

REBELS FROM WEST POINT

The 306 U.S. Military Academy Graduates
Who Fought for the Confederacy

Gerard A. Patterson

Rebels Of West Point

**United States. Congress. House.
Committee on the Judiciary**

Rebels Of West Point:

Rebels from West Point Gerard A. Patterson,1987 *Rebels from West Point* is the powerful and poignant story of the men who led the army of the Confederacy the problems they faced as they shaped an army the battles they fought and the terrible price they paid for their loyalty to their home states 38 black and white photographs [Impeachment Investigation](#) United States. Congress. House. Committee on the Judiciary,1867 *Testimony Taken Before the Judiciary Committee of the House of Representatives in the Investigation of the Charges Against Andrew Johnson* United States. Congress. House. Committee on the Judiciary,1867 *House Documents* USA House of Representatives,1868 **Repurposed Rebels** Mariam Bjarnesen,2020-09-15 Despite peace agreements demobilization and reintegration processes the end of war does not automatically or necessarily make combatants abandon their wartime rebel networks In Liberia such structures have lingered long after the civil war came to an end in 2003 Weak formal security institutions with a history of predatory behavior have contributed to the creation of an environment where informal initiatives for security and protection are called upon In fragile postwar settings former soldiers can be used as intimidators but have paradoxically reemerged as security providers challenging our understanding of both the setting and the actors beyond the sphere of war Based on original interview material and findings from fieldwork *Repurposed Rebels* follows former rebel soldiers from the time of civil war to 2013 These actors have reemerged as recycled warriors in times of regional wars and crisis and as vigilantes and informal security providers for economic and political purposes Through these actors Mariam Bjarnesen examines the relevance of postwar rebel networks and ex combatant identity in contemporary Liberia with an eye to understanding the underlying aims of demobilization when reintegration is challenged Bjarnesen argues that these ex combatants have succeeded in reintegrating themselves due to not despite the fact that they have not been truly demobilized [The Southern Rebellion](#) William August Crafts,1870 *Those Damned Rebels* Michael Pearson,1972 A re creation of the American Revolution from the British point of view and a dramatically different picture of the birth of our nation **Rebels in Arms** Justin Iverson,2022-11-01 Enslaved Black people took up arms and fought in nearly every colonial conflict in early British North America They sometimes served as loyal soldiers to protect and promote their owners interests in the hope that they might be freed or be rewarded for their service But for many Black combatants war and armed conflict offered an opportunity to attack the chattel slave system itself and promote Black emancipation and freedom In six cases starting in 1676 with Nathaniel Bacon s Rebellion in Virginia and ending in 1865 with the First South Carolina Volunteer Infantry Regiment near Charleston *Rebels in Arms* tells the long story of how enslaved soldiers and Maroons learned how to use military service and armed conflict to fight for their own interests Justin Iverson details a different conflict in each chapter illuminating the participation of Black soldiers Using a comparative Atlantic analysis that uncovers new perspectives on major military conflicts in British North American history he reveals how enslaved people used these conflicts to lay the groundwork for

abolition in 1865 Over the nearly two hundred year history of these struggles enslaved resistance in the British Atlantic world became increasingly militarized and enslaved soldiers Maroons and plantation rebels together increasingly relied on military institutions and operations to achieve their goals *Rebel Salvation* Kathleen Zebley Liulevicius, 2021-06-09 Winner of the Tennessee History Book Award In *Rebel Salvation* Kathleen Zebley Liulevicius examines pardon petitions from former Confederate soldiers and sympathizers in Tennessee to craft a unique and comprehensive analysis of the process of Reconstruction in the Volunteer State after the Civil War These underutilized petitions contain a wealth of information about Tennesseans from an array of social and economic backgrounds and include details about many residents who would otherwise not appear in the historical record They reveal the dynamics at work between multiple factions in the state former Rebels Unionists Governor William G Brownlow and the U S Army officers responsible for ushering Tennessee back into the Union The pardons also illuminate the reality of the politically and emotionally charged post Civil War environment where everyone from wealthy elites to impoverished sharecroppers who had fought supported or expressed sympathy for the Confederacy was required by law to sue for pardon to reclaim certain privileges All such requests arrived at the desk of President Andrew Johnson who ultimately determined which petitioners regained the right to vote hold office practice law operate a business and buy and sell land Those individuals filing petitions experienced Reconstruction in personal and profound ways Supplicants wrote and circulated their exoneration documents among loyalist neighbors friends and Union officers to obtain favorable endorsements that might persuade Brownlow and Johnson to grant pardon Former Rebels relayed narratives about the motivating factors compelling them to side with the Confederacy chronicled their actions during the war expressed repentance and pledged allegiance to the United States government and the Constitution Although not required many petitioners even sought recommendations from their former wartime foes The pardoning of former Confederates proved a collaborative process in which neighbors acquaintances and erstwhile enemies lodged formal pleas to grant or deny clemency from state and federal officials Indeed as *Rebel Salvation* reveals the long road to peace began here in the newly reunited communities of postwar Tennessee **Rebel Invasion of Missouri and Kansas** Richard Josiah Hinton, 1865

Whispering the Strategies of Language: An Mental Quest through **Rebels Of West Point**

In a digitally-driven world wherever displays reign supreme and instant interaction drowns out the subtleties of language, the profound techniques and mental subtleties hidden within phrases usually move unheard. However, located within the pages of **Rebels Of West Point** a charming fictional value pulsating with natural feelings, lies an exceptional quest waiting to be undertaken. Penned by a talented wordsmith, this enchanting opus invites visitors on an introspective journey, gently unraveling the veiled truths and profound affect resonating within ab muscles fabric of each word. Within the mental depths of this emotional evaluation, we will embark upon a genuine exploration of the book is primary subjects, dissect its fascinating publishing type, and yield to the strong resonance it evokes deep within the recesses of readers hearts.
