Reception And Poetics In Keats My Ended Poet:

Reception and Poetics in Keats J. Robinson, 1998-12-21 Occasioned by the spirit of celebrating Keats's 200th birthday 31 October 1995 Jeffrey C Robinson's *Reception and Poetics in Keats* offers at once a history and readings of the many praise and commemorative poems to or about Keats collected in an appendix from the time of his early death up to the present day and a consequent rethinking of Keats's own poems and poetics Keats emerges as a poet uniquely available and useful to the experimental poets of our own time **Poetics of Self and Form in Keats and Shelley** Mark Sandy, 2017-03-02 Beginning with a reassessment of contemporary romantic studies this book provides a modern critical comparison of Keats and Shelley The study offers detailed close readings of a variety of literary genres including the romance lyric elegy and literary fragment adopted by Keats and Shelley to explore their poetic treatment of self and form The poetic careers of Keats and Shelley embrace a tragic affirmation of those darker elements latent in the earlier writings to meditate on their own posthumous reception and reputation Fresh readings of Keats and Shelley show how they conceive of the self as fictional and anticipate Nietzsche's modern theories of subjectivity Nietzsche's conception of the subject as a site of conflicting fictions usefully measures this emergent sense of poetic self and form in Keats and Shelley This Nietzschean perspective enriches our appreciation of the considerable artistic achievement of these two significant second generation romantic poets John Keats and the Perils of Posterity Nicholas Roe, 2025-08-02 This book begins with an account of the disease that killed Keats and contributed to the enduring myth that he was a doomed genius Newspaper reports of Keats's death and early tribute poems marking his demise form the substance of successive chapters as do early attempts at researching and writing a biography of him Keats's would-be biographers included his publisher John Taylor whose biographical endeavours preceded Keats's death his mentor Leigh Hunt who devoted a chapter to Mr Keats in his brilliant 1828 book *Lord Byron and some of his Contemporaries* and his friend and collaborator Charles Brown whose draft life narrative remains a vital source of information Poised to emigrate to New Zealand Brown passed his script and source materials to Richard Monckton Milnes enjoining him to complete the work Brown conceded that Milnes had an advantage in having not known Keats This book explores Milnes's efforts and success in publishing his *Life Letters and Literary Remains of John Keats* in 1848 the first full scale biography of the poet Milnes's book has proved a formative and enduring influence for all of Keats's biographers and the scale and resourcefulness of Milnes's labours are explored in detail The closing chapters trace the influence of Milnes's book in the later nineteenth century as new editions and fresh biographies appeared and Keats's reputation grew The volume devotes many pages to the life experiences of the two women who had been closest to Keats his sister Fanny and his fiancée Fanny Brawne It also reflects on the means by which the Keats Shelley House in Rome and Keats House in Hampstead were secured as memorial sites **Themes and images in the sonnets of John Keats** Luisa Conti Camaiora, 2015-02-04 Of the sixty-seven sonnets composed by John Keats fifty are commented here The number sixty-seven is inclusive of *Nature withheld*

Cassandra in the skies Keats's unfinished translation of Ronsard's sonnet *Nature ornant Cassandre qui devoyt* and of The Poet that is not universally acknowledged as composed by Keats The sonnets proposed thus present an ample spectrum of Keats's sonnet writing and cover the span of his writing career from 1814 to 1819 The sonnets are commented in chronological order two belong to the year 1814 three to 1815 seventeen to 1816 six to 1817 thirteen to 1818 and nine to 1819 For each sonnet the text is presented followed by the date of composition and of the first publication An indication of the typology to which the sonnet belongs and of its rhyme scheme is also furnished The text is based on the editions of Miriam Allott *The Poems of John Keats* Longman London 1972 1970 Jack Stillinger *John Keats Complete Poems* Harvard University Press Cambridge Mass and London 1982 1978 John Barnard *John Keats The Complete Poems* Penguin Books London 1988 1973 Nicholas Roe *John Keats Selected Poems* Dent London 2000 1995 and Paul Wright *The Poems of John Keats* Wordsworth Poetry Library Ware 2001 For the dating that proposed by Miriam Allott has been followed For each sonnet the circumstances of its composition when known are referred The letters of Keats are cited to provide information on the date and on the events surrounding the writing of the poems to furnish the poet's own comments concerning the sonnets and to document parallels in wording images and thoughts useful for the analysis on hand as well as other more general observations and reflections of the poet retained to be pertinent for a better understanding of the poems The edition from which the citations of the letters are taken is that of Grant F Scott *Selected Letters of John Keats* Harvard University Press Cambridge Mass and London 2002 integrated when necessary by that of Hyder Edward Rollins *The Letters of John Keats 1814 1821* 2 vols Harvard University Press Cambridge Mass 1958 Other important sources of information regarding the sonnets that have here been used are Richard Monckton Milnes's edition of the life of Keats *Life Letters and Literary Remains of John Keats* 2 vols London 1848 the recollections of Charles Cowden Clarke *Recollections of Writers 1878* Centaur Press Fontwell 1969 and the literary remains of the Keats Circle collected by Hyder Edward Rollins *The Keats Circle Letters and Papers 1816 1879* 2 vols Harvard University Press Cambridge Mass 1965 1948 For the meanings and significations of specific words reference has been made to the Oxford English Dictionary 2nd ed on CD ROM v 4 0 Oxford University Press Oxford 2009 Some of the sonnets have been commented in previous articles and books of the author in particular in her *Il primo Keats lettura della poesia 1814 1818* Milella Lecce 1978 *The Letters and Poems of John Keats's Northern Tour* Europrint Publications Milan 1997 and *John Keats and the Creative Process* Europrint Publications Milan 2001 but here the analyses are re-visited integrated and modified *Tratto dall'Introduzione dell'Autrice* Unfettering Poetry J. Robinson, 2006-04-29 This book calls attention to the pervasive but largely unacknowledged poetics of the Fancy evident in poetry written during the British Romantic period These poetics Robinson demonstrates are an early nineteenth century version of what will become the visionary experimental open form poetics of the twentieth century **The Cambridge Companion to British Romantic Poetry** Maureen N. McLane, 2008-09-04 More than any other period of British literature

