find shelter in a Massachusetts Shaker community called the City of Hope It is the Era of Manifestations when young girls in Shaker enclaves all across the Northeast are experiencing extraordinary mystical visions earning them the honorific of Visionist and bringing renown to their settlements The City of Hope has not yet been blessed with a Visionist but that changes when Polly arrives and is unexpectedly exalted As she struggles to keep her dark secrets concealed in the face of increasing scrutiny Polly finds herself in a life changing friendship with a young Shaker sister named Charity a girl who will stake everything even her faith on Polly s honesty and purity

Shakers, Mormons, and Religious Worlds Stephen C. Taysom, 2010-11-22 Among America s more interesting new religious movements the Shakers and the Mormons came to be thought of as separate and distinct from mainstream Protestantism Using archives and historical materials from the 19th century Stephen C Taysom shows how these groups actively maintained boundaries and created their own thriving but insular communities Taysom discovers a core of innovation deployed by both the Shakers and the Mormons through which they embraced their status as outsiders Their marginalization was critical to their initial success As he skillfully negotiates the differences between Shakers and Mormons Taysom illuminates the characteristics which set these groups apart and helped them to become true religious dissenters *Catalog of Copyright Entries.
