that Kant's various discussions of conscience as practical reason as a feeling as a power as a court as judgement as the voice of God etc are philosophically coherent aspects of the same unified thing Unity Thesis Through conceptual reconstruction and historical contextualisation of the primary texts Kazim both presents Kant's notion of conscience as it relates to his critical thought and philosophically evaluates the coherence of his various claims In light of this Kazim shows the central role that conscience plays in the understanding of Kantian ethics as a whole **Naturalism and Realism in Kant's Ethics** Frederick Rauscher,2015-11-26 In this comprehensive assessment of Kant's metaethics Frederick Rauscher shows that Kant is a moral idealist rather than a moral realist and argues that Kant's ethics does not require metaphysical commitments that go beyond nature Rauscher frames the argument in the context of Kant's non naturalistic philosophical method and the character of practical reason as action oriented Reason operates entirely within nature and apparently non natural claims God free choice and value are shown to be heuristic and to reflect reason's ordering of nature The book shows how Kant hesitates between a transcendental moral idealism with an empirical moral realism and a complete moral idealism Examining every aspect of Kant's ethics from the categorical imperative to freedom and value this volume argues that Kant's focus on human moral agency explains morality as a part of nature It will appeal to academic researchers and advanced students of Kant German idealism and intellectual history **Unity of Knowing and Acting in Kant** Saju Chackalackal,2002 **Lectures on the History of Moral Philosophy** John Rawls,2000-11-15 John Rawls in three decades of teaching at Harvard has had a profound influence on the development of philosophical ethics This book brings together the lectures that inspired a generation of students providing readers with the inspired guidance of one of contemporary philosophy's most noteworthy practitioners and teachers **Freedom and Anthropology in Kant's Moral Philosophy** Patrick R. Frierson,2011-02-17 A comprehensive account of Kant's theory of freedom and his moral anthropology **The Concept of Religious Passion** Albert Mitchell, Ph.D,2013-08-08 The concept of religious passion is examined according to the teachings of that great Father of Modern Reason Immanuel Kant both as a philosophical concept and with respect to its place in Ethics specifically Kantian ethics Kant's strong aversion to religious passion is presented in view of the Enlightenment movement and Reason versus the Emotions argument *Realism and Antirealism in Kant's Moral Philosophy* Robinson dos Santos,Elke Elisabeth Schmidt,2017-12-18 The debate between moral realism and antirealism plays an important role in contemporary metaethics as well as in the interpretation of Kant's moral philosophy This volume aims to clarify whether and in what sense Kant is a moral realist an antirealist or something in between Based on an explication of the key metaethical terms internationally recognized Kant scholars discuss the question of how Kant's moral philosophy

should be understood in this regard All camps in the metaethical field have their inhabitants Some contributors read Kant s philosophy in terms of a more or less robust moral realism objectivism or idealism and some of them take it to be a version of constructivism constitutionism or brute antirealism In any case all authors introduce and defend their terminology in a clear manner and argue thoughtfully and refreshingly for their positions With contributions of Stefano Bacin Jochen Bojanowski Christoph Horn Patrick Kain Lara Ostaric Fred Rauscher Oliver Sensen Elke Schmidt Dieter Sch necker and Melissa Zinkin

Critique of Practical Reason Immanuel Kant,2002-10-01 With this volume Werner Pluhar completes his work on Kant s three Critiques an accomplishment unique among English language translators of Kant At once accurate fluent and accessible Pluhar s rendition of the Critique of Practical Reason meets the standards set in his widely respected translations of the Critique of Judgment 1987 and the Critique of Pure Reason 1996 Stephen Engstrom s Introduction discusses the place of the second Critique in Kant s critical philosophy its relation to Kant s ethics and its practical purpose and provides an illuminating outline of Kant s argument

Kant on Freedom and Human Nature Luigi Filieri,Sofie Møller,2023-08-25 The essays in this volume provide new readings of Kant s account of human nature Despite the relevance of human nature to Kant s philosophy little attention has been paid to the fact that the question about human nature originally pertains to pure reason The chapters in this volume show that Kant s point is not to state once and for all what the human being actually is but to unite pure reason s efforts within a unitary teleological perspective The question about human nature is the cornerstone of reason s unity in its different activities and domains Kant s question about human nature goes beyond our empirical inquiries to show that the notion of humanity represents the point of convergence and unity of pure reason s most fundamental interests Kant on Freedom and Human Nature will appeal to scholars and advanced students working on Kant s philosophy