Romanticism is strongly identified with a single genre Romantic poetry has been one of the most enduring best loved most widely read and most frequently studied genres for two centuries and remains no less so today This Companion offers a comprehensive overview and interpretation of the poetry of the period in its literary and historical contexts The essays consider its metrical formal and linguistic features its relation to history its influence on other genres its reflections of empire and nationalism both within and outside the British Isles and the various implications of oral transmission and the rapid expansion of print culture and mass readership Attention is given to the work of less well known or recently rediscovered authors alongside the achievements of some of the greatest poets in the English language Wordsworth Coleridge Blake Scott Burns Keats Shelley Byron and Clare

Romanticism, Memory, and Mourning Mark Sandy, 2016-04-08 The subject of Romanticism Memory and Mourning could not be timelier with Žižek's recent proclamation that we are living in the end times and in an era which is preoccupied with the process and consequences of ageing We mourn both for our pasts and futures as we now recognise that history is a continuation and record of loss Mark Sandy explores the treatment of grief loss and death across a variety of Romantic poetic forms including the ballad sonnet epic elegy fragment romance and ode in the works of poets as diverse as Smith Hemans Blake Wordsworth Coleridge Byron Shelley Keats and Clare Romantic meditations on grief however varied in form and content are self consciously aware of the complexity and strength of feelings surrounding the consolation or disconsolation that their structures of poetic memory afford those who survive the imaginary and actual dead Romantic mourning Sandy shows finds expression in disparate poetic forms and how it manifests itself both as the spirit of its age rooted in precise historical conditions and as a prophetic power of lasting transhistorical significance Romantic meditations on grief and loss speak to our contemporary anxieties about the inevitable but unthinkable event of death itself

Victorian Keats J. Najarian, 2002-09-24 This book explores the sexual implications of reading Keats Keats was lambasted by critics throughout the nineteenth century for his sensuousness and his effeminacy The Victorians simultaneously identified with imitated and distrusted the unmanly poet Writers among them Alfred Lord Tennyson Matthew Arnold Gerard Manley Hopkins John Addington Symonds Walter Pater and Wilfred Owen came to terms with Keats's work by creating out of the effeminate poet a sexual and literary ally

Challenge of Keats Allan C. Christensen, 2000 Two centuries after his birth in October 1795 John Keats occupies a secure place in the canon of great literature of the western world But for much of the nineteenth century and even during periods of the twentieth century his right to such a position was not so firmly established On the bicentenary of Keats's birth various Italian scholars along with specialists from English speaking countries decided to take advantage of the occasion not only to render homage to a poet whose greatness now seems unchallenged but also to accept his continuing challenge to his readers The contributors to this volume re examine some of the harshest criticisms of Keats from Byron onwards and some of the unconditional exaltations of the poet in order to discover possible sites between the two for new critical impulses and fertile re evaluations of his achievement Under five

headings Romantic Truth Textual Readings History and Myth Keats and Other Poets and Painting and Music the essays in this book appraise the historical cultural contexts that nurtured Keats's creativity discuss the influences and interrelationships among Keats and other poets and consider Keats's artistry as revealed in the analyses of particular texts

Nineteenth-Century Poetry and Literary Celebrity E. Eisner, 2009-09-16 While artistically ambitious poets of the era are often characterized as preferring a lasting future fame to contemporary popularity this book reveals that a sophisticated strategic and fascinated engagement with new modes of fame was central to the experiments with literary form of poets such as Byron Keats Shelley and Barrett Browning
