THE CIVIL WAR JOURNAL
OF A MAINE VOLUNTEER

Private John W. Haley, 17th Maine Regiment

Edited by Ruth L. Silliker

Rebel Yell The Yankee Hurrah

Elizabeth R. Varon

Rebel Yell The Yankee Hurrah:

The Rebel Yell & the Yankee Hurrah John W. Haley, 2014-09-07 On an I will if you will dare John Haley enlisted in the 17th Maine Regiment in August 1862 for three years unless sooner discharged Discharged shot or starved would have been more accurate Haley later wryly observed Though a reluctant soldier at first he served steadfastly in the Army of the Potomac for nearly three years participating in some of the most significant battles of the Civil War John Haley was not the only soldier to record each day's events in his journal by firelight or by picket's lantern for his was a literate generation He was unusual in that he later painstakingly rewrote his battlefield notes reflecting at leisure and adding fascinating political and personal commentary to produce the remarkable volume he calls Haley's Chronicles **Lee's Last Retreat** William Marvel, 2002 A chronicle of the last days of the Civil War examines Lee's final retreat and subsequent surrender at Appomattox Armies of Deliverance Elizabeth R. Varon, 2019-02-13 Loyal Americans marched off to war in 1861 not to conquer the South but to liberate it So argues Elizabeth R Varon in Armies of Deliverance a sweeping narrative of the Civil War and a bold new interpretation of Union and Confederate war aims Northerners imagined the war as a crusade to deliver the Southern masses from slaveholder domination and to bring democracy prosperity and education to the region As the war escalated Lincoln and his allies built the case that emancipation would secure military victory and benefit the North and South alike The theme of deliverance was essential in mobilizing a Unionist coalition of Northerners and anti Confederate Southerners Confederates fighting to establish an independent slaveholding republic were determined to preempt discredit and silence Yankee appeals to the Southern masses In their quest for political unity Confederates relentlessly played up two themes Northern barbarity and Southern victimization Casting the Union army as ruthless conquerors Confederates argued that the emancipation of blacks was synonymous with the subjugation of the white South Interweaving military and social history Varon shows that everyday acts on the ground from the flight of slaves to protests against the draft the plundering of civilian homes and civilian defiance of military occupation reverberated at the highest levels of government Varon also offers new perspectives on major battles illuminating how soldiers and civilians alike coped with the physical and emotional toll of the war as it grew into a massive humanitarian crisis The Union's politics of deliverance helped it to win the war But such appeals failed to convince Confederates to accept peace on the victor's terms ultimately sowing the seeds of postwar discord Armies of Deliverance offers innovative insights on the conflict for those steeped in Civil War history and novices alike

The Howling Storm Kenneth W. Noe, 2020-10-07 Finalist for the Lincoln Prize Winner of the Colonel Richard W Ulbrich Memorial Book Award Traditional histories of the Civil War describe the conflict as a war between North and South Kenneth W Noe suggests it should instead be understood as a war between the North the South and the weather In The Howling Storm Noe retells the history of the conflagration with a focus on the ways in which weather and climate shaped the outcomes of battles and campaigns He further contends that events such as floods and droughts affecting the Confederate

home front constricted soldiers food supply lowered morale and undercut the government s efforts to boost nationalist sentiment By contrast the superior equipment and open supply lines enjoyed by Union soldiers enabled them to cope successfully with the South s extreme conditions and ultimately secure victory in 1865 Climate conditions during the war proved unusual as irregular phenomena such as El Ni o La Ni a and similar oscillations in the Atlantic Ocean disrupted weather patterns across southern states Taking into account these meteorological events Noe rethinks conventional explanations of battlefield victories and losses compelling historians to reconsider long held conclusions about the war Unlike past studies that fault inflation taxation and logistical problems for the Confederate defeat his work considers how soldiers and civilians dealt with floods and droughts that beset areas of the South in 1862 1863 and 1864 In doing so he addresses the foundational causes that forced Richmond to make difficult and sometimes disastrous decisions when prioritizing the feeding of the home front or the front lines The Howling Storm stands as the first comprehensive examination of weather and climate during the Civil War Its approach coverage and conclusions are certain to reshape the field of Civil War studies

Small But Important Riots Robert F. O'Neill, 2023 Named a Top Ten Book of 2023 by Civil War Books and Authors June 1863 The American Civil War was two years old and the U S Army in Virginia was in chaos Reeling after the recent defeat at Chancellorsville the Federals especially the Cavalry Corps scrambled to regroup Confederate general Robert E Lee seized the moment to launch a second invasion of the North As Lee slipped away frantic Federal leaders asked Where are the Rebels At this critical moment the much maligned Federal cavalry stepped to center stage Small but Important Riots is a tactical study of fighting from June 17 to 22 1863 at Aldie Middleburg and Upperville placed within the strategic context of the Gettysburg campaign It is based on Robert O Neill s thirty years of research and access to previously unpublished documents which reveal startling new information Since the fighting in Loudoun Valley of Virginia ended in June 1863 one perspective has prevailed that Brigadier General Alfred Pleasonton who commanded the Cavalry Corps Army of the Potomac disobeyed orders According to published records Pleasonton s superiors including President Abraham Lincoln Secretary of War Edwin Stanton and army commander Joseph Hooker ordered Pleasonton to search for General Robert E Lee s Army of Northern Virginia during a critical stage of the Gettysburg campaign and Pleasonton ignored their orders Recently discovered documents discussed in this book prove otherwise

