Global Health Kevin McCracken, David R. Phillips, 2017-07-14 Global Health continues to provide readers with a comprehensive up to date and thought provoking outline and understanding of the constantly evolving global health landscape In this new edition the authors have maintained the successful structure and organisation of the previous edition to examine and explain recent health changes and consider likely future patterns New or expanded topics covered include emerging and re-emerging infectious disease threats increasing awareness of and interest in antimicrobial resistance and superbugs terrorism global conflict and health the new

UN 2030 Agenda for Sustainable Development the drive for Universal Health Coverage UHC the use of information technology in global health substance abuse palliative and end of life care ethical issues in global health Using clear and original explanations of complex issues this text makes extensive use of boxed case studies and international examples with discussion questions posed for readers at the end of each chapter Readers will also be able to take advantage of the new website that was designed to complement this book Global Health is essential reading for students and researchers of global health public health and development studies Foreign Policy Priorities in the FY11 International Affairs Budget United States. Congress. Senate. Committee on Foreign Relations,2011 **HEALTHCARE's OUT SICK - PREDICTING A CURE - Solutions that WORK !!!!** Gary D. Miner,Linda Miner,Darrell L. Dean,2019-01-04 The U S healthcare system is in complete chaos disarray Medical costs have increased significantly over the past 6 years with 70% increase for deductibles and 24% or more for health insurance premiums All the while workers earnings have either not increased or if they did the pay raises were for less than the increase in the cost of medical care The situation is unsustainable and the public wants the system fixed This book offers ways of fixing the problems in healthcare HEALTHCARE s OUT SICK PREDICTING A CURE Solutions that WORK first defines the healthcare in crisis problem Through real patient experiences the book describes the difficulties of getting through the maze of complexity among the plethora of silo providers which make up the industry The heart of the book provides readers with a comprehensive solution that can work a disruption that is necessary to provide Americans the medical care they need without the US public and healthcare providers and payors going into bankruptcy insolvency or closure This book delves into digitized medicine payor and provider reimbursement models and value based healthcare delivery It also includes a philosophy or mode of thinking and operation for the solutions that are needed for diagnosis effective cost effective and time efficient healthcare delivery of which digitized medicine value based care and payor reimbursement modes are just some of the factors The authors propose that the real solution involves having the patient at the center of the issues and changing from an archaic gold standard way of thinking to a Predictive Analytic thinking where one gets at the real truth by doing real science that in the end becomes effective not only for the population but for the individual person This all leads to real person centered and person directed medicine and healthcare delivery **2017 Catalog of Federal Domestic Assistance** United States. Congress. Senate. Office of Management and Budget. Executive Office of the President,2017 Identifies and describes specific government assistance opportunities such as loans grants counseling and procurement contracts available under many agencies and programs *The Green Medicine Chest* Judith Boice,2011-10-01 Are pharmaceutical drugs making you or your family sick Do you want to use safe earth friendly medicines Do you know how to effectively use supplements and natural remedies to build optimal health 66% of the U S population consults alternative health care providers and over 70% take supplements but many people don t know how to use these methods effectively This family health companion shows you how to address Acne Bed wetting Childhood vaccinations Colds

Depression Diabetes Fatigue Food allergies Headaches Insomnia Low libido Low thyroid Menstrual cramps Prostatitis Teething and much more Both scholarly and soulful both intellectual and entertaining this gem of a book has inspiring information for general readers as well as enough scientific rigor to appeal to health care professionals Keep this on hand in the family library or on the waiting room table for your patients Highly recommended Dr Jillian Stansbury N D It s rare to find a non fiction book about self care that reads like a good collection of short stories Dr Boice has such a warm and friendly voice and the information she relays is thorough and practical in every sense of the word I keep The Green Medicine Chest close at hand so when I hear the first sneeze complaints of fatigue or of encounters with poison ivy I can come to the rescue with the types of treatments I prefer Leigh Fortson Embrace Release Heal Delivering Distinctive Value in Emerging Economies Thomas Anning-Dorson,Sheena Lovia Boateng,Richard Boateng,2022-06-23 The idea behind editing this book is to present a contemporary reference that tells the story of how businesses and institutions in emerging economies are circumventing or can better circumvent institutional voids in order to create distinct value for consumers and develop resilient and sustainable economies For this book we gathered 24 contributions or chapters on new directions and strategies to create value in emerging economies The contributions span thematic areas such as COVID 19 and small businesses social influencers and COVID 19 advocacy artisan entrepreneurship leadership and project success internationalization and intellectual property cultural artifacts in corporate branding fintech adoption mobile money and agriculture value chain workplace fraud ethical decision making in accountancy modeling early detection of mother s mode of delivery assessment of health systems in Africa online platforms and patient empowerment students academic engagement and technology and continuous use of e learning among professional accounting students The authors of these contributions discuss the relevance of each chapter to its target audience practitioners and students They also outline the implications for practice and policy where applicable alongside the concluding arguments of their respective chapters In effect the 24 chapters offer key strategic directions for businesses public sector institutions non governmental organizations and international development institutions to be more efficient and sustainably responsible in delivering distinctive value in emerging economies Emerging economies have become an opportune interest of practitioners entrepreneurs and policy makers worldwide Hence a contemporary text which explores how to create and deliver distinct value in these economies is a must a read *Digital strategies to reduce salt consumption* Sonu M.
