Rebel Angels James Michael Rice, 2003-10-01 On the surface, the small New England town of Hevven appears to be the ideal place to raise a family. It's quiet and quaint and far removed from the hustle and bustle of the city. But Hevven is a town with a bloody past and a dark secret. After a chance encounter with a serial killer, six teenagers uncover the grisly truth about their home town. Now wanted by the police for a murder they did not commit and stalked by a madman who will stop at nothing to silence them, Mike Swart and his friends make a desperate decision that will alter their lives forever. At a remote cabin in the mountains of New Hampshire, six teenagers will make a stand against an evil from which they cannot escape. But can they survive long enough to share their secret with the world? A novel that offers suspenseful action and intense drama, Rice's *Rebel Angels* is an exciting thriller that keeps the reader glued to its pages well into the wee hours of the morning.

SATAN Edward D. Andrews, 2019-10-03 In a world mired in spiritual warfare, *SATAN Know Your Enemy* serves as a comprehensive guide to understanding the adversary that seeks to deviate humanity from its divine course. In this compelling book, delve deep into the character of Satan, his original perfection, and the machinations that led to his downfall. Chapter by chapter, the book addresses pressing questions: Could Satan, Adam, and Eve have sinned if they were perfect? Can Satan read human thoughts or control human actions? How has Satan blinded the minds of unbelievers? Most importantly, it provides Biblical strategies on how to overcome Satanic influences and put on the full armor of God. Supplemented with illuminating appendices, the book explores lesser-known but vital topics like the identity of the Sons of God in Genesis 6, the enigmatic Nephilim, the role of Michael the Archangel, and the concept of guardian angels. It also courageously tackles difficult questions about life's unfairness and God's intervention in human affairs. *Know Your Enemy* is an invaluable resource for anyone seeking to fortify their faith and fend off spiritual attacks, grounding its insights in the objective Historical Grammatical method of Bible interpretation. It empowers readers to navigate through the labyrinth of life's challenges under the guidance of Scripture, armed with wisdom and discernment.

What Happened on the Cross Nick Peros, 2020-08-07 What Happened on the Cross offers a new and biblical understanding of how salvation was accomplished upon the cross showing that the Penal

Substitution view common since the 1500s does not have a biblical basis and also showing that the Christus Victor understanding is inadequate The book is founded upon the understanding that Jesus Christ is the Second Adam and that is the foundation of how we are to understand how salvation was accomplished Both the shedding of blood and death were essential in the accomplishment of salvation and What Happened on the Cross shows why these were essential Using over 740 Scripture verses to make its argument the book gives a comprehensive picture from Genesis to Revelation of the many aspects involved in the accomplishment of salvation above all showing clearly that the cross had nothing to do with punishment for sins our sins were never punished upon the cross rather our sins were forgiven Understanding how salvation was accomplished upon the cross and that it was about forgiveness not punishment both exalts God and his greatness demonstrates his perfect love and justice as well as liberates our hearts towards him *The Bible Predicts the Mandela Effect* Steve Adams, Have you heard of Dead Humanity theory It says that humanity died on 21 December 2012 exactly as predicted by the Mayans This might come as a big surprise to you given that you no doubt believe you are very much alive But are you Haven t you noticed that things have been getting seriously weird in the last few years Things don t seem to be as real as they used to be We seem to be in some fantasy world getting more bizarre by the second People are behaving extremely oddly Have we all actually become ghosts and just didn t realize we actually died Dead Humanity theory says that 21 December 2012 was actually when we were uploaded overnight into a technological Singularity and became part of an amazing simulation a true Matrix Our bodies became avatars so realistic we couldn t tell the difference or we were programmed not to see any difference We were given a new reality principle which was to accept the simulation as reality and to believe we had always been in this reality when in fact we only entered it a few years ago Our memories were adjusted by the Readjustment Bureau to make everything seem normal In the years leading up to the Death of Humanity many people were subjected to various test experiments to prove the concept They had their consciousness uploaded to the Singularity then back again Since they experienced different things in the Simulation they ended up with conflicting memories This all became known as the Mandela effect Some people in the simulation realized that things had changed dramatically and they came up with the Dead Internet theory which said that the Internet wasn t the same as it used to be It had actually died and been replaced by an Internet controlled by AI algorithms and bots Most content on the Internet was bot generated Most social media updates were by bots We were responding to a bot created world that had less and less need for humans These people hadn t got quite the right theory It wasn t the Internet that had died it was humanity However these people had powerfully intuited that something phenomenally strange was going on They just hadn t realized how strange As Sir Arthur Eddington said Not only is the universe stranger than we imagine it is stranger than we can imagine When in doubt consult the Bible It has all the answers God s answers What people have failed to realize is that the Bible itself predicts the Mandela effect *The Death of Jesus in Matthew* Catherine Sider Hamilton, 2017-06-16 In this book Catherine Sider Hamilton

introduces a new lens through which to view the death of Jesus in Matthew Using the concept of innocent blood she situates the death of Jesus within a paradigm of purity and pollution one that was central in the Hebrew Scriptures and early Judaism from the Second Temple to the rabbis Hamilton traces the theme of innocent blood in Matthew s narrative in relation to two Jewish traditions of interpretation one in Second Temple literature reflecting on the story of Cain and Abel the other chiefly in rabbinic literature on the blood of Zechariah Innocent blood yields a vision that resists the dichotomies intra muros vs extra muros rejection vs redemption that have characterized the debate a vision in which both judgment and redemption an end of exile may be true Innocent blood offers a new approach not only to the meaning of Jesus death in Matthew but also to the vexed question of the Gospel s attitude toward contemporary Judaism