Fredericksburg! Fredericksburg! George C. Rable, 2009-11-15 During the battle of Gettysburg as Union troops along Cemetery Ridge rebuffed Pickett s Charge they were heard to shout Give them Fredericksburg Their cries reverberated from a clash that although fought some six months earlier clearly loomed large in the minds of Civil War soldiers Fought on December 13 1862 the battle of Fredericksburg ended in a stunning defeat for the Union Confederate general Robert E Lee suffered roughly 5 000 casualties but inflicted more than twice that many losses nearly 13 000 on his opponent General Ambrose Burnside As news of the Union loss traveled north it spread a wave of public despair that extended all the way to President Lincoln In the beleaguered Confederacy the southern

victory bolstered flagging hopes as Lee and his men began to take on an aura of invincibility George Rable offers a gripping account of the battle of Fredericksburg and places the campaign within its broader political social and military context Blending battlefield and home front history he not only addresses questions of strategy and tactics but also explores material conditions in camp the rhythms and disruptions of military life and the enduring effects of the carnage on survivors both civilian and military on both sides

The Gentlemen and the Roughs Lorien Foote, 2010-06-01 A seminal work on class divisions within the Union Army One of the best examples of scholarship on the social history of Civil War soldiers The Journal of Southern History During the Civil War the Union army appeared cohesive enough to withstand four years of grueling war against the Confederates and to claim victory in 1865 But fractiousness bubbled below the surface of the North's presumably united front Internal fissures were rife within the Union army class divisions regional antagonisms ideological differences and conflicting personalities all distracted the army from quelling the Southern rebellion In this highly original contribution to Civil War and gender history Lorien Foote reveals that these internal battles were fought against the backdrop of manhood Clashing ideals of manliness produced myriad conflicts as when educated refined and wealthy officers gentlemen found themselves commanding a hard drinking group of fighters roughs a dynamic that often resulted in violence and even death Based on extensive research into previously ignored primary sources *The Gentlemen and the Roughs* uncovers holes in our understanding of the men who fought the Civil War and the society that produced them Finalist for the 2011 Gilder Lehrman Lincoln Prize

Pathway to Hell Dennis W. Brandt, 2010-07-01 Shell shock battle fatigue posttraumatic stress disorder lack of moral courage different terms for the same mental condition formal names that change with observed circumstances and whenever experts feel prompted to coin a more suitable descriptive term for the shredding of the human spirit Although the specter of psychological dysfunction has marched alongside all soldiers in all wars always at the ready to ravish minds rarely is it discussed when the topic is America's greatest conflict the Civil War Yet mind destroying terror was as present at Gettysburg and Antietam as in Vietnam and today in Iraq and Afghanistan Drawing almost exclusively from extensive primary accounts Dennis W Brandt presents a detailed case study of mental stress that is exceptional in the vast literature of the American Civil War *Pathway to Hell* offers sobering insight into the horrors that war wreaked upon one young man and illuminates the psychological aspect of the War Between the States

The Petersburg Campaign Thomas J. Howe, 1988 Series centers on the battles leaders cities and significant events associated with the history of the Civil War in Virginia This volume details the second battle of Petersburg from June 15 18

[A Campaign of Giants--The Battle for Petersburg](#) A. Wilson Greene, 2018-04-17 Grinding bloody and ultimately decisive the Petersburg Campaign was the Civil War's longest and among its most complex Ulysses S Grant and Robert E Lee squared off for more than nine months in their struggle for Petersburg the key to the Confederate capital at Richmond Featuring some of the war's most notorious battles the campaign played out against a backdrop of political drama and crucial fighting elsewhere with

massive costs for soldiers and civilians alike After failing to bull his way into Petersburg Grant concentrated on isolating the city from its communications with the rest of the surviving Confederacy stretching Lee s defenses to the breaking point When Lee s desperate breakout attempt failed in March 1865 Grant launched his final offensives that forced the Confederates to abandon the city on April 2 1865 A week later Lee surrendered at Appomattox Court House Here A Wilson Greene opens his sweeping new three volume history of the Petersburg Campaign taking readers from Grant s crossing of the James in mid June 1864 to the fateful Battle of the Crater on July 30 Full of fresh insights drawn from military political and social history A Campaign of Giants is destined to be the definitive account of the campaign With new perspectives on operational and tactical choices by commanders the experiences of common soldiers and civilians and the significant role of the United States Colored Troops in the fighting this book offers essential reading for all those interested in the history of the Civil War

Right here, we have countless books **Rebel Yell The Yankee Hurrah** and collections to check out. We additionally meet the expense of variant types and after that type of the books to browse. The okay book, fiction, history, novel, scientific research, as competently as various other sorts of books are readily reachable here.

As this Rebel Yell The Yankee Hurrah, it ends in the works living thing one of the favored ebook Rebel Yell The Yankee Hurrah collections that we have. This is why you remain in the best website to see the incredible book to have.
