

THE REBEL WHO LOST HIS CAUSE

*The Tragedy of
John Beckett, MP*

FRANCIS BECKETT

Rebel Who Lost His Cause

Frank Moore

Rebel Who Lost His Cause:

The Rebel who Lost His Cause Francis Beckett, 1999 Traces the disillusionment of the one time Labour's youngest MP into a follower of Mosley's British Union of fascists to his founding of Britain's fascist National Socialist League **Hitler's Secret Army** Tim Tate, 2019-07-02 This dramatic exposé of Allied subterfuge and betrayal uncovers the treachery of undercover fascists and American Nazi spy rings during the height of World War II Between 1939 and 1945 more than seventy Allied men and women were convicted mostly in secret trials of working to help Nazi Germany win the war In the same period hundreds of British Fascists were also interned without trial on specific and detailed evidence that they were spying for or working on behalf of Germany Collectively these men and women were part of a little known Fifth Column traitors who committed crimes including espionage sabotage communicating with enemy intelligence agents and attempting to cause disaffection amongst Allied troops Hundreds of official files released piecemeal and in remarkably haphazard fashion in the years between 2002 and 2017 reveal the truth about the Allied men and women who formed these spy rings Several were part of international espionage rings based in the United States If these men and women were for the most part lone wolves or members of small networks others were much more dangerous In 1940 during some of the darkest days of the war two well connected British Nazi sympathizers planned overlapping conspiracies to bring about a fascist revolution These plots were foiled by Allied spymasters through radical and often contentious methods of investigation Elizabethan Rebellions Helene Harrison, 2023-01-24 Elizabeth I Tudor Queen Protestant Throughout her reign Elizabeth I had to deal with many rebellions which aimed to undermine her rule and overthrow her Led in the main by those who wanted religious freedom and to reap the rewards of power each one was thwarted but left an indelible mark on Queen Elizabeth and her governance of England Learning from earlier Tudor rebellions against Elizabeth's grandfather father and siblings they were dealt with mercilessly by spymaster Francis Walsingham who pushed for the execution of Mary Queen of Scots due to her involvement and who created one of the first government spy networks in England Espionage spying and hidden ciphers would demonstrate the lengths Mary was willing to go to gain her freedom and how far Elizabeth's advisors would go to stop her and protect their Virgin Queen Elizabeth I and Mary Queen of Scots were rival queens on the same island pushed together due to religious intolerance and political instability which created the perfect conditions for revolt where power struggles would continue even after Mary's death The Elizabethan period is most often described as a Golden Age Elizabeth I had the knowledge and insight to deal with cases of conspiracy intrigue and treason and perpetuate her own myth of Gloriana **The Last Royal Rebel** Anna Keay, 2016-05-24 The absorbing tale of how this legendary rogue became the champion of parliamentary monarchy and changed the course of English history At first light on July 6 1685 the last battle ever fought on English soil was almost over On one side of the watery pasture at Sedgemoor was the dashing thirty six year old Duke of Monmouth the charismatic son of Charles II adored by the people A reformer a romantic and a Protestant he was

fighting the army he had once commanded in opposition to his uncle King James II Yet even before he launched his attack Monmouth knew he would die Born in the backstreets of Rotterdam in the year his grandfather Charles I was executed Monmouth was the child of a turbulent age His mother the first of Charles II s famous liaisons played courtesan to the band of raw and restless young royalists forced abroad by the changing political current Conceived during a revolution and born into a republic Monmouth by the time he was twelve was the sensation of the most licentious and libertine court in Europe Adored by the king and drenched in honors he became the greatest rake and reprobate of the age On his path to becoming the last royal rebel Monmouth consorted with a spectacular list of contemporaries Louis XIV was his mentor William of Orange his confidant Nell Gwyn his friend the future Duke of Marlborough his pupil D Artagnan his lieutenant John Dryden his censor and John Locke his comrade Anna Keay expertly chronicles Monmouth s life and offers splendid insight into this crucial and dramatic period in English history *History of the Irish Rebellion in 1798; with memoirs of the Union, and Emmett's insurrection in 1803 ... Fourth edition. [Illustrated by George Cruickshank].* William Hamilton MAXWELL,1854

