How does dharma wisdom show up in our lives every day? This collection of teachings by the beloved Insight Meditation teacher Larry Rosenberg offers clear down to earth guidance on learning how to live a life informed by Buddhism through questioning, reflective observation, and self-understanding. Rosenberg is known for presenting the essence of the Buddhism in a way that is unvarnished, utterly accessible, and that resonates with a wide audience. Here he unpacks with his signature engaging and iconoclastic style such topics as meditation, silence, use of the breath, self-knowing, working with strong emotions, intimacy, illness, and grief among others. There are few teachers who so epitomize the idea of spiritual friend in the way that Larry Rosenberg does. His teachings give a clear sense that dharma is very much a part of everyday life. This book is also informed by what Rosenberg considers his deeper and more immediate understanding of dharma that has come in recent years: a period marked in his own life by illness and disability and in the life of the planet by a deadly pandemic, war, an existential climate crisis, and pervasive technological distraction. An introductory essay written by journalist and author Madeline Drexler serves as a spiritual biography of Rosenberg, presenting his reflections on more than half a century of dedicated dharma practice and instruction. This essay illuminates what for Rosenberg were profound turning points and moments of realization, his long apprenticeships with foundational figures in twentieth-century Buddhism including Ajahn Chah, Thich Nhat Hanh, Seung Sahn, and Ajahn Buddhadasa, as well as Indian philosopher Jiddu Krishnamurti. **Free in Deed** Craig L. Nesson, 2022 Free in Deed provides an imaginative and succinct introduction to Lutheran ethics, which the author contends is finally neighbor ethics. The gospel of Jesus Christ sets us free to serve neighbors, including all creation and their well-being. This Lutheran framework provides a distinctive approach for navigating social issues in tumultuous times. **Marked: A Free Young Adult Urban Fantasy Book** Kim Richardson, 2011-03-21 READERS FAVORITE AWARDS WINNER 2011 Sixteen-year-old Kara Nightingale's ordinary life is suddenly turned upside down when she dies and wakes up in a strange new world with a new career as a rookie for the Guardian Angel Legion. President Joko Widodo's visit to meet US President Joe Biden in Washington on November 13 2023 has resulted in several new agreements. Marking a historic new phase in bilateral relations between the two countries, the two leaders upgraded US-Indonesia relations to a Comprehensive Strategic Partnership. Biden thanked Jokowi for Indonesia's leadership in ASEAN and underscored the US commitment to deepen cooperation in Southeast Asia and with Indonesia. Armory Reborn reviews various important aspects of Jokowi's visit which also carries a message from the Organization of Islamic Cooperation regarding the Palestinian issue. When this foreword was written, a ceasefire between Hamas and Israel was already in effect in the Gaza Strip, Palestine. The ceasefire was realized after a military confrontation between the Islamist Hamas faction and the Israeli military which claimed the lives of more than 14,000 civilians in Gaza. In this regard, Armory Reborn presents several scenarios about the future of the Gaza Strip after the military confrontation temporarily ends. The Gaza issue certainly cannot be separated from the peace negotiation process between Palestine and Israel. Many complex issues relate to the future of Gaza and Palestine. The existence of the Islamist Hamas faction and the nationalist Fatah faction which have difficulty uniting within the Palestinian Authority has made the peace process stall. Israel is taking advantage of the split Palestinian leadership to continue its territorial expansion agenda in the West Bank which, according to international law, is the territory of the Palestinian Authority. For those of you who are interested in aerospace technology, we provide an article about the failed launch of Starship, a spacecraft made by SpaceX. This failure occurred in the second test flight in mid-November 2023. Starship is part of SpaceX's ambitious program founded by Elon Musk to send people and goods to the moon and then to the planet Mars. We hope that Armory Reborn friends can enjoy all these articles. Satrio Arismunandar, Editor in chief.

Buddhist Scriptures Donald Lopez, 2004-03-25. While Buddhism has no central text such as the Bible or the Koran, there is a powerful body of scripture from across Asia that encompasses the dharma or the teachings of Buddha. This rich anthology brings together works from a broad historical and geographical range and from languages such as Pali, Sanskrit, Tibetan, Chinese, and Japanese. There are tales of the Buddha's past lives, a discussion of the qualities and qualifications of a monk, and an exploration of the many meanings of Enlightenment. Together, they provide a vivid picture of the Buddha and of the vast nature of the Buddhist tradition. **Setting Captives Free and the Spiritual Realm Volume One** Riaan

Engelbrecht, 2023-01-18. God is our deliverance. He is not the means or the method of deliverance, but He IS Deliverance. If we want deliverance, we need God, but not an idea or the thought or religion about God, but God Himself. We need God in our lives, and we need to abide in the Father, Son, and Holy Spirit to secure our deliverance and to walk in deliverance. Jesus is the Way of our Deliverance, for He is the Truth and the Life. In this series, we explore what is true deliverance pertaining to the spirit, soul, and body. We look at the scope and nature of such deliverance. We divide the truth from the myriad of lies, misconceptions, fallacies, and erroneous teachings regarding deliverance. For all, disciples are called to know what is true deliverance, how to engage in the spiritual war, and how to set the captives free. *Augustine: On the Free Choice of the Will,*
