**A Reasonable Faith** Anthony Campolo, 1985-11

**Reasonable Faith for a Post-secular Age** William Greenway, 2020

Our global community desperately needs overt awakening to an age of reason and faith. Reasonable Faith for a Post Secular Age meets this need by interpreting faith not in terms of belief in propositions but in terms of living surrender to having been seized by agape for every face including one's own. Virtually all faith traditions from Buddhism to Humanism to Wiccan are rooted in agape and therefore share considerable spiritual and ethical common ground, a truth long veiled. In contrast to ethically feckless secular rationality over which a devastating global social Darwinism currently runs roughshod, faith qua living surrender to agape grounds moral realism, awakens us to love for all creatures and inspires struggles for justice. Inspired by the philosophy of Emmanuel Levinas and Christian spirituality, Greenway engages on the one hand intellectuals like Stanley Hauerwas, Richard Rorty, Gayatri Chakravorty Spivak, Jeffery Stout, Charles Taylor, and Bernard Williams, and on the other contemporary debates over consciousness, free will, evil, and metaethics. He details the character of secular rationality's devastating scission from moral reality and clarifies the promise of understanding faith and spirituality in terms of agape.

*A Strategy For Reaching Secular People* Ernan A. Norman, D. Min., 2007-05-11. Dr. Ernan A. Norman, D. Min., has identified strategies to implement John 13:35: "All people will know that you are my followers if you love each other." An excellent source for the essential principles of discipleship in a postmodern world, this book is written in nontechnical language based on the experiences as a student pastor and professor. I believe that the concepts presented are fundamental and are in harmony with the model demonstrated by Jesus during His ministry on earth. Meeting people at their level, putting their needs ahead of His own, treating people with respect, befriending the nonreligious, and inviting them into a relationship with Himself are some of the concepts that are identified and supported as strategies for reaching secular people. This book is an outstanding and important piece of work and easily readable. I would urge *A Strategy for Reaching Secular People* on members and leaders in every church if they are willing to challenge basic assumptions and embrace change relative to reaching lost people. Strategies that remove the barriers that keep people from hearing about God's love and to create a warm, friendly, uncritical, and nonjudgmental attitude of acceptance are clearly presented. Full of practical how-to's and watch out's, this book by Ernan Norman is for individuals serious about sharing the love of God. As we interact with and minister to secular people, matters such as marriage and family, academics, employment, addictions, and human rights must be addressed. Norman clearly gives strategies for intentional efforts to reach secular postmodern men and women in our day. The central concept is the example of Jesus that we should follow. A must read.

*Never Again* Scientism and Secularism J. P. Through Death Into Life Everlasting Dr. Wes Ellis, ThD,2022-06-02 In all likelihood most of us wonder about the end of life here how to be ready when it comes and what the future holds We hear all sorts of answers from many sources from wild to probable Many people believe that heaven is a place where all the good go after we die so You d better watch out you d better not cry and that heaven is everlasting and to

be much preferred over the alternative hell Consider this question What seems to have been God's primary purpose for heaven One answer would be that He wants to populate it with human beings who are most like His Son Jesus Christ But how could that be accomplished My thoughts on the broad subject of death come from knowing Jesus and walking with Him for about seventy eight years I came to know Him as a child having heard His call upon my life Our conversations along the way led me to give Him my best in training my mind and heart in practical service through several open doors through marriage and family through struggles and accomplishments through many sorrows and sicknesses and through years of disability and retirement Like old Apostle John who learned so much from the Risen Lord in his long life I believe that He has laid some things upon my heart that must be shared Hence this book Here you will find insights that may correct things you've always believed give help with understanding or learn approaches that you never considered pricks of conscience or just delightful affirmations Here are a few of the ideas you'll find here Where does it start and end The eternal now The Eternal One not three Let there be and there is but only if Creation and development When you became only a mortal God who keeps speaking Why don't you answer First death and resurrection and Second death and resurrection The sin that God can't forgive Through death into life everlasting He leads He leads and we follow Him there Heaven or hell or an alternative Sin's consequences before Abram Mansions Ritual or relationship The startling paradigm shift How the Word becomes personal Being at home in heaven What if there's a stalemate How to know for sure Here and now with me as though He is nowhere else He loves you intensely Always the victory habit and more Blessings Brother Wes