The Rebellion Record Frank Moore,1864 **Christ in the Psalms, an exposition of the 2nd, 45th, and 110th Psalms, in discourses** George Harpur,1862 **Taiping Rebel** Xiucheng Li,Charles Anthony Curwen,1976 Li Hsiu ch eng the Loyal Prince was the most important military leader on the rebel side during the last years of the Taiping Rebellion in China 1851 64 The Taiping Rebellion has been called the greatest popular revolt in modern history and it came remarkably close to toppling the Ch ing empire some fifty years before it was finally overthrown in 1911 Captured in June 1864 by government forces Li Hsiu ch eng spent the final days before his inevitable execution writing a personal account of the Rebellion and his role in it His Deposition is the fullest narrative by a participant and an invaluable historical document The original manuscript of the Deposition was withheld by the government commander Tseng Kuo fan and his descendants and a shortened bowdlerized version prepared for publication Li himself was considered a great revolutionary hero in China until the Cultural Revolution when he was reassessed in a major public debate of considerable political significance *Akhnaton, King of Egypt* Dmitry Sergeyeovich Merezhkovsky,1927 *The Rebellion Record: A Diary of American Events, With Documents, Narratives, Illustrative Incidents, Poetry, Etc. ,*1864 **Christ in the Psalms. An exposition of the second, forty-fifth, and hundred-and-tenth Psalms. In a series of discourses** George HARPUR,1862 Christ in the Psalms: an Exposition of the Second, Forty-fifth, and Hundred-and-tenth Psalms: in a Series of Discourses George Harpur (B.A., Curate of Clifton and Harby.),1862 **History of the Irish Rebellion in 1798** William Hamilton Maxwell,1866 History of the Irish rebellion in 1798; with memoirs of the union [&c.]. William Hamilton Maxwell,1845 *Islam in Historical Perspective* Alexander Knysh,2015-09-30 Islam in Historical Perspective integrates history of Islamic societies with discussion of how Muslim scriptures laws moral values and myths have shaped lives and thought of individual Muslims and various Muslim communities from the rise of Islam until today It provides carefully selected historical and scriptural evidence that enables

readers to form a comprehensive balanced vision of Islam's evolution Author Alexander Knysh shows Muslims have made sense of their life experiences by constantly interpreting and re interpreting Islam's foundational ideas in accordance with ever changing social and political conditions In addition to the combined historical and chronological approach the author offers in depth discussions of intellectual dialogues and struggles within Islamic tradition He shows Islam to be a social and political force while addressing Muslim devotional practices artistic creativity and structures of everyday life and provides a wealth of historical anecdotes and quotations from original sources that are designed to illustrate principal points

The Rebellion record ,1864 **The Rival Heirs** Augustine David Crake,1882 **The Making of the Neville Family in England, 1166-1400** Charles R. Young,1996 A study of power in the middle ages the Nevilles of Raby who included among their members Warwick the Kingmaker was one of the major baronial families in England The story of the Neville family is a fascinating one From their inconspicuous beginnings in Lincolnshire after the Norman Conquest by the fourteenth century the Nevilles of Raby were among the most influential groups in the north of England virtually ruling the area by means of the royal offices they held and their political power reached its zenith in the fifteenth century with Richard de Neville earl of Warwick the so called Kingmaker This new study aims to answer the question of how a family of knightly status but with no special prominence was able to rise to such heights tracing its growth and development through a careful examination of surviving documents it also illustrates how the governance of medieval England worked with the cooperation of baronial families in a pragmatic manner quite apart from any abstract legal or constitutional principles CHARLES R YOUNG is Professor Emeritus of History at Duke University Democracy of Despots Donald Murray,1995-08-28 A Democracy of Despots is a history of Soviet and Russian experiments with democratic institutions from 1988 to 1995 Based on eye witness accounts and in depth interviews with most of the political leaders in this drama it tells the story of the men and women who began an experiment in euphoria only to find themselves at war with one another five years later Arguing that Gorbachev and Yeltsin used the democratic institutions they created to crush political opponents and increase their own personal power Murray concludes that the rise of Vladimir Zhirinovsky and the war in Chechnya are not aberrations on Russia's road to democracy but the logical extension and consequence of Gorbachev's and Yeltsin's despotism

The American Monthly Magazine ,1893

Immerse yourself in heartwarming tales of love and emotion with Crafted by is touching creation, Experience Loveis Journey in **Rebel Who Lost His Cause** .
