"Bumsters are pleasing. There is something cheerful about their portliness, especially during difficult moments. They are comforting, heartening, they make you want to believe in the future. Having your fill, gazing your fill, having your hands full: it all leads to a pleasant feeling of euphoria. Which explains how, for a decade now, the shape of domestic objects has consistently been reminiscent of bum-sticks, linking smoothness to comforting roundness. . . . Roundness makes us believe that the world can be worn away like a pebble or touched like a sweet."

Review from England for
*T*HE REAR VIEW

"Eucletic, impolitic, and utterly intriguing. On several points it is out-
standing. This fundamentally sound study deserves to become a classic."

—The Independent Daily Telegraph

"I was never really a hairy man, though now I think I am. I used to be a larger man. Until, that is, I read Jane Lane, *Flipping Out*, vulgar, brutal, absorbing, and transforming celebration of the human condition. . . . It will take you into realms of reflection and awareness that you must not have penetrated before, unless you are a *bumster*. To be a beautiful bumster—as beautiful as your bottom."