**Voices of Yugoslav Jewry** Paul Benjamin Gordiejew, 2012-02-01 Voices of Yugoslav Jewry emphasizes the role of history in shaping Yugoslav Jewish identity World War II imposed irreversible effects on this population of Jews leaving them with an acute sense of disjuncture and fragmentation This once unified Jewish community lost its secure place in the politico symbolic order of a single multiethnic state and the surviving local Jewish communities which are now a part of new states face the task of refashioning their identities once again The process of creating the new Yugoslavia has allowed for the emergence of a new Jewish collective voice one that blended harmoniously with the emerging voice of Tito This collective voice manifested itself by using language material culture and dramaturgical performances in ways that exhibited high public integration with the symbolic order of the new state In searching for the voices of individuals and listening to them closely a wide range of diverse individual experiences and ways of constructing meaningful Jewish selves can be heard It is these voices that constitute the core of the book

**Bill Bright and Campus Crusade for Christ** John G. Turner, 2009-11-30 Founded as a local college ministry in 1951 Campus Crusade for Christ has become one of the world's largest evangelical organizations today boasting an annual budget of more than 500 million Nondenominational organizations like Campus Crusade account for much of modern evangelicalism's dynamism and adaptation to mainstream American culture Despite the importance of these parachurch organizations says John Turner historians have largely ignored them Turner offers an accessible and colorful history of

Campus Crusade and its founder Bill Bright whose marketing and fund raising acumen transformed the organization into an international evangelical empire Drawing on archival materials and more than one hundred interviews Turner challenges the dominant narrative of the secularization of higher education demonstrating how Campus Crusade helped reestablish evangelical Christianity as a visible subculture on American campuses Beyond the campus Bright expanded evangelicalism s influence in the worlds of business and politics As Turner demonstrates the story of Campus Crusade reflects the halting movement of evangelicalism into mainstream American society its awkward marriage with conservative politics its hesitancy over gender roles and sexuality and its growing affluence

**Contemporary Issues in Science & Christian Faith** American Scientific Affiliation, 1992      [Weathering Storms](#) Larry G. Warkentin, 2021-03-15 In the Crucible of Crisis *Weathering Storms* is a book born out of the author's personal experience and his witness of the crisis experiences of others. Some have faced unimaginable stressors in life that seem meaningless and cruel. Consequently, one's psychology and theology may bend to the breaking point. Further to this, life's storms seem to amplify God's silence. Yet there is never a time when the Master of the wind and waves is more attentive. *Weathering Storms* probes these dynamics in depth. Your crisis experience will end. And when it does, you will never be the same. But the person you become after arriving on the other side of the storm is reborn with new strength, insight, and wisdom. You will never want to go back to the person you once were; that is, if you walk the journey and weather the storm.      *Reasonable Faith* William Lane Craig, 1994 An excellent choice for a rational and systematic defense of the Christian faith. Written by one of the top Christian theologians in an easier-to-read style, this expanded edition discusses the relationship between faith and reason, covering important core beliefs. This resource includes a new chapter on the validity of New Testament documents.

*Homeward Bound* Harold C. Warlick, Jr., 1991      **Evangelism through the Local Church** Michael Green, 2023-09-28 A comprehensive guide to practical evangelism, its biblical basis, theological backbone, and current practice. Michael Green draws from a lifetime's experience in this seminal work on the theory and practice of evangelism. Green shows how the good news of Christ is communicated most effectively through the local church. This comprehensive resource includes a primer on Christian apologetics and concrete suggestions for congregations and individuals sharing the gospel. Green challenges the hang-ups which so often accompany the very mention of evangelism. His classic work will continue to inspire new generations of evangelists.
